CITY OF PASADENA
FIVE YEAR CONSOLIDATED PLAN (2005-2010)
Consolidated Annual Performance and Evaluation Report (CAPER)
JULY 1, 2008 TO JUNE 30, 2009

INTRODUCTION

The City of Pasadena Five Year Consolidated Plan provides a framework to identify housing, homeless, community and economic development needs and resources to tailor a Strategic Plan for meeting those needs. The Consolidated Plan consists of a five (5) year Strategic Plan and an Annual Action Plan. The Strategic Plan contains three (3) parts: 1) a housing, homeless, community and economic development needs assessment; 2) a housing market analysis; and 3) long-term strategies to meet priority needs. The Action Plan describes the specific projects and activities that Pasadena will undertake in the coming year with its federal funds from the U. S. Department of Housing/Urban Development (HUD) to address those priority needs. The Action Plan also contains certifications indicating that the City will follow certain requirements such as furthering fair housing.

The Five Year Consolidated Plan also functions as 1) a planning document for the City, which builds on the City's citizen participation process at the grassroots levels; 2) an application for federal funds under the U.S. Department of Housing and Urban Development's formula grant programs; 3) a strategy to be followed in carrying out HUD programs; and 4) an Action Plan that provides a basis for assessing performance.

Essentially, the Plan simplifies the steps needed to receive funding under four (4) HUD formula grant programs. These federal grants are:

Community Development Block Grant (CDBG): A formula-based program that annually allocates funds to metropolitan cities, urban counties, and states for a wide range of eligible housing and community development activities. Over a one (1) year period, not less than 70 percent of a grantee's CDBG expenditures can be used for activities that benefit low- and moderate-income persons.

HOME Investment Partnership (HOME): A formula-based program that provides allocations to states and units of general local governments, known as participating jurisdictions. Its purpose is to retain and expand the supply of affordable housing principally for low- and extremely low-income families through housing rehabilitation, new construction, first-time homebuyer financing, and rental assistance.

Emergency Shelter Grant (ESG): A formula-based program that allocates funds to states, metropolitan cities, and urban counties to support emergency shelters for homeless individuals and families.

Housing Opportunities for Persons with HIV/AIDS (HOPWA): A grant program that addresses the needs of persons living with HIV or AIDS and their families.

Additionally, the Plan provides a basis for programming and allocating other federal funds including its Housing Choice Voucher Program, Continuum of Care Homeless Assistance Programs (Supportive Housing, Shelter Plus Care and Section 8 Moderate Rehabilitation for Single Room Occupancy Dwellings), etc., as well as local housing and development resources.

The overall goal of the federal community planning and development programs covered by the Consolidated Plan is to develop viable urban communities by providing decent housing, a suitable living environment and expanding economic opportunities principally for low- and moderate-income persons. The primary means towards this end is to extend and strengthen partnerships among all levels of government and the private sector. The statutory program goals are:

DECENT HOUSING -- which includes:

- assisting homeless persons to obtain appropriate housing;
- assisting persons at risk of becoming homeless;
- retention of the affordable housing stock;
- increase the availability of permanent housing in standard condition and affordable cost to low-income and moderate-income families; particularly to members of disadvantaged minorities, without discrimination on the basis of race, color, religion, sex, national origin, familial status, or disability;
- increasing the supply of supportive housing which includes structural features and services needed to enable persons with special needs (including persons with HIV/AIDS) to live with dignity and independence; and
- providing housing affordable to low-income persons accessible to job opportunities.

A SUITABLE LIVING ENVIRONMENT -- which includes:

- improving the safety and livability of neighborhoods;
- increasing access to quality public and private facilities and services;
- reducing the isolation of income groups within areas through the spatial de-concentration of housing opportunities for lower income persons and the revitalization of deteriorating or deteriorated neighborhoods;
- restoring and preserving properties of special historic, architectural, or aesthetic value; and
- conservation of energy resources.

EXPANDED ECONOMIC OPPORTUNITIES -- which includes:

- job creation and retention;
- establishment, stabilization and expansion of small businesses (including micro-businesses);
- the provision of public services concerned with employment;
- the provision of jobs to low-income persons living in areas affected by those programs and activities, or jobs resulting from carrying out activities under programs covered by the plan;
- availability of mortgage financing for low-income persons at reasonable rates using non-discriminatory lending practices;

- access to capital and credit for development activities that promote the long-term economic and social viability of the community; and
- empowerment and self-sufficiency for low-income persons to reduce generational poverty in federally assisted housing and public housing.

CITY OF PASADENA
HOUSING VISION

Five Year Consolidated Plan (2005-2010)

All Pasadena residents have an equal right to live in decent, safe and affordable housing in a suitable living environment for the long-term well-being and stability of themselves, their families, their neighborhoods and their community. The housing vision for Pasadena is to maintain a socially and economically diverse community of homeowners and renters who are afforded this right.

The City of Pasadena shall achieve this vision by utilizing its resources to:

- Support and provide fair and equal housing opportunities for all persons regardless of race, age, income, disability, sexual orientation, marital status, household size, ancestry, national origin, religion, or color.
- Provide for an adequate supply and range of housing opportunities throughout the City by assisting in the development of new housing, preservation of existing housing and being responsive to the special housing needs of certain resident populations.
- Reduce or mitigate governmental constraints which hinder the production, preservation, maintenance and improvement of housing, particularly affordable housing, for Pasadena residents.
- Ensure that Pasadena residents, especially those with extremely low to moderate incomes and special needs, are assisted in meeting their housing needs through the provision of assistance for rental, residential rehabilitation, homeownership, housing counseling, (and other housing support services).
- Conserve and improve the condition of the existing affordable housing stock, which may include ways to mitigate the loss of dwelling units.
- Preserve the existing assisted housing for lower income households.

CITY OF PASADENA
AFFORDABLE HOUSING STRATEGY (2005 – 2010)

HOUSING GOAL: To increase, improve and preserve the supply of quality affordable housing available for all segments of the community.

The objectives and policies identified to meet this goal include:

GOAL: HOUSING PRODUCTION / AFFORDABLE HOUSING

The City will provide rental and ownership housing that is affordable to very low, low, and moderate income households. Assistance will be provided to at least **650 households**.

- Objective 1. Rental units will be affordable for very low, low, and moderate-income households. Five hundred and seventy (570) rental units will be constructed;
- Objective 2. Ownership units will be affordable for very low, low and moderate income households. Eighty (80) ownership units will be constructed.

Needs of Public Housing - The City of Pasadena does not own any public housing units and is not involved in the management of public housing facilities.

Public Housing Strategy - The City of Pasadena does not own any public housing units and is not involved in the management of public housing facilities.

GOAL: HOMEOWNERSHIP HOUSING

The City will continue to use funding from the federal government and other sources to provide homeownership assistance to very low and low-income households in need of decent, safe and sanitary housing. Assistance will be provided to **145 households**.

- Objective 1. The Homeownership Opportunities Program (HOP) leverages private resources to make homes affordable citywide for eligible low and moderate-income individuals by providing low interest second trust deed loans. **\$4 million will assist 70 low and moderate income homebuyers.**
- Objective 2. The Cal Home Program (First-Time Homebuyers), through the State of California, provides monies to the City to fund its HOP loans. The State awarded \$500,000 in Cal Home funds to the City in 2001, \$500,000 in 2004, and \$600,000 in July 2007. The City submitted to the State in July 2007 an application for an additional \$600,000 in Cal Home Funds. **Fifteen (15) households will be assisted.**

- Objective 3. Mortgage Credit Certificate (MCC) Program is administered by the County of Los Angeles and provides first-time homebuyers with a federal income tax credit that increases their ability to qualify for a mortgage. **Twenty (20) households will be assisted.**
- Objective 4. The Lease to Purchase Program provides assistance to enable lessees to become homeowners. **Five (5) low to moderate income households will be assisted.**
- Objective 5. The Family Self-Sufficiency Program (FSS) enables participating families to achieve economic independence and self-sufficiency. **Thirty-five (35) families will be assisted.**

GOAL: HOUSING REHABILITATION

The City's rehabilitation programs will provide subsidies to qualified borrowers to obtain financing from conventional lenders for home improvement loans. **Assistance will be provided to 740 households.**

- Objective 1. Rental Rehabilitation Program provides rehab of property in disrepair and/or with outstanding code violations. **Forty (40) low-income households will be assisted.**
- Objective 2. The Pasadena Neighborhood Housing Services (PNHS) - Neighborhood Impact Program provides housing rehabilitation to properties owned/occupied by low-income homeowners, seniors and/or disabled. **One hundred (100) households will be assisted.**
- Objective 3. Maintenance Assistance Services to Homeowners (MASH) Program provides services to improve the condition of blighted residential properties in the CDBG Benefit Service Area for low-income seniors and disabled homeowners. **Five hundred (500) households will be assisted.**
- Objective 4. Rebuilding Together * Pasadena (a local non-profit group) provides minor housing rehabilitation activity for low-income households. **Fifty (50) households will be assisted.**
- Objective 5. The Exterior Accessibility Grants for Renters (EAGR) Program provides grants to property owners for exterior modifications and/or accessibility improvements to multi-family rental properties. The City received this grant from the State of California, Department of Housing/Community Development. It is anticipated that approximately **50 households will be assisted.**

GOAL: SUPPORTIVE HOUSING

The City will provide a wide-range of supportive housing opportunities including rental assistance, shelters, and permanent housing. Assistance will be provided to 5,640 persons/households.

- Objective 1. Supportive Housing Programs will provide permanent housing with specialized case management services for residents. One hundred (100) households will be assisted annually.
- Objective 2. The Emergency Shelter Grant (ESG) Program will provide emergency shelter, essential services, administration and homeless prevention activities for 2,500 homeless individuals (at least 500 annually).
- Objective 3. Housing Opportunities for Persons with AIDS (HOPWA) will provide rental assistance and supportive services for individuals and families living with HIV/AIDS. Sixty-five (65) households will be assisted (13 annually).
- Objective 4. Shelter Plus Care will provide rental assistance and supportive housing for individuals with disabilities. Seventy-five (75) households will be assisted (15 annually).
- Objective 5. Pasadena Bad Weather Shelter (BWS) provides emergency shelter during the winter season to homeless persons. Two thousand (2,000) individuals will be assisted (400 annually).
- Objective 6. The City's Transitional Housing Program will provide housing and case management services for individuals and families for up to two (2) years. Five hundred (500) households will be assisted (100 annually).

GOAL: RENTAL ASSISTANCE

The City will continue to use funding from the federal government and other resources to provide rental assistance to very low, and low-income households in need of decent, safe and sanitary housing opportunities. Assistance will be provided to 6,945 households.

- Objective 1. The Housing Choice Voucher Program (HCVP), formerly known as the Section 8 Rental Assistance Program, will continue to be used to provide affordable housing through payments toward the rent of low-income (income less than 50% of area median income) households/individuals. \$60 million (\$12 million annually) in HCVP funds shall assist 6,575 households (1,315 annually).

- Objective 2. The HOME Tenant-Based Rental Assistance (TBRA) Program is also a federally funded affordable housing program for the provision of affordable rental housing to very low-income individuals and families with special circumstances. \$1,375,000 (\$275,000 annually) will assist one-hundred twenty (120) households (60 for two years).
- Objective 3. Rental Covenant Compliance Monitoring will ensure that owners of assisted units comply with requirements to provide housing to tenants that meet specified occupancy, income and rent guidelines.
- Objective 4. Emergency Rental Assistance Deposits (ERAD) offers rental assistance to very low and low-income households. One hundred thousand dollars (\$100,000) will provide 50 households with rental assistance.

CITY OF PASADENA
FIVE YEAR CONSOLIDATED PLAN (2005 – 2010)

Non-Housing Community Development Needs

The City of Pasadena has identified its community development needs in terms of long-term and short-term goals and objectives, this includes economic development opportunities that create and help to retain local jobs.

A. Public Facilities and Improvements (Capital Improvements)

- Support renovation of neighborhood facilities including schools that provide educational support, cultural enrichment, and community activities.
- Support renovation of parks and recreation facilities that provide academics, sports and recreation, and other community activities.
- Support renovation for health facilities that provide greater access to quality health to very low, low, and moderate-income households.

B. Infrastructure

- Support neighborhood improvement projects that include landscaping, drainage installation; sidewalk and street improvements, etc.

C. Public Services

- Support substance abuse services that provide drug and alcohol awareness and recovery.
- Support employment training that includes marketing of economic incentives to businesses, job placements/retention services, referral services and other supportive services.
- Support health services that provide health assessments, medical treatment, and health education to families.

D. Anti-Crime Programs

- Support the planning and coordination of violence prevention activities/services that will result in a safer community.

E. Youth Programs

- Support youth centers that provide career development, educational preparation alternatives, employment and supportive services to low/moderate income households.

F. Economic Development

- Support capital improvement activities for economic development programs.
- Support financial assistance for small business development.

G. Senior Programs

- Support senior services for very low, low and moderate income senior households.

H. Planning

- Support activities that include fair housing, housing activities, neighborhood revitalization and the expansion of economic development opportunities.

New construction projects are subject to the City's Inclusionary Housing Ordinance and/or the Density Bonus Ordinance and will require affordability as part of the project. - *Affordable: Very low, low and moderate income households up to 120% of AMI; Workforce Housing 121% - 180% of AMI.* (*) indicates units completed as of June 30, 2009 and are counted toward meeting the City's affordable housing goals under the 2005-2010 Five Year Consolidated Plan.

Accomplishments: 93 affordable units were completed and 236 affordable units were under construction or were placed under contract during the report period 7/1/08 through 6/30/09.

REHABILITATION

Homeowner and Rental Rehabilitation: (2005-2010)

- Provide financial assistance for the rehabilitation of **690** affordable units (rental and ownership).
- The City's Homeowner/Rental Rehabilitation programs will provide subsidies to qualified borrowers to obtain financing from conventional lenders for home improvement loans. Assistance will be provided to **650 households under the Homeowner Rehabilitation programs; and 40 households will be assisted under the Rental Rehabilitation program.**
- The City will continue to support local non-profit housing agencies/organizations and City administered projects: Maintenance Assistance Services to Homeowners (MASH) and Code Enforcement Task Force (inspections) in housing rehabilitation and preservation efforts. At least 500 households will receive assistance through these programs.

Accomplishments: (2008 - 2009 PY):

The Maintenance Assistance Services to Homeowners Programs (MASHs) program provided exterior housing rehabilitation, minor/major home repair services, interim assistance to **34 households**.

Services provided through the MASH Program included the painting of the exterior of the house, lead-based paint stabilization, screen/window replacements, accessibility conversions, and misc. activities. The MASH programs received \$600,000 in CDBG funds and focused its activities in the CDBG Benefit Service Area. Services are provided to low/moderate income single-family homeowners, seniors and/or disabled heads of households.

Code Enforcement Task Force (Inspections) – The Code Enforcement Task Force is a project sponsored by the City of Pasadena. Project services include the provision of proactive and systematic code compliance inspections of properties in the CDBG Benefit Service Area of the City. Typically, at least 75% of all cases are abated within 60 days or less. This year, the Task Force conducted **5,668** property inspections. Inspections include single family and multi family units, vacant lots, and buildings.

