CITY CLERK
CITY OF PASADENA

Dear Mayor Bogaard,

I write today to advise that effective immediately I resign my position on the Transportation Advisory Commission (TAC) and my related membership on the Design Commission. We have sold our home and are now packing up over 30 years of our life and moving to Redmond, Washington.

I thank you for your trust and generosity in appointing me to the Commission and for the honor it has been to serve the City of Pasadena during my tenure.

I also wish to thank my fellow Commissioners and the various City staff who have been helpful to me as I tried to learn about the TAC and Design Commission responsibilities and making a contribution to the greater good for the City.

Best Regards,

c. Mark Jomsky, City Clerk
Fred Dock, Director of Transportation
Jennifer Higginbotham, Chair
Transportation Advisory Commission
Robert Carpenter, Chair
Design Commission
