This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief to certain PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

## **PHA Plan Elements** (24 CFR 903.7)

**1. Eligibility, Selection and Admissions Policies, including Deconcentration and Wait List Procedures. Describe the PHA's policies that govern resident or tenant eligibility, selection and admission including admission preferences for both public housing and HCV and unit assignment policies for public housing; and procedures for maintaining waiting lists for admission to public housing and address any site-based waiting lists.**

### **ELIGIBILITY FACTORS**

To be eligible for participation, an applicant must meet HUD's criteria, as well as any permissible additional criteria established by the PCDC.

1. An applicant must be a "family."
2. A family must be income-eligible, within the appropriate income limits.
3. A family must be a citizen or a non-citizen who has eligible immigration status.
4. A family must sign an "Authorization for the Release of Information/Privacy Act Notice" form (Form HUD-9886) and PCDC forms.

Note: The proper certification form must be completed for those members of the family who have not been issued a Social Security number.

For the PCDC's additional criteria for eligibility, see Section F, "Other Criteria for Admission" in the 2008 Administrative Plan.

The family's initial eligibility for placement on the waiting list will be made in accordance with the eligibility factors. Compliance with the eligibility factors will not be verified before the family is placed on the waiting list. However, evidence of Citizenship/Eligible Immigrant Status will not be verified until the family is selected from the waiting list for issuance of a Housing Choice Voucher (HCV), unless the PCDC has determined that such eligibility is in question, regardless of whether or not the family is at or near the top of the waiting list.

### **OTHER CRITERIA FOR ADMISSION [24 CFR 982.552, 982.553 (C)]**

The PCDC must apply the following criteria, in addition to HUD eligibility criteria, as grounds for denial of admission to the program.

1. The family must not have violated any family obligation during a previous participation in RAP during the last five years.

When the PCDC denies assistance to an applicant with a disability, the applicant may request a review of the family obligation that was violated, if the violation was a result of the disability.

An exception may be granted by the PCDC if the family member who violated the family obligation is not a current member of the household listed on the application.

2. No family member may have committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program in the last five years unless the PCDC or PHA has imposed a lifetime restriction from participating due to the nature of the violation(s), crime or offense.
3. Family must have paid any outstanding debt owed the PCDC or another housing agency as a result of prior participation in any Federal housing program. Family will have 90 days to pay any outstanding debts in full once their name has been reached.
4. No member of the family may have engaged in drug-related or violent criminal activity within the last five years.

The PCDC will not be obligated to ferret out information concerning a family's criminal activities as part of the processing of an application for assistance. Initial screening will be limited to routine inquiries of the family and any other information provided to the PCDC regarding this matter. The inquiries will be standardized and directed to all families by inclusion in the application form.

If the family indicates that they have been arrested or convicted within the prior five years for drug-related or violent criminal activity, the PCDC shall obtain verification through police/court records. Verification of any past activity will be done at the initial eligibility review and will include a check of conviction and other records by a law enforcement agency.

5. No family member may have been evicted from Federally assisted housing for any reason during the last five years.
6. No family member may have engaged in or threatened abusive or violent behavior toward PCDC personnel or their property after September 1, 1997.
7. Family member(s) must not be subject to a lifetime registration requirement under a State sex offender registration program.
8. No family member may have been convicted of drug-related criminal activity involving manufacture or production of methamphetamine on the premises of Federally assisted housing.
9. Students enrolled in an institution of higher education, who are:
  - a. Under the age of 24;
  - b. Not a veteran;
  - c. Unmarried;
  - d. Do not have a dependent child;
  - e. Have not established a separate household from their parents or legal guardians for at least one year prior to applying for rental assistance;
  - f. Not claimed as a dependent by parents or legal guardians on their Internal Revenue Services tax return; and
  - g. Not receiving financial support from parent or legal guardians.