Pasadena Neighborhood Housing Services (PNHS) - Neighborhood Impact Program - This project provides single-family housing rehabilitation services in the CDBG Benefit Service Area to income eligible homeowners. PNHS provided five (5) major rehabilitation loan projects; eight (8) home repair grants and eight (8) green grants. A total of **21 households** received assistance during this reporting period. PNHS received \$147,256 in CDBG Entitlement funds.

Uses of Other Available Resources:

- The Housing Department and Code Enforcement Partnership:

The Housing Department will continue to support and strengthen the partnership with Code Enforcement in its efforts to:

- 1) identify code violations in residential structures;
- 2) provide financial assistance directed at correcting code violations; and
- 3) provide information to residents as to the availability of services and resources in the community.

Funding made available for the Code Enforcement Task Force includes \$244,048 in CDBG funds. The Code Enforcement Task Force conducted over **5,668 inspections** during the reporting period. Inspection activities include residential properties, vacant lots/buildings, and commercial structures. Approximately 75% of all complaint properties are abated within 60 days of notification having been issued to respective property owners.

Rebuilding Together*Pasadena: Rebuilding Together provides minor housing rehabilitation services (free of charge) to local residents (low income, seniors, households with disabled persons, special needs). The Pasadena Chapter is the local branch of the national organization formerly known as Christmas in April. Annually, the Pasadena Community Development Commission provides financial support to this local effort. During this reporting period \$60,000 was provided in local dollars. The agency served over **12 households** in the target area and assisted three (3) local non-profit agencies with deferred maintenance items. Project services included the following kinds/types of work items: door/window repair/replacement, electrical upgrades/repairs, plumbing, roof replacements/repairs, flooring, painting (exterior/interior) yard cleaning, flooring.

All the rehabilitation activities of occupied real property did not require any relocation. The occupants remained in the housing while the real property was being rehabilitated.

Accomplishments: 5,735 households/units received Homeowner and/or Rental Rehabilitation Assistance during this program year.

PROJECTS IN PROGRESS

The following housing rehabilitation projects were in progress as of June 30, 2009:

270 E. Parke Street (Parke Street Apartments): Affordable Housing Services, a local non-profit developer will rehabilitate eight (8) rental units as affordable housing for large families and construct four (4) affordable rental units as permanent supportive housing for the homeless, pursuant to an Owner Participation & Loan Agreement with PCDC. Stewart B. McKinney Homeless Assistance funds in the amount of \$499,981 have been awarded to this project from the Supportive Housing Program (SHP) and PCDC has provided loan assistance in the amount of \$968,000. A financing gap has developed and the project will need to be restructured.

50 E. Green Street (The Green Street Hotel): 139 units – 138 affordable. This project involves the rehabilitation of a 139-unit rental complex for very, low income seniors. The Affordable Housing Agreement and Covenant between the owners and the Pasadena Community Development Commission, which was finalized in July 2008 and approved in August 2008, provides for the purchase and extension of affordability covenants and completion of exterior and common area renovations.

770 E. Walnut St.: 71 units - 8 affordable. Inclusionary Housing Agreement approved in July 2007.

OUTREACH TO DEVELOPERS

NEW CONSTRUCTION AND/OR REHABILITATION

The Commission provides development opportunities through the issuance of a Housing Development Funding Application (HDFA) or Request For Proposals (RFP). Through these mechanisms, developers and community-based housing sponsors compete for opportunities to partner with the City and develop affordable housing projects subsidized with federal, state, county, local, and private funding sources. Key areas of development opportunities include:

- New Construction of affordable rental and single-family ownership units.
- Rehabilitation of rental units and owner-occupied housing.
- New Construction or rehabilitation of units for the developmentally/physically disabled.
- New construction or rehabilitation of housing for senior citizens.

The Commission maintains a database of interested developers and community-based housing sponsors who are notified upon issuance of the HDFA or RFP. Further outreach is accomplished by announcements at community meetings, through publication in local newspapers, and on the Commission's website.

As of the end of the report year, the Housing Department was in the process of developing a new funding application and project selection procedure that would provide the developer community with a more clearly defined and more transparent process.

Given the state of the housing and credit markets at the end of the report year, it will become even more critical that the City, lenders and developers work collaboratively and creatively to leverage financing and achieve a higher and more efficient level of affordable housing production in our community.

RENTAL ASSISTANCE

Rental Assistance: (2005-2010)

Utilizing federal funding, the Housing Choice Voucher Program (HCVP) will provide funding for rental assistance to **1,315** extremely low and low-income families annually.

Rental Compliance Monitoring will ensure owner compliance with long-term affordability covenants for all City-assisted units to provide housing that meets specific occupancy, income and rent guidelines.

The HOME Tenant-Based Rental Assistance (TBRA) Program will provide rental assistance to extremely low-income individuals and families with special circumstances. Households must be referred by a participating supportive service agency. The assistance is available for a period of twenty-four (24) months. Sixty (**60**) households will be assisted under the HOME TBRA Program.

The Emergency Rental Assistance Deposits (ERAD) program will provide rental assistance to very low and low-income households. One hundred thousand dollars (\$100,000) will provide assistance to at least fifty (50) households.

Accomplishments and Investments of Available Resources:

The City will continue to utilize funding from the federal government, the U. S. Department of Housing and Urban Development (HUD) and other resources to provide rental assistance to extremely low and low-income families in need of decent, safe and sanitary housing.

Additional accomplishments of the Rental Assistance Section:

- The Housing Choice Voucher Program (HCVP), formerly the Section 8 Rental Assistance Program, provided rental assistance to approximately **1,315 households** during this reporting period.
- The Section 8 Project-Based Rental Assistance Program – served 36 households.
- The Rental Assistance Section implemented the Section 8 Public Housing Agency (PHA) Annual Plan as required by HUD.
- The Section 8 Management Assessment Program (SEMAP) was implemented and our agency will perform between standard and high performer rating.
- Rental Covenant Compliance Monitoring ensures that owners of covenant-restricted rental units comply with regulatory requirements to provide affordable housing to income eligible tenants. During this reporting period 734 covenanted affordable rental dwelling units were monitored by the City's consultant, Urban Futures, Inc.

- The HOME Tenant-Based Rental Assistance Program (TBRA) provided rental assistance to **30 households** for a temporary period of 24 months. This project was funded with funds from the City's HOME Entitlement funds.
- The Emergency Rental Assistance Deposits (ERAD) program provided rental assistance to 79 households.

Accomplishments: 2,194 households/families received Rental Assistance during this program year. (1,297 Vouchers).

HOMEBUYER ASSISTANCE AND EDUCATION: (2005-2010)

Provide assistance to **70** low and moderate-income homebuyers under the Homeownership Opportunities Program (HOP).

Provide assistance to **65** low and moderate-income homebuyers through the Federal National Mortgage Association (Fannie Mae) Down Payment Assistance Investment Note (DPAIN). (*This program was terminated in the 2002-2003 PY due to the availability of more advantageous lower interest rates, conventional financing, etc., however the goals will be obtained through other programs.*)

Provide assistance to **20** homebuyers under the Mortgage Credit Certificate (MCC) Program.

Provide assistance to **5** homebuyers through the California Cities Home Ownership Authority (CCHOA) Lease to Purchase Program. (*CCHOA ceased operation of the program in Los Angeles County during the 2005-2006 PY; however, the goals will be obtained through other programs.*)

Continue to provide the First-Time Homebuyers' Education and Assistance Program in conjunction with local non-profits and local lenders.

Accomplishments and Investments of Available Resources:

The Homeownership Opportunities Program (HOP) leverages private resources to make homes affordable citywide for eligible low and moderate-income individuals by providing low interest second trust deed loans. The HOP creates both partnerships with developers who earmark a predetermined number of units in a new housing development for low and moderate-income buyers and/or lenders who commit to first trust deed loans if the City provides subordinate financing. The program is funded with HOME and American Dream Downpayment Initiative (ADDI) funds, State CalHome funds, local redevelopment Housing Trust Funds, and local Inclusionary Housing funds. The HOP loan is secured by a second trust deed.

\$1,811,365 in Homeownership Opportunities Program funds were expended during the 2008-2009 PY to provide loan assistance for 11 homebuyers.

Homeownership Relocation Assistance: No activity during 2008-2009 PY.

The Mortgage Credit Certificate (MCC) Program: This program is sponsored and administered by the County of Los Angeles Community Development Commission and is available to assist home purchases in Pasadena. The Mortgage Credit Certificate (MCC) Program was established in 1992. The MCC assistance is in the form of a federal income tax credit. The tax credit increases the borrowers' effective income thereby allowing more available after-tax income to qualify for a mortgage. For PY 2008-2009 2 homebuyers received MCC assistance (in tandem with HOP loan assistance).

California Cities Home Ownership Authority (CCHOA) Lease to Purchase Program: This program provides financial assistance to homebuyers via the opportunity to lease a home with an option to purchase within three years. The participant household, in consultation with CCHOA, chooses a home that CCHOA will purchase on their behalf. The signed lease allows the household, upon financial qualification, to assume the CCHOA loan and take title to the home at no additional cost anytime during the three (3) year period. CCHOA ceased operations in Los Angeles County in 2005/2006 PY.

The First-Time Homebuyers' Education Program: Pasadena Neighborhood Housing Services, Inc. (PNHS) administers the First-Time Homebuyers' Education Program. This program provides comprehensive educational classes and counseling to lower-income renters in order to purchase ownership units in the City. Program services also include the financial prequalification of potential first-time homebuyers. Industry professionals provide the education and prequalification services.

During this program year over **263 prospective homebuyers** successfully completed the PNHS Homebuyer Education Program.

Accomplishments: During this reporting period, 11 homebuyers received HOP/MCC assistance, and 263 clients successfully completed the PNHS homebuyer education program.

HOUSING INCENTIVES

Housing Incentives to Property Owners, Developers/Sponsors and Lenders

A method for implementing the City's affordable housing strategy focuses on providing economic incentives to property owners, developers and lending institutions to create operate and finance new and/or existing affordable housing developments with emphasis on nonprofit organizations that provide long-term affordability.

1. The Housing Development Funding Application (HDFA) and Request for Proposals (RFP) for affordable housing activities including new construction, substantial rehabilitation, homeownership and special needs, will provide the City and interested developers/sponsors opportunity for competitive selection and financing of an affordable housing project anywhere within the City limits. The criteria for project/program selection and funding allocation under the HDFA or RFP will be designed to address the City's priority housing needs and thereby generate a varied array of projects/programs consistent with the mandated purpose, housing type, housing assistance, accessibility requirements or land use stipulated therein. For PY 2008-2009 the City budgeted \$8 million in its Housing Opportunity Fund to assist 124 very low-, low- and moderate-income units.
2. Community Development Block Grant (CDBG), Emergency Shelter Grant (ESG) and Human Services Endowment Fund (HSEF) funds shall also be distributed through a separate RFP process to provide resources for major/minor housing rehabilitation, community development, economic development, code enforcement, capital improvements, and the provision of human services including fair housing services, which benefit low-income households, eliminate slums and blight and/or address an urgent need. \$4 million in CDBG funds shall assist in the rehabilitation of five-hundred (500) units.
3. The Rental Rehabilitation Program (RRP) shall provide loan assistance for the rehabilitation of rental properties that are to be occupied by extremely low and low-income tenants who are paying affordable rents. The loan interest rate is usually 4% or less and the repayment schedules are based on the projected cash flow. A rental covenant to maintain rent affordability is also enforced during the loan term. For the PY 2008-2009, \$448,148 in HOME funds were available for the objective of assisting the rehabilitation of 20 rental units.
4. California Housing Finance Agency's (CHFA) Housing Enabled Local Partnership (HELP) Program shall be utilized to supplement federal and local affordable housing funding resources. HELP funds may be used for the acquisition, predevelopment, construction and/or rehabilitation of multifamily affordable housing developments. For FY 2008-2009, \$1.50 million in HELP funds were available.
5. Fee Waiver/Density Bonus shall be used as incentives to encourage the production

and development of affordable housing. These financial and non-financial incentives collectively consist of a) waiver on Planning fees for affordable housing; b) reduced Residential Impact Fee for affordable units; c) reduced Residential Impact Fee for market rate units in projects which provide affordable units; d) rebate on Residential Impact Fee for workforce units; e) reduction or modification of one or more residential development standards, or other regulatory incentives or concessions requested by the developer, in accordance with local and state density bonus regulations. In PY 2008-2009, \$128,000 in Planning fees were approved for waiver to assist the development of 97 affordable units located in these projects. These projects also qualified for reduced Residential Impact Fees, amounting to a costs savings of \$3,436,134.

HOMELESSNESS AND OTHER SPECIAL NEEDS

CONTINUUM OF CARE

The City will continue to implement and support its local Continuum of Care strategy. The primary homeless and other special needs goal and objectives are set forth below.

Goal: Implementation of the Continuum of Care which includes outreach/assessment, coordination and collaboration of emergency shelters and transitional housing with supportive services, permanent service-enriched housing and permanent housing, for addressing homelessness and the priority needs of homeless individuals and families in order to meet the housing and supportive services needs of the homeless and at-risk to homeless population including special needs populations.

Continuum of Care (2005-2010)

Support existing outreach/intake/assessment programs; **7,500** homeless persons will be served.

Support existing emergency shelters and increase the number of emergency shelter beds for families; **3,500** individuals will receive emergency shelter assistance.

Support existing transitional housing programs and increase the number of transitional housing units for individuals; **52** households will receive assistance.

Support existing permanent supportive housing programs and increase the number of permanent supportive housing programs for special needs populations; **84** households will receive permanent supportive housing assistance.

Accomplishments and Investments of Available Resources:

2005 Continuum of Care – Supportive Housing Programs

On June 10, 2005, the PCDC submitted an application to HUD for \$2.6 million. The application included funding for 9 projects, including an application for new Shelter Plus Care Tenant-Based Rental Assistance Certificates and eight renewal applications. The renewal applications were for Permanent Supportive Housing for homeless households (Serra Project CHOISS Program and Navarro House); Transitional Housing (Union Station Transitional Housing, Euclid Villa, Casa Maria); and Supportive Service projects (Passageways, HMIS).

HUD conditionally approved funding for all 9 projects on December 20, 2006.

Transitional Housing – Transitional Housing programs in the City of Pasadena include Union Station Foundation (Euclid Villa) - assisted **56** clients; Urban Revitalization Development Corporation (Casa Maria), assisted **31** clients; and Union Station Foundation's Transitional

Housing program, assisted **96** clients this year. These projects provide transitional housing for homeless persons for up to two (2) years. Case management services are provided to residents both on-site and at off-site facilities. Residents are linked to rehabilitative services that include health care, mental health care interventions, employment services, childcare, transportation, individual and group counseling, and life skills training designed to prepare clients for permanent housing and/or permanent affordable housing.

Accomplishments: 183 clients were assisted through Transitional Housing.

