Subject: Historic Preservation Commission

Dear Mayor Bogaard,

The purpose of this letter is to convey our nomination and endorsement of Bridgid Fennell to serve on the Historic Preservation Commission as the designated neighborhood representative for the Historic Highlands Neighborhood Association.

I am thrilled that Bridgid has stepped forward to volunteer to serve on this Commission. She played an integral role in helping us achieve Historic Landmark District status, and was one of the co-chairs of our team. Her steady dedication, energy, and knowledge served us well, and these are just a few of the qualities which she will bring to the Historic Preservation Commission.

In addition to my personal endorsement, our Historic Highlands Neighborhood Association board unanimously endorsed Bridgid as well.

Sincerely,

Gregory Harrison

President, Historic Highlands Neighborhood Association
