Hi Heather, there is no one identified who is able to serve as the Design Commissioner liaison at the moment. We are in conversation to find someone. We do understand that you have indicated that you cannot continue to serve. We appreciate your email and are in touch with Design staff about a possible replacement.

Thanks. R

I am unable to attend tomorrow's meeting due to a conflict; I have a judicial meeting. Also, I did not see the appointment of a new Design Comm'n rep. on the agenda. As I mentioned a few weeks ago, I am no longer able to serve in this role due to the time commitment involved. There is a meeting tonight that I will try to attend, but that will be my last meeting. The seat will have to be vacant until we find someone else. I'll let Viola with the Design Comm'n know.