Permanent Supportive Housing (SHP) - Permanent Supportive housing opportunities are offered to clients through the City's Supportive Housing Program. Clients are able to receive tenant-based rental assistance and permanent supportive housing in a private dwelling unit or in a congregate living environment. The Serra Project provides permanent supportive housing that is linked to ongoing supportive services (on-site and/or off-site) and designed to allow individuals and families to live at a residence for an indefinite time. The Serra Project assisted **20** clients during this reporting period. Navarro House (sponsored by Affordable Housing Services (AHS), a local non-profit housing/social service agency) provided **6 units** of permanent supportive housing to residents recovering from substance abuse.

A new project, Hestia House, sponsored by Pacific Clinics provided **8 units** of permanent supportive housing.

Accomplishments: 34 persons received assistance under the Permanent Supportive Housing programs this program year. An additional 3 units of Permanent Supportive Housing for chronically homeless persons were added through the successful application to HUD for new Shelter Plus Care certificates.

Passageways

Outreach/Intake and Assessment Center - Passageways is the point of entry into the City of Pasadena Continuum of Care. Passageways provides emergency outreach services on the street to link homeless persons to its intake and assessment centers. Ongoing case management is also provided to individuals or families until engagement with the Continuum of Care is achieved, or no longer appropriate. Individuals and families include those who are currently homeless and living on the streets or living in other places that are not appropriate for shelter.

Accomplishments: 1,056 units of service were provided by Passageways during this reporting period.

2006 Continuum of Care

The PCDC submitted an application to HUD for \$2.7 million for ten projects. Of the ten recommended projects, nine are renewal projects (listed by sponsor/project): Pacific Clinics/Passageways; Union Station Foundation/Euclid Villa; Union Station Foundation/

Transitional Housing Program; URDC/Casa Maria; Serra Project/CHOISS Program I; Serra Project/CHOISS Program II; Affordable Housing Services/Navarro House; the Commission/HMIS; and Commission/Renewal Shelter Plus Care. The only new project is Commission/Shelter Plus Care Certificates.

HUD conditionally approved funding for all 10 projects in February, 2007.

Transitional Housing – Transitional Housing programs in the City of Pasadena include Union Station Foundation (Euclid Villa) - assisted 63 clients; Urban Revitalization Development Corporation (Casa Maria), assisted 35 clients; and Union Station Foundation’s Transitional Housing program, assisted 79 clients this year. These projects provide transitional housing for homeless persons for up to two (2) years. Case management services are provided to residents both on-site and at off-site facilities. Residents are linked to rehabilitative services that include health care, mental health care interventions, employment services, childcare, transportation, individual and group counseling, and life skills training designed to prepare clients for permanent housing and/or permanent affordable housing.

Accomplishments: 179 clients were assisted through Transitional Housing.

Permanent Supportive Housing (SHP) - Permanent Supportive housing opportunities are offered to clients through the City’s Supportive Housing Program. Clients are able to receive tenant-based rental assistance and permanent supportive housing in a private dwelling unit or in a congregate living environment. The Serra Project provides permanent supportive housing that is linked to ongoing supportive services (on-site and/or off-site) and designed to allow individuals and families to live at a residence for an indefinite time. The Serra Project assisted 28 clients with 12 units during this reporting period. Navarro House (sponsored by Affordable Housing Services (AHS), a local non-profit housing/social service agency) provided 8 persons 6 units of permanent supportive housing to residents recovering from substance abuse. Hestia House, sponsored by Pacific Clinics provided 15 persons 8 units of permanent supportive housing.

Accomplishments: 51 persons received assistance under the Permanent Supportive Housing programs this program year. An additional 3 units of Permanent Supportive Housing for chronically homeless persons were added through the successful application to HUD for new Shelter Plus Care certificates.

Passageways

Outreach/Intake and Assessment Center - Passageways is the point of entry into the City of Pasadena Continuum of Care. Passageways provides emergency outreach services on the street to link homeless persons to its intake and assessment centers. Ongoing case management is also provided to individuals or families until engagement with the Continuum of Care is achieved, or no longer appropriate. Individuals and families include those who are currently homeless and living on the streets or living in other places that are not appropriate for shelter.

Accomplishments: 965 units of service were provided by Passageways during this reporting period.

2007 Continuum of Care

The PCDC submitted an application to HUD for \$2.7 million for eleven projects. Of the eleven recommended projects, ten were renewal projects (listed by sponsor/project): Pacific Clinics/Passageways; Pacific Clinics/Hestia House; Union Station Foundation/Euclid Villa; Union Station Foundation/Transitional Housing Program; URDC/Casa Maria; Serra Project/CHOISS Program I; Serra Project/CHOISS Program II; Affordable Housing Services/Navarro House; the Commission/HMIS; and Commission/Renewal Shelter Plus Care. The new project requested was Commission/Shelter Plus Care Certificates.

HUD conditionally approved funding for the 10 renewal projects on December 21, 2007. The new Shelter Plus Care certificates were not awarded.

Transitional Housing – Transitional Housing programs in the City of Pasadena include Union Station Foundation (Euclid Villa) - assisted 58 clients; Urban Revitalization Development Corporation (Casa Maria), assisted 29 clients; and Union Station Foundation’s Transitional Housing program, assisted 80 clients this year. These projects provide transitional housing for homeless persons for up to two (2) years. Case management services are provided to residents both on-site and at off-site facilities. Residents are linked to rehabilitative services that include health care, mental health care interventions, employment services, childcare, transportation, individual and group counseling, and life skills training designed to prepare clients for permanent housing and/or permanent affordable housing.

Accomplishments: 167 clients were assisted through Transitional Housing.

Permanent Supportive Housing (SHP) - Permanent Supportive housing opportunities are offered to clients through the City’s Supportive Housing Program. Clients are able to receive tenant-based rental assistance and permanent supportive housing in a private dwelling unit or in a congregate living environment. The Serra Project provides permanent supportive housing that is linked to ongoing supportive services (on-site and/or off-site) and designed to allow individuals and families to live at a residence for an indefinite time. The Serra Project assisted 25 clients with 12 units during this reporting period. Navarro House (sponsored by Affordable Housing Services (AHS), a local non-profit housing/social service agency) provided 6 persons 6 units of permanent supportive housing to residents recovering from substance abuse. Hestia House, sponsored by Pacific Clinics provided 12 persons 8 units of permanent supportive housing.

Accomplishments: 43 persons received assistance under the Permanent Supportive Housing programs this program year.

Passageways

Outreach/Intake and Assessment Center - Passageways is the point of entry into the City of Pasadena Continuum of Care. Passageways provides emergency outreach services on the street to link homeless persons to its intake and assessment centers. Ongoing case management is also provided to individuals or families until engagement with the Continuum of Care is achieved, or

no longer appropriate. Individuals and families include those who are currently homeless and living on the streets or living in other places that are not appropriate for shelter.

Accomplishments: 1010 units of service were provided by Passageways during this reporting period.

2008 Continuum of Care

The PCDC submitted an application to HUD for \$2.7 million for eleven projects. Of the eleven recommended projects, ten are renewal projects (listed by sponsor/project): Pacific Clinics/Passageways; Pacific Clinics/Hestia House; Union Station Foundation/Euclid Villa; Union Station Foundation/Transitional Housing Program; URDC/Casa Maria; Serra Project/CHOISS Program I; Serra Project/CHOISS Program II; Affordable Housing Services/Navarro House; the Commission/HMIS; and Commission/Renewal Shelter Plus Care. The new project is Commission/Shelter Plus Care Certificates.

HUD conditionally approved funding for all requested projects, including the 10 renewal projects and one new Shelter Plus Care project, on February 19, 2009.

10 YEAR STRATEGY TO END HOMELESSNESS

Beginning in February 2004, the City of Pasadena in collaboration with the Housing and Homeless Network embarked upon a 12-month series of Working Group meetings in order to develop a 10-Year Strategy to End Homelessness. The Working Group is made up of members of the Housing and Homeless Network and is strengthened by participation of stakeholders from throughout the community, including business districts, coalitions/committees, currently and/or formerly homeless persons, neighborhood associations, faith-based associations, corporations, non-profit agencies, elected officials, and non-public and private funders. The Working Group meets monthly to examine various strategies, both public and private, to effectively deliver existing and new assistance to the City's homeless and at risk of becoming homeless population, public and private. The completed 10-Year Strategy to End Homelessness was approved by the City Council on July 25, 2005.

The City Council, acting as the Community Development Commission, approved the City of Pasadena 10-Year Strategy to End Homelessness on July 25, 2005. The 10-Year Strategy is intended to be a living document. Programs and strategies developed as part of the 10-Year Strategy will have specific outcomes attached, and these programs, strategies, and outcomes will be reassessed annually to ensure that they are effective.

The 10-Year Strategy identifies four (4) primary strategies that must be implemented if the City of Pasadena is going to end homelessness within its jurisdiction. These strategies include:

1. Ending chronic homelessness.
2. Supporting existing homeless services.
3. Expanding existing homeless services.
4. Strengthening homeless prevention efforts.

Priorities and specific annual objectives that will be addressed each year to implement these strategies will be outlined in an Annual Action Plan. This Annual Action Plan will identify the project, the strategy the project supports, outcomes identified, budget and sources of funding. The Annual Action Plan for the second year of the 10-Year Strategy follows.

Step 1. Strengthen Public/Private Partnership

The City of Pasadena will strengthen the public and private partnership that currently addresses homelessness within its jurisdiction.

Action:

Hire a "Homeless Coordinator"

Strategy Supported:

Ending Chronic Homelessness; strengthening homeless prevention efforts

Project Description:

The City of Pasadena hired a Homeless Coordinator to help strengthen the efforts of the Pasadena Housing and Homeless Network (Network), which is the public and private partnership that currently addresses homelessness, by helping to implement the recommendations of the City's 10-Year Strategy to End Homelessness. The Homeless Coordinator will coordinate the Good Neighbor Program, and the Discharge Planning Policy.

Funding Sources:

Housing Opportunities Fund- \$81,000

Outcomes:

- The Discharge Planning Program has been implemented.
- The Pasadena Homeless Prevention Program has been implemented.

Step 2. Prevent Households from Becoming Homeless

The quickest and most efficient way to end homelessness is to prevent homelessness from happening in the first place.

Action:

Implement the Pasadena Homeless Prevention Program.

Strategy Supported:

Strengthening Homeless Prevention efforts.

Project Description:

A public and private "Pasadena Homeless Prevention Program" partnership will increase the number of community groups/individuals and the amount of resources available to prevent households at-risk-to-homelessness from losing their housing and becoming homeless. Under the direction of a "lead agency," local congregations, neighborhood associations and groups, other local community groups and individuals, and local government representatives would be the core supporters of a "Homeless Prevention Program" and share in the responsibility of preventing at-risk-to-homelessness households from becoming homeless within their immediate neighborhood.

Neighboring groups and individuals would supply the Pasadena Homeless Prevention Program "lead agency" with homeless prevention resources such as food, clothes, and private funding for utility and/or rental assistance. Neighboring groups and individuals would also help their neighbors receive help by directing them to the Pasadena Homeless Prevention Program lead

agency for homeless prevention resources. In addition, they could also help their neighbors receive help by implementing a city-wide homeless prevention communication strategy.

Funding Sources:

HOME Program-	\$75,000
Emergency Shelter Grant (ESG) Program-	\$40,000

Outcomes:

- Five hundred (500) households who are most-at-risk of becoming homeless will receive supplemental resources through the Pasadena Homeless Prevention Program and maintain their housing.

Action:

Implement Discharge Planning Program.

Strategy Supported:

Strengthen Homeless Prevention Efforts.

Project Description:

The purpose of developing and implementing a Discharge Planning Program is to prevent persons being discharged from publicly and privately funded institutions or systems of care into homelessness. Discharge planning prepares a homeless person while he/she is still in an institution to return to the community and provides links for that individual to receive essential housing and services, including enhancing and expanding their treatment options and effectiveness. The Homeless Coordinator will work with public and private systems of care in the community to implement the Discharge Planning Program.

Funding Sources:

Supportive Housing Program (SHP) Grant-\$132,700.

Outcomes:

- In the first year of implementation, a baseline number of persons being discharged will be determined through the Homeless Management Information System (HMIS) and by working with the public and private systems of care. The number of persons being discharged into homelessness will be decreased by 10% each year in subsequent years.

Step 3. Eliminate Chronic Homelessness

Action:

Expand Street Outreach Efforts.

Strategy Supported:

Eliminate Chronic Homelessness.

Project Description:

An additional street outreach team consisting of a Street Outreach Worker and Health Care Outreach Worker would provide services primarily to the chronically homeless. This street outreach team would compliment existing street outreach teams that provide mental health and general case management services.

Action: Increase the Number of Units of Permanent Supportive Housing.

Project Description:

Permanent supportive housing recommended in the 10-Year Strategy includes a “Safe Haven,” Shelter Plus Care, and efficiency units for single room occupancy.

In the first year, the City will implement 6 new units of permanent supportive housing and increase Shelter Plus Care certificates from 45 to 60.

Action:

Implement First Step Recovery Program.

Strategy Supported:

Eliminate Chronic Homelessness.

Project Description:

The First Step Recovery Program will provide an alternative to the cycle of arrests and releases for the homeless chronic substance abuser. A homeless person who is arrested for public intoxication may be brought to the First Step Recovery Program rather than jail by a police officer. The program will have 15 beds, two of which will be available for law enforcement on a 24 hour basis. It will provide intensive case management and a place for the client to stay for up to five days, with extensions made on a case-by-case basis, before moving to a rehabilitation facility.

Funding Sources:

Substance Abuse & Mental Health Services Administration (SAMHSA) Grant-\$400,000.

Outcomes:

- The number of chronically homeless persons living on the streets of Pasadena will be decreased by 10% each year.

Step 4. Continue to Support Existing Homeless Services that Perform Satisfactorily**Action:**

Provide ongoing homeless services.

Strategy Supported:

Supporting existing homeless services.

Project Description:

Every day homeless service providers supply resources to help people exit their lives from the streets of Pasadena. Approximately 3,600 adults and children become homeless while living in Pasadena each year and 85% (3,060 persons) are homeless a few months or less because of the services made available by homeless service providers.

Services made available by homeless service providers include residential and non-residential services. Residential services include emergency shelter, transitional housing, and permanent supportive housing. Non-residential services include specialized case management services such as employment, health care, housing placement, mental health care, substance abuse, and veteran services.

Funding Sources:

Supportive Housing Program (SHP) Grants-\$1.8 million.

Outcome:

- 85% of homeless persons will exit their lives from the streets within 90 days of becoming homeless.

HOMELESSNESS AND OTHER SPECIAL NEEDS

Homelessness (2005-2010)

- Provide emergency shelters, homeless prevention activities, housing, and supportive services for **4,365** individuals and families with special needs.

The following is a list of programs/activities provided by the City of Pasadena to assist in the provision of affordable rental housing opportunities for the homeless as well as lower income households with special needs. Also, included are the five-year goals as outlined in the City of Pasadena Five Year Consolidated Plan (2005-2010).

