

Agenda Report

TO: CITY COUNCIL

DATE: August 10, 2009

FROM: CITY MANAGER

SUBJECT: AUTHORIZE PURCHASE ORDER WITH HUNTINGTON BEACH HONDA FOR PURCHASE OF FIVE NEW REPLACEMENT POLICE MOTORCYCLES FOR A TOTAL OF \$83,999

RECOMMENDATION:

It is recommended that the City Council:

- 1) Authorize the issuance of a purchase order to Huntington Beach Honda in an amount not to exceed \$83,999 for the purchase of five police motorcycles; and
- 2) The proposed purchase order is exempt from competitive bidding pursuant to City Charter section 1002(H), contracts with other governmental entities or their contractors for labor, material, supplies or services

BACKGROUND:

Due to the unique nature of its operations, the Police Department requires specialized motorcycles designed to handle the demands of the job. Honda Motorcycle of America has written specifications for a dedicated heavy duty police motorcycle with an increased lifecycle of five years and/or 100,000 miles. The current lifecycle of police patrol motorcycles is three years and 50,000 miles. This purchase will bring all but six police patrol motorcycles to the five year and/ or 100,000 mile lifecycle. The proposed purchase will replace five motorcycles that have met or exceeded their useful lifecycle. The vehicle replacement/condition reports are attached.

On September 17, 2008, the City of Anaheim completed a competitive bidding process for the purchase of eighteen 2009 Honda Law Enforcement Motorcycles. Huntington Beach Honda has offered to extend this 2009 bid price to the City of Pasadena for five police motorcycles due for replacement in FY2010. Currently, there are no Police Motorcycle dealerships located in Pasadena. Purchasing the requested vehicles from Huntington Beach Honda would be in the City's best interest because it would expedite the delivery of the motorcycles thus reducing the time needed to place the vehicles in service, by approximately three months.

It will also save the City approximately \$501 per motorcycle in price increases for model year 2010 for a total savings of \$2,505.

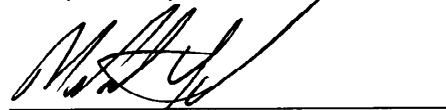

ENVIRONMENTAL IMPACT:

This purchase complies with all South Coast Air Quality Management District (SCAQMD) rules and regulations for engine emissions and clean air standards in the South Coast basin.

FISCAL IMPACT:

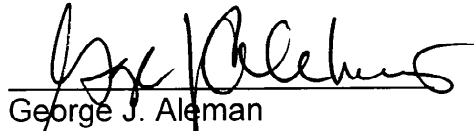

This equipment is a budgeted replacement and sufficient funds are available in the Equipment Replacement Fund, account #766300.

Respectfully submitted,

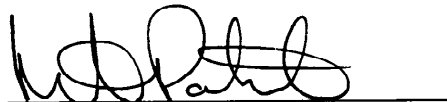

MICHAEL J. BECK
City Manager
