Subject: Application for Landmark Tree Designation

Hi Mr. Johnson,

I am writing regarding the filing of "Landmark Tree Designation" for three landmark trees at 300 S. San Gabriel Blvd. and 2810 E. Del Mar Blvd.

I wholly support the landmark designation of these trees. I live in the neighborhood of the Las Encinas Hospital and was very disappointed to hear the expansion of Las Encinas was going to necessitate the destruction of many trees. This neighborhood needs these trees to maintain shade, beauty, and neighborhood property value.

Please protect our neighborhood by protecting these landmark trees.

Thank you,

Linnaea Scott