1. Emergency Shelter Grant (ESG) Program is a federally funded program to address homelessness in the City. The ESG Program is designed to help improve and maintain the quality of existing emergency shelters for the homeless, assist those emergency shelters to meet their operating expenses and to provide certain essential social services to homeless individuals. It is anticipated that \$900,000 will assist approximately 3,000 homeless individuals. Additional information on the program year is included in the ESG section of the CAPER.
2. The Shelter Plus Care (S + C) Program provides federal funding for rental assistance and a broad range of supportive services for homeless persons with disabilities and their families. The eligible beneficiaries must be homeless persons with disabilities (primarily people with serious mental illness, AIDS and related diseases, or chronic problems with alcohol or drugs) and their families. \$2.75 million will assist fifty-six (56) households.

Accomplishments: 43 homeless households with disabilities were assisted in 2005, 41 in 2006, 46 in 2007, and 65 in 2008.

3. The Supportive Housing Program (SHP) is a federally funded program designed to provide supportive services, transitional housing, and permanent supportive housing to enable homeless persons to live as independently as possible, as well as a Homeless Management Information System (HMIS) to collect and report data about homeless individuals and populations. The PCDC uses SHP funding to project sponsors to provide outreach and assessment, three transitional housing, four permanent supportive housing projects, and HMIS. \$12.5 million shall assist 5,100 households.

Accomplishments: 1,273 homeless households were assisted with outreach, services, and housing in 2005, 1,195 were assisted in 2006, and 1250 in 2007. The 2008 funding year is ongoing for SHP projects.

4. The HOME Tenant-Based Rental Assistance (TBRA) Program is funded by the U. S. Department of HUD. The program provides rental assistance to extremely low-income individuals and families with special circumstances. All households must be referred by one of the participating supportive service agencies. The assistance is limited to a period of twenty-four (24) months. \$850,000 shall assist sixty (60) households.

Accomplishments: 10 extremely low-income households with special circumstances were provided assistance in 2005, 7 in 2006, 22 in 2007, and 30 in 2008.

5. Housing Opportunities for Persons with AIDS (HOPWA): Since 1993 the PCDC has administered the tenant-based rental assistance HOPWA Program through a Memorandum of Understanding (MOU) with the City of Los Angeles Housing Department (LAHD). Los Angeles City is the grantee for the HOPWA grant. LAHD provides the grant management, reporting and general oversight. The PCDC functions as the Sponsor Agency for LAHD. Currently, the PCDC has retained the AIDS Service Center (ASC) and the Serra Project to provide client referrals to supportive services for HOPWA Program participants.

Accomplishments: 5 very low-income persons with HIV/AIDS were provided tenant-based rental assistance in 2005, 2 in 2006, 1 in 2007, and 7 in 2008.

FAMILY SELF-SUFFICIENCY (FSS) PROGRAM

The Family Self-Sufficiency (FSS) Program is designed to provide lower income families, receiving rental assistance from the City's Housing Choice Voucher Program (HCVP), with supportive services through public and private resources to achieve economic self-sufficiency within a five (5) year timeframe. Under the FSS Program, a family receives a comprehensive matrix of supportive services that include opportunities to improve educational attainment, employment skill levels and income generating abilities and opportunities.

Following a Request for Proposal process (RFP), The PCDC selected Women at Work as the sponsor agency for the Family Self-Sufficiency Program. Women at Work works with participants in the FSS program and provides counseling, job search assistance, mentoring, and referrals to the City's homeownership programs as well as referrals to other available services in the community.

Accomplishments: 25 households participated in the FSS program and 14 of these families have established escrow accounts as of June 30, 2006 and 20 as of June 30, 2007. One household moved to homeownership, and six households graduated and received the proceeds from their escrow accounts. As of June 30, 2009, 11 households are participating in the program. PCDC and Women at Work are outreaching to Housing Choice Voucher participants to enroll in FSS.

EMERGENCY SHELTER GRANT (ESG) PROGRAM

Emergency Shelters (2005-2010)

Continue to support existing emergency shelters and increase the number of emergency shelter beds for families.

Provide emergency shelter services to **3,000** individuals under the ESG Program.

The Bad Weather Shelter (BWS) Project will provide **500** homeless and at-risk homeless persons with shelter services.

The Emergency Shelter Grant (ESG) Program is a federally funded program, which addresses homelessness in the City. The ESG Program is designed to help improve and maintain the quality of existing emergency shelters for the homeless, assist those emergency shelters to meet their operating expenses and to provide certain essential social services to homeless individuals. The uses of ESG funds must be directly related to one of the five (5) eligible categories of ESG expenditures: Rehabilitation, Essential Services, Operations, Homeless Prevention and Administration.

ESG funds are awarded annually to the City of Pasadena from the U. S. Department of Housing and Urban Development. These funds are obligated by the City within the required time line of the grant award and are expended within the program year. Additional information is included in this section on the required ESG match.

FY 2008-09 Accomplishments and Investments of Available Resources:

During the program year, July 1, 2008 - June 30, 2009, the City provided funding and technical assistance to non-profit organizations and service providers for the administration, operation/maintenance, and homeless prevention activities of three (3) service providers: **1) Ecumenical Council of Pasadena Area Churches (ECPAC); 2) Union Station Homeless Services; and 3) Elizabeth House.** These three providers represent six (6) different projects serving the homeless community. Between these 3 providers the goal was to assist 6756 individuals. The homeless population served included families, females with children, single females, and single men. Shelter services were also provided to mentally ill, physically disabled and battered women, as well as individuals recovering from substance abuse.

The Ecumenical Council of Pasadena Area Churches (ECPAC) provided services through two (2) ESG funded projects:

- 1). **The Emergency Homeless Response Program (EHRP):** The EHRP activity was revised to be consistent with, and part of, the Homeless Prevention services as outlined in the City's 10 Year Strategy to End Homelessness. Services emphasized assistance to households at imminent risk of homelessness. **311 individuals received supportive services and supplemental resources** designed to help them from losing their housing.

2). **The Emergency Shelter Project (ESP):** This project provides motel voucher when no other shelter options are available and provides 1 to 5 night of shelter per client household. **The project gave emergency housing assistance to 217 individuals**, of which 97 were children, providing 804 nights of shelter in motel rooms.

Union Station Homeless Services provided ESG services through three (3) projects:

1). **The Meals Program:** This project served two breakfast meals and 3 lunch meals daily to the poor and homeless. Breakfast is served at 9:00 a.m. and 9:30 a.m.; lunch is served at 12:00 noon; 12:30 p.m. and 1:00 p.m. 123,000 meals were served in this program year. The number of meals represents 6,050 clients served. The Meals Program takes place on site at Union Station Homeless Services - Emergency Homeless Shelter. Evening meals (dinner) are provided for the overnight shelter guests only. Additionally, clients are provided with information assistance and referral services to local social service providers who participate in the City's Continuum of Care.

2). **Sources - Career Development/Job Training Program:** The Sources program provided career development classes, workshops, seminars, clothing, mentoring and other supportive services to help prospective job applicants who are homeless to enter the job market. Services included the use of the resource room, fax, telephone, computers, resume preparation assistance, interview techniques, wardrobe assistance, etc. This project provides follow-up and support to participants on an ongoing basis. **The Sources Project enrolled 110 clients** of which 85 graduated from the program, and 45 were known to secure employment. This project is part of the City's Continuum of Care homeless delivery of services system and focuses on those persons who are returning or attempting to enter the job market.

3). **Emergency Overnight Shelter Project:** - This project provided overnight emergency shelter to those clients who were participating in the intake process at Passageways - the City's One-Stop Homeless Services Center or Point of Entry into the City's Continuum of Care homeless services delivery system. The clients are housed overnight at the shelter, are provided with meals, showers, etc. The agency provides a van to transport clients back to Passageways on the next morning to continue the intake process. During this program year approximately 1,479 nights of shelter were provided; **404 persons were served**.

Elizabeth House provided ESG services through one (1) project:

1). **Case Management Services:** - This program provides services for shelter and support for homeless pregnant women and their children, health care and access to housing and employment. Activities include weekly case management meetings, individual counseling, pre-employment and job skills training classes, health education classes, health care appointments, educational studies, mentoring, life skills training and parent education classes. **A total of 16 participants were enrolled in the program.** All performance measures were achieved.

Accomplishments: **Approximately 7108 homeless persons were assisted under the ESG Program during this program year.**

Required ESG Match and Obligation Statement: (2008 - 2009 PY)

Overall, the federal and local funding resources made available for homeless needs and support service activities total \$195,633 (\$97,516-ESG and \$98,117 in the Inclusionary Housing Trust Fund). By using these funds the City of Pasadena and local non-profit organizations were able to provide services to continue programs to meet the needs of the homeless population.

Federal Stewart B. McKinney Homeless Assistance Emergency Shelter Grant (ESG) Program funds were utilized for the above-mentioned ESG eligible activities. The City of Pasadena provided the required local match through use of funds from the Inclusionary Housing Trust Fund.

The ESG funds were obligated to the respective non-profit organizations (Sub-recipients) as of July 1, 2008 (start of the program year). City Council/Commission approved the allocations for the second year of the funding cycle at its meeting on Monday, June 23, 2008.

The City of Pasadena's Bad Weather Shelter (BWS) Project:

Bad Weather Shelter (BWS) is a local seasonal shelter program. The Ecumenical Council of Pasadena Area Churches (ECPAC) in cooperation with the City of Pasadena administers this program. The BWS provides an additional 150 shelter beds to the homeless services inventory in the City. The BWS does not receive federal funds through the City of Pasadena. Annually, the BWS provides services during the cold weather season (November 2008 - March 2009) when the temperature drops below 40 degrees or lower and/or if a 40 percent chance of rain or greater is expected during the months of November through March.

During the 2008/2009 season the BWS was open 72 nights and provided shelter for an average of 123 persons per night. In total, the BWS provided 8,839 units of service (unit of service: one person, one night of shelter). **During the season the shelter served 672 unduplicated clients.** 150 emergency shelter cots were made available to homeless families and individuals per night. In addition, food and beverages were provided. Case management and social service referrals were made to other local social service providers. The Commission allocated \$60,000 to support this project. A coalition of local volunteers, including City staff, volunteered at the shelter on alternating weekends. Twenty-three local community groups volunteered at the shelter providing approximately 230 volunteers who assisted the regular shelter staff.

EMERGENCY SHELTER GRANT AND BAD WEATHER SHELTER RESOURCES (2008 - 2009 PY)

Emergency Shelter Grant Program (Federal Entitlement)	\$ 97,516
Inclusionary Housing Trust Fund (Local Match)	\$ 98,117
Total ESG Funding	\$195,633
Bad Weather Shelter/ Inclusionary Housing Trust Funds	\$ 60,000
Total Emergency Shelter Resources	\$255,633

HOUSING FOR THE MENTALLY DISABLED

Support, develop and/or rehabilitate **10** housing units for very low/low-income persons in need of mental healthcare.

Accomplishments and Investment of Available Resources:

There are no completed projects or projects in progress to report under this goal for the 2008/2009 PY.

HANDICAPPED ACCESSIBILITY

Provide handicapped accessible or adaptable rental and/ownership units, in conjunction with the production of assisted ownership and rental housing.

Review design plans with Housing Subcommittee of Accessibility and Disability Commission for new construction and substantial rehabilitation projects.

Promote occupancy of assisted projects with accessible units by qualified handicapped tenants.

Provide outreach to, and coordinate with, organizations working on accessibility/disability issues.

PROJECTS IN PROGRESS:

19 E. Orange Grove Blvd. to 790 N. Fair Oaks Ave. (Heritage Square): This mixed-use zoned development site will include a residential component of approximately 80 affordable rental units for seniors. The project will be designed to meet all applicable handicapped accessibility requirements. The site is owned by the Commission and the project is in the planning stage.

Other Actions Taken:

The City's Accessibility and Disability Commission continues to be involved in the development of various types of housing units within the City. The Accessible Housing Committee of the Accessibility and Disability Commission provides assistance and input in the development of the principles of accessibility design and are committed to outreach to various housing developers.

The Committee recommended to developers the following principles of "Universal Design:"

1. New construction of apartment and condominiums must comply with accessibility provision in state code and the Fair Housing Act.
2. New townhouses construction should include at least some single-level units that permit people who use wheelchairs, crutches, and canes, or whose walking ability is limited by age to enter the unit and use all of its rooms.
3. Rehabilitating single-family housing should, to the extent feasible, include removable cabinets and baseboards under the kitchen sink; backing for grab bars in bathrooms, and 32-inch wide doorways.
4. The rehabilitation of apartments and condominium complexes should, to the extent feasible, include removable cabinets and baseboards under the kitchen sink; backing for grab bars in bathrooms; 32 inch wide doorways; and a ramp as an alternative to stairs at a common entrance.

The Planning and Development Department will continue to coordinate with the City's Accessibility/Disability Coordinator to assure the accessible units are 1) originally marketed toward the physically challenged community; and 2) that the units remain accessible.

SENIOR HOUSING

Housing for Seniors (2005 – 2010)

Develop **315** units of rental housing for senior citizens; 225 or 28.6% will be affordable to extremely low and low and moderate-income seniors.

PROJECTS IN PROGRESS

19 E. Orange Grove Blvd. to 790 N. Fair Oaks Ave. (Heritage Square): This mixed-use zoned development site will include a residential component of approximately 80 affordable rental units for seniors. The site is owned by the Commission and the project is in the planning stage.

PART II

ASSESSMENT OF PERFORMANCE

APPENDIX A

EVALUATION AND ASSESSMENT OF ANNUAL PERFORMANCE (2008-2009 PY)

CITY OF PASADENA

EVALUATION AND ASSESSMENT OF ANNUAL PERFORMANCE

(2008- 2009 Program Year)

General Assessment

Each year following the close of the program year, the City undergoes the process of evaluating its internal progress and accomplishments that have been made during the program year. This review and evaluation is made against the goals/objectives as set forth in the City's Five Year Consolidated Plan (2005 - 2010). In addition to evaluating its progress, the City also looks at obstacles or impediments that may have been present during the program year. These obstacles or impediments are examined in regard to how they may have hindered the degree of progress.

The City finds that overall it is making meaningful progress toward meeting the established goals as outlined in the Five-Year Consolidated Plan (2005 - 2010).

Housing

During the report period, several housing projects (ownership and rental) which contain affordable housing units were contracted, under construction, or completed. These projects are financially assisted by the City or are required to provide affordable housing pursuant to the City's inclusionary housing program or density bonus regulations. All of these housing projects are mentioned in this report in respective sections where applicable.

The City will continue to partner and collaborate with local non-profit agencies and for-profit developers who desire to obtain various types of funding assistance/resources in order to provide for the development of affordable housing, housing preservation and housing rehabilitation activities. As set forth in the CAPER, the City will continue its outreach efforts to provide financial incentives to developers/property owners/local non-profit organizations, etc.

As noted in this report as well as in the City's Five Year Consolidated Plan, the City of Pasadena currently has an extremely low rental vacancy rate. The low vacancy rates coupled with the high cost of rentals have complicated the rental market for many of the City's low/moderate income residents.

Homelessness and Other Special Needs Populations

The City of Pasadena is especially pleased with the partnerships formed with homeless service providers and those formed within the homeless community. The effectiveness of this partnership is demonstrated in addressing homeless issues through participation in the Continuum of Care; the active involvement of the Pasadena Housing and Homeless Network, the local emergency shelters, transitional housing programs, supportive housing programs and the provision of other supportive services to special needs populations.

