Super Liquor & Market (125 E. Orange Grove Boulevard)

Dear Mr. Olguin:

The Korean American Grocers Association of Los Angeles (KAGRO), established in 2001, represents more than 1,000 large and small grocery store retailers in the Southern California area. Kum Man Jhae and Kun Chin Jhae are one of our most active members and have proven to be responsible and caring operators of Super Liquor & Market. This letter is put forth in support of their appeal to the Pasadena City Council with respect to unreasonable Conditions imposed by the Code Enforcement Commission.

The Jhae's are hands on owners/operators of this long established neighborhood market that provides convenient one stop shopping for food (can, dry and perishables), household items (pots, pans, cleaning items, etc.), paper goods (diapers, tissue, towels, etc.) and restaurant, in a transit dependent neighborhood. It is important that the Jhae's be allowed to continue operating their store within the guidelines/restrictions imposed by the Alcoholic Beverage Control (ABC) Board. As you well know, the Jhae's operate in a very challenging environment, yet have a very loyal customer base. Many in the neighborhood consider the Jhae's friends and treat them like a member of the family. .

Hence, in addition to the over all support of the appeal, let it be known that KAGRO also supports the removal of all of the Conditions imposed by your department, in particular, Conditions 3, 7, 9, 10, 18 & 19.

Best regards,

Dalsub Yoon, President  
KAGRO of LA

Jinwon Park, Chairman  
KAGRO of LA
