Subject: Commission Application - Myra Martin Booker

February 11, 2010

Dear Councilman Madison:

I wish to thank you for the opportunity to serve on the Code Enforcement Commission (CEC) and work with the Code Compliance Division. During my tenure, I feel that I have been successful in contributing to Pasadena's efforts to provide proactive and complaint-based code enforcement that ensures adherence to property maintenance standards and land use provisions of the Municipal Code.

Despite my positive experiences on the CEC, I am requesting that you accept my resignation from this advisory body effective upon the City Council's approval of my appointment by you to the Transportation Advisory Commission (TAC).

I look forward to this new opportunity to serve District 6 as a TAC Commissioner. As always, I will strive to be well-informed, open-minded, and hard-working in helping to advise the City Council concerning policies affecting the Pasadena's transportation system and to recommend short and long-range measures for its improvement.

Sincerely,

Myra Martin Booker, Ph.D.