During July 2005 the City of Pasadena approved its 10 Year Strategy to End Homelessness, and several of the recommendations have been implemented, including additional units of permanent supportive housing and the Homeless Prevention Program. Additional information and a discussion of the actions to be taken to implement this plan are included in the CAPER.

New Construction - Ownership Housing

Five ownership housing projects containing a total of 16 affordable units were under construction during the report year.

New Construction - Rental Housing

Two rental housing projects containing a total of 93 affordable units were completed during the report year. Four rental housing projects containing a total of 100 affordable units were under construction or under contract during the report year.

New Construction - Senior Housing

- 19 E. Orange Grove Blvd. to 790 N. Fair Oaks Ave. (Heritage Square): This mixed-use zoned development site will include a residential component of approximately 80 affordable rental units for seniors. The site is owned by the Commission and the project is in the planning stage.
- 1267 N. Hudson Ave. (Hudson Oaks): 45 rental units – **44 affordable**. This assisted project was approved for a predevelopment loan in PY and is in predevelopment stage.

New Construction - Special Needs Housing

877 N. Orange Grove Blvd. (Nehemiah Court): New Revelation Church (a local faith-based non-profit), with developer consultant A Community Of Friends, will develop this 7-unit project which will provide permanent supportive rental housing for 12 homeless persons. The federal Supportive Housing Program under the McKinney Act will provide \$759,621 in funding (\$400,000 for project development and \$359,621 for operations and supportive services). Pursuant to Owner Participation & Loan Agreement, PCDC will provide \$962,668 for project development (\$762,668 HOME funds and \$200,000 State Local Housing Trust Fund Program). The project received an award of \$968,000 from the County of Los Angeles in April 2008. Developer is preparing to submit applications to the County of Los Angeles and State of California for additional funding assistance to close financing gap. Construction drawings are being prepared for plan check.

Non-Housing Community Development Assessments

Public/Human Services

The City provided quality public/human services to approximately 60,000 local residents. These services included health care, education, senior activities, job development, employment

training, youth activities, homeless assistance, free meals program for the homeless, information, assistance and referrals, etc.

Economic Development Activities

Several economic development projects were funded through the CDBG Program. These projects provided small business assistance to small/start-up local businesses, technical assistance and support to micro-enterprises, etc., for over 80 low/moderate residents of the CDBG Benefit Service Area.

These projects are:

- 1). The Pasadena Development Corporation (PDC) - Small Business Assistance Program: This project provides small business loans, business counseling, technical assistance and other forms of support to local start-up businesses. The support provided to these individual businesses helps to create/retain jobs for low/moderate income residents.

PDC expended over \$117,000 in CDBG Entitlement funds and over \$135,000 in loan funds to fund business loans. These loans are projected to create/retain local jobs. The project delivered approximately 315 hours of technical assistance to small businesses; and over 313 individuals received business counseling.

As a Certified Community Development Financial Institution (CDFI), PDC continues to use CDFI loan pool monies to lend to existing small businesses that will create and/or retain jobs throughout the CDBG Benefit Service Area.

- 3). Fair Oaks Renaissance Shopping Center - Repayment of Section 108 Loan: The Fair Oaks Shopping Center provides employment opportunities as well as an expanding volume of retail/commercial activity to the CDBG Benefit Service Area. The project provides approximately 30 jobs to low/moderate income persons. Currently, there are 12 businesses operating in the shopping center. The project continues to provide goods and services to the area and has established a solid economic environment.

Additional information on the accomplishments under the economic development category is also included in the Appendix section of the CAPER.

Ensuring Performance Compliance

The Housing Department performs the administrative oversight and program administration for the City's federal housing and community development programs such as: Community Development Block Grant (CDBG), Emergency Shelter Grant (ESG); Home Investment Partnership Act (HOME) Program; the Continuum of Care Homeless Assistance Application - Supportive Housing Programs (SHP); the Housing Choice Voucher Program (HCVP), formerly known as the Section 8 Rental Assistance Program, etc.

The management and administrative oversight includes the required program and fiscal on site monitoring, project performance assessments, etc., to ensure compliance in regard to the provision of the delivery of services. The H/CD has the responsibility to ensure federal, state and local compliance regarding fair housing, equal opportunity in contracting/employment, reporting, etc.

Additionally, the Housing Department has the responsibility of conducting the Analysis of Impediments (AI) to Fair Housing Choice and updating the City's Fair Housing Plan as required by HUD. These tasks are undertaken periodically and/or as required by HUD. The City contracted with Cotton Bridges and Associates (CBA), urban planners, to conduct the Analysis to Impediments to Fair Housing Choice and to update the Fair Housing Plan. The AI and the City's updated Fair Housing Plan have been submitted to HUD as required.

The Housing Rights Center (HRC) under contract with the City of Pasadena provides:

- 1). Ongoing monitoring and record keeping as it relates to fair housing activities in the City. HRC serves over 1,695 local Pasadena residents annually. Clients are tenants and landlords. HRC provides fair housing counseling, complaint investigation, litigation, outreach and education. As required by HUD a copy of the Fair Housing Report for this reporting period is included in the CAPER.
- 2). Housing Mediation Services for local Pasadena residents. The Housing Mediation program is designed to assist landlords/tenants in resolving issues prior to costly litigation. Mediation does not guarantee a resolution, however it often establishes an atmosphere in which both parties are able to reach a workable alternative.
- 3). Technical assistance in the implementation of the Tenant Protection Ordinance - Pasadena Municipal Code (PMC 9.75). Effective November 1, 2004, Pasadena City Council amended the Code to add a new chapter - PMC 9.75 and amended Title 16 (Standards for Conversion Projects). This action provides a greater level of protection to those families who are impacted by condominium conversion projects, demolition and/or the removal of rental units from the market.

GRANTEE'S SELF EVALUATION

1. Are the activities and strategies making an impact on identified needs?

Yes, the activities and strategies are making an impact on the identified needs. The Accomplishment Chart included in this section of the CAPER demonstrates the progress that is being made under each objective. The City is meeting the established goals and objectives and as indicated in some instances, the goals are actually exceeded.

2. What barriers may have a negative impact on fulfilling the strategies and overall vision?

Some of the barriers that may have a negative impact on meeting the affordable housing goals include an inadequate level of financial resources, the high cost of available vacant land in the City, and more recently, the downturn in the for sale housing market and the credit market crisis. In addition, since the development of the Five Year Consolidated Plan (2005-1010) the City of Pasadena has experienced reductions in its CDBG and HOME entitlement funding which could have a negative impact on achieving programmatic goals as set forth in the Plan.

3. What is the status of the grant programs? Are grants disbursed in a timely manner?

Overall, the federal grant programs administered by the City of Pasadena are performing very well. The programs are maintaining timely expenditure standards as demonstrated in Appendix D, IDIS reports. The actual disbursements are consistent with the letter of credit in IDIS upon execution of the master agreements between the City and HUD. Housing/Community Development works closely with the City's Department of Finance to ensure timely and accurate reimbursements to Sub-recipients, developers, CHDOs, etc.

4. Are major goals on target?

As demonstrated in Appendix K, HUD Tables and Census Tracts, all major goals and objectives are on target based on the City's Five Year Consolidated Plan (2005-2010).

5. Any reasons for any changes in program objectives and what adjustments or improvements to strategies and activities might meet your needs more effectively?

The City of Pasadena has not had a need to make changes to its program objectives, therefore, the City has not made changes to its objectives.

However, suggested adjustments or improvements to the strategies and activities would include the access to additional funding resources (federal and non-federal) in order to facilitate more community development activities (including capacity-building for sub-recipients), expand affordable housing activities/projects, made available more supportive services to special needs populations, and provide additional services to the low income

community. Furthermore, Pasadena has a very large older housing stock. Hence, there is a great need for additional services to assist homeowners with housing repairs, maintenance and rehabilitation activities.

6. Did the City of Pasadena pursue all resources indicated in the Consolidated Plan?

The City of Pasadena has pursued all resources mentioned in the Consolidated Plan. Federal Entitlement Program utilized includes HOME Investment Partnership (HOME) Program, Community Block Grant (CDBG) Program, Emergency Shelter Grant (ESG) Program and Housing Choice Voucher Program (HCVP). Federal Competitive Funding Program utilized includes Continuum of Care for Homeless Assistance, Family Self Sufficiency (FSS) Program and Housing Opportunity for Persons with AIDS Program (HOPWA).

Other resources being used or pursued are the Low and Moderate Income Housing Trust Funds, the Inclusionary Housing Trust Fund (In-Lieu Fees), State Local Housing Trust Fund, State Workforce Housing Reward Program funds, California Housing Finance Agency (CalHFA), and CalHome homebuyer program funds.

7. Did the City hinder implementation by any actions or willful inaction?

The City did not hinder implementation of the programs/projects by any actions or willful action.

8. Did the City undertake activities that serve limited clientele not falling within one of the categories of presumed low moderate benefit?

During FY 2008/09, no activities were undertaken that served limited clientele not falling within one of the categories of presumed low moderate benefit.

PROJECT PERFORMANCE ASSESSMENT

- **Goal(s)** - The intent or purpose to be achieved by the project.

The project will be assessed to determine if the achievement of the stated goal(s) is an integral part of the operation/implementation of the project.

- **Objectives** – The specifically desired intent of the activities that will be undertaken and/or performed in order to achieve the project's stated goal(s). The objectives, when clearly defined, provide the mechanism by which the project will meet its goals.

The focus of the assessment will be on the distinct and clear pattern(s) of activities/events, which are taking place and which collectively tend to lead toward the fulfillment of the project's goal(s).

- **Unit(s) of Service** - The units of service provided (i.e., the number of hours of counseling, children/families served, houses rehabilitated, etc.).

The performance assessment will verify documented evidence and on-site operation of the delivery or implementation of the stated service units.

- **Average Cost per Unit** -The average cost per unit of service represents the total CDBG, ESG, and HSEF allocation divided by the number of units provided.

The performance assessment will examine the reasonableness of the average cost per unit of service(s) provided; based on the number of persons served and activities/services performed in relation to the amount(s) of money, time, effort, etc., expended to render the actual unit of service.

- **Performance Measures** - Performance measures are quantitative and qualitative indicators which denote the achievement or lack of achievement of the project's stated goals.

The performance assessment will focus principally on the project's obtainment of the quantitative values assigned to each measure. Additionally, on-site monitoring visits will be employed to observe the quality of the delivery or performance of services/activities.

- **Performance Schedule** - The performance schedule identifies the major milestones for implementation of the project. It provides the anticipated dates when major activities and events will take place during the program year.

The performance assessment will examine the timeliness of the implementation of major project related activities.

- **Expected Outcomes** - The expected outcomes of the project are those results, occurrences and/or benefits, which are directly correlated to the activities of the project. The outcomes are those consequences, anticipated or unexpected, which result as an aftermath of the activities previously conducted to meet the project's stated goals.

The performance assessment will focus on the identification and documentation of the expected outcomes as a direct/indirect consequence or effect of the project activity.

- **CDBG/ESG Allocation** - The actual funds awarded under the Sub-Recipient Agreement, as may be amended.

The performance assessment will examine the amount of the total project allocation in regard to the services provided, average cost per unit of service, and recognized benefit to project participants and the community at large.

Background

For over two decades, the City of Pasadena has contracted with the Housing Rights Center to provide fair housing services for its residents. The Housing Rights Center ("HRC") began its work to further fair housing choice in 1968. HRC's mission is to actively support and promote fair housing through education and advocacy to the end that all persons have the opportunity to secure the housing they desire and can afford, without discrimination based on their race, color, religion, gender, sexual orientation, national origin, familial status, marital status, disability, ancestry, age, source of income, or other characteristics protected by law. HRC has worked to ensure equal access to housing for residents of Pasadena by providing discrimination complaint investigation, landlord/tenant counseling, outreach and education, legal services and advocacy. The following report summarizes our efforts in the City of Pasadena in FY 2008/09.

Summary of Client Services

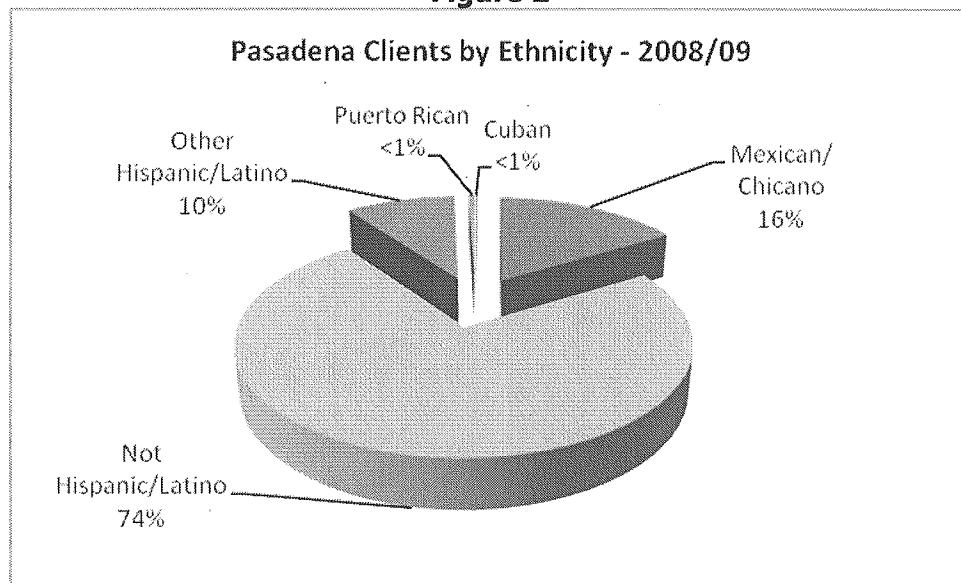

From July 1, 2008 to June 30, 2009, the Housing Rights Center provided general housing and discrimination services to 1,695 clients from the City of Pasadena. Clients from Pasadena who contacted HRC for assistance were asked to report their race. Six hundred forty-five (38%) were Black/African American, six hundred thirty-one (37%) were Other, three hundred twenty-seven (19%) were White, seventy-two (4%) were Asian, eight (<1%) were Pacific Islander, four (<1%) were Black/African American and White, three (<1%) were American Indian or Native Alaskan, two (<1%) were American Indian/Alaskan Native and White, two (<1%) were American Indian/Alaskan Native and Black, and one (<1%) was Asian and White. (**Figure 1**)

Figure 1

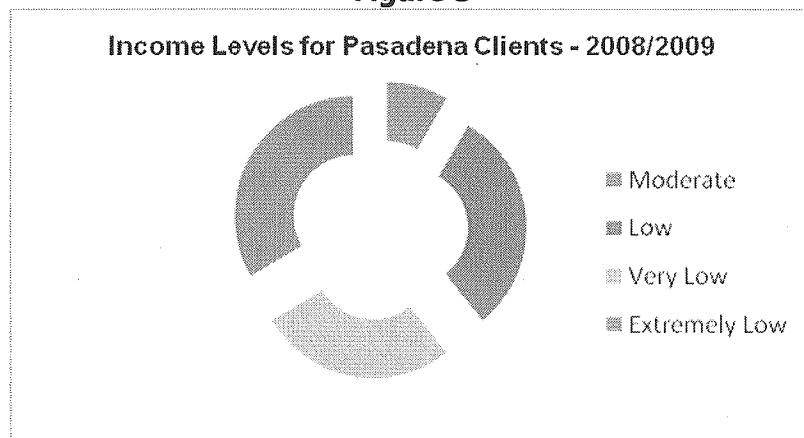

Pasadena clients were also asked to give their ethnicity (Hispanic/Non-Hispanic). Two hundred seventy four (16%) said they were Mexican/Chicano, one hundred sixty two (10%) said they were Other Hispanic, nine (1%) were Puerto Rican, and three (<1%) were Cuban. (**Figure 2**)

