**RE: Resignation from Environmental Advisory Commission**

Dear Mayor Bogaard:

Please accept this letter as my resignation from the City of Pasadena Environmental Advisory Commission effective July 18, 2012.

It has been a pleasure serving the City as a Commissioner through key policy initiatives, including the plastic bag ban, Water and Power Integrated Resource Plans, Greenhouse Gas Inventory and Reduction Plan, General Plan Update, and Zero Waste Strategic Plan, all in an effort to successfully implement the Green City Action Plan.

Please let me know if I can be of further assistance in helping the City meet its goals and maintain its great quality of life.

With sincere thanks,

Felicia Williams
