

4. If it wished to do so, the County may partially withdraw from the SGVCOG at a future date. Under this scenario, the County would continue to participate in the SGVCOG but with fewer active Supervisorial Districts. The County's voting rights and dues would be adjusted accordingly. The County would also have the option of completely withdrawing from the SGVCOG, as does every member city.

On March 20, 2007 the Los Angeles County Board of Supervisors approved unanimously to join the SGVCOG. If sixteen cities approve and execute the amended agreement, it will be effective and the County will be able to join. Each member city is being asked to adopt the attached resolution.

**FISCAL IMPACT:**

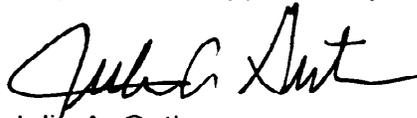

There is no fiscal impact to the City as a result of this resolution. However, if the County joins the SGVCOG, they will pay annual dues in the amount of \$90,000.

City Manager
