James McDermott
Chairman
Pasadena Center Operating Committee

Dear Jim -

As I mentioned privately in our last board meeting, with my on-going/growing responsibilities as the founder/co-chairman of Innovate Pasadena I am getting pressed for time. So while I have very much enjoyed my tenure at PCOC (though relatively short), I feel it is in the best interest of both organizations that I turn my full attention to Innovate Pasadena. I am sure that there are other highly capable community leaders who will be eager to fill my spot and who will have more attention to devote to the important agenda of PCOC. I would like to make my resignation effective as of today.

It has been a pleasure to serve with you and the board. I will miss the group and wish you all the best.

Best regards,

Andy Wilson