Figure 2

According to self-reported client data, the highest number of Pasadena residents who sought assistance stated they were extremely low income (568) followed by low income (523), very low income (461), and moderate income (143). (**Figure 3**)

Figure 3

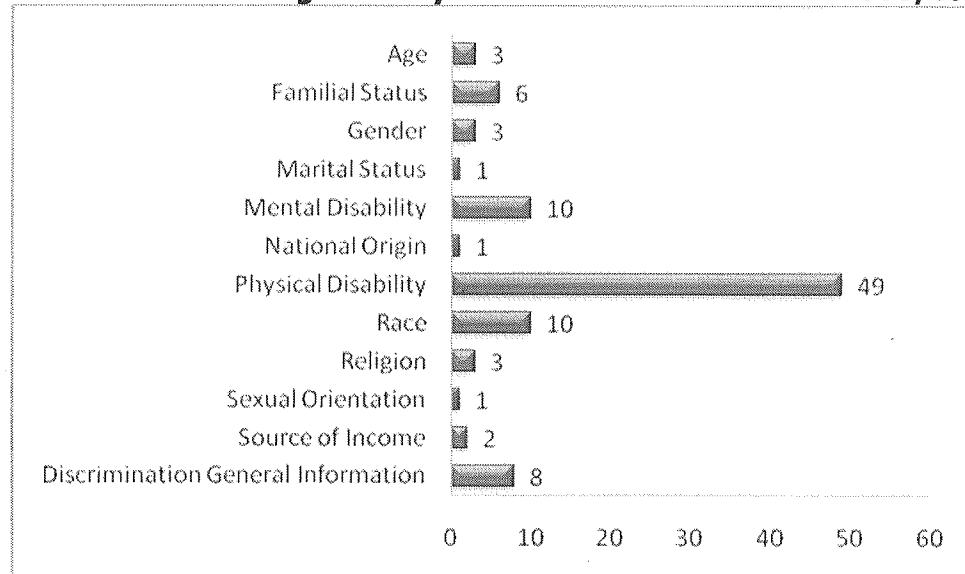

HRC also collected data on female-headed households, seniors, persons with disabilities and recipients of government housing benefits. Three hundred two (18%) individuals stated they were a person with a disability, one hundred seventy-seven (10%) clients were female heads of household, two hundred twenty-three (13%) stated they were seniors and one hundred twenty-seven (7%) stated they received a government subsidy for housing. Furthermore, 56% of

callers stated they were in-place tenants, 34% represented rental homeseekers, 8% were landlords or managers, 3% were other and less than 1% were homebuyers or realtors.

Housing Discrimination Intake and Investigation

Of the 1,695 Pasadena residents assisted, ninety-seven (97) reported incidents of housing discrimination, of which 51% were allegations of discrimination based on physical disability, 10% on mental disability, 10 % on race, 6% on familial status, 3% each on age, gender, and religion, 2% on source of income, 1% each on marital status, national origin and sexual orientation discrimination, and 8% requested general information on housing discrimination. (**Figure 4**)

Figure 4
Discrimination Allegations by Protected Classification – 2008/09

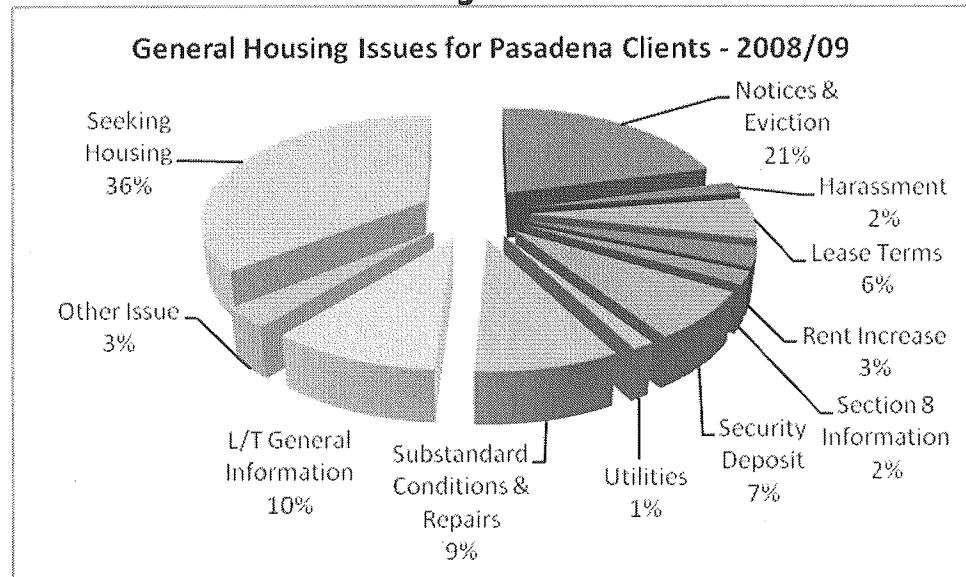

After a preliminary investigation of the ninety-seven (97) allegations of housing discrimination, HRC opened 27 cases for further investigation, representing 28% of the allegations received.

Findings: In twenty-three (85%) of these cases, HRC found evidence to sustain the allegation of housing discrimination. In four (15%) cases the evidence was inconclusive. **Dispositions:** HRC successfully conciliated fourteen (52%) of these cases. In four (15%) cases there was no enforcement action possible, in five (19%) cases the client withdrew, and four (15%) are pending a final outcome.

Tenant/Landlord Counseling

Tenant/Landlord issues covered a variety of concerns ranging from eviction and substandard conditions to questions about how to get repairs made. The most prevalent tenant/landlord topics were related to the search for housing and questions regarding notices and other general landlord/tenant issues. (**Figure 5**) HRC housing counselors provided direct assistance to Pasadena residents with the goal of educating and informing individuals on the law so they can make informed decisions when handling their housing issues.

Figure 5

Outreach and Education

The Housing Rights Center provided the City of Pasadena with a comprehensive fair housing outreach and education program in FY 2008/09. Outreach activities ranged from fair housing presentations and media ads to literature distribution and informational tables.

Media: Press Release, PSAs and Paid Advertising

In FY 2008/09 the Housing Rights Center submitted press releases and public service announcements to media outlets that serve the City of Pasadena. HRC submitted press releases to the *Pasadena Star News*, *San Gabriel Valley Daily Tribune*, *Los Angeles Times*, *La Opinion*, and *Chinese Daily/World Journal*. In addition, HRC submitted public service announcements to the Pasadena Community Access Corporation Community Bulletin Board, Neighborhood Connections, and Facebook. The press releases and public service announcements provided information regarding HRC's Housing Rights Workshops for landlords and tenants, the 10th Annual Housing Rights Summit, and volunteer opportunities with HRC. Furthermore, HRC's contact information was submitted to the City of Pasadena in order to be listed as a community resource in the City's biannual *Survival Guide*.

Fair Housing Workshops for the Community

During FY 2008/09, HRC conducted several Workshops for residents and community members. HRC held workshops at Villa Park Community Center, Hastings Branch Library and the 2009 Conference on Aging. HRC also conducted fair housing workshops for housing providers during a special presentation for members of the Apartment Owners Association, the Foothill Apartment Association Member Meeting, and the Southern California Association for Non-profit Housing Conference. The workshops provided an overview of fair housing laws, the Pasadena Mediation program, and the Pasadena Tenant Protection Ordinance. HRC was available to answer questions concerning landlord/tenant rights and responsibilities and distributed literature regarding various housing programs in the City of Pasadena.

Fair Housing Workshops for Social Service Organizations

Throughout FY 08/09, HRC extended invitations to conduct fair housing presentations to social service and community organizations that service Pasadena residents. Presentations were given to Union Station Homeless Services, Healthy Start Center at Madison Elementary, Pasadena Neighborhood Housing Services, LA Family Housing, Los Angeles County Department of Mental Health, Los Angeles County Personal Assistance Services Council, Eastern Los Angeles Regional Center and Los Angeles County Area Agency on Aging. Each presentation introduced HRC, its programs and services, and provided an overview of the fair housing laws, the protected classes and unlawful practices under the fair housing laws.

Management Trainings

HRC conducted two (2) Fair Housing Certification Training Seminars for housing industry professionals at the Pasadena Housing Department's Community Room. The training sessions, held on 11/20/08 and 5/26/09, included an in-depth presentation about the federal and state fair housing laws with particular emphasis on familial status, disability, sexual harassment, and hate crimes. HRC staff answered questions regarding housing discrimination and landlord/tenant law. Thirty-one (31) housing industry professionals attended the trainings.

Fair Housing Information Tables at Community Events

HRC staffed fair housing information tables at several community events which included the Pasadena Conference on Aging, Pasadena City College Volunteer Fair, Passageways Homeless Connect Day, Pasadena Foreclosure Prevention Workshop, and the 2008 Pasadena Fiestas Patrias Celebration. HRC staff answered questions and distributed literature to those that visited the fair housing table.

Literature Distribution

In FY 2008/09 HRC distributed 5,026 pieces of literature to social service agencies, community centers, and housing industry professionals throughout the City of Pasadena. Some of the organizations contacted through literature distribution included Pasadena City College, Pasadena Housing & Homeless Network, Pasadena 2010 Census Committee, LA County Department of Public Social Services (Pasadena Office), LA County Service Planning Area 3, Pasadena Northwest Commission, Jackie Robinson Center, Pasadena Housing Department, Pasadena Central Library, Hastings Branch Library, Neighborhood Connections, Pasadena-Foothill Association of Realtors, Villa Park Community Center, Union Station, Pasadena Neighborhood Housing Services, Health Start Center at Madison Elementary, and Foothill Apartment Association.

Tester Trainings

The Housing Rights Center's investigation department held two (2) tester training sessions in FY 2008/09. The trainings were held at the offices of the Housing Department in the City of Pasadena. The first training was conducted on October 28, 2008 and sixteen (16) individuals attended the training. The second training was held on June 18, 2009 and nine (9) individuals attended this training. The trainings included an in-depth coverage of various methods of testing used in investigating housing discrimination complaints. HRC was able to train twenty-five (25) new testers to help in housing discrimination investigations.

Special Events

10th Annual Housing Rights Summit

On April 22, 2009, the Housing Rights Center presented the 10th Annual Housing Rights Summit. The Summit commemorated National Fair Housing month and the 50th Anniversary of the California Fair Employment and Housing Act. The Summit theme '*Our Homes & Our Health*' featured Larry Adelman as keynote speaker. Mr. Adelman is co-Director of California Newsreel and Executive Producer of *Unnatural Causes*, a documentary that highlights how racial and economic inequalities and our social environment affect the health of individuals and communities. Topic presentations and discussions during the event included: the California Budget Crisis, Our Homes & Our Health and a screening of *Unnatural Causes*, Independent Living and Accessibility, Rising Up for Environmental Justice, and the Housing Market and Foreclosure Crisis. Over 168 community representatives, government staff, students and members of the public participated throughout the day's activities.

Conclusion

In 2008/09, the Housing Rights Center has continued to work towards ensuring equal access to housing for all Pasadena residents.

QUALITATIVE: EFFECTIVENESS WAS VERIFIED BY MONITORING THE CLIENT'S ABILITY TO KEEP EMPLOYMENT, SATISFACTORY PERFORMANCE AND MATRICULATION SCHOOL, AND STAFF OBSERVATIONS. OF THE 70 CLIENTS ENROLLED IN THE PROGRAM, 80% HAVE PERMANENT HOUSING AND 20% ARE LIVING IN TEMPORARY HOUSING. 90% HAVE FULL OR PART-TIME JOBS. 25% OF THE CLIENTS ARE ATTENDING COLLEGE, TRADE SCHOOL OR ADULT SCHOOL, AND ONE GRADUATED FROM HIGH SCHOOL. RESEARCH SHOWS THAT WITHOUT HOUSING AND LIFE SKILLS ASSISTANCE, APPROXIMATELY 40% OF THE NATION'S FORMER FOSTER CHILDREN WILL BECOME HOMELESS WITHIN 12 MONTHS OF THEIR 18TH BIRTHDAY. THE PROGRAM IS DESIGNED TO REDUCE THIS RISK. THE PROJECT ACHIEVED ITS GOALS.

PASADENA COMMUNITY DEVELOPMENT COMMISSION

- **ANNUAL REPORT OF ACCOMPLISHMENTS**
- **PROGRAM WORKPLAN**

**City of Pasadena – Pasadena Community Development Committee
Annual Report of Accomplishments: July 2008 – June 2009**

COMMUNITY DEVELOPMENT COMMITTEE MISSION STATEMENT

The purpose of the Community Development Committee is to review and make recommendations on all matters to come before the Pasadena Community Development Commission prior to Commission action.

"The Community Development Committee seeks to preserve and to expand the diversity of housing and economic development in the community for a broad mix of persons of different ethnicities and income levels.

The Committee will address the issues of homelessness in greater Pasadena.

The Committee will strive for accountability to all citizens with equity and fairness while providing a channel for meaningful public input and work for a transparent process in all transactions involving public investment.

The Committee will serve as a "bridge" between the City Council/Community Development Commission, staff, and the community in all efforts targeting the development of affordable housing."

OBJECTIVES:

The Community Development Committee seeks to be the voice for affordable housing in the greater Pasadena community. Among the key issues the Committee seeks to address are the issues of homelessness and the implementation of a fair and transparent method for the allocation of housing funding resources.

With regard to the challenges of addressing homelessness in the community, the Committee seeks to revisit the Ten Year Plan to End Homelessness on a regular and on-going basis, with a specific focus to position the City of obtaining funding to implement programs as it becomes available.

The Committee views the implementation of an affordable housing program as a critical component of a comprehensive economic development effort in the community. To that end, it is the intention of the Committee to advocate for and advise the City Council on a comprehensive, fair, and transparent policy to improve the allocation of the City's resources regarding affordable housing. This policy should include but is not necessarily limited to the following:

- The setting of priorities or weighting standards to achieve clearly defined goals that will maximize the City's resources. Examples of this would be clear guidance on how to allocate resources between the creation of rental

Annual Report of Accomplishments: July 2008 – June 2009

as opposed to ownership units, whether to buy property or only assist outside agencies, developers, etc.

- The creation of a policy to encourage the allocation of funds through a competitive process.
- The adoption of clear and equitable standards to follow in instances where City assistance is not being granted on a fair and equitable basis.
- The adoption of written guidelines for the allocation of City resources to ensure a level playing field among applicants for City assistance and to encourage the City to reap the benefits of the knowledge, experience and creativity of a large pool of potential applicants.
- Flexibility to respond to requests from owners/developers seeking financial assistance, subject to review and justification for Commission participation.

