TO: CITY COUNCIL

DATE: OCTOBER 16, 2006

FROM: CITY CLERK

SUBJECT: RESOLUTIONS RELATED TO THE CALLING OF THE REGULAR MARCH 6, 2007, PRIMARY NOMINATING ELECTION AND CONSOLIDATION OF THE PASADENA BOARD OF EDUCATION PRIMARY WITH SAID ELECTION

RECOMMENDATION:

It is recommended that the City Council adopt the following resolutions:

- (1) A resolution calling a primary nominating election for the office of Mayor and for the offices of members of the City Council for Districts 1, 2, 4, and 6 of the City of Pasadena, and consolidating with said election the Pasadena Unified School District (PUSD) Board of Education Primary, Seats 2, 4 and 6, and authorizing the City Clerk to enter into a contract with PUSD for the City Clerk to provide election services to the PUSD.
- (2) A resolution requesting the Board of Supervisors of Los Angeles County to permit the Registrar of Voters of said County to render specified services to said City relating to the conduct of a consolidated City of Pasadena and Pasadena Board of Education primary nominating election on March 6, 2007 and, if necessary, a general municipal election to be held on April 17, 2007.
- (3) A resolution setting forth regulations relating to candidate statements for said primary and general municipal elections.

BACKGROUND:

Calling and Consolidating Election (First Resolution)

Section 1208 of the City Charter ("Charter") and the California Elections Code provide that elections be called by ordinance or resolution. Accordingly, the first resolution stipulates general information regarding the date of the primary nominating election, offices to be elected, the method by which candidates shall be selected, ballots, time of opening and closing polls, polling places and election officers, and the canvass to be conducted by the City Clerk. The date of the City primary nominating election is established by Section 1202 of the Charter.

Section 703 of the Charter provides for the primary nominating election of the Pasadena Unified School District (PUSD) Board of Education to be held at the same time as the City primary nominating election. California Elections Code Sections 10400, et seq., permit the consolidation of elections, and PUSD has requested consolidation as noted in its September 28, 2006 letter (Attachment 1).

The resolution calling the election also sets forth the stipend for poll workers. The proposed stipend for poll workers is \$105 for inspector and \$80 for clerk (a \$5 increase from the past election cycle), plus \$25 for attending poll worker training, \$15 for the custodial fee and \$30 for the polling place rental fee. Funds are available in the Election budget for these expenses.

Election Services (Second Resolution)

California Elections Code Section 10002 permits the County to provide election services to cities, if requested. This resolution is necessary to request services of the Registrar of Voters, from the Board of Supervisors of Los Angeles County. The services include County computer records identifying names and addresses of all eligible registered voters; precinct maps for consolidation of County precincts; verification of signatures on nomination papers and absent voter applications; precinct officer materials; and the formula for the allocation of costs involved among the appropriate entities in accordance with the California Education Code and other applicable provisions of law. The County provides such services and bills the City and PUSD their pro-rata share of costs.

Candidate Statements/Compliance with Voting Rights Act (Third Resolution)

The third resolution sets forth regulations pertaining to candidate statements for the primary and general municipal elections. Candidates will be required to pay a pro-rata share of costs associated with printing their candidate statements in English, and the City and PUSD will absorb translation costs in complying with the Voting Rights Act, including costs associated with printing candidate statements in Spanish in the sample ballot pamphlet, and translation of candidate statements in Chinese.

In the past, based on Census data for the City of Pasadena and the PUSD area, Spanish and Chinese have qualified for translations and assistance. Because of Pasadena's high Latino population, it is the City's policy to print a bilingual English/Spanish sample ballot pamphlet and provide translations, upon request, in Chinese since this language meets the 3% criteria for providing a targeting method of complying with the Voting Rights Act.

Under the regulations set forth in the resolution, candidates will be required to pay a deposit for the actual costs of printing candidate statements in English. Based on current voter registration figures and a cost estimate by the election supplier, the proposed deposit amounts are \$1,400 for the Mayoral race, \$300 for the district races and \$1,900 for the at-large PUSD races. If actual costs are lower or higher than the deposit, candidates will be refunded or invoiced the difference.

For the general (run-off) election, candidates electing to have a statement printed may use the same statement or they may file a new statement. A new deposit in the respective amount above will be required to be filed with either a new statement for the general election or a written request directing the City Clerk to use the same statement, by the deadline of Friday, March 9, 2007.

With only six weeks between the primary and general elections, it is crucial that candidate statements for the general election be filed by this deadline, in order to allow time for translations, proofreading, printing, affixing labels to the pamphlets, and still meet a legal requirement to have the pamphlets mailed at least three weeks in advance of the election.

The third resolution also requests the Secretary of State's Office to conduct a randomized alphabetical drawing on December 14, 2006, to determine the order of names on the primary election ballot, and a second drawing on March 9, 2007, to determine the order of names for the general election ballot, in the event a run-off election is required.

