Dear Councilwoman Streator,

The opportunity to serve the community on the Arts and Culture Commission for the past five years has been both informative and rewarding. I have discovered that carrying out the business of our great city requires much time and energy on the part of all city officials. I applaud the work that you have done as well as the dedication of the Cultural Affairs staff and my fellow commissioners.

Although, my term is scheduled to end in 2008, I will only be able to serve through June 30, 2007. I appreciate both the support and encouragement that you have provided during my term. The experience has left me a better person.

Congratulations on your twelve years of devoted service to the city. Your voice has been an advocate for change and progress. Your presence will be greatly missed.

Sincerely,

Bettye S. Holliday  
Chair  
Arts and Culture Commission