The following program areas are applicable to all existing redevelopment project areas and key development focus areas of the community:

Housing Programs

Affordable Housing Program

- Provide financial assistance for residential unit rehabilitation (HOME & EAGR funds). Goals: Provide HOME assistance for rehabilitation of 20 or more deteriorated/blighted rental housing units. Close out EAGR program by end of FY 2009.

Accomplishments: HOME funds in the amount of \$144,235 were provided to Abode Communities for the acquisition of 1267 N. Hudson which will be rehabilitated and operated as a 45-unit affordable rental housing project for seniors. The City closed out the State-funded EAGR program by drawing down \$98,407 in FY 2009 to complete handicapped accessibility improvements at 4 rental housing projects totaling 147 units.

- Monitor compliance of rental and ownership housing covenants. Goal: Monitor 1,300+ covenanted units. **Accomplishment: The City consultant's Urban Futures has requested annual reports from all of the City-covenanted affordable rental projects.**

- Provide beds to homeless individuals during the emergency and bad weather season: Goal: Provide 180 beds to low income homeless persons during emergency and bad weather. **Accomplishments: The Ecumenical Council of Pasadena Area Churches operated the Pasadena Bad Weather Shelter. During the 2008-2009 bad weather season, on its busiest night, the Bad Weather Shelter accommodated 198 persons. For the**

entire season it provided 8,839 bed nights of shelter and served 672 unduplicated persons.

- Originate and/or fund Homeownership Program Opportunities ("HOP") loans; provide first-time homebuyer/financial education counseling; and continue servicing of the HOP loan portfolio. Goal: Provide HOP loan assistance to 14 low/moderate income homebuyers. **Accomplishment:** *\$1,750,675 in loan funds were provided to assist 11 homebuyers during the report period.*
- In partnership with Rebuilding Together Pasadena, rehabilitate units within the targeted revitalization area: Goal: Rehabilitate 12+ units within targeted revitalization area. **Accomplishment:** *This program rehabilitated 12 homes occupied by low income elderly and/or disabled persons.*
- Provide financial assistance from the Housing Opportunity Fund (HOF) for the preservation, rehabilitation, or new construction of affordable units. Goal: 124 units to receive HOF assistance. **Accomplishments:** *Affordable housing agreements evidencing City/Commission commitments to provide financial assistance from the Housing Opportunity Fund were approved in FY 2009 for the following projects/programs:*
 - *1150 N. Allen (restructuring of new construction project providing for 6 ownership housing units, of which 4 are affordable)*
 - *1267 N. Hudson (rehabilitation of 44 affordable rental housing units for seniors)*
 - *Mercy Housing NSP-2 program (purchase of an estimated 12 foreclosed homes for rehab/resale as low income affordable housing subsidized by the City, plus the acquisition/rehab of an additional 18 units for low or moderate income households (rentals or for-sale) not subsidized by the City.)*

Rental Assistance Program

- Provide rental subsidies for very low income households. Goal: Achieve a 98% lease-up rate by providing 1,290 households with rental subsidies out of the 1,315 certificates allotted under the Section 8 Rental Assistance Program. **Accomplishment:** *During the report year, 1,298 households were assisted with rent subsidies, which represents a 98.7% lease-up rate.*

RESOLUTION NO. CDR - 256

**A RESOLUTION OF THE PASADENA COMMUNITY DEVELOPMENT COMMISSION
ADOPTING ITS FISCAL YEAR 2009 ANNUAL OPERATING BUDGET**

WHEREAS, Section 33606 of the California Health and Safety Code requires the Pasadena Community Development Commission ("Commission") to adopt an annual budget containing specific information for each redevelopment project area pursuant to Section 33334.3 of the California Health and Safety Code;

WHEREAS, the Commission's proposed Fiscal Year 2009 Annual Operating Budget was reviewed and recommended for approval on May by the Pasadena Community Development Committee.

NOW, THEREFORE, be it resolved by the Pasadena Community Development Commission as follows:

1. The proposed Annual Operating Budget of the Pasadena Community Development Commission for Fiscal Year 2009 in the form presented at this meeting is hereby adopted as the annual budget for the year ending June 30, 2009, and the Commission hereby appropriates such funds as are necessary to meet the proposed expenditures and debt service, and implements the proposed work program of the Commission for Fiscal Year 2009.

2. In accordance with Section 33334.3 (d) of the Health and Safety Code, the Commission hereby finds and determines that the planning and administrative expenses funded by the Low- and Moderate-Income Housing Trust Funds of the

Commission's several redevelopment projects are necessary for the production, improvement or preservation of low and moderate income housing within the community of the City of Pasadena.

3. All appropriations for prior periods shall remain in effect and be available for encumbrances and expenditures along with appropriations for the same purpose as set forth in the budget for Fiscal Year 2009.

ADOPTED at the regular meeting of the Pasadena Community Development Commission on this 16th day of June, 2008, by the following vote:

Agenda Report

DATE: June 16, 2008
TO: COMMUNITY DEVELOPMENT COMMISSION
THROUGH: FINANCE COMMITTEE
FROM: BERNARD K. MELEKIAN, CHIEF EXECUTIVE OFFICER
SUBJECT: ADOPT RESOLUTION APPROVING THE PASADENA COMMUNITY DEVELOPMENT COMMISSION'S FY 2009 ANNUAL OPERATING BUDGET AND FY 2009 WORK PLAN

RECOMMENDATION

It is recommended that the Pasadena Community Development Commission ("Commission") adopt a resolution pursuant to Section 33606 of the Health and Safety Code approving the Fiscal Year 2009 Annual Operating Budget including activities to be financed by the low and moderate income housing funds established for each redevelopment project area pursuant to Section 33334.3 of the California Health and Safety Code, and the FY 2008 Work Plan.

CO)MMUNITY DEVELOPMENT COMMITTEE RECOMMENDATIONS

The Community Development Committee ("CDC") considered the recommendation regarding the FY 2009 Annual Operating Budget at their regular meeting of May 22, 2008. Following discussion, the CDC voted to approve the budget. The Committee recommended the proposed Fiscal Year 09 Community Development Commission Budget for the Northwest and Central District Work Program with the following exceptions:

- the Committee recommended that the proposed 3D model, at a cost of \$175,000, be digital and reimbursed by developers thru fees over an unspecified period of time;
- that staff solicit assistance from Geographic Information System (GIS) providers to construct the model at a reduced cost; and
- the Committee also recommended that staff establish measurable marketing deliverables for City marketing.

Staff supports the comments the CDC has made.

BACKGROUND

The majority of the budget programs/projects are the same as in past years with the following exceptions for new program enhancement requests:

- \$55,000 to fund the review and update of the Northwest Community Plan.
Source of Funds:

\$35,000 Lincoln Avenue Redevelopment Project Area
\$10,000 Orange Grove Redevelopment Project Area
\$10,000 Villa Parke Redevelopment Project Area

- \$15,000 to fund Lincoln Avenue Business Support which will facilitate the replacement of promotional banners and the support the Lincoln Avenue Village District event. Source of funds: Lincoln Avenue Redevelopment Project Area
- \$50,000 to fund Northwest Marketing to promote Northwest as an investment opportunity to non residential investors, current and potential residents and provide positive exposure city wide. Source of funds:

\$25,000 Orange Grove Redevelopment Project Area
\$25,000 Villa Parke Redevelopment Project Area

- \$20,000 for the Orange Grove Corridor Design Study to conduct facade design studies for six properties located on Orange Grove Boulevard. Source of Funds: Villa Parke Redevelopment Project Area.
- \$175,000 for a 3D Model of the Central Area to enhance public understanding of what potential projects would look like in the built environment. Source of funds: Downtown Redevelopment Project Area.
- \$1,000,000 to fund the implementation of streetscape, signage and other pedestrian improvements in Old Pasadena in order to maintain competitiveness with new retail destinations in the region. Source of Funds: Old Pasadena Redevelopment Project Area

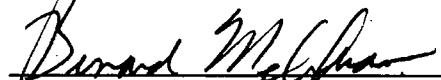

The Housing budget was reviewed and discussed by the Council Finance Committee at their meeting of June 2, 2008.

The FY09 budget program detail will be presented to the Finance Committee and City Council at their joint meeting June 16, 2008 for review and discussion.

FISCAL IMPACT

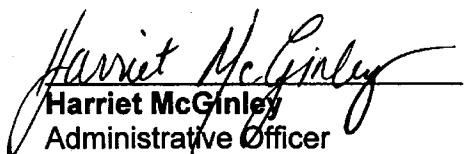

Approval of the Commission's annual budget establishes the FY09 total Commission budget at \$61,623,476 for projects and program administration (\$31,095,668 allocated for Housing projects and the balance, \$30,527,808 allocated to non-Housing projects.)

HOME Program

**U.S. Department of Housing
and Urban Development**
Office of Community Planning
and Development

OMB Approval No. 2506-0171
(exp. 8/31/2009)

Public reporting burden for this collection of information is estimated to average 2.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number.

The HOME statute imposes a significant number of data collection and reporting requirements. This includes information on assisted properties, on the owners or tenants of the properties, and on other programmatic areas. The information will be used: 1) to assist HOME participants in managing their programs; 2) to track performance of participants in meeting fund commitment and expenditure deadlines; 3) to permit HUD to determine whether each participant meets the HOME statutory income targeting and affordability requirements; and 4) to permit HUD to determine compliance with other statutory and regulatory program requirements. This data collection is authorized under Title II of the Cranston-Gonzalez National Affordable Housing Act or related authorities. Access to Federal grant funds is contingent on the reporting of certain project-specific data elements. Records of information collected will be maintained by the recipients of the assistance. Information on activities and expenditures of grant funds is public information and is generally available for disclosure. Recipients are responsible for ensuring confidentiality when public disclosure is not required.

This form is intended to collect numeric data to be aggregated nationally as a complement to data collected through the Cash and Management Information (C/MI) System. Participants should enter the reporting period in the first block. The reporting period is October 1 to September 30. Instructions are included for each section if further explanation is needed.

Submit this form on or before December 31.	This report is for period (mm/dd/yyyy)		Date Submitted (mm/dd/yyyy)

ANTI-POVERTY STRATEGY

ANTI-POVERTY STRATEGY

The national poverty level is published annually by the Office of Management and Budgets (OMB). The number of households living below the national poverty level thresholds in Pasadena in 1999 are depicted on the tables below:

Table A: Poverty Thresholds in 1999 by Size of Household and Number of Related Children Under 18 Years

Size of Household Unit	Estimated Threshold
One Person (Under 65 Years)	8,667
One Person (65 Years and Over)	7,990
Two Persons	11,156
Three Persons With One Related Child	13,410
Four Persons With Two Related Children	16,895
Five Persons With Three Related Children	19,882
Six Persons With Four Related Children	22,261

Source: U. S. Census Bureau, 1999

Table B: Number of Households Living Below the Poverty Threshold in 1999

Household Income	Number of Households
\$4,999 or Less	1,976
\$5,000 - \$9,999	2,568
\$10,000 - \$14,999	3,269
\$15,000 - \$19,999	3,490
\$20,000 - \$22,261	1,609
Total	12,912

Source: HUD Community 2020 Planning Software, 1997

Based on the estimated national poverty level thresholds noted in the above tables there were 12,912 households, 24.4% of the City's 52,826 households, living in poverty. These 12,912 households had a total household income of \$22,261 or less. Also, of the 12,912 households, 7,813 (14.8%) had a household income of less than \$15,000.

The City's goal is to reduce the number of households with incomes below the poverty level. In order to achieve this goal, the City will implement several innovative programs and services to assist families impacted by the constraints of poverty. These efforts include the coordination with other public/private entities to provide a comprehensive approach to reduce the number of families living in poverty. The key components to this anti-poverty strategy consist of: personal/individual development, employment training/placement, counseling and other supportive services including rental housing assistance.

The City of Pasadena will seek to work in partnership with the County of Los Angeles Department of Public Social Services (DPSS), the Employment Development Department (EDD), Welfare Investment Act (WIA), Foothill Private Industry Council (PIC), Pasadena City College and other service providers to effectively implement its anti-poverty strategy. The following programs provide the most readily available array of services to facilitate the transition

of individuals and families out of poverty. It is the City's intent that the provision of these programs and services will achieve the greatest positive impact possible upon households presently living in poverty.

1. Family Self Sufficiency Program (FSS)

The Family Self Sufficiency (FSS) Program is designed to provide lower income families, receiving rental assistance from the City's Housing Choice Voucher Program (HCVP), with supportive services through public and private resource to achieve economic self-sufficiency within a five (5) year timeframe. Under FSS, a family receives a comprehensive matrix of supportive services that include opportunities to improve educational attainment, employment skill levels and income generating abilities.

In order to further assist FSS program participants to attain their career and educational goals, the City has set aside \$10,000 from its HCVP Administrative Fee Reserves for book allowance, tuition assistance, transportation, and child care stipends. In addition, the City has partnered with First Professional Bank to provide FSS program participants with access to a revolving loan program. The revolving loan program allows FSS participants to obtain a no interest loan in an amount not to exceed \$200 for purposes that assist with their progress toward self-sufficiency (such as car repair, uniform purchase, and tuition assistance). Participants have twelve months to repay the loan. All repayment funds will return to the loan program and be made available for use by other participants.

FSS participants are also assisted with establishing an interest-bearing savings account for down payment on a home purchase. FSS participants are encouraged to partake in the City's various homebuyers programs, which provide education on budgeting, credit, housing search, and home financing. Graduates are provided financial assistance for down payment and closing costs for the purchase of a home.

An integral part of the FSS program is the Program Coordinating Committee (PCC). The twelve (12)-member body meets quarterly at the TARGET Store in Pasadena. The role of the PCC is to identify and secure services and resources for FSS program participants. The PCC includes representatives from Child Care Information Services, Department of Public Social Services, Pasadena City College, Pasadena Neighborhood Housing Services, Foothill Private Industry Council and private industry.

2. Foothill Private Industry Council

The mission of the Foothill Private Industry Council (PIC) is to provide quality education services, job training and skill development that will enable clients to secure employment opportunities. The PIC serves the foothill region of the San Gabriel Valley, which includes the Cities of Arcadia, Duarte, Monrovia, Pasadena, Sierra Madre and South Pasadena. The principal programs operated by the PIC are as follows:

a. Welfare to Work Program

Since 1998, the Foothill PIC has administered a Welfare to Work (WtW) Program. The PIC provides a variety of services including work experience, on-the-job training, job placement and retention, supportive services and post-employment services. The PIC employment services include workshops, basic skills instruction and vocational classroom training.

b. Welfare Investment Act (1998)

The PIC coordinates the delivery of services and programs for Pasadena residents under the Welfare Investment Act of 1998 (WIA). This is a federally funded program of the U.S. Department of Labor. WIA replaces the Job Training Partnership Act (JTPA) and is designed to assist economically disadvantaged youth, older workers, lower-income dislocated and unemployed workers, or workers recently laid-off due to company closures, down sizing, etc. WIA reforms federal job training programs and creates a new comprehensive, workforce investment system. The system is customer focused and will help residents access the tools they need to manage their careers. The Foothill Workforce Investment Board is also partnering with the Pasadena One-Stop Center to deliver integrated, comprehensive system of employment and training services.

c. Pasadena One-Stop Center

The Pasadena One-Stop Center provides an extensive array of employment training services, including information and referral, job training, computer training and assistance, job fairs, technical assistance and other supportive services for the unemployed and/or under-employed. The One-Stop Center has direct access to career planning and development information, and also coordinates first source employment commitments for community and economic development projects sponsored by the City of Pasadena.