**ESTABLISHING PREFERENCES AND MAINTAINING THE WAITING LIST**  
**[24 CFR Part 5, Subpart D; 982.54(d)(1); 982.204, 982.205]**

The order of admission from the waiting list may not be based on family size or on the family unit size for which the family qualifies under the PCDC occupancy policy. If the PCDC does not have sufficient funds to subsidize the family unit size of the family at the top of the waiting list, the PCDC may not skip the top family to admit an applicant with a smaller family unit size.

When HUD awards the PCDC funding for a specified category of families on the waiting list, the PCDC must select applicant families in the specified category. The PCDC must be a single waiting list for admission to its Section 8 Tenant-Based Assistance Program (TBAP).

**WAITING LIST PREFERENCES [24 CFR 982.553]**

An applicant will not be granted any preference if any member of the family has been evicted from any Federally assisted housing during the past five years because of drug-related criminal activity.

The PCDC may grant an exception to such a family if:

1. The responsible member has successfully completed a rehabilitation program.
2. The evicted person was not involved in the drug-related activity that occasioned the eviction.
3. The evicted person is no longer involved in any drug-related criminal activity.

If an applicant makes a false statement in order to qualify for a preference, the PCDC will deny the preference. If the applicant falsifies documents in order to qualify for a preference, the application will be disqualified.

**LOCAL PREFERENCES [24 CFR 982.207]**

The PCDC uses the following local preferences:

1. Residency preference for applicants in which the head of household or spouse lives in Pasadena.
2. Applicants in which the head of household or spouse works full-time or attends school full-time (as defined by the school or institution) within the PCDC's jurisdiction.
3. PCDC assisted housing preference for applicants in which the head of household lives in a PCDC assisted housing development.
4. Disabled preference for applicants in which the head of household or spouse is disabled.
5. Veteran preference in which the head of household is a current member of the military, a veteran, or the surviving spouse of a veteran.
6. Applicants who have been involuntarily displaced.
  1. Families who claim Involuntary Displacement due to:
    - a. Disaster or Government Action:  
Written verification by the displacing unit or agency of government, or by a service agency such as the Red Cross.
    - b. Actions taken by the family's current property owner/agent:

Verification must be obtained (from an owner or other source) that the abuser still resides at the unit.

The family must certify that the abuser will not return to the household without the advance written approval of the PCDC.

Before giving approval, the PCDC will require verification of the following:

1. Written statement from social worker, psychologist, or other professional familiar with the abuser that he/she has received counseling/treatment and is unlikely to continue the abuse.
2. Written statement from local law enforcement agency that no complaints have been filed since the date of the preference approval.
3. Certification that the abuser has completed a rehabilitation program.

Certification of participation by a law enforcement agency of participation in the Witness Protection Program.

**3. Rent Determination. A statement of the policies of the PHA governing rents charged for public housing and HCV dwelling units.**

Payment standards may be adjusted to increase housing assistance payments in order to keep family rents affordable. The PCDC will not raise the payment standards so high that the number of families that can be assisted under available funding is substantially reduced. The PCDC will not raise payment standards if the need is solely to make "high end" units available to voucher holders.

The PCDC will review the payment standard annually to determine whether an adjustment should be made for some or all unit sizes. The payment standard will be reviewed according to HUD requirements. The PCDC may set the payment standard between 90% and 110% of FMR. Additionally, upon the PCDC's request, HUD may approve a payment standard lower than 90% or higher than 110%. The PCDC may therefore have different payment standards for different parts of its jurisdiction.

**Assisted Families' Rent Burdens**

The PCDC will review reports showing the percent of income used for rent by HCVP families to determine the extent to which the rent burden is more than 40% of income.

**Quality of Units Selected**

The PCDC will review the quality of units selected by families before determining any change to the payment standard to ensure that payment standard increases are only made when needed to reach the mid-range of the market.

**Rent to Owner Increases**

The PCDC may review a sample of units to determine how often owners are increasing rents after the first year of the lease and the average percent of increase by bedroom size. The sample will be divided into units with and without the highest cost utility included.

A comparison will then be made to the applicable annual adjustment factor to determine whether the owner increases are excessive in relation to the published annual adjustment factor.

**Rent Reasonableness Database/Average Contract Rents**

The PCDC will compare the payment standards to average rents in its rent reasonableness database and to average contract rents by unit size. The payment standards should not be less than 90% of these amounts.

**Lowering of the Payment Standard**

Statistical analysis may reveal the payment standard should be lowered, in which case the payment standard should not be less than 90% of the current FMR. If the FMR is lowered, the payment standard may not exceed the FMR except in those cases where families are held harmless until they move to a different dwelling unit or have a change in family composition which would affect their HCV size.

**Financial Feasibility**

Before increasing the payment standard, the PCDC may review the budget and project reserves to determine the impact projected subsidy increases would have on funding available for the program and number of families served.

For this purpose, the PCDC will compare the number of families who could be served under a higher payment standard with the number assisted under current payment standards.

**4. Operation and Management. A statement of the rules, standards, and policies of the PHA governing maintenance management of housing owned, assisted, or operated by the public housing agency (which shall include measures necessary for the prevention or eradication of pest infestation, including cockroaches), and management of the PHA and programs of the PHA.**

**5. Grievance Procedures. A description of the grievance and informal hearing and review procedures that the PHA makes available to its residents and applicants.**

**INFORMAL REVIEW PROCEDURES [24 CFR 982.54(d)(12), 24 CFR 982.554]**

Informal reviews are provided for applicants who are denied admission to the program. When the PCDC determines that an applicant is ineligible for the program, the family must be notified of their ineligibility in writing. The notice must contain:

1. A brief statement of reasons for the PCDC decision;
2. The procedure for requesting an informal review if the applicant does not agree with the PCDC decision; and
3. The deadline to request an informal review.

The PCDC must give applicants an opportunity for an informal review of the PCDC decision denying assistance. However, the PCDC is not required to provide the applicant an opportunity for an informal review for any of the following:

1. Discretionary administrative determinations by the PCDC.
2. General policy issues or class grievances.
3. A determination of the family unit size under the PCDC subsidy standards.
4. PCDC determination not to approve an extension or suspension of a voucher, certificate, or HOME coupon term.
5. A PCDC determination not to grant approval of the tenancy.
6. A PCDC determination that a unit selected by the applicant is not in compliance with HQS.
7. A PCDC determination that the unit is not in accordance with HQS because of the family size or composition.

Decisions related to restrictions on assistance to non-citizens always requires an informal hearing, regardless of whether the family is an applicant or a participant. (The informal hearing provisions for the denial of assistance on the basis of ineligible immigration status are contained in 24 CFR Part 5.)

When a request for an informal review is not received by the deadline, the PCDC will not provide an applicant an informal review.

**PCDC INFORMAL REVIEW PROCEDURES**

A request for an informal review must be received by the PCDC, in writing, no later than 15 days from the date of the PCDC's notification of denial of assistance. The informal review will be scheduled within 30 days from the date the request is received.

The informal review may be conducted by any person or persons designated by the PCDC, other than a person who made or approved the decision under review or subordinate of this person.

The applicant will be given the opportunity to present oral or written objections to the PCDC's decision.

The PCDC may verify the evidence submitted at the informal review by the applicant before a decision of the informal review is made.

The PCDC will inform the applicant, in writing, of the final decision within 30 days after the informal review, including a brief statement of the reasons for the final decision.

**INFORMAL HEARING PROCEDURES [24 CFR 982.555, 982.54(d)(13)]**

The PCDC must give a participant family an opportunity for an informal hearing to consider whether the following PCDC decisions relating to the individual circumstances of a participant family are in accordance with the law, HUD regulations and PCDC policies:

1. A determination of the family's annual or adjusted income and the use of such income to compute the housing assistance payment.
2. A determination of the appropriate utility allowance (if any) used for tenant-paid utilities from the PCDC utility allowance schedule.
3. A determination of the family unit size under PCDC subsidy standards.
4. A determination that a certificate family is residing in a unit with a larger number of bedrooms than appropriate for the family unit size under the PCDC subsidy standards, or the PCDC determination to deny the family's request for an exception from the standards.
5. A determination to terminate assistance for a participant family because of the family's action or failure to act (see 24 CFR 982.552).
6. A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under PCDC policy and HUD rules.

For cases described above, with the exception of numbers two and three, the PCDC must give the opportunity for an informal hearing before the PCDC terminates housing assistance payments for the family under an outstanding HAP Contract.

When the PCDC makes a decision regarding eligibility and/or the amount of assistance, the participant family must be notified in writing. The PCDC will give the participant family prompt notice of such determinations, which may include:

1. The proposed action or decision of the PCDC;
2. The date the proposed action or decision will take place;
3. The family's right to an explanation of the basis for the PCDC's decision;
4. The procedures for requesting an informal hearing if the family disputes the action or decision;
5. The deadline for the family to request an informal hearing;
6. The name of the person to whom the informal hearing request should be addressed to; and
7. A copy of the PCDC hearing procedures.

The PCDC is not required to provide a participant family an opportunity for an informal hearing for any of the following:

1. Discretionary administrative determinations by the PCDC.
2. General policy issues or class grievances.

4. A PCDC determination not to approve an extension or suspension of a voucher, certificate, or HOME coupon term.
5. A PCDC determination not to approve a unit or tenancy.
6. A PCDC determination that an assisted unit is not in compliance with HQS. (However, the PCDC must provide the opportunity for an informal hearing for a decision to terminate assistance for a breach of HQS caused by the family as described in 24 CFR 982.551(C).)
7. A PCDC determination that the unit is not in accordance with HQS because of the family size.
8. A determination by the PCDC to exercise or not exercise any right or remedy against the owner under a HAP Contract.

**Notification of Hearing**

Upon receipt of the request for an informal hearing, the PCDC will notify the participant family, in writing, of the scheduled informal hearing. The notice will include:

1. The date and time of the informal hearing.
2. The location where the informal hearing will be held.
3. The family's right to present evidence, witnesses, legal or other representation at the family's expense. The family must notify the PCDC within five days from the date of the notification of their decision to have legal representation.
4. The family's right to view, before the informal hearing, any documents or evidence in the possession of the PCDC upon which the PCDC based their determination and that are directly relevant to the hearing. The PCDC may provide copies of such documents prior to the hearing, at the family's expense. If the PCDC does not make the documents available for examination on request of the family, the PCDC may not rely on the documents at the informal hearing. Such documents or evidence must be available to or received by the family no later than 10 days before the informal hearing date.
5. The right by the PCDC to examine at the PCDC's office, before the informal hearing, any family documents that are directly relevant to the hearing. The PCDC must be allowed to copy any such document at the PCDC's expense. If the family does not make the document available for examination on request of the PCDC, the family may not rely on the document at the informal hearing. Such documents or evidence must be received by the PCDC no later than 10 days before the informal hearing date.

#### PCDC Informal Hearing Procedures

A request for an informal hearing must be received by the PCDC, in writing, no later than 15 days from the date of the PCDC's notification of termination of assistance. The informal hearing will be scheduled within 15 days from the date the request is received.

When the request for an informal hearing is not received by the deadline, the PCDC will not provide a participant family an informal hearing.

After an informal hearing date is agreed to, the family may request to reschedule only upon "good cause," which is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family.

The informal hearing will be canceled by the PCDC if the family is not present 15 minutes after the informal hearing scheduled time. The PCDC may schedule a final hearing only if the family can provide "good cause." If a participant family does not appear at a scheduled informal hearing and has not rescheduled the hearing in advance, the family must contact the PCDC within 48 hours, excluding weekends and holidays. The PCDC will reschedule the informal hearing only if the family can provide "good cause" for the failure to appear. No other hearing will be scheduled and the PCDC's decision to terminate will stand.

Families have the right to:

1. Present written or oral objections to the PCDC's determination;
2. Examine the documents in the file which are directly relevant to the basis for the PCDC's action, and all documents submitted to the hearing officer;
3. Copy any relevant documents at their expense;
4. Present any information or witnesses pertinent to the issue of the informal hearing;
5. Request that PCDC staff be available or present at the informal hearing to answer questions pertinent to the case; and
6. Be represented by legal counsel, advocate, or other designated representative at their own expense.

The PCDC has a right to:

1. Present evidence and any information pertinent to the issue of the informal hearing;

2. Be notified if the family intends to be represented by legal counsel, advocate, or another party;
3. Examine and copy any documents to be used by the family prior to the hearing;
4. Have its attorney present; and
5. Have staff persons and other witnesses familiar with the case present.

The informal hearing may be conducted by any person or persons designated by the PCDC, other than a person who made or approved the decision under review or a subordinate of this person. The PCDC appoints hearing officers who are knowledgeable of the Rental Assistance Programs and experienced in dispute resolution, mediation and arbitration.

The informal hearing shall concern only the issues for which the family has received the opportunity for a hearing. Evidence presented at the hearing may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

No documents may be presented which have not been provided to the other party before the hearing, if requested by the other party. "Documents" includes records and regulations.

The hearing officer may ask the family for additional information and/or adjourn the hearing in order to reconvene at a later date before reaching a decision. The submission of additional information may not exceed 15 days from the date of the informal hearing.

If the family misses an appointment or deadline established by the hearing officer, the decision of the PCDC shall become final and another informal hearing will not be granted.

The hearing officer will determine whether the action, inaction, or decision of the PCDC is in accordance with HUD regulations and this Plan based upon the evidence and testimony provided at the hearing. Factual determinations relating to the individual circumstances of the family will be based on a preponderance of the evidence presented at the informal hearing.

A notice of the decision made by the hearing officer will be provided, in writing, to the PCDC within 15 days of the informal hearing and shall include:

1. A clear summary of the decision and reason(s) for the decision; and
2. If the decision involves money owed.

The PCDC is not bound by the hearing officer's decision which:

1. Concern matters in which the PCDC is not required to provide an opportunity for an informal hearing, or that otherwise exceeds the authority of the person conducting the hearing under the PCDC hearing procedures.
2. Conflict with or contradict HUD regulations or requirements, or otherwise contradict Federal, State, or local law.

The PCDC will notify the family, in writing, within 15 working days of receipt of the hearing officer's decision. If the PCDC determines that it is not bound by the hearing officer's decision, the PCDC will notify the family of the determination and of the reasons for the determination.

**10. Civil Rights Certification. A PHA will be considered in compliance with the Civil Rights and AFFH Certification if: it can document that it examines its programs and proposed programs to identify any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with the local jurisdiction to implement any of the jurisdiction's initiatives to affirmatively further fair housing; and assures that the annual plan is consistent with any applicable Consolidated Plan for its jurisdiction.**

Civil rights certifications are included in the PHA Plan Certifications of Compliance with the PHA Plans and Related Regulations.

**11. Fiscal Year Audit. The results of the most recent fiscal year audit for the PHA.**

**13 Violence Against Women Act (VAWA). The PCDC will comply with Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA), which protects family members who are victims of domestic violence, dating violence, or stalking, from being evicted or terminated from housing assistance based on acts of such violence against them. The family may be required to complete, sign and submit Form HUD – 50066, or other acceptable certification/documentation, in order to verify the family's claim of domestic violence, within 14 business days of the request. The certification must include the name of the perpetrator.

**9.0 Housing Needs.** Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

<b>9.1</b>	<b>Strategy for Addressing Housing Needs.</b> Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. <b>Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</b>
------------	---

1. Provide annual rental assistance for 1,450 extremely low and low-income households.
2. Establish and record long-term affordability covenants for all city-assisted units and inclusionary housing.
3. Support the City's fair housing plan that addresses the noted impediments to fair housing opportunities.
4. Promote a 98% Section 8 lease-up rate by utilizing an appropriate payment standard that enables families to rent units throughout the city.
5. Support the preservation of existing affordable rental housing units.
6. Promote and strengthen implementation of a comprehensive continuum of care strategy which includes outreach/assessment, coordination and collaboration of emergency shelters and transitional housing with support services, permanent service-enriched housing and permanent housing, for addressing homelessness and priority needs of homeless and at-risk individuals and families.
7. Promote and maintain continued participation by property owners in rental assistance programs.
8. Identify, leverage and effectively utilize all available funding sources (local and other) for affordable housing.
9. Promote a balanced geographic dispersal of assisted affordable housing developments including emergency shelters, transitional housing, service-enriched permanent housing, independent-living permanent housing, and associated supportive social services for individuals/households, throughout the city.
10. Support the General Plan goal of an inclusionary zoning ordinance that requires 15 percent of the total number of housing units in new developments to be affordable to extremely low, low or moderate income households.
11. Support the established "in lieu fees" whereby developers are given the option to pay fees in lieu of providing a required number of below market-rate units.

**10.0 Additional Information. Describe the following, as well as any additional information requested by HUD:**

- (a) **Progress in Meeting Mission and Goals.** PHAs must include (i) a statement of the PHAs progress in meeting the mission and goals described in the 5-Year Plan; (ii) the basic criteria

the PHA will use for determining a significant amendment from its 5-year Plan; and a significant amendment or modification to its 5-Year Plan and Annual Plan. **(Note: Standard and Troubled PHAs complete annually; Small and High Performers complete only for Annual Plan submitted with the 5-Year Plan).**

The PCDC will continue to administer its programs in a manner that reflects its commitment to building better lives and better neighborhoods while maintaining program integrity and compliance with all applicable Federal, State and local housing regulations.

During FY 2005, 2006 and 2007 the SEMAP scores had rated PCDC a High Performer. In FY 2008 our SEMAP score was rated a Standard Performer. During this time the City open its Section 8 Tenant Based Rental Assistance's Waiting List (January 28, 2008 through May 2, 2008). The results of the Waiting list demonstrate that PCDC continues to strive to improve its SEMAP score in all arrears.

The PCDC's Inspection Unit conducted four workshops with the Section 8 landlords to explain various aspects of the program, including new policies and program changes. The Unit also participated in the annual landlord school with the City's Prosecutor Officer, Health Department, Police Officers from Narcotic Activity and Gangs Division and Neighborhood Connections.

The PCDC also published "House Notes" a newsletter containing program updates and useful information for participants, and landlords/owners. The newsletters are published at least two times annually.

The PCDC sets the payment standard at a level that is high enough to ensure that families are able to afford quality housing while also balancing the need to provide assistance as many families as possible. PCDC's payment standards have reflected annual increases in HUD's Fair Market Rent.

Currently due to housing market cost within the PCDC's jurisdiction the homeownership program is not feasible, our participants options were very few to none.

The PCDC pursued 15 participants that defaulted on their overpayment agreements. PCDC continues to increase the level of resources committed to its Fraud detection and pursuits remedies against participants who commit fraud and do not reimburse the agency relating to fraud.

The Family Self Sufficiency Supportive Services (FSS) has had full program implementation for the last four years. The FSS program has provides workforce development and educational services to promote self-sufficiency among very low, low and moderate-income participants.

The PCDC will continue to provide information regarding housing opportunities through our printed listing and as well as at community outreaches. The briefing packet for the Section 8 participants are updated monthly, to include the most up to date federal, state and local information on fair housing and equal opportunity.

Inclusionary Housing Program that requires 15% of the total units in a new housing development of ten or more units be affordable to low and moderate-income households.

Provision of density bonus and city affordable housing fee waivers to encourage the development of low income housing units,

Housing Mediation Program that provides the opportunity for local residents (tenants, owners, managers) to resolve rental issues in an objective and constructive manner. These services

are provided by the City through a contract with the Housing Rights Center (HRC). Free mediation services are available to foster early solutions to problems along with free phone consultations regarding Fair Housing issues. The Center supports and promotes freedom of residence through education, they assist with basic questions about landlord and tenant rights and responsibilities. The HRC counselors provide clients with comprehensive information they can use to resolve those problems.

Continued participation by the Resident Advisory Board (RAB) to allow program participants to be actively involved in the planning, programming and implementation of PCDC rental housing activities. The RAB ensures that appropriate actions are taken by the PCDC to address the needs of program participants in their efforts to lease properties in the City.

