Dear Marilyn Buchanan,

I have attached two photos of the proposed project we discussed this afternoon.

The first container includes Ficus Benjamina, Asparagus Densiflorus 'Myers', and Ophiopogon Jaboran 'Variegata'. The second container includes Schefflera aehoricola 'Variegata', Hedra Helix 'Hahns', and Nephrolepis Oblitera. Please let me know if you have any questions. I look forward to hearing from you!

Sincerely,

Frank J. Burkard Jr.
