Dear Council Member,

I have read through the facts on the Playhouse Plaza and support the project and all it brings to the City of Pasadena. As a Realtor in Pasadena and a Board Member of the Pasadena Chamber, I feel it is very important to support projects that add jobs to our city and also support the historical culture of Pasadena.

Best,  
Heidi Bloks

We at Tom Sawyer Camps strongly support the Playhouse Plaza Project. It is very promising to see this sort of economic development in these difficult economic times. Please support the project with an affirmative vote.

Please vote YES to approve the building of The Playhouse Plaza.

Not only will it create jobs for people, it will also bring income in to both PUSD and the city!

During this difficult economy, we need to have job creators and this will definitely do that!

Thanks you for your consideration.
