Administrative Assistant to the Mayor/City Council  
City of Pasadena  
100 North Garfield Avenue  
Pasadena, CA 91109-7215

Dear Mayor and City Council,

Please be advised that I must resign from my appointment as Representative-at-large, Commission on the Status of Women, effective immediately.

I have accepted a position with the Kern County Community Action Partnership as an Administrative Analyst and will no longer reside within the boundaries of the City of Pasadena.

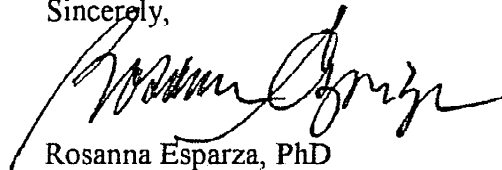

I appreciate your confidence in my ability to represent the women of Pasadena. I leave this magnificent city with mixed emotions: my work in Pasadena has come to an end, and the promise of opportunity waits for me in a rural community.

My thanks to all who have shaped my vision of the possibility of social and economic justice for all, and the support I have received serving as a member of the Human Services Commission and most recently, the Commission on the Status of Women.

Please know I am at your service and willing to assist the Council if you so desire. My office contact information is as follows:
