PHA Plan Update

(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission:

Violence Against Women Act (VAWA)

In accordance with the Violence Against Women and Department of Justice Reauthorization Act of 2005, the CoPHD development and implemented policies and procedures protecting victims of domestic violence, dating violence, and stalking from discrimination in 2007. Participants may be issued a voucher and move in violation of their lease or move under portability to escape a life threatening situation.

Chapter 13

Program Integrity

The CoPHD is very concern about misuse of funding provided for the administration of the rental assistance programs. For this reason, staff places great emphasis on educating program applicants and participants about their responsibilities under the program guidelines. The CoPHD will continue to enforce the rules and regulations of the rental assistances programs administered by having "zero tolerance for fraud" in accordance with the U.S. Housing and Urban Development (HUD).

Repayment Agreement

A Repayment Agreement is a document entered into between the CoPHD and a family who owes a debt to the CoPHD. If the family has a Repayment Agreement in place and incurs an additional debt to the CoPHD, the CoPHD will not enter into an additional or amended Repayment Agreement. The current Repayment Agreement will be considered in default and the family will be required to pay all debts in full within 90 days of the date of notification to the family. The CoPHD will propose the termination of rental assistance for program participants found to be repeat offenders of the rules and regulations of the rental assistance programs.

Chapter 17

Applicants Debt

Applicants must have paid any outstanding debt owed the CoPHD or another housing agency as a result of prior participation in any Federal housing program. Family will have 90 days to pay any outstanding debts in full once their name has been reached.

Chapter 2

Landlords/owners

During Fiscal Year 2012 the CoPHD collected from participating landlords over \$5,468.00 in overpayment of Housing Assistance payments. CoPHD was stringent in placing abatements on behalf of subsidized units that did not meet the CoPHD's Rental Assistance Program Housing Quality Standards (HQS). In all cases the owners were able to correct the deficiencies and payments were restored.

Chapter 10

House Notes - CoPHD's Newsletter

The CoPHD publishes the House Notes newsletter containing program updates and useful information for all program participants and owners. In an effort to have an open communication between program participants and owners, the CoPHD notify program participants and owners about changes in the rental assistance program rules and regulations, and the CoPHD's Administrative Plan. Housing Department also has a website for free affordable listing that the public can utilize. www.PasadenaHousingSeach.com

6.0

The Section Eight Management Assessment Program (SEMAP) score

During Fiscal Year 2010-2012, the CoPHD was rated a High Performer. CoPHD is focused on maintaining its SEMAP score and providing service to our community.

Supportive Housing Services

Shelter Plus Care policy on family absence from the unit, states that a participant in the S+C Program may be absent from a unit for any reason for up to 30 consecutive days. Periods of absence between 31 and 180 consecutive days are termed “extended absence.” Extended absence may be approved by the CoPHD for reasons of health, rehabilitation, convalescence, incarceration or the personal needs of the family.

Chapter 20

ERAD Security Deposit Program

The description and eligibility requirements for the ERAD Security Deposit Program have been updated to give priority for ERAD assistance to homeless persons who are attempting to move into their first housing unit after a period of homelessness.

Chapter 20

(b) Identify the specific location(s) where the public may obtain copies of the Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions.

**PHA Certifications of Compliance with the PHA Plans and Related Regulations:
Board Resolution to Accompany the *Annual* PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the Annual PHA Plan for the PHA fiscal year beginning JULY 1, 2013, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.

Applicant Name _____

Program/Activity Receiving Federal Grant Funding _____

Acting on behalf of the above named Applicant as its Authorized Official, I make the following certifications and agreements to the Department of Housing and Urban Development (HUD) regarding the sites listed below:

I certify that the above named Applicant will or will continue to provide a drug-free workplace by:

a. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the Applicant's workplace and specifying the actions that will be taken against employees for violation of such prohibition.

b. Establishing an on-going drug-free awareness program to inform employees —

- (1) The dangers of drug abuse in the workplace;
- (2) The Applicant's policy of maintaining a drug-free workplace;
- (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
- (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

c. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph a.;

d. Notifying the employee in the statement required by paragraph a. that, as a condition of employment under the grant, the employee will —

- (1) Abide by the terms of the statement; and
- (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

e. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph d.(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

f. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph d.(2), with respect to any employee who is so convicted —

- (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
- (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

g. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs a. thru f.

NOTICE TO THE PUBLIC OF A PUBLIC HEARING BY THE CITY OF PASADENA AS SUCCESSOR AGENCY TO THE PASADENA COMMUNITY DEVELOPMENT COMMISSION TO CONSIDER THE APPROVAL OF THE PUBLIC HOUSING AGENCY (PHA) ANNUAL PLAN (2013).

In accordance with 24 Code of Federal Regulations, Part 903 et seq., as published by the U.S. Department of Housing and Urban Development (HUD) on December 22, 2000, in the Federal Register, Public and Indian Housing (PIH) Notice 2000-43, and the Quality Housing and Work Responsibility Act of 1998, the City of Pasadena Housing Department, as Successor Agency to Pasadena Community Development Commission ("City") hereby gives notice that the Public Housing Agency (PHA) Annual Plan (2013) will be considered for approval at a public hearing by the City on Monday, March 11, 2013 at 7:00 p.m., or as soon thereafter as the matter may be heard, in the Council Chambers, Room S249, at 100 North Garfield Avenue, Pasadena, California. The purpose of the public hearing is to obtain the views of citizens, service providers, participants, and interested individuals regarding the development of the PHA Annual Plan (2013).

The PHA Annual Plan (2013) describes the City's immediate operations, and assesses housing assistance needs, housing stock conditions, and rental housing subsidy needs of lower income households for the upcoming fiscal year.

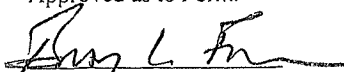

Upon approval by the City, the PHA Annual Plan (2013) will be submitted to HUD to ensure the City of Pasadena will continue to receive federal funds for the rental assistance programs that benefit very low income individuals and households. Rental Assistance Programs subsidies will be contingent upon the availability of funding to the City from HUD, as well as the preparation and submittal to HUD of the PHA Annual Plan.

ALL INTERESTED AGENCIES, GROUPS, OR INDIVIDUALS who wish to be heard on this matter are invited to attend this public hearing and speak to the City at the time and place stated. The City will consider approval of the PHA Annual Plan (2013) at the public hearing after receiving testimony, oral or written.

If you have any questions or require information regarding the Public Housing Agency Annual Plan (2013), and/or the process, contact Myrtle Dunson, Housing Assistance Officer, at (626) 744-8300, or provide written comments to: Housing Department, 649 N. Fair Oaks Avenue, Suite 202, Pasadena, California 91103.

AVISO AL PÚBLICO DE UNA AUDIENCIA PÚBLICA DE LA CIUDAD DE PASADENA COMO AGENCIA SUCESORA DE LA COMISIÓN DE DESARROLLO COMUNITARIO DE PASADENA PARA DISPONIBILIDAD PARA REVISAR EL PLAN ANUAL DE LA AGENCIA DE VIVIENDA PUBLICA (PHA) PARA EL AÑO FISCAL 2013

De acuerdo con el código 24 de las regulaciones federales, parte 903 et seq., publicado por el Departamento de Vivienda y Desarrollo Urbano de los Estados Unidos (HUD) por sus siglas en inglés, el 22 de diciembre de 2000, en el Registro Federal, y la Oficina de la Vivienda Pública para las Comunidades Indígenas (PIH) por sus siglas en inglés, aviso 2000-43, y la Vivienda de Calidad y la Ley de Responsabilidad Laboral de 1998, la Ciudad de Pasadena, Departamento de Vivienda, Agencia Sucesora de la Comisión de Desarrollo Comunitario de Pasadena ("Ciudad") por la presente da aviso que el Plan Anual (2013) de la PHA, será considerado para su aprobación en la audiencia pública por la Ciudad el lunes 11 de marzo del 2013 a las 7:00 p.m. o un poco después cuando el tema sea escuchado, en la cámara del consejo, sala S249, en el 100 Norte de la Avenida Garfield, Pasadena, California. El propósito de esta audiencia pública es para obtener el punto de vista de los ciudadanos, proveedores de servicios, participantes, y personas interesadas en relación al Plan Anual (2013) de la PHA.

El Plan Anual (2013) de la PHA describe las operaciones inmediatas de la Ciudad, evalúa las necesidades de asistencia de la vivienda, las condiciones del inventario de viviendas, y las necesidades de subsidiar las rentas de las viviendas para personas de bajos ingresos para el próximo año fiscal.

Una vez sea aprobado por la Ciudad, el Plan Anual (2013) de la PHA será presentado a HUD para asegurar que la Ciudad de Pasadena continúe recibiendo fondos federales para los programas de asistencia para la renta, que benefician a las personas de bajos ingresos. Los subsidios para programas de asistencia para la renta están sujetos a la disponibilidad de los fondos para la Ciudad de HUD así como también la preparación y presentación de los planes de la PHA a HUD.

TODAS LAS AGENCIAS, GRUPOS O PERSONAS INTERESADAS que desean ser escuchados sobre este asunto están invitados a asistir a esta audiencia pública para hablar ante la Ciudad a la hora y lugar determinado. La Ciudad considerará la aprobación del Plan Anual (2013) de la PHA, en la audiencia pública después de haber recibido testimonio, oral o escrito.

Si tiene algunas preguntas o requiere información sobre el Plan Anual (2013) de la Agencia Pública de Vivienda (PHA) y/o el proceso, comuníquese con Myrtle Dunson, Funcionaria Asistente de la Vivienda, al (626) 744-8300, o envíe sus comentarios por escrito al:

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Pasadena, California (City), as of and for the year ended June 30, 2012, which collectively comprise the City's basic financial statements and have issued our report thereon dated November 29, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of the City is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the City's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses as defined above. However, we identified certain deficiencies in internal control over financial reporting, described in the accompanying schedule of findings and questioned costs as items 12-01 through 12-02, that we consider to be significant deficiencies in internal control over financial reporting. *A significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit the attention of those charged with governance.

REGISTERED with the Public Company Accounting Oversight Board and MEMBER of the American Institute of Certified Public Accountants

Compliance and Other Matters

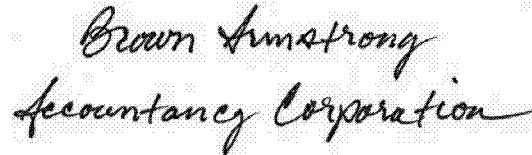

As part of obtaining reasonable assurance about whether the City's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We also noted other matters that we reported to the City Council of the City of Pasadena in a separate letter dated November 29, 2012.

The City's written responses to the significant deficiencies identified in our audit have not been subjected to the audit procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

This report is intended solely for the information and use of the City Council, management of the City of Pasadena, others within the City of Pasadena, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Compliance

We have audited the compliance of the City of Pasadena (the City) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that could have a direct and material effect on the City's major federal programs for the year ended June 30, 2012. The City's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of the City's management. Our responsibility is to express an opinion on the City's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the City's compliance with those requirements.

In our opinion, the City complied, in all material respects, with the requirements referred to above that have a direct and material effect on each of its major federal programs for the year ended June 30, 2012. However, the results of our auditing procedures disclosed instances of noncompliance with those requirements, which are required to be reported in accordance with OMB Circular A-133 and which are described in the accompanying schedule of findings and questioned costs as items 12-03 through 12-05.

Internal Control Over Compliance

Management of the City is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the City's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine the auditing procedures for the purpose of expressing our opinion on compliance and to

REGISTERED with the Public Company Accounting Oversight Board and MEMBER of the American Institute of Certified Public Accountants

test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

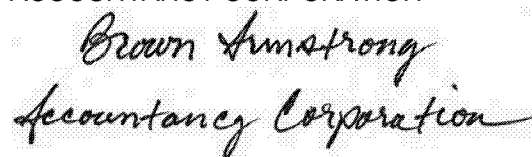

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

Schedule of Expenditures and Federal Awards

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City as of and for the year ended June 30, 2012, and have issued our report thereon dated November 29, 2012. Our audit was performed for the purpose of forming an opinion on the financial statements that collectively comprise the City's basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of management, the City Council, others within the City, federal awarding agencies, and pass-through entities. However, this report is a matter of public record and its distribution is not limited.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
YEAR ENDED JUNE 30, 2012**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES APPLICABLE TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

A. Scope of Presentation

The accompanying schedule presents only the expenditures incurred by the City of Pasadena (City) that are reimbursable under the programs of federal agencies providing financial assistance. For the purposes of the schedule, financial assistance includes both federal financial assistance received directly from a federal agency, as well as federal funds received directly by the City from a non-federal agency or other organization. Only the portions of program expenditures reimbursable with such federal funds are reported on the accompanying schedule. Program expenditures in excess of the maximum federal reimbursement authorized or the portion of the program expenditures that were funded with state, local, or other non-federal funds are excluded from the accompanying schedule.

B. Basis of Accounting

The expenditures included in the accompanying schedule were reported on the modified accrual basis of accounting. Under the modified accrual basis of accounting, expenditures are incurred when the City becomes obligated for payment as a result of the receipt of the related goods and services. Expenditures reported included any property or equipment acquisitions incurred under the federal program.

C. Sub-recipients

During the fiscal year ended June 30, 2012, the City disbursed \$1,132,336 to sub-recipients to be used for the federally allowable expenditures in accordance with grant agreements.