Utilizing the Project Based Assistance (PBA) program to induce property owners to participate and make rental housing available to low income families (Section 8 Housing Choice Voucher Program participants). Through PBA, PCDC shall encourage the creation of new affordable housing units and maintain the continued affordability of existing units. Currently, we have 32 PBA units leased.

**(b) Significant Amendment and Substantial Deviation/Modification.** PHA must provide the definition of “significant amendment” and “substantial deviation/modification”.

**(Note: Standard and Troubled PHAs complete annually; Small and High Performers complete only for Annual Plan submitted with the 5-Year Plan.)**

**None**

**c) PHAs must include or reference any applicable memorandum of agreement with HUD or any plan to improve performance. (Note: Standard and Troubled PHAs complete annually).**

**11.0 Required Submission for HUD Field Office Review.** In order to be a complete package, PHAs must submit items (a) through (g), with signature by mail or electronically with scanned signatures.

8. For PHA Plan that includes a policy for site based waiting lists:
  - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);

  - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
  - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;

Honorable Mayor and City Council  
City of Pasadena, California

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

We have audited the financial statements of the City of Pasadena, California (City) as of and for the year ended June 30, 2008, and have issued our report thereon dated December 12, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the City of Pasadena's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the City's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the City's financial statements that is more than inconsequential will not be prevented or detected by the City's internal control. The matter described in the accompanying Summary Schedule of Prior Audit Findings as item 06-2 conforms to this definition.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the City's internal control.

Our consideration of internal control was for the limited purpose described in the first paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above.

We noted two immaterial matters involving internal control over financial reporting that we have reported to the City Council of the City of Pasadena in a separate letter dated December 12, 2008.

Honorable Mayor and City Council  
City of Pasadena, California  
Page Two

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The written responses and comments provided by the City that are described in the accompanying Summary Schedule of Prior Audit Findings have not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

This report is intended solely for the information and use of City management, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Honorable Mayor and City Council  
City of Pasadena, California

**REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH  
MAJOR PROGRAM, INTERNAL CONTROL OVER COMPLIANCE AND ON  
THE SCHEDULE OF FEDERAL AWARDS IN ACCORDANCE WITH OMB  
CIRCULAR A-133**

Compliance

We have audited the compliance of City of Pasadena with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended June 30, 2008. The City of Pasadena's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the City of Pasadena's management. Our responsibility is to express an opinion on the City of Pasadena's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City of Pasadena's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the City of Pasadena's compliance with those requirements.

In our opinion, the City of Pasadena complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2008. However, we noted an immaterial instance of noncompliance that we have reported to the City Council of the City of Pasadena in a separate letter dated December 12, 2008.

Internal Control Over Compliance

The management of the City of Pasadena is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the City of Pasadena's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of the City of Pasadena's internal control over compliance.

A control deficiency in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

#### Schedule of Expenditures and Federal Awards

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Pasadena as of and for the year ended June 30, 2008, and have issued our report thereon dated December 12, 2008. Our audit was performed for the purpose of forming an opinion on the financial statements that collectively comprise the City of Pasadena's basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of City management, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specific parties.

CITY OF PASADENA

Notes to Schedule of Expenditures of Federal Awards

Year ended June 30, 2008

(1) Summary of Significant Accounting Policies Applicable to the Schedule of Expenditures of Federal Awards

(a) Scope of Presentation

The accompanying schedule presents only the expenditures incurred by the City of Pasadena that are reimbursable under the programs of federal agencies providing financial assistance. For the purposes of this schedule, financial assistance includes both federal financial assistance received directly from a federal agency, as well as federal funds received indirectly by the City from a non-federal agency or other organization. Only the portion of program expenditures reimbursable with such federal funds are reported in the accompanying schedule. Program expenditures in excess of the maximum federal reimbursement authorized or the portion of the program expenditures that were funded with state, local or other non-federal funds are excluded from the accompanying schedule.

