

Agenda Report

July 19, 2010

TO: Honorable Mayor and City Council

FROM: Department of Finance

SUBJECT: A Resolution of the City Council of the City of Pasadena confirming the award of its Electric Revenue Refunding Bonds, 2010A Series.

RECOMMENDATION

It is recommended that the City Council adopt a resolution confirming the award of its Electric Revenue Refunding Bonds, 2010A Series.

BACKGROUND:

On May 24th the City Council authorized the issuance of its Electric Revenue Refunding Bonds, Series 2010A to partially refinance the current outstanding 2002 Bonds in the amount of up to \$45,000,000. The bonds will be sold on a competitive basis on Monday July 19, 2010. In accordance with Section 1414 of the City Charter, once bids have been received, the City Council must, by Resolution, officially accept the bid and fix the interest rate or rates on the bonds. Based on this requirement, it is recommended that the City Council adopt the attached Resolution.

On Monday July 19, 2010, bids will be received for the above referenced bonds. A calculation will be done by the City's Financial Advisor to determine the lowest cost bid to the City. Since the City has 24 hours to accept (or reject) any bid, the City Council will be asked to take formal action that same evening at its regularly scheduled meeting. The attached Resolution refers to Exhibit A which is the result of the bids that will be distributed at the Council meeting and become part of the official record.

In addition, Section 3 and 4 of the Resolution require financial information that will not be known until after the bids are received. This information will also be presented at the July 19, 2010 Council meeting and will be incorporated into the final official version of the Resolution.

FISCAL IMPACT

Under the anticipated results of the bids, the True Interest Cost is expected at an estimated 3.21% rate and the Power Fund is expected to realize an estimated net present value savings of \$1.2 million. There will be no increase in the annual debt service amount nor an extension in the term of the bonds.