NOTE 2 – RECONCILIATION OF THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

CURRENT YEAR SIGNIFICANT DEFICIENCIES

12-01 – Accounts Payable

During our testing of unrecorded liabilities, we selected a sample of forty (40) material cash disbursements that occurred subsequent to fiscal year-end and reviewed support to ensure that they were accrued in accordance with accounting requirements. The results of our testing showed the following:

- One (1) of the forty (40) disbursements was not adequately accrued. The total of the disbursement totaled \$97,424.30.
- One (1) of the forty (40) disbursements lacked sufficient support. The total of the disbursement totaled \$155,925.

Recommendation

We recommend that the City's Accounts Payable Division (AP) enter the activity periods for each invoice received into the City's accounting software, PeopleSoft. This provides the Finance Department the ability to do query searches based on activity date to assist in its determination of accounts payable completeness and accuracy. In addition, we recommend that the Accounts Payable Division actively seek to maintain complete records of its transactions.

Management's Comments Regarding Corrective Actions Planned

In conjunction with the Accounting Division, Accounts Payable establishes a cut-off date to receive and process invoices from the previous fiscal year. The AP staff works diligently with departments to make sure that invoices are submitted in timely. Going forward, amendments have been made to the Accounts Payable end-of-year process in order to more effectively capture all accruable expenses. Accounts Payable has taken steps to extend the initial accrual cut-off date as well as provide for a longer accrual period following the initial cut-off date. Also, with the implementation of AvidXchange, the City's new electronic invoice routing system, AP staff will be able to track invoices more efficiently.

Specifically, in reference to the \$155,925 disbursement, which was a reimbursement to the Pasadena Unified Court for state mandated fees collected by the City of Pasadena, the documentation provided for these types of transactions furnish a breakdown of the number of citations and the amounts collected for various penalties. This court payment breakdown document is signed by the Municipal Services supervisor and countersigned by the City Treasurer. For future payment requests, Accounts Payable has requested the Treasury division to submit the corresponding report that is generated from the parking system as back-up documentation to be attached to its request for payment. Accounts Payable will continue to require sufficient back-up documentation from departments for all invoices and other payment request.

With respect to the auditor's recommendation to enter the activity periods for each invoice received into the City's accounting software, this function is currently not available in PeopleSoft. The City is presently soliciting proposals to engage a new ERP system citywide. Accounts Payable will explore the options to accomplish the purpose of the auditor's recommendation in the course of implementing the new accounting system.

12-02 – Personnel File Requirements

To test the City's controls over payroll, we selected a sample of forty (40) City employees. During our analysis, we noted four (4) out of forty (40) employees selected for testing did not have documents validating information on their I-9 forms.

Reform and Control Act of 1986 (IRCA) requires that all employers verify the employment eligibility and identity of all employees hired to work in the United States after November 6, 1986. Compliance with IRCA is documented through the completion and maintenance of Employment Eligibility Form I-9.

Recommendation

While new Personnel File Requirements have been developed over time and firmly implemented within the past four years (per discussion with Human Resources Manager), there are no monitoring procedures within the Human Resources Department for personnel files that have missing requirements. To ensure federal compliance of the IRCA, we suggest that the City actively seek to maintain complete records for each City employee. We suggest that monitoring procedures be developed and implemented which will periodically review personnel files for missing required documents (Form I-9 and copies of the supporting documents).

Management's Comments Regarding Corrective Actions Planned

The City agrees with the recommendation and will implement it.

C. Findings and Questioned Costs for Federal Awards as Defined in Paragraph .510(a) of OMB Circular A-133

12-03 – AIDS HIV Early Intervention – CFDA #93.915

Federal Agency's name: Department of Health and Human Services
Passed-through entity's name: County of Los Angeles

Criteria/Specific Requirement Including Statutory Regulation/Citation for the Finding

The County of Los Angeles Public Health, Pass-through Agency, requires verification of the client's Los Angeles County residency and income shall be conducted on an annual basis. These requirements include the maintenance of documentation necessary to support eligibility re-determinations.

Finding

To test the controls over eligibility determination, we selected a sample of forty (40) case files at the City's Public Health Department. During our review, we noted that:

- Thirteen (13) case files did not have eligibility screening re-determinations completed in the required timely manner.
- Sixteen (16) case files did not contain support for the eligibility screening re-determination to show that eligibility determination was completed in the required timely manner.

Recommendation

We suggest that the City strengthen its eligibility determination procedures and take steps to ensure that proper documentation is kept for it in the case file.

Management's Comments Regarding Corrective Actions Planned

The City is taking additional steps to ensure that the files are adequately maintained to support eligibility requirements. These steps include:

1. The Front Office Staff, which are the case managers for every AIDS client, will be required to complete the eligibility screening and obtain copies of the required documents for every case (file) assigned to them.

2. The Program Director or Intake Specialist is required to complete an AIDS File Review once eligibility screening is completed by Front Office Staff.
3. The Front Office Staff will check for annual eligibility screenings prior to the receipt of any services.

12-04 – Supportive Housing – CFDA #14.235

Federal Agency's name: Department of Housing and Urban Development (HUD)
Passed-through entity's name: N/A

Criteria/Specific Requirement Including Statutory Regulation/Citation for the Finding

The *June 2012 OMB Circular A-133 Compliance Supplement* states HUD may provide grants to pay for a portion of the actual operating costs of supportive housing. Assistance for operating costs is available for up to 75% of the total costs in each year of the grant. The non-Federal entity (sub-recipient) must pay with its own funds the percentage of the actual operating costs not funded by HUD. At the end of each operating year, the non-Federal entity must demonstrate that it has met its share of the costs for that year (24 CFR section 583.125). Beginning with 1999 grants, all funding for supportive services must be matched by 25% funding from non-Federal entity (Pub. L. No. 105-276).

Finding

During our review of the "cash match" reports, we noted that sub-recipients were not matching the 25% match requirement.

Recommendation

We suggest that the required matching from the sub-recipients for the support services funding should be properly implemented to adhere to the compliance requirements.

Management's Comments Regarding Corrective Actions Planned

Sub-recipients matching for the support services funding has been properly implemented in the monthly match report in fiscal year 2012-13.

12-05 – Community Development Block Grant – CFDA #14.218

Federal Agency's name: Department of Housing and Urban Development
Passed-through entity's name: N/A

Criteria/Specific Requirement Including Statutory Regulation/Citation for the Finding

The *June 2012 OMB Circular A-133 Compliance Supplement* requirements for sub-recipient states that the pass-through entity is responsible for monitoring the sub-recipient's use of Federal awards through reporting, site visits, regular contact, or other means to provide reasonable assurance that the sub-recipient administers Federal awards in compliance with laws, regulations, and the provisions of contracts or grant agreements and that performance goals are achieved. It requires the follow-up to ensure corrective action is taken for the noted deficiencies.

Finding

During our review of the sub-recipient monitoring, we noted the City did not follow up with findings issued for corrective action. The City risks noncompliance with sub-recipient requirements as set forth in accordance with U.S. Department of Housing and Urban Development guidelines (specifically the Community Program Development Grantee Monitoring Handbook, Chapter 2 as well as 24, CFR 570 et seq.).

Recommendation

We suggest that the required matching from the sub-recipients for the support services funding should be properly implemented to adhere to the compliance requirements.

Management's Comments Regarding Corrective Actions Planned

The corrective action was requested as necessary from sub-recipient. The City will develop a checklist or log to document the issues and resolutions resulting from the monitoring.

**CITY OF PASADENA
SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
YEAR ENDED JUNE 30, 2012**

The following is the status of prior audit findings:

11-01 – Accrual of Payables

During our testing of unrecorded liabilities, we selected a sample of thirty (30) material cash disbursements that occurred subsequent to fiscal year-end and reviewed support to ensure that they were accrued in accordance with accounting requirements. The results of our testing showed that two (2) of the thirty (30) disbursements were not adequately accrued. The total of the two (2) disbursements totaled \$363,413. During further discussion with the Accounts Payable Division, it was noted that accounts payable had an initial accrual cut-off of July 15, 2011, for accrual of expenses related to fiscal year 2011. For invoices that were received after this date, the Finance Department would accrue the expenses if the invoice was dated June 30, 2012 or earlier, and the value of the invoice was \$250,000 or more. We consider these inadequate procedures as the City may fail to accrue invoices that are dated after June 30, 2011, but is billing for activity that occurred before or goods that were received before the fiscal year-end.

Recommendation

We recommend that the City's Accounts Payable Division enter the activity periods for each invoice received into the City's accounting software, PeopleSoft. This provides the Finance Department the ability to do query searches based on activity date to assist in its determination of accounts payable completeness and accuracy.

Also, it is our opinion that the City's materiality threshold of \$250,000 be lowered to a more reasonable amount.

Management's Comments Regarding Corrective Actions Planned

The City has already taken steps to reduce the threshold for accrual and will take additional steps to improve this year-end process by setting appropriate thresholds, providing for a longer accrual period, and investigating the possibility of using the additional software feature. This year-end procedure has been in place for a number of years.

Current Year Status

Item completed. The City initiated new procedures for accrual of payables for the fiscal year ended June 30, 2012. Accounts Payable staff was instructed to accrue all payables regardless of amount through August 31, 2012. After the August deadline, the materiality threshold was increased to \$25,000. With respect to the auditor's recommendation to enter the activity periods for each invoice received into the City's accounting software, this function is currently is not available in PeopleSoft. The City is presently soliciting proposals to engage a new ERP system citywide. Accounts Payable will explore the options to accomplish the purpose of the auditor's recommendation in the course of implementing the new accounting system.

11-02 – Need to Improve Control over Paramedic Billing and Collections

During our review of the accounts receivable, we noted that the recorded Paramedic Receivables as of June 30, 2011, were over \$3 million with allowance for doubtful accounts calculated as 50% of the receivable amount. Fiscal year 2011 is the second year that the City contracted a third party to perform billing and collection for Paramedic Receivables. The total in the year-end accounts receivable aged report provided by the City's contractor does not have the same exact balance as the monthly reconciliation that was presented for audit purposes because the City is unable to obtain an accurate report from its contractor. We reviewed the report that the City obtained from the contractor

which shows a summary of monthly billing amounts and collections and noted that there is a column for "Unbilled and Write Off" that amounted to over \$1 million. Per our inquiry with City personnel, this amount represents amounts that are not billed pending additional information to complete the billing, that are contractual write-offs, or are simply not billable. As a best practice, a year-end aging report should be periodically reviewed for old and slow-paying accounts. Additionally, the City should be able to obtain a detail of the unbilled and write-off balance to be reviewed and ensure that there have not been any write-offs unauthorized by the City. Fiscal year 2011 was the second year of this significant deficiency (see 10-01).

Recommendation

We recommend that the City continue its effort in working together with the contractor to improve control over billing and collection of the Paramedic Receivable or consider hiring another vendor.

Management's Comments Regarding Corrective Actions Planned

The City agrees with this finding. It appears that the City's former contractor does not follow best practices and has been unable to provide reports that meet the City's requirements. This is one of the reasons that the City has chosen to change vendors for Paramedic billings. The City is confident that the reports provided by the new vendor will fully address this finding.

Current Year Status

Item completed. The City hired a new vendor effective December 10, 2011. The reports provided by new vendor are easier to understand, comply with accounting principles generally accepted in the United States of America, and agree to the City's general ledger. The City's Collections Section staff continues to aggressively attempt collection of receivables established by the previous vendor.

11-03 – Long Outstanding Receivables

During our analysis of long time outstanding receivables, we noted a material receivable included in the general ledger for which the City did not expect to receive payment. Upon further client inquiry, it was noted the receivable had been settled in March of 2011 when the State received payment and the City had failed to remove it from its books. Once proper documentation was received, the City did record this transaction.

Recommendation

We recommend that the Finance Department review all pending material long outstanding receivables at year-end and consider their appropriateness.

Management's Comments Regarding Corrective Actions Planned

The City did remove this from the books upon receipt of proper documentation. At issue was receipt of a copy of the reconveyance documenting the transaction involved. The City is very diligent in not removing obligations from the books until appropriate to do so. The City agrees that a more thorough review and better documentation of the year-end review is appropriate.

Current Year Status

Item completed. The City reviewed all material long term receivables for the fiscal year ended June 30, 2012, and believes them to be collectable.

11-04 – Capital Asset Cycle

During our walkthrough of the City's capital asset cycle, the following were noted:

- Inventories of capital assets kept in logs at various departments are not regularly reconciled to PeopleSoft, the City's system of record,
- Construction in process (CIP) is only cycled to completed assets on an annual basis, and
- PeopleSoft system has some software errors that allow capital assets to potentially depreciate beyond their cost.

Recommendation

To enhance internal controls over capital assets, we recommend that the City review its listing of capital assets by department twice a year off-cycle to the annual audit (i.e., March and September), requiring certification from the department's signatory authority over the accuracy of the inventory. This would alleviate much of the loading and unloading of capital assets close to year-end and spread the work throughout the year.

Management's Comments Regarding Corrective Actions Planned

The City agrees with this finding. Finance and the Department of Information Technology (DoIT) are working together to identify a solution to the PeopleSoft Asset Management system errors. Current resources will make it difficult to work on off cycle inventories twice a year, but the City will enhance procedures to ensure confirmations of accurate and timely inventories from all Departments.

Current Year Status

Partially completed. In fiscal year 2012, Finance and DoIT worked together and identified some possible solutions to resolve PeopleSoft Asset Management errors. These steps were paused as the City started a process of acquiring a new or upgrading the current ERP system. Finance added requirements for an effective capital asset system for the ERP system.

