Mayor Bill Bogaard,

I want to thank you for the opportunity to serve on the PCOC board during a very exciting and important time in it's history. I believe that my hospitality career background and consensus building talents lent a positive note to Mike Ross and the entire board. I unfortunately will resign from the board for a new opportunity to serve on the Transportation Advisory Commission. I appreciate your support as well as Councilman Holdens and Madisons in appointing me to this important commission. I promise to bring a positive energy, open minded and common sense approach to the commission and look forward to learning from you and the board all there is to know about traffic issues of today and for the future. Again, thank you for the opportunity to serve our community and our city.

Sincerely,
Robin Salzer
