Mr. Steve Madison  
Councilmember, District 6  
City of Pasadena  
100 N. Garfield Street, Room S228  
Pasadena, CA 91109-7215

Dear Councilman Madison,

It is with disappointment and deep regret that I find it necessary to resign my tenure on the Historic Preservation Commission as well as my membership as the alternate representative for District 6 on the General Plan Update Advisory Committee.

As you know, ill health and the necessity of long-term treatment is compelling me to do so. I have immensely enjoyed my work with my colleagues at the City, and am optimistic that upon regaining my health, I may once again serve in a similar volunteer capacity.

Thank you for your gracious support.

Respectfully,

Mic Hansen