11-05 – Personnel File Requirements

To test the City's controls over payroll, we selected a sample of forty (40) City employees. During our analysis, we noted the following:

- Six (6) out of the forty (40) employees selected for testing did not have an Employment Eligibility Verification Form I-9 in their personnel file.
- Seven (7) of the forty (40) employees selected for testing did not have the necessary documents included in their personnel file that would allow us to verify information on the Form I-9 (i.e., drivers license, social security card, birth certificate, or passport).
- Six (6) of the forty (40) employees selected for testing did not have an application included in their personnel file.

Reform and Control Act of 1986 (IRCA) requires that all employers verify the employment eligibility and identity of all employees hired to work in the United States after November 6, 1986. Compliance with IRCA is documented through the completion and maintenance of Employment Eligibility Form I-9. Per further discussion with Management, we noted that there were no monitoring procedures within the Human Resource Department to ensure that all files are complete, having no missing required documents.

Recommendation

To ensure federal compliance of the IRCA, we suggest that the City actively seek to maintain complete records for each City employee. We suggest that monitoring procedures be developed and implemented, including a periodic review of personnel files for missing required documents (i.e., Employment Eligibility Form I-9 and copies of the supporting documents).

Management's Comments Regarding Corrective Actions Planned

The City agrees with this finding. Over the past several months City staff audited the I-9 records, identified missing information, and has completed obtaining the records and updating the files. The I-9 forms are maintained in a separate file and the verification is kept in the personnel file.

Current Year Status

Item completed. All files were reviewed and brought into compliance.

Criteria/Specific Requirement Including Statutory Regulation/Citation for the Finding

The *March 2011 OMB Circular A-133 Compliance Supplement* requirements for reporting state that the recipients should use the standard financial reporting forms or such other forms as may be authorized by OMB. Section 1512 of ARRA (*American Recovery and Reinvestment Act*) includes reporting requirements applicable to recipients of awards under ARRA. OMB has issued many documents that provide guidance on the reporting requirements under ARRA (located at http://www.whitehouse.gov/omb/recovery_default/). Among them, M-09-21, *Implementing Guidance for the Reports on Use of Funds Pursuant to the American Recovery and Reinvestment Act of 2009* (June 22, 2009), provides relevant information for the audit procedures. The M-09-21 guidance covers the reporting requirements of Section 1512 of ARRA and includes two supplements: (1) a list of programs subject to the ARRA reporting requirements, and (2) a Recipient Reporting Data Model.

Finding

The ARRA 1512 is a quarterly report that is submitted via the FederalReporting.gov website. This report is used by the Federal Government to track the progress on its American Recovery and Reinvestment Act funding.

The CDBG program is currently reporting the ARRA 1512 Report incorrectly. Staff is currently reporting the ARRA 1512 report as if they receive funding through Federally Awarded Contracts. However, CDBG receives its funding through Grant funding. After reviewing all four of the quarterly ARRA 1512 reports for the fiscal year 2011, we noted the following consistent mistakes:

- CDBG staff have been interpreting that the "Received/Invoiced" is the total amount that has been invoiced to the CDBG grant by contractors. In addition, staff is not currently reporting any "Expenditure" amount on the ARRA 1512 Report. This is the method used by Contractors of a Federally Funded Contract, not agencies receiving Grant funding.
- The program is receiving its funding from grants, therefore, the "Received/Invoiced" amount is supposed to be the total amount of ARRA 1512 funding that has been received to date through drawdown, while "Expenditure" is to be the expenditure amount that the grant has incurred to date.

Also during our analysis of the ARRA 1512 report, we noted an inadequate review process of the quarterly reports prior to their submission to HUD. Per further discussion with the client, it was noted that the Housing Department relies on HUD's review of the report to determine whether the information is correct.

Recommendation

We recommend that CDBG correct the ARRA 1512 report going forward. According to the FederalReporting.gov website, all errors should be corrected in the following period if they are not recognized by the 21st of the month in which the report is being submitted. We also suggest strengthened communication between the Housing Department and the Finance Department to ensure that accurate data is submitted to HUD in a timely manner.

Management's Comments Regarding Corrective Actions Planned

Commencing in January 2012, Housing Department CDBG staff will prepare/review/submit the ARRA 1512 quarterly report in the manner specified by the audit comments. Housing Department CDBG staff will communicate with the Finance Department in a timely manner to ensure that the ARRA 1512 report is accurate before submitting it to HUD.

The M-09-21 guidance covers the reporting requirements of Section 1512 of ARRA and includes two supplements: (1) a list of programs subject to the ARRA reporting requirements, and (2) a Recipient Reporting Data Model.

Finding

The ARRA 1512 is a quarterly report that is submitted via the FederalReporting.gov website. This report is used by the Federal Government to track the progress on its American Recovery and Reinvestment Act funding.

During our review of the calendar year second quarter ARRA 1512 report, we noted that the "Expenditure" item was incorrect. Through further inquiry with Supportive Housing staff, we noted that this item had not been updated since the calendar year first quarter submitted ARRA 1512 report. We also noted that there is no review by Management of these reports prior to their submission to HUD.

Recommendation

We suggest strengthened communication between the Housing Department and the Finance Department to arrive at the financial data presented in the reports. Furthermore, we suggest that the Supportive Housing program implement a review policy so that the report is reviewed prior to submission.

Management's Comments Regarding Corrective Actions Planned

Housing Department CDBG staff will communicate with the Finance Department in a timely manner to ensure that the ARRA 1512 report is accurate before submitting it to HUD. Prior to submittal, the report will be reviewed by the Housing Director or his designee.

The M-09-21 guidance covers the reporting requirements of Section 1512 of ARRA and includes two supplements: (1) a list of programs subject to the ARRA reporting requirements, and (2) a Recipient Reporting Data Model.

Finding

The APR report is an annual report that is required to be submitted by the Supportive Housing program. During our audit procedures, we were unable to review the supporting documentation related to the Homeless Assistance Reporting Period section of the APR report due to the Supportive Housing staff being unable to locate this information within their records. This does not conclude that the APR report is being presented incorrectly, but instead that we were unable to confirm whether the information being reported is correct.

Recommendation

To ensure that all reported data in the APR report can be confirmed and substantiated, we suggest that the Supportive Housing program improve its record keeping system to better safeguard and store its records relating to financial reports.

Management's Comments Regarding Corrective Actions Planned

Commencing in January 2012, Supportive Housing staff will take steps to improve its records management system relating to financial reports.

11-09 – Supportive Housing – CFDA #14.235

Federal Agency's name: Department of Housing and Urban Development

Passed-through entity's name: N/A

Criteria/Specific Requirement Including Statutory Regulation/Citation for the Finding

The *March 2011 OMB Circular A-133 Compliance Supplement* requirements for sub-recipient monitoring state that the pass-through entity is responsible for monitoring the sub-recipient's use of Federal awards through reporting, site visits, regular contact, or other means to provide reasonable assurance that the sub-recipient administers Federal awards in compliance with laws, regulations, and the provisions of contracts or grant agreements and that performance goals are achieved.

Finding

Sub-recipient Monitoring is generally required to be conducted for each sub-recipient on an annual basis. It is acceptable for the program to monitor a sub-recipient for two fiscal years if they are unable to review them annually. All sub-recipient agreements are for one year and can be extended for an additional year with the permission of the City Council.

During our review of the City's sub-recipient monitoring review for Affordable Housing Services (AHS) Navarro House, we noted the following relating to internal controls and their accounting systems.

- Follow up site visits must be conducted to verify compliance. Information available to assist us in determining whether follow up occurred was an email chain confirming the timing of the follow up. This documentation did not allow us to confirm whether the internal control and accounting system issues noted during the monitoring of the sub-recipient had been addressed by the sub-recipient in a timely manner.
- Related to the fiscal years 2009 and 2010 sub-recipient monitoring review of AHS Navarro House, we noted that the sub-recipient had the same internal control and accounting system issues that were noted during the City's review in 2008. The City performed those same follow up procedures during the fiscal years 2007 and 2008 review as it did during the current review. The City should strengthen its follow up procedures to ensure sub-recipients remain in compliance with their contracts within a reasonable timeframe.

Recommendation

We recommend that the City implement a sub-recipient watch list that documents any sub-recipients who have internal control or accounting system issues. For sub-recipients with significant or repetitive findings noted, the City would then monitor the sub-recipient each year prior to signing a sub-recipient agreement for the following fiscal year. Furthermore, if the sub-recipient does not address all findings and properly maintain superior status for the following two years, they should no longer be a sub-recipient.

We also suggest that the City develop a formal checklist, which will help document the issues that arose during the review and the follow up procedures that took place, and whether the sub-recipient had adequately mitigated all issues that were identified.

Management's Comments Regarding Corrective Actions Planned

The City will as recommended develop an internal watch list and will monitor sub-recipients with internal control or accounting system issues to ensure that flagged issues have been resolved prior to entering into a new sub-recipient agreement.

The City currently has an audit checklist utilized in performing the fiscal monitoring. The City will develop an additional checklist or log to document the issues and resolutions resulting from the fiscal monitoring.

11-10 – Preparation and Reconciliation of the Schedule of Expenditure of Federal Awards

Federal Agency's name: Department of Housing and Urban Development
Passed-through entity's name: N/A

Criteria/Specific Requirement Including Statutory Regulation/Citation for the Finding

OMB Circular A-133 Compliance Supplement requirements for reporting state that the Schedule of Expenditures of Federal Awards is required to be presented.

Finding

The schedule of expenditures of federal awards is presented for the purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the City's basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The preparation of the schedule and of the City's financial reports is a significant undertaking. The reports require coordination and input from internal and external parties. The preparation is highly dependent on information from internal and external parties being timely and fairly stated and the result of these key dependencies is that the City is exposed to significant delays in the preparation of complete and fairly stated financial information. Such was the case with regard to the 2011 schedule of expenditures of federal awards when a program was not detected by management and an outstanding loan under the U.S. Department of Housing and Urban Development Section 108 program – Community Development Block Grant program was not disclosed until after the schedule of expenditures of federal awards was in the final audit stages. Footnote disclosure of various loan programs was also inadvertently deleted in the year ended June 30, 2010, notes to the schedule of expenditures of federal awards.

Recommendation

The Finance Department should coordinate with other departments to arrive at timely and fairly stated financial data presented in the reports. This should include, but not be limited to, at least semi-annually schedule of expenditures of federal awards preparation with a reconciliation to other reports filed with federal agencies and/or interim financial reports. There should also be an assurance from the departments to the Finance Department that all data in the reports is fairly stated.

Management's Comments Regarding Corrective Actions Planned

The Finance Department will increase our level of coordination with departments to prepare and reconcile a semi-annual schedule of expenditures of federal awards with reports to federal agencies or interim financial reports in a timely manner. We will also obtain timely confirmation that all data in the reports is fairly stated. The procedures described above have been added to our year-end checklist.

CHAPTER 1

STATEMENT OF POLICIES AND OBJECTIVES

MISSION STATEMENT

The Mission Statement of the City of Pasadena Housing Department is to be dedicated to providing affordable housing and community development opportunities for low and moderate income persons to enhance and strengthen our community.

INTRODUCTION

The Section 8 Housing Assistance Payments Program was originally enacted as part of the U.S. Housing Act of 1937. The Section 8 Rental Certificate and Rental Voucher Programs (Section 8 Program) were also later re-enacted as part of the Housing and Community Development Act of 1974, which recodified the U.S. Housing Act of 1937. The Housing and Community Development Act of 1974 (HCDA) has also been amended from time to time. The Federally funded Section 8 Program is administered by the U. S. Department of Housing and Urban Development (HUD) and participating public housing authority/agencies (PHA) under the Code of Federal Regulations (CFR), Title 24, Subtitle B - Housing and Urban Development, Parts 700-1699 (24 CFR 700-1699) and other applicable Federal and local regulations.

The City of Pasadena Housing Department (CoPHD), in response to recent changes in Federal regulations, performed an extensive review of our Rental Assistance Program (RAP) policies and procedures in compliance with local and Federal regulations. Modifications to RAP policies, documents, forms and processing procedures were warranted to ensure compliance with both local and Federal program requirements and to improve the program's records management system.

Essentially, HUD mandated the merger of the Section 8 Certificate and Voucher Programs into the new Housing Choice Voucher Program (HCVP), effective October 1, 1999. The merger was required by Congress when it enacted the Quality Housing and Work Responsibility Act of 1998. Under the HCVP, the CoPHD will no longer issue Section 8 Program certificates. The CoPHD issued only HCVP rental vouchers to newly admitted program participants and to current certificate holders requesting to move. If a program participant was holding an active certificate on October 1, 1999, the certificate was converted to a Housing Choice Voucher (HCV).

The HCV also gives program participants greater choice in their housing selection. The new HCV allows the program participant to pay more than the minimum required tenant payment for rent of their selected unit as long as the participant's family share does not exceed forty percent (40%) of their monthly adjusted income during the initial occupancy of a dwelling unit.

More specifically, if the gross rent exceeds the appropriate voucher payment standard, the program participant must pay the difference in rent that exceeds the standard. If the program participant is unable to pay the difference in rent, the program participant may use a newly issued HCV to move. This policy is further explained in Chapter 6 and Chapter 13 of this Administrative Plan.

A. RENTAL ASSISTANCE PROGRAMS

The City of Pasadena's HCVP serves the jurisdiction within the City boundaries and is operated under the authority of the CoPHD which is the designated PHA established by the City in April of 1989. The former PHA was consolidated with the Redevelopment Agency as the Pasadena Community Development Commission (PCDC) and was changed to CoPHD in 2012, which is a single operating entity and board, created under the Section 34115 of the State of California Health and Safety Code. The City Council acts as the CoPHD and exercises all the rights, powers, duties, and responsibilities of the PHA. As such, the CoPHD actively participates in other HUD supportive housing programs which provide housing assistance in a manner very similar to the HCVP, but with certain provisions for persons with special needs housings. The HUD rental assistance programs covered by the RAP Administrative Plan include Family Self-Sufficiency (FSS), Housing Opportunity for People with AIDS (HOPWA), Shelter Plus Care (SPC), Federal Emergency Management Assistance (FEMA), Supportive Housing and the HOME Investment Partnership (HOME) Tenant-Based, Veterans Affairs Supportive Housing (VASH) and Rental Assistance for the Non-elderly Persons with Disabilities (NED). The Housing Department administers the HCVP and the other HUD housing assistance programs on behalf of the CoPHD and the City of Pasadena.

Administration of the RAP and the functions and responsibilities of the Housing Department shall be in compliance with the City of Pasadena Personnel Policies, the HUD Section 8 Regulations, and all Federal, State and local Fair Housing Laws and Regulations.

B. OBJECTIVES

The RAP is designed to achieve six major objectives:

1. To provide decent, safe, and sanitary housing for very low-income families while maintaining their rent payments at an affordable level.

2. To promote freedom of housing choice and spatial de-concentration of very low-income families of all races and ethnic backgrounds.
3. To provide an incentive to owners to rent to very low-income families by offering timely rental assistance payments.
4. To provide housing opportunities for persons with a special medical or physical need.
5. To assist the local economy by increasing the occupancy rate and the amount of money flowing to the community.
6. To encourage self-sufficiency of participant families.

C. PURPOSE OF THE ADMINISTRATIVE PLAN

The purpose of this Administrative Plan is to establish the policies for carrying out the CoPHD RAP in a manner consistent with HUD requirements and local objectives. This Plan covers both admission and continued participation in these programs. Policies are the same for all programs unless otherwise noted.

The CoPHD is responsible for complying with all changes in HUD regulations pertaining to these programs. If such changes conflict with this Plan, HUD regulations will have precedence. The original Plan and any changes must be approved by the Board of Directors of the CoPHD and a copy provided to HUD.

D. FAIR HOUSING POLICY

[24 CFR 982.5; 424 CFR 8.21(c)(1), 8.24(a), 8.25, and 8.31]

It is the policy of the CoPHD to comply fully with all Federal, State and local nondiscrimination laws and with the rules and regulations governing Fair Housing Act and Equal Opportunity in housing and employment.

The CoPHD shall not deny any family or individual the opportunity to apply for or receive assistance under the RAP on the basis of race, color, sex, religion, creed, national or ethnic origin, age, family or marital status, disability or sexual orientation.

To further its commitment to full compliance with applicable Civil Rights laws, the CoPHD will provide Federal/State/local information to Rental Certificate and HCV holders regarding "discrimination" and any recourse available to them if they are victims of discrimination. Such information will be made available during the family briefing session, and all applicable Fair Housing Information and Discrimination Complaint Forms shall be a part of the Rental Certificate and HCV holder's briefing packet.

Except as otherwise provided in 24 CFR 8.21(c)(1), 8.24(a), 8.25, and 8.31, no individual with disabilities shall be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination because the Housing Department's facilities are inaccessible to or unusable by persons with disabilities.

Poster and housing information will be displayed in CoPHD main lobby in such a manner as to be easily readable.

The Housing Department office is located at 649 North Fair Oaks Avenue, Suite 202, Pasadena, California 91103, and is accessible to persons with disabilities. Accessibility for the hearing impaired is provided by the TDD/TTY telephone number 711.

E. SERVICE POLICY/ACCOMMODATIONS

The service policy is applicable to all situations described in this Administrative Plan when a family initiates contact with the CoPHD, and when the CoPHD initiates contact with a family.

It is the policy of the CoPHD to be service-directed in the administration of its housing programs, and to exercise and demonstrate a high level of professionalism while providing housing services to the families within the CoPHD jurisdiction. Coupled with this policy is also the desire to extend customer-friendly and thorough service to applicants, participants, owners and others whom may have interest in the CoPHD RAP by making their communication and/or visit to the Housing Department office as pleasant as possible.

An applicant, participant or owner who may be requesting general information regarding the status of their particular case, upon presentation of a pictured identification the receptionist will attempt to assist the person by accessing the Emphasys Elite Computer System to determine the present case status. However, in those situations where the visitor does not have picture identification or a scheduled appointment and the nature of their question requires the attention of a specific staff member who is not available, the visitor will be asked to complete a "Client Intake Form" and advised that the appropriate staff member will contact them within 72 hours. The same procedure will be followed for telephone inquiries.

Additionally, the CoPHD 's policies and practices will be designed to provide assurances that all persons with disabilities will be provided reasonable accommodation so that they may fully access and utilize the housing programs and related services. The availability of accommodations will be made known by including notices on CoPHD forms and letters to all families, and all requests will be verified so that the CoPHD can properly accommodate the need presented by the disability.

Reasonable Accommodation

Persons with disabilities may request in writing for a specific change to a policy or practice as an accommodation of their disability before the CoPHD will waive a written policy or practice. The CoPHD policies and practices are designed to provide assurances that persons with disabilities will be given reasonable accommodations, upon request, so that they may fully access and utilize the housing program and related services. This policy is intended to afford persons with disabilities an equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as those who do not have disabilities.

In order to facilitate a request for a reasonable accommodation, the requester must first complete the Request for a Reasonable Accommodation (RRA) form. However, if assistance is necessary to complete the RRA form, CoPHD staff will facilitate.

Upon receipt of the RRA form, the CoPHD will mail a Certification of Disability form to the professional third party that the family has identified to verify the person's status as a disabled person and their special housing needs. The CoPHD will also require that the third party provide additional information concerning any specific accommodation that the disabled person may require.

The CoPHD's Reasonable Accommodations Committee (RA Committee) is responsible for reviewing the RRA made by applicants and/or participants of the HCVP. The RA Committee is comprised of the Housing Assistant who is assigned to the family's case, the two Housing Specialists and the Housing Assistance Officer. Once a decision is made by the RA Committee, the assigned Housing Assistant will be responsible for notifying the family in writing of the RA Committee's decision on their request for reasonable accommodation.

The notification to the family will also inform the family of their rights to an informal review or informal hearing, if applicable, in accordance to CFR 982.554 and 982.555.

If the CoPHD finds that the requested accommodation creates an undue administrative or financial burden, the RA Committee will deny the request and/or present an alternate accommodation that will still meet the need of the person. Examples of alternate accommodations are:

- Payment standard maybe adjusted in accordance to the CFR.
- Expiring vouchers, with less than 30 days remaining, may be granted an additional 60 days over the 180 days outlined in this Plan.
- Issue appropriate size HCV to relocate to an affordable unit.

- CoPHD may grant two additional scheduled appointments over the standard written policy (see Chapter 4).

An undue administrative burden is one that requires a fundamental alteration of the essential functions of the CoPHD.

An undue financial burden is one that when considering the available resources of the agency as a whole, the requested accommodation would pose a financial hardship on the CoPHD.

All requests for accommodation will be verified with a reliable, knowledgeable professional that can verify the identifiable relationship, or nexus between the requested accommodation(s) and the individual's disability. The CoPHD is entitled to obtain information that is necessary to evaluate if a requested reasonable accommodation may be necessary because of a disability.

The CoPHD will notify the family in writing within 60 days or longer, pending the return of required documentation, if their request for a reasonable accommodation has been approved or denied. If a person is denied the accommodation or feels that the alternative suggestions are inadequate, they may request an informal review or an informal hearing to review the CoPHD decision. The CoPHD will make two attempts to obtain the required documentation. If the required documentation is not returned by the stated deadline, the CoPHD will make a determination based on the documentation submitted by the family or requester.

Reasonable accommodation will be made for persons with a disability that requires an advocate or accessible offices. A designee will be allowed to provide information, but only with the permission of the person with the disability.

All CoPHD mailings will be made available in an accessible format, upon written request, as a reasonable accommodation if there is no undue administrative or financial burden.

The CoPHD will utilize organizations which provide reasonable assistance for hearing/sight-impaired persons when needed.

At the annual re-examination, the CoPHD will review and re-evaluate previously approved reasonable accommodation. The family may be required to complete the Request for Reasonable Accommodation form. The CoPHD may mail a Certification of Disability and Housing Needs form to the professional third party indentified by the family to verify the person's disabled status and housing needs. In addition, families are required to inform the CoPHD in writing within 15 days from the date of the change if their circumstances change as it relates to the accommodation.

F. TRANSLATIONS OF DOCUMENTS

The CoPHD has bilingual staff to assist non-English speaking persons and to translate documents into Spanish. However, certain documents may be required to be translated by an outside certified translator.

In determining whether it is feasible to translate documents into other languages, the CoPHD will consider the following factors:

1. Number of applicants and participants who do not speak English and speak other languages.
2. Cost of translation into other languages per client.
3. Evaluation of the need for translation by the bilingual staff and by agencies that work with non-English speaking clients.
4. The availability of organizations to translate documents, letters and forms for non-English speaking families.
5. Availability of bilingual staff to explain translated documents to clients.

CoPHD will take reasonable steps to ensure access to their programs and activities by Limited English Proficiency (LEP) persons.

G. FAMILY OUTREACH

The CoPHD will publicize and disseminate information to make known the availability of housing assistance and related services for very low-income families. When the CoPHD's waiting list is open, the CoPHD will publicize the availability and nature of housing assistance for very low-income families in a newspaper of general circulation, minority media, and by other suitable means. Public notices will also be provided in Spanish.

To reach persons who cannot read, CoPHD may distribute fact sheets to broadcasting media, and initiate personal contacts with members of the news media and community service personnel. The CoPHD may also utilize public service announcements. The CoPHD may communicate the status of housing availability to other service providers in the community, and advise them of housing eligibility factors and guidelines in order that they can make proper referrals for housing assistance.

H. OWNER OUTREACH

The CoPHD encourages owners of decent, safe and sanitary housing units to lease to families receiving rental assistance. The Housing Department has a free housing search website which is called Pasadena Housing Search and it is located at <http://pasadenahousingsearch.com>. It has free listings and families are able to search for properties in the City of Pasadena and the County of Los Angeles. PasadenaHousingSearch.com is a partner website and shares listings with the Los Angeles County Housing Resource Center (<http://housing.lacounty.gov>) which posts housing data, information and resources for the entire County of Los Angeles. Families and owners can list and search from either site.

The CoPHD will also undertake the following activities to further its outreach efforts:

1. Actively recruit owners and when appropriate grant exception rents for units located in areas with rents higher than the current HUD published Fair Market Rents (FMR) or the average city market rents.
2. Initiate contact with owners and managers by conducting formal and informal discussions and meetings.
3. Provide printed materials such as owner's packets, program brochures, federal regulations, etc., to acquaint owners and managers with the opportunities available under the program.
4. Actively participate in community-based organizations comprised of property and apartment owners and managers.
5. Periodically evaluate the distribution of assisted families to identify areas within the jurisdiction where owner outreach should be targeted.
6. Conduct periodic meetings with participating owners to improve owner relations and to recruit new owners.

I. PRIVACY RIGHTS

Applicants and participants, including all adults in their households, are required to sign the HUD 9886 Authorization for the Release of Information/Privacy Act Notice (Form HUD 9886) and the CoPHD Authorization for Release of Information. These documents incorporate the Federal Privacy Act Statement and describe the conditions under which HUD and CoPHD will release family information.

In accordance with HUD requirements [CFR 982.307 (b)], the CoPHD will furnish prospective owners with the family's current address as shown in the CoPHD's records and, if known to the CoPHD, the name, address and telephone number of the owner at the family's current and prior address. This information will only be provided to prospective owners upon receipt of a written request.

A statement of the CoPHD's policy on release of information to prospective owners will be included in the briefing packet provided to the family. Additionally, the following CoPHD practices and procedures will be followed to ensure and safeguard privacy of applicants and program participants:

1. All applicant and participant case files will be stored in the "File Room" in a secure location.
2. CoPHD will not discuss family information contained in files unless there is a business reason to do so. Inappropriate discussion or improper disclosure of family information by staff will result in disciplinary action.

J. AFFIRMATIVE ACTION/EQUAL OPPORTUNITY

The City of Pasadena is committed to a policy of Affirmative Action/Equal Opportunity. The policy of the City shall be to provide equal opportunity to all persons and to prevent unlawful denial of opportunity to any individual because of race, gender, religion, creed, sexual orientation, color, marital status, national origins, parental status, ancestry, disability (including AIDS), medical condition and age. The CoPHD will comply with the Affirmative Action/Equal Employment Opportunity Practices Provisions of the City of Pasadena, Chapter 4.09 of the Pasadena Municipal Code, and the rules and regulations adopted pursuant to said ordinance.

K. RULES AND REGULATIONS

This Administrative Plan is set forth to define the CoPHD's local policies for operation of the RAP in the context of Federal laws and regulations. All issues related to the HCVP and the other City administered HUD Programs not addressed in this document are governed by such Federal regulations, HUD Memorandums, Notices and Guidelines, or other applicable law.

L. JURISDICTION

The Housing Department jurisdiction is the City of Pasadena and unincorporated areas of Pasadena, within the County of Los Angeles, California.