(b) Basis of Accounting

The expenditures included in the accompanying schedule were reported on the modified accrual basis of accounting. Under the modified accrual basis of accounting, expenditures are incurred when the City becomes obligated for payment as a result of the receipt of the related goods and services. Expenditures reported included any property or equipment acquisitions incurred under the federal program.

(c) Subrecipients

During the fiscal year ended June 30, 2008, the City disbursed \$3,650,587 to subrecipients to be used for the federally allowable expenditures in accordance with the grant agreements.

(d) Loans Outstanding

At June 30, 2008, outstanding loans under the U.S. Department of Housing and Urban Development – Section 108 program and U.S. Department of Housing and Urban Development – HOME program were \$1,835,000 and \$4,306,979, respectively. Summary Schedule of Prior Audit Findings

Year ended June 30, 2007

The following is the status of prior audit findings:

(07-1) Internal Controls over Purchase Cards

Resolved.

(07-2) Excess Collection Refunds

Excess collection refunds resulting from various types of overpayments are processed by Municipal Services. A report is created in excel by an individual in Municipal Services and is then sent via email to the Department of Information Technology (IT). IT formats the report and sends it to Accounts Payable for processing. We recommended the controls below to reduce the risk that IT might add an unauthorized refund to the report since the final amount disbursed is not compared to what was initially approved by Municipal Services.

Recommendation

We recommended that the report that is created, reviewed, and approved in Municipal Services be signed and forwarded to Accounts Payable. Accounts Payable should ensure that the final amount disbursed agrees to what was initially approved by Municipal Services.

Status

The excel based report is still sent from Municipal Services to IT for formatting. In addition, a word based document is attached to that initial email from Municipal Services to IT in which Municipal Services indicates the total amount to be processed. IT then forwards these two documents along with the formatted file to Accounts Payable for processing. However, there is still a risk that the excel based report and word documents that are sent from Municipal Services could be altered and then an unauthorized refund could be processed and concealed since the final amount disbursed is not compared to what was actually approved by Municipal Services. The word based report that is sent to IT is printed out and signed by an individual in Municipal Services; however, that report is filed and kept in Municipal Services and is not forwarded to Accounts Payable. We recommend that this signed report be forwarded to Accounts Payable who should ensure that the final amount disbursed agrees to what was approved by Municipal Services. This comment is not considered to be a significant deficiency since excess collection refunds for the year ended June 30, 2008 were considered to be inconsequential in relation to the City's overall financial statements.

(07-3) Changes to Vendor Information

Resolved.

(06-1) Verification of Authorized Signatures for Invoice Approval

Resolved.

(06-2) Construction in Progress

During the year ended June 30, 2006, it was noted that the City had not maintained a detail listing that supported the ending balance of construction in progress at year end by project. Since the City did not have a detailed listing by project, the City was unable to determine if any projects had been mistakenly capitalized that should have been expensed.

During the year ended June 30, 2007, a detailed listing by project for all construction in progress was compiled, which supported the ending balance at year end. However, it was noted that the detailed listing of construction in progress contained \$9,844,831 of non-capitalizable projects, which resulted in a prior period adjustment and a post-closing audit adjustment.

Recommendation

We recommended that the City conduct a review of its construction in progress in order to support its balance outstanding at year end. We also recommended that additions and deletions to construction in progress be analyzed in order to ensure that only capitalizable projects are capitalized and that all completed construction in progress projects are removed.

Status

During the year ended June 30, 2008, additional projects which amounted to \$3,599,089 were identified as being non-capitalizable projects, which had been mistakenly capitalized and recorded as construction in progress. We recommend that the Department of Finance and Public Works personnel meet at least annually to review construction in progress activity and ensure that only capitalizable projects are capitalized.

Management's Comments Regarding Corrective Action Planned

Staff had partially implemented the suggestion through numerous communications between Finance and Public Works and had believed that appropriate capitalization had been accomplished. To further implement corrective action on this item Finance and Public Works will formally meet. Additionally, staff will incorporate a column in our work papers that will identify when a project should be capitalized or expensed.
