Pasadena, CA 91109-7215

Re: Resignation from the Community Development Committee

Dear Vice Mayor Haderlein

Per our phone conversation last week, I must regretfully resign from the Pasadena Community Development Committee. As we discussed, my recent appointment as the City of Oakland's Assistant City Administrator requires that I spend my workweek in Oakland, unfortunately, this makes it impossible for me to effectively participate in CDC matters.

I have enjoyed serving on the Committee and hope that I have contributed to Pasadena's efforts to address a variety of community development issues. My husband Enrique and I will continue to reside in Pasadena, and will find opportunities to serve this city through various other means. Please call upon us when and if our assistance may be needed.

Thank you again for the opportunity to serve this city.

Sincerely,

Marianna Marysheva-Martinez
