02/08/2010

MEETING OF ~~02/01/2010~~

AGENDA ITEM NO. ~~10~~ 11

REASONS WHY LEGISLATION IS NEEDED:

The Municipal Code sets forth the creation and titles of City of Pasadena departments and an ordinance is required to amend the Code. This ordinance is being presented for consideration of first reading at the same City Council meeting during which the City Manager is seeking Council approval of the creation of a new Information Technology Department. The Department of Libraries and Information Services has been referred to in that manner for some time and the amendment to change the name of the department from the Department of Information Services will provide consistency with prior practice.

ENVIRONMENTAL IMPACTS:

The proposed ordinance will not result in any environmental impacts.

FISCAL IMPACT:

There may be one-time costs for reorganizing and consolidating information technologies services and programs within a single department of the City, however, over the longer term, it is anticipated that internal costs will be reduced.

Respectfully submitted,

Michele Beal Bagneris
City Attorney