M. MONITORING OF PROGRAM PERFORMANCE

Reports will be maintained to:

1. Monitor funding availability and ensure the CoPHD is at maximum lease-up.
2. Track outstanding HCVs for expiration and/or suspension.
3. Track timeliness of annual re-examination/inspection activities.
4. Track number of failed inspections and abatements.
5. Track number and reason for moves and terminations of assistance.
6. Track number of new HCVs issued.
7. Track status of repayment amounts owed the PHA.
8. Track hard-to-house families.
9. Monitor/maintain names pulled from waiting list.
10. Monitor reports in PIH Information Center (PIC)

In order to ensure quality control, supervisory staff audits the following functions:

1. 50-60 % of annual re-examinations for staff not on probation and 100% of annual re-examinations new staff on probation.
2. 100% of new admissions and in-coming portable families.
3. 100% interim re-examinations.
4. 5% of the Housing Quality Standards (HQS) inspections conducted for all units.
5. 100% proposed terminations and end of participations.
6. 100% overpayment of rental assistance calculations.

N. TERMINOLOGY

The City of Pasadena Housing Department is referred to as the CoPHD or Public Housing Agency PHA throughout this document.

Family is used interchangeably with applicant or participant and refers to a single person family household.

Tenant is used to refer to participants in terms of their relation to owners.

Landlord and owners are used interchangeably.

New Rule refers to the HUD Occupancy Regulations (subsidy standards) effective October 2, 1995.

Old Rule refers to the regulations that were superseded on that date.

Unified Rule refers to Part 982 Section 8 Tenant-Based Assistance: Unified Rule for Tenant-Based Assistance under the Rental Certificate Program and the Section 8 Rental Voucher Program dated September 11, 1996.

Non-Citizens Rule refers to the regulation effective June 19, 1995, restricting assistance to U.S. citizens and eligible immigrants.

HQS means the Housing Quality Standards required by regulations and enhanced by CoPHD in accordance with State and local ordinances.

Housing Choice Voucher (HCV) Program refers to the Tenant-Based Rental Assistance Program that essentially replaced the Section 8 Certificate and Voucher Programs, effective October 1, 1999.

See Glossary for other terminology.

CHAPTER 2

ELIGIBILITY FOR ADMISSION [24 CFR 5, Subparts B, D & E; 24 CFR 982, Subpart E]

INTRODUCTION

This Chapter defines both HUD's and the CoPHD's criteria for admission and denial of admission to the program. The policy of the CoPHD is to strive for objectivity and consistency in applying these criteria when evaluating the eligibility of families who apply. The CoPHD staff will review all information provided by families carefully and without regards to factors other than those defined in this Chapter. Families will be provided the opportunity to explain their circumstances, to furnish additional information, if needed, and to receive an explanation of the basis for any decision made by the CoPHD pertaining to their eligibility.

A. ELIGIBILITY FACTORS

To be eligible for participation, an applicant must meet HUD's criteria, as well as any permissible additional criteria established by the CoPHD.

1. An applicant must be a "family."
2. A family must be income-eligible, within the appropriate income limits.
3. A family must be a citizen or a non-citizen who has eligible immigration status.

For the CoPHD's additional criteria for eligibility, see Section F in this Chapter, "Other Criteria for Admission".

The family's initial eligibility for placement on the waiting list will be made in accordance with the eligibility factors. Compliance with the eligibility factors will not be verified before the family is placed on the waiting list. Evidence of Citizenship/Eligible Immigrant Status will not be verified until the family is selected from the waiting list for issuance of a Housing Choice Voucher (HCV), unless the CoPHD has determined that such eligibility is in question, regardless of whether or not the family is at or near the top of the waiting list.

B. FAMILY COMPOSITION [24 CFR 5.403, 982.201]

The applicant must qualify as a "family" as identified below:

1. A "family" may be a single person or a group of persons.
2. A "family" includes a family with a child or children.

3. A group of persons consisting of two or more elderly persons or disabled persons living together, or one or more elderly or disabled persons living with one or more live-in aides is a "family." The PHA determines if any other group of persons qualifies as a "family."
4. A single person family may be:
 - (i) An elderly person
 - (ii) A displaced person
 - (iii) A disabled person
 - (iv) Any other single person.
5. A child who is temporarily away from the home because of placement in foster care may be considered a member of the family. Refer to Chapter 6 Section H of this Plan for additional information.

Discrimination on the basis of familial status is prohibited, and a group of persons may not be denied solely on the basis that they are not related by blood, marriage or operation of law.

Live-in Aide [24 CFR 982.316]

A family that consists of one or more elderly, near-elderly or disabled persons may request that the PHA approve a live-in aide to reside in the unit and provide necessary supportive services for a family member who is a person with disabilities. The CoPHD must approve a live-in aide if needed as a reasonable accommodation in accordance with 24 CFR 8, to make the program accessible to and usable by the family member with a disability.

The live-in aide:

1. Is determined to be essential to the care and well being to the person with disabilities.
2. Is not obligated for the support of the person(s).
3. Would not be living in the unit except to provide care for the person(s); and
4. Does not have a separate residence.

Once the CoPHD has approved the family's request for a live-in aide, the person selected by the family must be approved by the CoPHD and owner. The CoPHD may refuse to approve a particular person as a live-in aide, or withdraw such approval if:

1. The person commits fraud, bribery or any other corrupt or criminal act in connection with any Federal housing program.
2. The person commits drug-related criminal activity, violent criminal activity, or is subject to a lifetime registration requirement under a State sex offender registration program.
3. The person currently owes rent or other amounts to the CoPHD or to another PHA in connection with Section 8 or public housing assistance; or
4. The person is under the age of 18.
5. The person ever convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.

A live-in aide is treated differently than family members:

1. Income of the live-in aides will not be counted for purposes of determining eligibility or level of benefits. However, information will be gathered.
2. Live-in aides must have a valid Social Security number.
3. Live-in aides will not be considered as a remaining member of the family.

Relatives are not automatically excluded from being live-in aides, but they must meet all of the elements of the live-in aide definition described above.

A live-in aide may only reside in the unit with the approval of the CoPHD. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or caseworker. The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, near elderly (50-61) or disabled. Verification must include the number of hours that care will be provided. See Chapter 7 of this Plan, "Verification Procedures".

A family member status cannot be changed to a live-in aide if there is an outstanding overpayment which was caused by the family member's actions.

Family members of a live-in aide may reside in the unit with the approval of the CoPHD and owner, provided doing so does not increase the subsidy by the cost of an additional bedroom and that the presence of the live-in aide's family members does not overcrowd the unit.

The CoPHD has the right to disapprove the person selected as the live-in aide based on the "Other Criteria for Eligibility" described in this Chapter.

Families will be required to complete the "Request for Live-in Aide" form. The person approved as the live-in aide must complete and sign "Live-in Aide Certification" form.

C. INCOME LIMITATIONS [24 CFR 982.201]

In order to be income-eligible for assistance, an applicant must be either:

1. A very low-income family; or
2. A low-income family in any of the following categories:
 - a. A low-income family that is "continuously assisted" under the 1937 Housing Act. A family is continuously assisted if the family has received assistance under any 1937 Housing Act program. Programs include public housing, all rental assistance programs and all Section 23 programs.
 - b. A low-income family physically displaced by rental rehabilitation activity under 24 CFR 511.
 - c. A low-income, non-purchasing family residing in a HOPE 1 or HOPE 2 project.
 - d. A low-income family that qualifies for voucher assistance as a non-purchasing family residing in a project subject to a homeownership program under §248.173 of this title.
 - e. A low-income or moderate-income family displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing as defined in §248.101 of this title.
3. HUD requires that at least 75% of new admissions during the CoPHD's fiscal year to be targeted to families at or below 30% of median income. This limitation does not apply to continuously assisted families, enhanced rental voucher recipients or certificate families who are converting to rental vouchers.

To determine if the family is income-eligible, the CoPHD shall compare the annual income of the family to the applicable income limit in effect for the family's size.

A Single Person Who is Pregnant

1. A single pregnant woman must be at or below the income limit for one person.
2. In establishing the appropriate space standards for the number of bedrooms, the PCDC will consider the size of the household with the unborn child included.
3. The single pregnant woman will not be entitled to the benefit of the \$480.00 dependent allowance until after the birth of the child, during an interim re-examination.

Families whose annual income exceeds the income limit will be denied admission and offered an informal review.

Families who report zero household income will be referred to local social service agencies to obtain any benefits which they may be eligible to receive.

Single-Jurisdiction Housing Agencies: The applicable income limit to be used at initial issuance of a HCV is the income limit of the housing agency. CoPHD is a single-jurisdiction housing agency.

Multi-Jurisdictional Housing Agencies: The applicable income limit used for initial issuance of a HCV is the highest income limit within the housing agency's jurisdiction.

For admission to the program (initial lease-up), the family's income must be within the very low-income limit of the jurisdiction where they want to live.

D. MANDATORY SOCIAL SECURITY NUMBERS [24 CFR 5.216]

Applicants (including each member of the household) are required to disclose his/her assigned Social Security Number (SSN), with the exception of the following individuals:

1. Those individuals who do not contend to have eligible immigration status (individuals who may be unlawfully present in the United States). These individuals in most instances would not be eligible for a SSN.
 - a. A family that consists of single household member (including a pregnant individual) who does not have eligible immigration status is not eligible for housing assistance and cannot be housed.
 - b. A family that consists of two or more household members and at least one household member that has eligible immigration status, is classified as a mixed family, and is eligible for prorated assistance in accordance with 24 CFR 5.520. The CoPHD may not deny assistance to mixed families due to non-disclosure of a SSN by an individual who does not contend to have eligible immigration status.

Applicants (including each member or the household) , who are not exempt under Section 5 of the Notice PIH 2010-3 (HA), are required to provide verification of Social Security numbers.

Newborn children do not have an assigned SSN will be:

1. Included as household member and entitled to benefits.
2. CoPHD will generate a PIC Alternate ID.
3. Head of Household (HOH) is allowed 90 days to provide documentation of the Social Security Number.

The CoPHD may extend the time frame for an additional 90 days if unforeseen circumstances outside of the control of the head of household prevented the disclosure of the required documentation.

The addition of new household members (other than by birth) who have an assigned Social Security Number and have not submitted verification will not be:

1. Added to the family composition until the family has complied with the Social Security Number disclosure and verification requirements.
2. Generated a PIC Alternate ID.

Citizens and lawfully present noncitizens who state that they have not been assigned a SSN by the SSA should make such declaration in writing and under penalties of perjury to the CoPHD. The CoPHD will:

1. Included as household member and entitled to benefits.
2. CoPHD will generate a PIC Alternate ID.
3. Head of Household (HOH) is allowed 90 days to provide documentation of the Social Security Number.

If a family member does not have a valid Social Security number due to their immigration status, the individual must sign and date a certification form that s/he does not have a Social Security number.

NOTE: If the family member who is required to execute a certification is less than 18 years old, the certification must be executed by the individual's parent or guardian unless the person is an emancipated minor.

When a family requests to add a new household members, who is at least 6 year or age or under the age of six and has an assigned SSN, the participant must disclose the assigned SSN and provide the CoPHD documentation (See Chapter 7 of this Plan for acceptable documentation). If the family is unable to provide the required documentation, the CoPHD will not add the new household member until the participant has provided the documentation.

When a family requests to add a new household member who is under the age of six and does not have an assigned SSN, the family must disclose the assigned SSN and provide the CoPHD documentation within 90 calendar days of the child being added to the household.

If the family is unable to disclose and provide evidence of a SSN within 90 calendar days, the CoPHD will grant the family an additional 90 days period to comply with the SSN disclosure if the CoPHD determines the family was unable to comply with the requirements due to circumstances that could not have reasonably been foreseen and were outside of the family control (i.e. delayed caused by SSA, natural disaster, fire, death in family, etc.).

In accordance with 24 CFR 5.218, the following penalties apply for noncompliance with the SSN disclosure and documentation requirements:

1. The CoPHD will deny eligibility of an applicant if s/he (including each member of the household) does not disclose a SSN. However, if the applicant is unable to disclose and/or provide documentation of such SSN, who is otherwise eligible to participate in the program, the family will maintain his/her position on the waiting list up to 180 calendar days. If the applicant has not complied with the SSN disclosure and documentation requirement, the CoPHD will disqualify the applicant and remove them from the waiting list.
2. Applicants will be removed from the waiting list for failing to disclose a SSN.

For acceptable reasons for rejection of tenant-provided documentation, see Chapter 7 of this Plan, Section H "Verifying Non-Financial Factors".

E. CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS [24 CFR 5, Subpart E]

In order to receive rental assistance, at least one family member must be a U.S. citizen or eligible immigrant. Individuals who are neither may elect not to contend their status. Eligible immigrants are persons who are in one of the six immigrant categories as specified by HUD.

For the Citizenship/Eligible Immigration requirement, the status of each member of the family is considered individually before the family's status is defined.

Eligible Families: An eligible family will be comprised of citizen(s), national(s) or non-citizen(s) with eligible immigrant status.

Mixed Families: A mixed family is comprised of citizen(s) or eligible non-citizen(s) and those without citizenship or eligible non-citizen status. A mixed family is eligible for prorated assistance. The family may request an informal hearing if they contest this determination.

Ineligible Families: An ineligible family is one in which no member is a citizen, national or eligible immigrant. Families will be denied admission and may request an informal hearing.

Non-Citizen Students: Non-citizen student defined by HUD in the non-citizen regulations are not eligible for assistance.