FISCAL IMPACT:

It is estimated that the total cost of the primary election will be approximately \$330,000, including costs for election supplies and services. This estimated figure may fluctuate based on various factors such as number of candidates, measures (if any) on the ballot, an increase in voter registration, and if there is a larger than expected demand to vote absentee. The Pasadena Unified School District will reimburse approximately 68% of the costs of the primary election (per a pro-rata formula established by the County). Funds for the City's share of election costs have been budgeted and recognized in the Elections Budget 263000.

Respectfully submitted,

RESOLUTION NO.

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
PASADENA SETTING FORTH REGULATIONS RELATING TO
CANDIDATE STATEMENTS FOR THE MARCH 6, 2007
PRIMARY NOMINATING ELECTION AND APRIL 17, 2007
GENERAL MUNICIPAL ELECTION**

WHEREAS, Section 13307 of the Elections Code of the State of California provides that each candidate for nonpartisan elective office in any local agency may prepare a candidate's statement on an appropriate form provided by the City Clerk. Such statement may include the name, age, and occupation of the candidate and a brief description of no more than 200 words of the candidate's education and qualifications expressed by the candidate himself or herself, except that the statement shall not include the party affiliation of the candidate, nor membership or activity in partisan political organizations. The statement of each candidate shall be printed in type of uniform size and darkness in upper and lower case letters only, and with uniform spacing. There shall be no bolding, and no special emphasis of any kind. Such statement shall be filed in the office of the City Clerk at the same time the candidate's nomination papers are filed. Except as provided in California Elections Code Section 13309, such statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5:30 p.m. of the next working day after the close of the nomination period; and

WHEREAS, Section 13307 also permits the City to adopt regulations to ensure recovery of the prorata costs from each candidate; and

WHEREAS, Section 13311 of the California Elections Code mandates that candidate statements shall remain confidential until the expiration of the filing deadline.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Pasadena as follows:

SECTION 1. The City Clerk shall advise all persons to whom nominating papers are given of the provisions of the Elections Code pertaining to said candidate's statement and the City's requirements thereunder.

SECTION 2. A statement must be filed by the candidate at the same time the candidate's nominating papers are filed.

SECTION 3. No candidate will be permitted to include additional statements or materials in the sample ballot pamphlet.

SECTION 4. A deposit of not less than \$300.00 shall be required of each district candidate for City Council, \$1,400.00 for each candidate for Mayor, and \$1,900.00 for each candidate for Pasadena Unified School District Board of Education requesting publication of a candidate's statement pursuant to the Elections Code, which shall be deposited by the City Clerk into the City treasury. The deposit is due at the time the nominating papers and candidate's statement are filed.

SECTION 5. A candidate in the general election on April 17, 2007, who desires to have a candidate's statement printed, shall be required to make an additional deposit, in the same amounts as set forth above, with the City Clerk. In order to meet the deadline for mailing the sample ballot pamphlet, and to meet the locally determined requirements of the federal Voting Rights Act of 1965, as amended, and in light of the longer time period required in certifying the canvass results occasioned by the rise in absentee and provisional ballots, the

candidate's statement for the general election shall be filed and said required deposit shall be made with the City Clerk no later than 5:30 p.m. on Friday, March 9, 2007. A candidate may elect either to file the same statement printed for the primary election or to file a different statement. The filing requirement may be met either by filing a written request from the candidate to use the same statement or by filing the text of a new statement, along with the required deposit, with the City Clerk prior to the March 9, 2007 deadline.

SECTION 6. Each candidate filing such statement shall be liable for a prorata share of the actual cost of printing, handling and mailing the candidate's statement in English, only. No candidate will be charged their prorata share of costs incurred as a result of complying with the federal Voting Rights Act of 1965, as amended. The Director of Finance shall bill each candidate for the actual prorated costs of printing and handling the candidate's statement, if required, and such bill shall be due and payable immediately upon receipt therefor. If the actual cost is less than the deposit, the Director of Finance shall refund any excess deposit to the candidate within 30 days of the election.

SECTION 7. In light of past practice and demand in complying with the minority language requirements of the federal Voting Rights Act of 1965, as amended, and consistent with an agreement among the Los Angeles County Registrar of Voters, the Asian Pacific American Legal Center, and the Mexican American Legal Defense and Education Fund, minority language translations will be provided where at least 3% of a single language minority is identified by Census data as being limited-English proficient. Utilizing this 3% targeting method, Spanish and Chinese qualify for translations and assistance, based on the most recent detailed Census data available for the City of Pasadena and the Pasadena Unified School District area. Because of the high Spanish-speaking

population in the City of Pasadena and School District area, the sample ballot pamphlet, which is mailed to all registered voters in the City and in the Pasadena Unified School District, will be printed in English and Spanish. As to the Chinese language translation, on the first inside page of the bilingual sample ballot pamphlet there will be instructions in Chinese for voters who wish to obtain a sample ballot pamphlet in the Chinese language, at no cost to the voter.

SECTION 8. Candidates shall be required to pay the cost of translating and printing the candidate's statement into any foreign language that is not required as specified in Section 7 above, pursuant to federal and/or state law, but is requested as an option by the candidate.
