**RE: National Register of Historic Places Nomination for  
Bristol-Cypress Historic District**

Dear Mayor Bogaard:

Pursuant to the Certified Local Government Agreement between the Office of Historic Preservation (OHP) and your governmental entity, we are providing you as the chief elected local official with a sixty (60) day review and comment period before the State Historical Resources Commission (SHRC) takes action on the above stated National Register of Historic Places (National Register) nomination at its next meeting. Details on the meeting are enclosed.

Please review the enclosed nomination and send your comments to OHP. Pursuant to the National Historic Preservation Act of 1966, as amended, we have also provided a copy of the nomination to your local preservation commission. Your local preservation commission may comment on whether or not the nominated property, in its opinion, meets the criteria for the National Register and forward their comments to you. Please transmit your local preservation commission's comments with your comments to California State Parks, Attn: Office of Historic Preservation, Milford Wayne Donaldson, FAIA, State Historic Preservation Officer, P.O. Box 942896, Sacramento, CA 94296-0001. So that the SHRC may have adequate time to consider them, it is requested, but not required, that you provide written comments fifteen (15) days before the SHRC's meeting. If you have questions or require further information, please contact the Registration Unit at (916) 445-7008.

As of January 1, 1993, all National Register properties are automatically included in the California Register of Historical Resources and afforded consideration in accordance with state and local environmental review procedures.

Supplemental information on the National Register is available on our website at the following address: [www.ohp.parks.ca.gov](http://www.ohp.parks.ca.gov).

Thank you for your assistance in this program.

Sincerely,

RE: National Register Nominations in, Pasadena, CA  
Agenda of State Historical Resources Commission on May 19, 2011

Ladies and Gentlemen:

In response to your request for comments, the Historic Preservation Commission and City Council urge your favorable consideration on May 19<sup>th</sup> of the National Register nominations related to the Late 19<sup>th</sup>/early 20<sup>th</sup> Century Multiple Property Documentation Form and the Freeman/Allen House. These distinctive properties and groupings are important for their representation of early settlement patterns and architectural styles from the earliest period in the city's development. We, in Pasadena, are immensely proud of these resources and neighborhoods and all the resources identified in the year-long study of resources from the turn of the 20<sup>th</sup> Century. We are grateful for the funding from the State Office of Historic Preservation which enabled this study, and we look to your support on May 19<sup>th</sup> to advance these nominations to the Keeper of the Register.

Sincerely,

Bill Bogaard, Mayor
