Meeting room patio

Clubhouse restaurant dining patio**

Starter shop

** Currently the Clubhouse patio is exempted from the no-smoking restriction, under Tobacco Use Prevention Ordinance, section 8.78.051.

The removal of this exemption will be consistent with both the recent 2008 amendment, under section 8.78.071, regarding no-smoking in certain outdoor public places (such as unenclosed areas of bars and restaurants), and the actual practices of the Brookside staff.
