Dear Charlene:

Well, I knew this might be coming, but at least you won't be far away! You have brought so much enthusiasm and energy to the CSW during your term on the Commission, and we're grateful for all that you've done.

Gail Anderson has expressed an interest in the Commission, and I will give her your name and phone. Meanwhile, if you'll be kind enough to send me a resignation letter, we'll get to work on a replacement.

Kind regards, and many thanks.

Subject: Commission on the Status of Women

Dear Sid,

Thank you for the opportunity to serve on the Commission on the Status of Women. It has been an honor and a pleasure working with you, the Mayor and my fellow Commissioners.

Our growing family recently purchased a new home, which unfortunately, is 4 blocks North of the Pasadena City limits in Altadena, therefore I understand I must tender my resignation for the Commission.

I am happy to work with you and the incoming Commissioner on any transition needs and look forward to working with everyone again in the near future.

Thank you.

Best,
