## **REPORTS AND COMMENTS FROM COUNCIL COMMITTEES**

FINANCE COMMITTEE

### **PROPOSED DEVELOPMENT OF AN ICE RINK FACILITY IN THE PAVILION LOCATED AT THE CONVENTION CENTER UNDER PASADENA CENTER OPERATING COMPANY (PCOC) MANAGEMENT**

#### **Recommendation of City Manager and PCOC Chief Executive Officer:**

- (1) Authorize PCOC to submit an application for a conditional use permit for the conversion of the pavilion located at the Convention Center to a single sheet ice skating facility under PCOC management at a cost not to exceed \$3.0 million and to conduct any necessary environmental review;
- (2) Authorize the City Manager to issue a low interest, 10-year loan, not to exceed \$1.5 million from City funds to the PCOC to be used for the ice rink relocation to the pavilion if the conditional use permit is granted; and
- (3) Authorize the City Manager to approve the expenditure of \$1.5 million in PCOC Reserves to be used for the ice rink relocation to the pavilion if the conditional use permit is granted.

Councilmember Holden, Chair of the Finance Committee, reported on the Committee's discussion of the above agenda item, and support for granting conceptual approval of the proposed ice rink facility resulting in the following action:

**Recommendation of the Finance Committee:** It is recommended that the City Council: 1) approve staff Recommendation No. 1 to authorize the Pasadena Center Operating Company (PCOC) to submit an application for a conditional use permit for the conversion of the pavilion located at the Convention Center to a single sheet ice skating facility under PCOC management at a cost not to exceed \$3.0 million and to conduct any necessary environmental review; and 2) direct the PCOC and staff to return within 45 days to the Finance Committee/City Council with additional information on a 10-year pro forma, possible parking arrangements involving the Paseo Colorado parking structure, and the structure of a public benefit program, to be submitted for further Council discussion and consideration.

Councilmember Haderlein, Finance Committee member, indicated that the 45 days was to be used for the Committee and City Council to receive and consider the requested additional information, while the PCOC is moving forward with the CUP process and before the CUP hearing is held in 60 days.

Michael Ross, PCOC Chief Executive Officer, reviewed the agenda report as part of a PowerPoint presentation, submitted the 10-year pro forma, and responded to questions.

The following persons spoke in support of the proposed ice skating facility:

April Hicks, Build the Rink Committee representative  
Alex Carswell, Pasadena resident  
Ouida Robins, Pasadena Figure Skating Club President  
Victoria Boa, Pasadena Ice Skating Center instructor  
Jon Dudley, Pasadena Maple Leafs Vice President  
Manuel Valle, Carpinteria resident

Discussion followed on the process to formalize the deal points and financial provisions for the transition of the ice skating facility from its current location to the pavilion (improvements to the structure, operation of the proposed facility, parking arrangements, and public benefit program); and the status of the proposed ice skating rink in the pavilion as a temporary vs. permanent facility.

Councilmember Madison, City representative on the PCOC Board, expressed support for the City Manager/PCOC Chief Executive Officer recommendation, including the understanding that the pavilion is only a temporary solution. He noted that the PCOC is considering other commercial options in their future plans for the pavilion site.

Vice Mayor Gordo expressed support for the Finance Committee's recommendation, and stated concerns regarding use of the pavilion as a temporary solution (5-10 years), with the possibility that the ice skating facility could again be without a location at some future time. He also asked that the PCOC return with clarification of other options that may be considered by the PCOC for alternative uses of this site in the future (e.g., hotel or some other commercial development).

Councilmember Haderlein asked that the additional information to be provided by the PCOC and staff be presented to the Finance Committee/City Council on September 20, 2010; and that clarification of "temporary" be provided for the timeframe of the pavilion usage as a temporary ice skating facility. He also suggested consideration of a possible caveat that an alternative ice skating rink site be identified prior to the closure of the pavilion facility.

The City Attorney cautioned that actions taken by the City Council prior to the CUP hearing must not appear to be predetermining the outcome of the CUP permit process.

Councilmember Holden suggested the PCOC Board and staff be directed to return to the Finance Committee and City Council with the terms and conditions (as part of a proposed agreement, term sheet, or recommendations) that call out the information requested above by the Finance Committee.

Following discussion, it was moved by Vice Mayor Gordo, seconded by Councilmember McAustin, to approve staff Recommendation No. 1 to authorize the Pasadena Center Operating Company (PCOC) to submit an application for a conditional use permit for the conversion of the pavilion located at the Convention Center to a single sheet ice skating facility under PCOC management at a cost not to exceed \$3.0 million and to conduct any necessary environmental review; and to direct the PCOC and staff to return to the Finance Committee/City Council on September 20, 2010 with additional information on a 10-year pro forma, possible parking arrangements involving the Paseo Colorado parking structure, the structure of a public benefit program, and clarification of the term "temporary" as it pertains to the timeframe of the pavilion usage as a temporary ice skating facility, for further Council discussion and consideration.