F. OTHER CRITERIA FOR ADMISSION [24 CFR 982.552, 982.553 (C)]

The CoPHD must apply the following criteria, in addition to HUD eligibility criteria, as grounds for denial of admission to the program.

1. The family must not have violated any family obligation during a previous participation in RAP during the last five years.

When the CoPHD denies assistance to an applicant with a disability, the applicant may request a review of the family obligation that was violated, if the violation was a result of the disability.

An exception may be granted by the CoPHD if the family member who violated the family obligation is not a current member of the household listed on the application.

2. No family member may have committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program in the last five years unless the CoPHD or PHA has imposed a lifetime restriction from participating due to the nature of the violation(s), crime or offense.
3. Family must have paid any outstanding debt owed the CoPHD or another housing agency as a result of prior participation in any Federal housing program. Family will have 90 days to pay any outstanding debts in full once their name has been reached.
4. No member of the family may have engaged in drug-related or violent criminal activity within the last five years.

The CoPHD will not be obligated to ferret out information concerning a family's criminal activities other than drug-related or violent criminal activity other related activities as part of the processing of an application for assistance. Initial screening will be limited to routine inquiries of the family and any other information provided to the CoPHD regarding this matter. The inquiries will be standardized and directed to all families by inclusion in the application form.

If the family indicates that they have been arrested or convicted within the prior five years for drug-related or violent criminal activity, the CoPHD shall obtain verification through police/court records.

Verification of any past activity will be done at the initial eligibility review and will include a check of conviction and other records by a law enforcement agency.

5. No family member may have been evicted from federally assisted housing for any reason during the last five years.
6. No family member may have engaged in or threatened abusive or violent behavior toward CoPHD personnel or their property.
7. Family member(s) must not be subject to a lifetime registration requirement under a State sex offender registration program.
8. No family member may have been convicted of drug-related criminal activity involving manufacture or production of methamphetamine on the premises of federally assisted housing.
9. Students enrolled in an institution of higher education, who are:
 - a. Under the age of 24;
 - b. Not a veteran;
 - c. Unmarried;
 - d. Do not have a dependent child;
 - e. Have not established a separate household from their parents or legal guardians for at least one year prior to applying for rental assistance;
 - f. Nor claimed as a dependent by parents or legal guardians on their Internal Revenue Services tax return; and
 - g. Not receiving financial support from parent or legal guardians.

G. SUITABILITY OF FAMILY

The CoPHD may take into consideration any of the additional criteria for admission in Section F above, but may not otherwise screen for factors which relate to the suitability of

the applicant family as tenants. It is the responsibility of the owner to screen the family as to their suitability for tenancy.

The CoPHD will advise families how to file a Housing Discrimination Complaint (Form HUD-903) if they have been discriminated against by an owner. The CoPHD may also report the owner to HUD (Fair Housing/Equal Opportunity) or any local fair housing organizations. A copy of the Housing Discrimination Complaint form will be provided to families at the program briefing.

H. CHANGES IN ELIGIBILITY PRIOR TO EFFECTIVE DATE OF THE CONTRACT

Changes that occur during the period between placement on the waiting list and prior to admission may affect the family's eligibility. For example, if a family goes over the income limit prior to lease up, the family will not be eligible for the program. The application will be disqualified and their name will be removed from the waiting list if the applicant is determined ineligible. They will be notified in writing of their ineligible status and their right to an informal review.

I. INELIGIBLE FAMILIES

Families who are determined to be ineligible will be notified in writing of the reason for denial and given an opportunity to request an informal review or an informal hearing if they were denied due to non-citizen status. See Chapter 18 of this Plan, "Complaints and Appeals" for additional information about informal reviews and informal hearings.

CHAPTER 3

APPLYING FOR ADMISSION

INTRODUCTION

The policy of the CoPHD is to ensure that all families who express an interest in housing assistance are given an equal opportunity to apply, and are treated in a fair and consistent manner. This Chapter describes the policies and procedures for enrollment for assistance, placement and denial of placement on the waiting list, and limitations on who may apply. The primary purpose of the enrollment function is to gather information about the family, but the CoPHD will also utilize this process to provide information to the family so that an accurate and timely decision of eligibility can be made. Applicants will be placed on the waiting list in accordance with this Chapter.

A. HOW TO APPLY

Families who wish to apply for the CoPHD 's Housing Choice Voucher Program (HCVP) must apply during open enrollment. The CoPHD will review different intake methods to determine the most effective method. The CoPHD enrollment process will be in English, Spanish and other languages specific to the general population. During the open enrollment process, families may request a reasonable accommodation to facilitate the enrollment process.

Applicants will be required to provide information on the family composition, income, and local preferences to complete their enrollment. Once the open enrollment process has been completed, their name will be placed on the waiting list. The information provided will be the basis for the family's placement on the waiting list. Providing false, incomplete or inaccurate information will be grounds for denial of placement on the waiting list.

The open enrollment period and process for the targeted Supportive Housing Programs may vary from the above, see Chapter 20 of this Plan, "Supportive Housing Services".

B. OPEN ENROLLMENT [24 CFR 982.206]

The CoPHD will utilize the following procedures for opening the waiting list. When the CoPHD has determined that either; 1) it is in receipt of additional funding allocations from HUD and subsequent amendment to the Consolidated Annual Contributions Contract (ACC) for new vouchers, 2) the existing waiting list has been substantially depleted (200 names or less of applicants with residency preference), and/or 3) the existing waiting list is depleted of applicants for Non-Elderly Disabled (NED) Category #1 or #2 HCVs, the CoPHD may open registration to the waiting list for new applicants for a specific category.

Opening of the waiting list (open enrollment) will be advertised through an affirmative marketing strategy, which will give 30-day advance notice prior to open enrollment. The following marketing methods may be utilized to disseminate information regarding open enrollment to the widest spectrum of the general public:

1. Public notifications in local newspapers of general circulation.
2. Public service announcements on local television and cable networks.
3. Announcements in minority media.
4. Distribution of notices to social services agencies (i.e., Social Security Administration, Department of Public Social Services, Employment Development Department, City Department of Human Services and Recreation, Pasadena Senior Center, and local libraries, etc.).
5. Notification and solicitation of current HCVP participants and owners to inform interested households; and
6. Other suitable means for notification of the availability and nature of the HCVP, such as:
 - a. Special feature articles in local newspapers or on local cable networks which highlight how the program can assist various types of households.
 - b. Provision of a HCVP fact sheet to the broadcast media.
 - c. Distribution of pamphlets and other program information in English, Spanish, and other languages specific to the general population, provided it does not cause an undue financial burden to the CoPHD; and
 - d. Direct contact with civic organizations and agencies for whose constituents English is not their primary language.
 - e. City of Pasadena Housing Department website.

The open enrollment process will be reviewed to ascertain which outreach methods have been most effective. Based on the findings reached after examination of the data, the CoPHD will take additional steps to enhance its future outreach efforts.

The Public Notice must contain:

1. The dates and times when families may apply and the method of enrollment.
2. The program(s) for which applications will be taken.

3. A brief description of the program(s).
4. Limitations, if any, on whom may apply.

The notices may provide potential applicants with information that includes the CoPHD's telephone number, how the open enrollment process will be handled, when the HCVP enrollment will be taken, information on eligibility requirements, and the availability of local preferences.

Suspension of Enrollment Period

If the CoPHD determines that the existing waiting list contains an adequate pool for the use of available program funding, the CoPHD may stop accepting new applications, or may accept only applications meeting criteria adopted by CoPHD.

The open enrollment period shall be long enough to achieve a waiting list adequate to cover projected turnover and new allocations but not create a waiting list that cannot be maintained based on the CoPHD's resources and funding. The CoPHD will give not less than five days public notice prior to closing the waiting list.

C. APPLICATION PROCEDURES

The CoPHD conducts an open enrollment process to establish a Section 8 HCVP waiting list. Applications will only be processed during the specified periods and following the conditions that the CoPHD has publicly announced.

D. HCVP APPLICATION PROCEDURES [24 CFR 982.204 (b)]

The purpose of the application is to allow the CoPHD to assess if the family is preliminarily eligible or ineligible for rental assistance and to determine the family's placement on the waiting list. The application may contain questions designed to obtain the following information:

1. Name and age of applicant and all household members.
2. Sex and relationship of all household members.
3. Home address and telephone numbers.
4. Mailing address (P.O. Box or other reliable address).
5. Assets owned by any and all household members.

6. Amount(s) and source(s) of income received by household members.
7. Information regarding disabilities relating to program requirements (i.e., allowances).
8. Information related to qualification for preferences.
9. Social Security numbers.
10. Race/ethnicity.
11. Citizenship/eligible immigration status.
12. Convicted of and/or engaged in drug-related or violent criminal activity.
13. Request for reasonable accommodation needed to fully utilize program and services.
14. Program integrity questions regarding previous participation in HUD programs.

Duplicate applications, including applications from a segment of an applicant household, will be combined as one in which case the first application submitted will be accepted and all others will be denied. Incomplete applications will not be accepted. Applications will not be accepted if the applicant fails to comply with the open enrollment process and/or instructions.

The initial processing of applications will not require an interview. Eligibility will be determined when an availability of a HCV exists for issuance, and applicant information has been verified or re-verified no more than 60 days prior to scheduled date for issuance of the HCV.

Applicants are required to inform the CoPHD, in writing, within 15 days of changes in family composition, income, and address, as well as any changes in their preference status. Applicants are also required to respond to requests from the CoPHD to update information on their application, and/or to determine their continued interest in assistance. The applicant will usually be requested to return the information to the CoPHD within 15 days. Failure to provide information or to respond to mailings will result in the applicant being removed from the waiting list, see Chapter 18 of this Plan, "Complaints and Appeals".

If a letter is returned by the Post Office with or without a forwarding address, the applicant will be removed from the waiting list without further notice, and the envelope and letter will be maintained in the file.

In the event that any correspondence that is mailed for any purpose is returned by the Post Office, the applicant will be removed from the waiting list due to the family's failure to report a change of address. In the event where a prior instance occurred due to a change of address was not reported but a forwarding address was provided, the applicant will be removed from the waiting list due to family's failure to report a change of address in writing to the CoPHD if the correspondence is returned by the Post Office with a forwarding address.

E. TIME OF SELECTION

Families will be selected from the waiting list in their preference-determined sequence when funding is available, regardless of family size. When there is insufficient funding available for the family at the top of the list, the CoPHD will not admit any other applicant until funding is available.

A pool of 25 completed eligible applicant files will be maintained to minimize delays in admissions when funding becomes available. However, families will only be offered a HCV in accordance with their placement on the waiting list.

F. COMPLETION OF A FULL APPLICATION

All applicants will be required to participate in a full application interview with a CoPHD representative. During the interview, the applicant will be required to furnish true, complete and accurate information requested by the CoPHD. The CoPHD will review and update the HCVP Application with the family. The applicant will sign and certify that all information is true, complete and accurate.

G. INTERVIEW REQUIREMENTS

The CoPHD utilizes the full application interview to discuss the family's circumstances in greater detail, to clarify information which has been provided by the family, and to ensure that the information is true and complete. The interview is also used as a vehicle to meet the informational needs of the family by providing information about the application and verification process, as well as to advise the family of other CoPHD services or programs which may be available. All adult family members are required to attend the interview and sign CoPHD forms. If the family requires a reasonable accommodation to facilitate the interview, the applicant must submit a written request for reasonable accommodation at least five days prior to the scheduled appointment.

If applicants arrive late to the appointment, applicants will not be seen and this appointment will be considered a missed appointment.

If the applicant arrives to the appointment with incomplete forms, without the requested information, and/or all adult family members, applicants will not be seen and this appointment will be considered a missed appointment.

If the applicant misses the scheduled appointment, a second appointment will be scheduled. If the applicant misses two scheduled/rescheduled appointments, the CoPHD will remove the applicant's name from the waiting list.

If an applicant fails to appear for their second appointment, their application will be denied unless they can provide acceptable documentation to the CoPHD that an emergency prevented them from calling and/or attending.

If the application is denied based on the reasons mentioned above, the applicant will be notified in writing and offered an opportunity to request an informal review, see Chapter 18 of this Plan, "Complaints and Appeals".

All adult family members must review and sign the following program forms:

1. Form HUD-9886 Authorization for the Release of Information/Privacy Act Notice.
2. Form HUD-1140 Things You Should Know.
3. Federal Privacy Act Statement.
4. CoPHD Authorization for Release of Information.
5. HCVP Application and all supplemental forms required by the CoPHD.
6. Declaration of Section 214 Status.
7. Client Screening – Criminal History Background.
8. What You Should Know About EIV.
9. Debts Owed to the Public Housing Agencies and Terminations.

Applicants will be required to sign specific verification forms for information and all supplemental forms required by the CoPHD. Failure to do so will be cause for removal of the applicants name from the waiting list. However, a person may sign on behalf of applicant or adult family member only when a power of attorney or conservatorships is in place.

Information provided by the applicant will be verified. Verifications may not be more than 60 days old at the time of a HCV issuance.

When the CoPHD determines at or after the interview that missing or additional information or documents are needed, the CoPHD will request the documents or information in writing. The applicant will be given 15 days to supply the information.

The appointment letter with the Eligibility Fact Sheet will be considered the first request for information and/or documentation. If the family fails to submit all of the requested information and/or documentation at the time of the interview, the family will be provided with a list of information and/or documentation to submit by an established deadline. This will be considered a second and final request.