3. Pasadena Community College

Pasadena City College (PCC) is the local California community college with a seventy-five (75) year history of providing outstanding educational and economic opportunities for San Gabriel Valley residents and beyond. Fully accredited by the Western Association of Schools and Colleges, the college offers degree or certification programs in sixty academic areas and seventy vocational areas.

The PCC received \$1.1 million in CalWORKS funding from the California Community Colleges Chancellor's Office to provide education/training programs to CalWORKS recipients. In partnership with DPSS, PCC has developed the CalWorks Partnership Program to assist recipients enrolled in county approved education/training programs, work in paid work-study jobs, and participate in job preparation workshops. Students receive paid childcare during school/work hours and job placement assistance.

Services available through the PCC CalWORKS Partnership Program include: intake, assessment and referral; education/training program selection; childcare funds; referrals to childcare agencies; paid work-study jobs; job preparation workshops; job placement after vocational training; and educational planning.

4. County of Los Angeles Department of Public Social Services

The mission of the Los Angeles County Department of Public Social Services (DPSS) is "to provide effective services to individuals and families in need, which both alleviate hardship and promote personal responsibility and economic independence." DPSS administers the Temporary Assistance to Needy Families (TANF) program (known as CalWORKS in California) for Los Angeles County as well as the L.A. GAIN program, which is the welfare-to-work program for families receiving TANF.

The primary objective of L.A. GAIN is to help CalWORKS participants reach financial self-sufficiency through employment. L.A. GAIN uses a network of over three-hundred (300) outside service providers, including community college and school districts, job search providers, vocational assessors, child care resource and referral agencies, and adolescent family life agencies. GAIN participants are referred to services such as motivational training, job search and development and other training and education programs. Supportive services such as payment for childcare, transportation, and work-related expenses (books, clothing and supplies) are provided.

5. Union Station Homeless Services, Inc. - Sources: Job Training Program

Union Station Homeless Services, Inc. provides a unique and innovative job-training program - Sources. The Sources program serves the target population of homeless and very low-income individuals who are experiencing difficulty in finding employment. Services include job search, career counseling, interview techniques, workshops/seminars, etc. In addition, mentors and other supportive services are provided for clients as needed. Tracking and follow-up services are ongoing. Clients are able to use the resource room, which includes access to the fax machine, telephone, computer, voice mail messaging center, the Internet, e-mail, etc.

6. Institute of Popular Education of Southern California (IDEPSCA)

The Pasadena Street Vendor Association is a grass-roots economic development program, which promotes private enterprise and job creation/retention. The project provides thirty-two (32) micro-enterprises with technical assistance necessary to sustain successful businesses. Services include business development workshops/seminars, business counseling, crime prevention training, use of a centralized health department approved commissary, payment of City required business operating fees/permits, etc. This project is considered as a form of non-traditional employment and is particularly attractive to single mothers because it offers a solution to the dilemma of childcare. Mothers can work around their child/children's school schedule and provide much needed financial support for their families.

7. Pasadena Development Corporation (PDC)

The Pasadena Development Corporation (PDC) is a local non-profit organization, which provides financial assistance to small and minority owned businesses. In addition to financial assistance, available services also include business/loan counseling and packaging, educational outreach, seminars/workshops, technical assistance, etc. The City uses a portion of its CDBG funds to fund this program. Assisted businesses are required to hire low/moderate-income persons in the jobs that are created/retained.

APPENDIX I

COORDINATION OF EFFORTS

COORDINATION OF EFFORTS

PUBLIC AGENCIES PROVIDING HOUSING RESOURCES

Mission Statement:

To build viable urban communities with decent housing, suitable living environments, and accessible economic opportunities, principally for persons of low and moderate income, as well as reduce and prevent homelessness.

The Housing Department is responsible for administering and management of the City's federal grants programs. Funds are secured from various sources including local, State and federal dollars. Activities include: economic development, housing rehabilitation, the production of new affordable housing (new construction), inclusionary housing, renovation of public facilities, the provision of public/human services, fair housing services, programs/services for homeless persons and homeless prevention activities, etc.

Many of these projects are listed in the accomplishment section of the CAPER. Additionally, the Housing Department is active in residential rehabilitation and rental assistance. The Housing Department is organized into the following program areas:

- 1) Rental Assistance - Housing Choice Voucher Program (Section 8 Rental Assistance).
- 2) Supportive Housing Programs (Shelter Plus Care; HOME Tenant Based Rental Assistance (TBRA)).
- 3) Affordable Housing Production/Inclusionary Housing (Affordable Housing; new construction; Housing Rehabilitation).
- 4) Community Development (public/non-public services; housing rehabilitation, planning, economic development).

APPENDIX J

EVALUATE AND REDUCE THE THREAT OF LEAD-BASED PAINT HAZARDS

EVALUATE AND REDUCE THE THREAT OF LEAD-BASED PAINT HAZARDS

The City's Public Health Department is aggressively working to prevent lead poisoning and to identify children who may already be affected. The Pasadena Childhood Lead Poisoning Prevention Program (PCLPPP) works with local health care providers to identify children who may be affected by lead poisoning. Public Health nurses provide blood lead screening for children six (6) years of age and under and any diagnosed cases of childhood lead poisoning are targeted for public health intervention. Support services for intervention provided through PCLPPP include case management by a Public Health Nurse and environmental testing for possible sources of lead in the child's environment by a registered Environmental Health Specialist. The program also provides community outreach, educational seminars and workshops on the dangers of lead-based paint, including preventative measures to avoid lead exposure and how to assess the risk of lead exposure.

Currently, information on the dangers of lead-based paint hazards are integrated into housing rehabilitation programs to protect children of homeowners who decide to rehabilitate their homes. All public information materials are available in both English and Spanish. The City's Rehabilitation Specialist is responsible for notifying homeowners of the dangers of lead-based paint hazards. If lead-based poisoning is suspected, the Housing Rehabilitation Specialist will recommend necessary testing by a certified laboratory in the area. If a unit is found to have a significant level of lead content, the family will be referred to the City's Health Department for testing and medical assistance. Similar procedures are incorporated into the housing programs provided by the Pasadena Neighborhood Housing Services and Heritage Homeownership Partners, two local housing rehabilitation and preservation organizations.

The City works as part of a statewide effort that works to educate and to develop public awareness about the dangers of lead-based paint poisoning. The City's Public Health Department also provides medical blood testing services.

The City administers the MASH Program – Maintenance Assistance Services to Homeowners. This project receives Community Development Block Grant (CDBG) funding and provides minor housing rehabilitation services to residents of the CDBG Benefit Service Area. Project activities include the exterior painting of properties in the area. The project targeted homes in the BSA to provide lead base paint stabilization services. Project staff has received state approved certification (State of California) in lead based paint stabilization and safe work practices. Additionally, MASH staff is available to provide general information to the public and participates in the PCLPPP.

OTHER ACTIONS TAKEN TO IMPLEMENT THE CONSOLIDATED PLAN

ADDRESS OBSTACLES TO MEETING UNDERSERVED NEEDS OF HOMELESS AND SPECIAL NEEDS POPULATIONS

There are two principal obstacles to providing the necessary services, facilities, resources, etc., to meet the needs of underserved populations of homeless persons and/or other special needs populations:

1. Market Development Costs

The high costs of land construction and market financing have impacts on the development of transitional and permanent supportive housing projects. Housing and related supportive services for homeless persons, at-risk populations and other underserved groups are often limited by the above factors.

2. Financial Resources

The sources of funding for housing and related supportive services for homeless and at-risk homeless persons including special needs persons are limited. Federal Supportive Housing Program (SHP) funding has enabled the City and local non-profit organizations to fill several gaps in the local Continuum of Care system during the past few years. However, a tremendous renewal burden (for existing projects) can potentially limit the availability of SHP funds for new and innovative programs for the forthcoming years.

HOME funds are currently being used to provide rental assistance to families/households in crisis. The Tenant-Based Rental Assistance Program (TBRA) assists homeless families and other special needs groups for an interim period of time (up to 24 months).

In addition, the City has previously encouraged non-profit agencies to apply for CDBG funding in order to ensure that facilities serving the homeless and special needs populations are accessible to persons with disabilities. However, each year, CDBG entitlement funds are restricted by the multiple needs of the community and the demand for federal resources. Therefore, local non-profit service providers are also encouraged to explore other funding sources for program needs including accessibility improvements.

Some other ways that the City hopes to address the needs of the underserved groups includes aggressively pursuing potential funding sources and the continual partnering with local non-profit organizations. When appropriate, the City will encourage local non-profits/for profit groups to individually apply for funds. Funding resources are not limited to federal dollars. Private foundation, state, county and local funding resources can also be used to meet the needs of underserved populations and to fill funding gaps on respective projects and in the provision of supportive services.

BARRIERS TO AFFORDABLE HOUSING

Local policies and regulations typically impact the price and availability of housing and, in particular the provision of affordable housing. Local policies under City control can potentially limit the development of affordable housing including special needs housing. These local policies include: land use controls, residential development standards, planning and permitting process, and entitlement fees and charges.

Land Use Controls

The City regulates the type, location, density and scale of residential development primarily through the Zoning Code. Zoning regulations are designed to protect and promote the health, safety, and general welfare of residents and implement the policies of the comprehensive general plan. With respect to housing, the Zoning Code also serves to preserve the character and integrity of existing neighborhoods.

Regulations - The Pasadena Zoning Code allows for a variety of residential land uses including special needs housing and care facilities ranging in density from one to six dwelling units in lower density residential to twelve to forty-eight dwelling units in multifamily zones.

Classifications - Based on existing zoning classifications, two types of residential developments are restricted to varying degrees. However, these types of residential developments offer a source of affordable housing for all income groups that is readily available in other localities.

- *Second Units* - Second units are identified as an attached or detached dwelling that provides complete, independent living facilities for one or more persons. These provisions are for extended living, sleeping, cooking, sanitation, etc. The second unit is located on the same lot as the primary structure.
- *Single Room Occupancy (SRO)* - Single Room occupancy is a building containing dwelling units with a minimum floor area of one-hundred fifty square feet and a maximum floor area of two-hundred twenty square feet. These dwelling units may have kitchen or bathroom facilities and are typically offered on a rental basis (monthly or longer).

Residential Development Standards

The Zoning Code sets forth standards for residential development which includes density, lot area, coverage, height, parking and open space.

Permit Processing

Localities can discourage the ongoing construction, maintenance and improvement of housing by increasing the time and uncertainty involved in gaining development approval to a point where the costs, complexity and length of the process make the project too costly, burdensome or unappealing to potential developers/sponsors. The City of Pasadena has worked to streamline the process for developers. Furthermore City staff is available to confer with developers/sponsors who are interested in developing or expanding affordable housing projects

within the City of Pasadena. The purpose of an initial conference is to acquaint the developer/sponsor with the City's Zoning Code, the planning and permitting process, an acknowledgement of the need for affordable housing, the availability of financial and/or technical assistance to aid in the development of affordable housing, etc.

Fees and Charges

New development fees add to the cost of housing. Various development fees and assessments are charged to offset the costs associated with the processing of planning-related permits. The City has adopted policies to reduce these costs for affordable housing projects including planning fee waivers and reduced residential impact fees.

FOSTER AND MAINTAIN AFFORDABLE HOUSING

The City's commitment to foster and maintain affordable housing is described in detail in the *Affordable Housing Strategy* section of this document. The City continues to demonstrate its commitment to providing affordable housing through programs and policies that have been implemented such as the Tenant Protection Ordinance which provides additional protections to local renters/tenants; and the Inclusionary Housing Program which mandates a 15% set-aside of affordable housing in new residential developments.

REDUCE THE NUMBERS OF FAMILIES LIVING IN POVERTY

The City 's goal is to reduce the number of households with incomes below the national poverty level. In order to achieve this goal, the City continues to implement innovative programs and services to assist families impacted by the constraints of poverty. These efforts include the coordination with other public/private entities to provide a comprehensive approach to reduce the number of families living in poverty. The key components to this anti-poverty strategy consist of personal/individual development, employment training/placement, counseling and other supportive services including rental housing assistance. Additional information is provided in the Anti-Poverty section.

The City works in partnership with the County of Los Angeles Department of Public Social Service (DPSS), Employment Development Department (EDD), Foothill Private Industry Council (PIC), Pasadena City College and other service providers to effectively implement its anti-poverty strategy.

The City continues to provide assistance to local non-profits who provide economic development opportunities/programs in the community. Some of these programs are described briefly below:

- a) The Pasadena Development Corporation (PDC) sponsors the Small Business Assistance Program. This program provides small business loans and other forms of support and technical assistance to small businesses that create/retain jobs for low/moderate income persons in the community;
- b) Institute of Popular Education of Southern California (IDEPSCA), sponsors the Pasadena Street Vendors Association. Support and technical assistance is provided to micro-enterprises (pushcart vendors);
- c) Local jobs are being created/retained at the Fair Oaks Renaissance Shopping Center through the Repayment of the Section 108 Loan; and
- d) Day Laborers are provided with work opportunities on a daily basis at the Employment Hall where job assignments/employment can be obtained in an organized and safe manner.

The City also participates in the Family Self Sufficiency Program (FSS). This program is designed to provide lower income families, receiving rental assistance from the City's Housing Choice Voucher Program (HCVP), with supportive services through public and private resources to achieve economic self-sufficiency within a five (5) year timeframe. Under the FSS program, a family receives a comprehensive matrix of supportive services that include opportunities to

improve educational attainment, employment skill levels and income generating abilities. The FSS program is discussed in greater detail with a current progress on page 39. Additionally, the City's Anti-Poverty Strategy is discussed in greater detail in Appendix H of the CAPER.

ENHANCE INSTITUTIONAL STRUCTURE AND COORDINATION

The City continues to partner with local non-profit organizations to provide for the affordable housing and community development needs of the community. The Housing Department has the responsibility of providing the administrative oversight for the federal grants programs. Please refer to *Appendix I* of the CAPER for addition information on the Coordination of Efforts, etc.

IMPROVE PUBLIC HOUSING AND RESIDENT INITIATIVES

The City of Pasadena does not own or operate public housing. However, to the extent feasible, program participants in the Housing Choice Voucher Program are encouraged to become independent and self sufficient from publicly assisted housing through efforts such as First-Time Homebuyers and Family Self-Sufficiency Programs.

ENSURE COMPLIANCE WITH COMPREHENSIVE PLANNING REQUIREMENTS

The City of Pasadena makes every effort to ensure compliance with all state, regional and local planning requirements. There is a public review process prior to finalizing all public plans and documents. City departments work in conjunction to contribute information in the development of major plans. Specific departments are sought to be involved in the process as appropriate.
