CONSIDERATION OF A CALL FOR REVIEW TO THE HISTORIC PRESERVATION COMMISSION A CERTIFICATE OF APPROPRIATENESS FOR A ONE-STORY REAR ADDITION JOINING THE FRONT AND REAR BUNGALOWS

**AT 774 AND 776 NORTH MENTOR AVENUE
(BUNGALOW HEAVEN LANDMARK DISTRICT – CASE
NO. PLN2007-00136) (Councilmember Gordo)**

Councilmember Gordo explained concerns that procedural issues needed to be examined by the Historic Preservation Commission as to whether a Certificate of Appropriateness should have been issued [e.g., turning two structures into one structure, design guidelines issues, and approval of the project setting precedence for similar projects in terms of the level of review (staff vs. Historic Preservation Commission)], and asked that the necessary noticing be expedited and the matter be placed on the next agenda of the Commission.

The City Manager indicated staff would support this matter being reviewed by the Historic Preservation Commission.

The City Attorney affirmed the Council's legal standing in calling this matter for review in terms of time deadlines being met and required process being followed.

The following persons spoke in opposition to the call for review:

Thomas Fagan, Pasadena resident
Ralph Tyler, applicant's architect
John Duffy, applicant
Thomas Pico, Pasadena resident

The following persons spoke in support of the call for review:

Julianna Delgado, Bungalow Heaven Neighborhood
Association President
David Delgado, Pasadena resident
Richard Quirk, Pasadena resident

Councilmember McAustin noted for the record that she had made a site visit to the property, commented on apparent time issues involving the landmark district representative receiving notice of the certificate being issued in this instance and resulting impacts on time to react to the staff decision, and suggested staff or the Historic Preservation Commission investigate a means to promote better dialogue between the landmark district representatives and staff to allow for a more efficient way to deal with these issues.

It was moved by Councilmember Gordo, seconded by Vice Mayor Haderlein, to call the matter for review to the Historic Preservation Commission as to whether a Certificate of Appropriateness should have been issued, with the understanding that the matter will be heard by the Commission as quickly as possible in order to move the process along; and in the context of the call for review, to request the Historic

Preservation Commission to provide feedback to Council, at some future date, regarding whether the existing guidelines are clear enough to provide direction to staff, the Historic Preservation Commission, and applicants regarding the level of review that is needed for a project (staff vs. Historic Preservation Commission). (Motion unanimously carried) (Absent: None)