If the family fails to supply the requested information by the established deadline after a second and final request has been made, the CoPHD will provide the applicant with a notification of removal of their name from the waiting list, see Chapter 19 of this Plan, "Complaints and Appeals".

H. FINAL DETERMINATION AND NOTIFICATION OF ELIGIBILITY

After the verification process is completed, the CoPHD will make a final determination of eligibility. The CoPHD's final determination will be based on the information verified and the current eligibility criteria in effect. If the applicant is determined to be eligible, the CoPHD will mail a notification of eligibility. A briefing session will be scheduled for the issuance of a HCV and orientation to the HCVP.

I. INELIGIBLE DUE TO INCONSISTENCIES

When the applicant has submitted all of the requested information and the verifications have been received, the CoPHD must analyze the information to make a final determination of eligibility. However, the family will be determined ineligible if the information is inconsistent and/or conflicting.

CHAPTER 4

ESTABLISHING PREFERENCES AND MAINTAINING THE WAITING LIST [24 CFR Part 5, Subpart D; 982.203; 982.204; 982.205; 982.207]

INTRODUCTION

It is the CoPHD's objective to ensure that applicants are placed in the proper order on the waiting list so that an offer of assistance is not delayed to any applicant or made to any applicant prematurely.

This Chapter defines the eligibility criteria for local preferences which the CoPHD has adopted to meet local housing needs and explains the CoPHD's system of applying them.

By maintaining a waiting list, the CoPHD will be able to perform the activities which will ensure that an adequate pool of qualified applicants will be available so that program funds are used in a timely manner.

A. APPLICATION POOL

The waiting list will be maintained in accordance with the following guidelines:

1. The applications will be maintained in a database file.
2. All applicants in the pool will be maintained in the order of preference and date and time of the application.

The waiting list will contain the following information for each applicant:

1. Applicant name.
2. Family unit size (number of bedrooms for which family qualifies based on the occupancy standards).
3. Date and time of application.
4. Qualification of any local preferences.
5. Racial or ethnic designation of the head of household.

The order of admission from the waiting list may not be based on family size or on the family unit size for which the family qualifies under the CoPHD occupancy policy. If the CoPHD does not have sufficient funds to subsidize the family unit size of the family at the top of the waiting list, the CoPHD may not skip the top family to admit an applicant with a smaller family unit size.

When HUD awards the CoPHD funding for a specified category of families on the waiting list, the CoPHD must select applicant families in the specified category. The CoPHD must be a single waiting list for admission to its Section 8 Tenant-Based Assistance Program (TBAP).

Special Admissions [24 CFR 982.203]

The CoPHD may admit a family that is not on the CoPHD waiting list or without considering the family's waiting list position if HUD awards program funding that is targeted for families living in specified units. The CoPHD will maintain records showing that the family was admitted with HUD-targeted assistance.

The CoPHD must use the assistance for the families living in these units.

The following are examples of types of program funding that may be targeted for a family living in a specified unit:

1. A family displaced because of demolition or disposition of a public or Indian housing project.
2. A family residing in a multi-family rental housing project when HUD sells, forecloses or demolishes the project.
3. For housing covered by the Low Income Housing Preservation and Resident Homeownership Act of 1990.
 - a. A non-purchasing family residing in a project subject to a homeownership program.
 - b. A family displaced because the mortgage prepayment or voluntary termination of a mortgage insurance contract.
4. A family residing in a project covered by a project-based Section 8 HAP contract at or near the end of the contract term; and
5. A non-purchasing family residing in a HOPE 1 or HOPE 2 Project.

Applicants who are admitted under targeted funding which are not identified as a Special Admission would be identified by codes in the automated system.

B. WAITING LIST PREFERENCES [24 CFR 982.207]

The CoPHD has adopted a local preferences system for applicants' placement on the waiting list and selection of families from the waiting list. Preferences will only be verified at the time the family has been selected from the waiting list.

If an applicant makes a false statement in order to qualify for a preference, the CoPHD will deny the preference. If the applicant falsifies documents in order to qualify for a preference, the application will be disqualified.

C. LOCAL PREFERENCES [24 CFR 982.207]

A notice adapting new local preferences will be publicized and distributed using the same guidelines as those for opening and closing the waiting list.

The CoPHD uses the following local preferences:

1. **Residency preference** for applicants in which the family lives in Pasadena or the head of household or spouse is working or who has been notified that they are hired to work in Pasadena.
2. **Working preference** for applicants in which the head of household or spouse works or attends school within the CoPHD's jurisdiction.
3. **Disabled preference** for applicants in which the head of household or spouse is disabled.
4. **Veteran preference** for applicants in which the head of household or spouse is a current member of the U S Armed Forces, a U S Armed Forces veteran, or the surviving spouse of a U S Armed Forces veteran.
5. **Involuntarily Displaced preference** for applicants who have been involuntarily displaced (as described below).
6. **Substandard housing preference** for applicants who are currently residing in substandard housing (as described below).

An applicant shall be given the benefit of the working preference if the head and spouse, or sole member is age 62 or older or is a person with disabilities.

Preferences will be verified pursuant to the verification process outlined in Chapter 7 of this Plan, "Verification Procedures".

Involuntary Displacement

Involuntarily displaced applicants are applicants who have been involuntarily displaced within the last 90 days and are not living in standard, permanent replacement housing, or will be involuntarily displaced within three months from the date of preference status verification by the CoPHD.

Families are considered to be involuntarily displaced if they are required to vacate housing as a result of:

1. A disaster (fire, flood, earthquake, etc.) that has caused the unit to be uninhabitable. To receive the preference for involuntary displacement, a written notice of displacement must be submitted. This notice can be provided by an agency or government in the case of displacement due to natural disaster such as fire, earthquake, or flood or displacement due to governmental action.
2. Federal, State or local government action related to code enforcement, public improvement or development.
3. Action by a residential owner which is beyond an applicant's ability to control, and which occurs despite the applicant having met all previous conditions of occupancy, and is other than a rent increase.

If the owner is an immediate family relative, and there has been no previous rental agreement, and the applicant has been part of the owner's family immediately prior to application, the applicant will not be considered involuntarily displaced.

For purposes of this definitional element, reasons for an applicant having to vacate a housing unit include, but are not limited to:

- a. Conversion of an applicant's housing unit to non-rental or non-residential use.
- b. Closure of an applicant's housing unit for rehabilitation or non-residential use.
- c. Notice to an applicant that s/he must vacate a unit because the owner wants the unit for the owner's personal or family use or occupancy.
- d. Sale of a housing unit in which an applicant resides under an agreement that the unit must be vacant when possession is transferred; or
- e. Any other legally authorized act that results, or will result, in the withdrawal by the owner of the unit or structure from the rental market. In the case of displacement by a residential owner, a copy of the notice to vacate stating the reason(s) for eviction must be provided.

4. Actual or threatened physical violence directed against the applicant or the applicant's family by a spouse or other household member who lives in the unit with the family. The actual or threatened violence must have occurred within the past 120 days or be of a continuing nature.

The CoPHD will comply with the Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA), which protects family members who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from housing assistance based on acts of such violence against them. Form HUD-50066 Certification of Domestic Violence, Dating Violence or Stalking is to be completed, signed and submitted by the family within 14 business days of the request.

To qualify for this preference, the abuser must still reside in the unit from which the victim was displaced. The applicant must certify that the abuser will not reside with the applicant unless the CoPHD gives prior written approval.

Additionally, the applicant will qualify for this preference if the applicant is a victim of dating violence or stalking which resulted in the applicant to be displaced.

The CoPHD may approve the return of the abuser to the household under the condition that a counselor, therapist or other appropriate professional recommends, in writing, that the individual be allowed to reside with the family. If the abuser returns to the family without approval of the CoPHD, the CoPHD may deny or terminate assistance as a breach.

The CoPHD will take precautions to ensure that the new location of the family is concealed in cases of domestic abuse.

An applicant who lives in a violent neighborhood or is fearful of other violence outside the household is not considered involuntarily displaced.

5. To avoid reprisals because the family provided information on criminal activities to a law enforcement agency and, after a threat assessment, the law enforcement agency recommends re-housing the family to avoid or reduce risk of violence against the family.

The family must be part of a Witness Protection Program, or the HUD Office or law enforcement agency must have informed the CoPHD that the family is part of a similar program.

The CoPHD will take precautions to ensure that the new location of the family is concealed in cases of witness protection.

6. By hate crimes if a member of the family has been the victim of one or more hate crimes, and the applicant has vacated the unit because of the crime or the fear of such a crime has destroyed the applicant's peaceful enjoyment of the unit.

A hate crime is actual or threatened physical violence or intimidation that is directed against a person or their property, and is based on the person's race, color, religion, sex, national origin, disability or familial status, including sexual orientation, and which occurred within the last 120 days or is of a continuing nature.

7. Displacement by non-suitability of the unit when a member of the family has a mobility and/or other impairment that makes the person unable to use critical elements of the unit and the owner is not legally obligated to make changes to the unit.

Critical elements are entry and egress of unit and building, a sleeping area, a full bathroom, a kitchen if the person with a disability must do their own food preparation, etc.

8. Due to HUD disposition of a multi-family project under Section 203 of the Housing and Community Development Act Amendments of 1978.

Standard Replacement Housing

In order to receive the displacement preference, applicants who have been displaced must not be living in "standard, permanent replacement housing."

Standard replacement housing is defined as housing that is decent, safe and sanitary according to Housing Quality Standards (HQS), and is adequate for the family size according to HQS.

Standard replacement housing does not include transient facilities, hotels, motels, temporary shelters. In the case of domestic violence, the family will not be eligible for this preference if the family relocates and the abuser continues to reside with the family at the new location. It does not include any individual imprisoned or detained pursuant to State law or an Act of Congress. Shared housing with family or friends is not considered temporary and is considered standard replacement housing.

Substandard Housing

Applicants who live in substandard housing are families whose dwelling meets one or more of the following criteria, provided that the family did not cause the condition:

1. Is dilapidated as cited by officials of a code enforcement office and does not provide safe, adequate shelter; has one or more critical defects or a combination of defects requiring considerable repair; endangers the health, safety, and well-being of the family.
2. Does not have operable indoor plumbing.
3. Does not have a usable flush toilet in the unit for the exclusive use of the family.
4. Does not have usable bathtub or shower in unit for exclusive family use.
5. Does not have adequate, safe electrical service.
6. Does not have an adequate, safe source of heat.
7. Does not have a kitchen. (Single Room Occupancy [SRO] Housing is not substandard solely because it does not contain sanitary and/or food preparation facilities in the unit.)
8. Has been declared unfit for habitation by a government agency.
9. Is overcrowded according to HQS. Note: Persons who reside as part of a family unit shall not be considered a separate family unit for substandard housing definition preference purposes.

Applicants living in Public Housing or publicly assisted housing shall not be denied this preference if unit meets the criteria for the substandard preference.

10. An applicant who is a "homeless family" is considered to be living in substandard housing. A "homeless individual or family" is one who:

Lacks a fixed, regular and adequate nighttime residence and has a primary nighttime residence that is:

- a. A supervised public or private operated shelter designated to provide temporary living accommodations (including welfare hotels, congregate shelters and transitional housing for mentally ill); or
- b. An institution providing temporary residence for individuals intended to be institutionalized; or
- c. A public or private place not designed for or ordinarily used as a regular sleeping accommodation for humans.

Families who are residing with friends or relatives on a temporary basis are not considered homeless.

Veteran Preference

The head of household or spouse is an active member of the U S Armed Forces, a U S Armed Forces veteran or surviving spouse of a U S Armed Forces veteran who has an honorable discharged.

Ex-spouses of veterans are not considered the surviving spouse.

D. TARGETED FUNDING

When HUD awards special funding for certain family types, families who qualify are placed on the supportive services waiting list.

The CoPHD has the following "Targeted" Supportive Housing Programs:

1. Shelter Plus Care
2. Housing Opportunities for Persons With AIDS (HOPWA)
3. Supportive Housing (Continuum of Care)
4. HOME Tenant-Based Rental Assistance (TBRA)
5. Family Self-Sufficiency (FSS).

E. PREFERENCE ELIGIBILITY

Change in Circumstances

Changes in an applicant's circumstances while on the waiting list may affect the family's entitlement to a preference. Applicants are required to notify the CoPHD in writing when their circumstances change.

When an applicant claims an additional preference, s/he will be placed on the waiting list in the appropriate order determined by the newly claimed preference.

F. ORDER OF SELECTION [24 CFR 982.207]

The order of selection is based on the CoPHD 's system for weighing preferences.

Local Preferences

Local preferences will be used to select families from the waiting list. The CoPHD has selected the following system to apply ranking preferences. All local preferences will be weighed as follows:

- | | | |
|----|---------------------------|---------|
| a. | Residency Preference: | 20 pts. |
| b. | Working Preference: | 2 pts |
| c. | Disabled Preference: | 2 pts |
| d. | Substandard Housing: | 5 pts |
| e. | Involuntary Displacement: | 5 pts |
| f. | Veteran's Preference: | 5 pts |

Among Applicants with Equal Preference Status

Among applicants with equal preference status, the waiting list will be organized by date and time that each application was submitted to the CoPHD.

G. FINAL VERIFICATION OF PREFERENCES

Preference information on applications will be updated as applicants are selected from the waiting list. At that time, applicants will be required to submit the appropriate documentation to support their claim of preference. In order to qualify for a preference, the documentation submitted by the applicant must support the claim for the preference as defined by HUD and/or the CoPHD.

