Dear Terry,

Thank you so much for offering me a second term serving District 7 on the Arts and Culture Commission, but after much thought I cannot fulfill this calling. Please accept my resignation from the Art and Culture Commission. I am honored to have worked with you and Mayor Bogaard but Pasadena's art community deserves someone with more energy, influence and patience for politics within the Commission. After three years on the Commission, and two as chair of the Public Art Sub-Committee I have learned a great deal, and hope that my term has made some difference in the progress of art within the City.

Although I don't know if they would be willing to serve, I would recommend the following residents of our district as a replacement. All served on the Public Art Selection committee in May:

Linda Brownridge

Jetty Fong

Lauri Bures

If you want to talk about my decision or any other specifics, please give me a call. I would be happy to consider other positions within the district should one arise for which I am qualified.

Hope you are having a wonderful summer.

Best regards,

Janice Bea
