Stacy,

I have informed Steve Haderlein that the July meeting of the R&PC will be my last. My life has become too complicated in recent months for me to continue serving in this capacity. I simply cannot dedicate the time. I regret the necessity for stepping down. I have thoroughly enjoyed my five years on the Commission and I believe that I have done some good. Thank you so much for your kind and always cheerful support, both professionally and personally. I will miss you and all the others. I will say my goodbyes to everyone in July.

Tim
