Hello,

Thank you for your e-mail for you e-mail in support of the NFL. Council approved amending Article 3 which now allows up to 25 major events in the arroyo at last Monday's meeting.

**Subject:** Fwd: NFL use of the Rose Bowl

Dear Honorable Pasadena City Mayor and Council Members,

Please vote to allow the NFL to use the Rose Bowl for five years. The funds that the City of Pasadena would receive could cover the expanding costs of the Rose Bowl renovation.

The increase in use for just five years would be an extra 12 days a year for a total usage of only 26 days out of 365. For a public sports facility, this is light use. Why has the city invested public funds in a major facility that they don't intend to make full use of?

I am concerned that the excessive vociferousness of the wealthy few that live near the Rose Bowl will unjustly sway your vote. The Rose Bowl was there when these residents bought their homes. So it shouldn't be a surprise to them that the City should take this opportunity. The class warfare being displayed by the Rose Bowl's adjacent community does not reflect the way most Pasadena residents feel.

Sincerely,

Frieda Maloney
