**Application to Designate a Historic Resource as a
HISTORIC MONUMENT OR LANDMARK**

§17.52.050 of the Pasadena Municipal Code sets forth a procedure for designating any historic resource in the City as a historic monument or landmark. 1) The process begins with a preliminary evaluation by staff to determine if the nominated property meets the applicable criteria and is eligible for designation. 2) If staff determines that the nominated property is eligible for designation, the nomination is scheduled for a public hearing before the Historic Preservation Commission. 3) The Historic Preservation Commission determines if the historic resource meets the criteria for designation as a historic monument or landmark. If the Commission finds that the nominated resource qualifies for designation, it forwards a recommendation on the designation to the City Council. 4) At a noticed public hearing, the Council then determines whether to approve or deny the request for designation.