H. PREFERENCE DENIAL

If the CoPHD denies a preference, the CoPHD will notify the applicant in writing of the reasons the preference was denied and offer the applicant an opportunity to request an informal review of the determination. If the preference denial is upheld as a result of the informal review, or the applicant does not request an informal review, the applicant will be placed on the waiting list without benefit of the preference. Applicants may exercise other rights if they believe they have been discriminated against.

I. REMOVAL FROM WAITING LIST [24 CFR 982.204(c)]

If an applicant fails to respond to a mailing from the CoPHD, the applicant will be mailed a second and final written notification and given 15 days to respond. If they fail to respond within the 15 days to the second notice, they will be removed from the waiting list. An extension will be considered as a reasonable accommodation if requested by a person with a disability within 15 days of receipt of the letter.

If a letter is returned by the Post Office with or without a forwarding address, the applicant will be removed without further notice and the envelope and letter will be maintained in the file. In the event that any correspondence is mailed for any purpose and is returned by the Post Office, the applicant will be removed from the waiting list. This policy will apply to all applicants effective 2013. Applicants will not be entitled to the grace period for misdirected mail due to the applicant's failure to report a change of address to the CoPHD. This procedure also applies when an applicant fails to correctly list their address on the application and/or any updates.

If an applicant is removed from the waiting list for failure to respond, they will not be entitled to reinstatement unless documented evidence can be provided to indicate their inability to respond to the letter due to disability within 30 days from the disqualification.

If an applicant fails to honor the first scheduled appointment to come into the office and/or to submit requested documents, the CoPHD will schedule a final appointment. If the applicant fails to honor the final appointment, the applicant will be removed from the waiting list. The CoPHD may accommodate the applicant if the applicant can provide documentation of a legitimate reason for failure to attend (i.e., emergency, medical, disability, etc.).

If an applicant fails to attend the briefing session appointment, the application for rental assistance will be disqualified. However, a final appointment may be scheduled if the applicant can demonstrate a valid reason (i.e., medical, etc.) why they were unable to keep the briefing session appointment.

An applicant will be removed from the waiting list if the sole member listed on the application has passed away or is permanently residing in a convalescent home. In the event that the head of household passes away or resides in a convalescent home, the application will only be re-assigned if the application lists an adult family member other than the head of household. If the application reflects more than two adult family members, the family must select a new head of household. In the event that the family cannot decide, the CoPHD will then disqualify the application. If the sole member of the household is the live-in aide, the application will be canceled and removed from the waiting list.

If the head of household is no longer interested in rental assistance and has provided a written statement to that affect, the application will be canceled and the applicant will be removed from the waiting list.

CHAPTER 5

SUBSIDY STANDARDS [24 CFR 982.54(d)(9)]

INTRODUCTION

HUD guidelines require that CoPHD establish subsidy standards for the determination of rental voucher bedroom size, and that such standards provide for a minimum commitment of subsidy while avoiding overcrowding. The standards used for the rental voucher size also must be within the minimum unit size requirements of HUD's Housing Quality Standards (HQS). This Chapter explains the subsidy standards which will be used to determine the rental voucher size for families when they are selected from the waiting list, as well as the CoPHD's procedures when a family's size changes or a family selects a unit size that is different from the rental voucher.

A. DETERMINING BEDROOM SIZE [24 CFR 982.402]

All standards in this section relate to the number of bedrooms on the rental certificate or voucher, not the family's actual living arrangements. The CoPHD does not determine who shares a bedroom/sleeping room. The subsidy standards must provide for the smallest number of bedrooms needed to house a family without overcrowding. The CoPHD's subsidy standards for determining the HCV bedroom size will be applied consistently for all families of like size and composition. The CoPHD will apply the guidelines listed below when determining the HCV bedroom size:

1. Foster children will be included in determining unit size only if they will be in the unit for more than three months.
2. A child who is temporarily away from the home because of placement in foster care will be considered when determining the voucher bedroom size, only if the family submits documentation supporting the placement is temporary and does not exceed three months from the date the HCV was issued.
3. In a joint custody arrangement, if the minor is in the household less than 180 days per year, the minor will be considered to be an eligible visitor and not a family member. See Chapter 7 of this Plan, "Verification Procedures."
4. Students who will be living away from home will be removed from the household.

5. A family member who will be absent from the home for more than three consecutive months in a 12-month period will not be considered when determining the HCV bedroom size.
6. Any live-in aide, approved by the CoPHD to reside in the unit to care for a family member who is disabled or is at least 50 years of age, must be counted in determining the HCV bedroom size. Occasional, intermittent, multiple, or rotating care givers typically do not reside in the unit and would not qualify as live-in aides. Therefore, an additional bedroom should not be approved for a live-in aide under these circumstances. See Chapter 2 of this Plan, "Eligibility for Admission".
7. Unless a live-in aide resides with the family, the family unit size for any family consisting of a single person must be either a zero or one bedroom as determined under the CoPHD subsidy standards.
8. In determining family unit size for a particular family, the CoPHD will not grant an exception to its established subsidy standards. However, the CoPHD may grant an exception to the subsidy standards as a reasonable accommodation.
9. A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.

B. CHANGES IN BEDROOM SIZE FOR HCV HOLDERS [24 CFR 982.403]

Changes for Applicants

The members of the family residing in the unit must be approved by the CoPHD. The family must obtain approval of any additional family member before the person occupies the unit except for additions by birth, adoption, or court-awarded custody of a non-criminal nature, in which case the family must inform the CoPHD within 15 days by completing an Update of Family Circumstances form and submit supporting information regarding the change.

If an applicant with a voucher reports a change in family circumstances prior to admission, the family's eligibility will be re-evaluated.

Changes for Participants

The members of the family residing in the unit must be approved by the CoPHD. The family must obtain approval of any additional family member before the person occupies the unit except for additions by birth, adoption, or court-awarded custody of a non-criminal nature, in which case the family must inform the CoPHD within 15 days by

completing an Update of Family Circumstances form and submit supporting information regarding the change.

Request for Exceptions to Subsidy Standards

The family may request an exception to the subsidy standards as a reasonable accommodation for a disabled family member. The request must be made in writing and must describe the needed accommodation. The CoPHD may conduct a special inspection at the time of the request and at every annual recertification. See Chapter 1 of this Plan, "Statement of Policies and Objectives".

Under-Housed Families (unit too small)

If a unit does not meet HQS space standards due to an increase in family size, the CoPHD will determine if the family is eligible to move with continued assistance. The CoPHD may issue the family an updated HCV in accordance with the CoPHD's subsidy standards.

Over-Housed Families (unit too big)

For over-housed families who are eligible to move with continued assistance, the CoPHD may issue the family an updated HCV in accordance with the CoPHD's subsidy standards.

C. UNIT SIZE SELECTED

The family may select a different size dwelling unit than that listed on the HCV. The following criteria should be considered:

1. **Utility Allowance**: The utility allowance used to calculate the gross rent is based on the actual size of the unit the family selects, regardless of the bedroom size authorized.
2. **Housing Quality Standards**: The standards allow two persons per living/sleeping room and permit maximum occupancy levels (assuming a living room is used as a living/sleeping area) as shown in the table below. The levels may be exceeded if a room in addition to bedrooms and living room is used for sleeping.
3. For a voucher tenancy, the CoPHD establishes payment standards by number of bedrooms. The payment standards for the family must be the lower of:
 - The payment standard for the family unit size; or
 - The payment standard for the unit size rented by the family.

4. The family may lease an otherwise acceptable dwelling unit with fewer bedrooms than the family unit size. However, the dwelling unit must meet the applicable HQS space requirements.
5. The family may lease an otherwise acceptable dwelling unit with more bedrooms than the family unit size. However, the issued HCV payment standard will be used to determine the contract rent.

HOUSING SUBSIDY STANDARDS GUIDELINES FOR UNIT SIZE SELECTED

Number of Bedrooms	Persons in Household (Minimum #)	Persons in Household (Maximum #)
0 Bedroom	1	1-2 (domestic partners)
1 Bedroom	2	4
2 Bedrooms	4	6
3 Bedrooms	6	8
4 Bedrooms	8	10
5 Bedrooms	10	12

Effective with January 2013 annual re-examinations, eligible one-person household program participants will be downsized from a 1-bedroom to a 0-Bedroom HCV. The CoPHD's HCV bedroom size determination is in accordance with 24 CFR Part 982.402.

Families affected by the change in HCV bedroom size will be informed of their new tenant rent based on their new HCV bedroom size. The family will be informed of the option to remain in the assisted unit paying a higher tenant rent or move with continued assistance. If the family remains in the assisted unit, the family will be required to sign an updated HCV. If the tenant rent exceeds the monthly income, the family will be required to move.

CHAPTER 6

FACTORS RELATED TO TOTAL TENANT PAYMENT DETERMINATION [24 CFR Part 5, Subparts E and F; 5.603, 5.609, 5.611, 5.615, 5.617, 5.520, 5.630, 982.153, 982.312, 982.516, 982.518, 982.551]

INTRODUCTION

The calculation of annual income and adjusted income will ensure that families are not paying more or less money for rent than their obligation under the regulations. This Chapter defines the allowable deductions from annual income and how the presence or absence of household members may affect the Total Tenant Payment (TTP). Income and TTP are calculated in accordance with 24 CFR Part 5, Subparts E and F, and further instructions set forth in HUD Notices, Memoranda and Addenda. The formula for the calculation of TTP is specific and not subject to interpretation. The CoPHD's policies in this Chapter address those areas which allow the CoPHD discretion to define terms and to develop standards in order to assure consistent application of the various factors that relate to the determination of TTP.

A. INCOME AND ALLOWANCES

Annual Income is defined as all amounts, monetary or not, which: (1) Go to or on behalf of the family head or spouse (even if temporarily absent) or to any other family member; or (2) are anticipated to be received from a source outside the family during the 12-month period following admission or annual re-examination effective date.

Elements of Annual Income

- Income from Assets: Annual income includes income from assets earned during the 12-month period and to which any family member has access.
- Income of Dependents: A dependent is a family member who is under 18 years of age, is disabled, or is a full-time student. The head of household, spouse, foster child, or live in aide are never dependents. Some income contributed to the household by dependents is counted and some is not.
- Earned income of minors (family member under 18) is not counted.
- Unearned income of both children and adults is counted.

- Although full-time students 18 years of age or older are technically identified as dependents, a small amount of their earned income will be counted. Only up to \$480 of the earnings of a full-time student who is 18 years of age or older (other than the head, spouse, or co-head) is included in annual income; the rest is excluded.
- All income of a full-time student, 18 years of age or older, is counted if that person is the head of household or spouse.
- A payment received by the family for the care of foster children or foster adults is not counted. This applies only to payments made through official foster care relationships with local welfare agencies.
- A single pregnant woman will not be entitled to the benefit of the \$480.00 dependent allowance until after the birth of the child, during an interim re-examination.

Income of Temporarily Absent Family Members

The CoPHD must count all income of family members who have been approved by the CoPHD to reside in the unit, even if they are temporarily absent. This includes family members who are temporarily confined to a nursing home or hospital.

All regular pay, special pay and allowances of a member of the Armed Forces (whether or not living in the dwelling) who is head of the family, spouse, or other person whose dependents are residing in the unit will be counted. The only exception is special pay for exposure to hostile fire.

Income of Family Members who Work as Private Nurse/Care Attendant

The CoPHD must count all income of family members who have reported that they work as a private nurse/care attendant, and are away for the majority of the week and come back to the assisted unit during their days off.

Regular Contributions and Gifts

The CoPHD must count as income any regular contributions and gifts (monetary or not) from persons outside the family. This may include, but not limited to, rent, utility bills, credit card and car payments paid on behalf of the family and other cash or non-cash contributions provided on a regular basis.

Any contribution or gift received for two months or more frequently will be considered a "regular" contribution or gift, unless the amount is less than \$50 per year. This may include the rent and utility payments paid on behalf of the family and other cash or non-

cash contributions provided on a regular basis. Periodic and other determinable allowances, such as alimony and child support payments, and regular contributions or gifts from organizations or from persons not residing in the dwelling, qualify and must be reported. It does not include casual contributions or sporadic gifts. See Chapter 7 of this Plan, "Verification Procedures," for further definition.

If the family's expenses exceed its known income, the CoPHD will question the family about contributions, gifts or other sources of income.

Seasonal Income

Income from seasonal employment (income that lasts only for a portion of the year) must be counted.

Income from Temporary Work Assignments

Income from temporary work assignments will be counted if the family has a history of working temporary assignments. Annual income will be anticipated based on the earnings identified on the EIV report, W-2 forms, and pay stubs provided by the family.

Income from Business (Includes Self-Employment Income)

The net income from the operation of a business or profession must be included. Expenditures for business expansion or amortization of capital indebtedness may not be used as deductions in determining net income. An allowance for straight-line depreciation of assets used in a business or profession may be deducted.

Withdrawal of cash or assets from the operation of a business or profession is counted as income, except when the withdrawal is for reimbursement of amounts the family has invested in the business.

Student Financial Assistance

All forms of student financial assistance (grants, scholarships, educational entitlements, work study programs, and financial aid packages) are excluded from annual income. This is true whether the assistance is paid to the student or directly to the institution, and applies to all family members who are students, full or part-time, including the head, spouse, or co-head.

The portion of the financial assistance that exceeds the cost of tuition may be included in annual income. See Chapter 7 of this Plan, "Verification Procedures".

Resident Service Stipend

A resident service stipend is a modest amount received by a resident for performing a service for the PHA or owner, on a part time basis, that enhances the quality of life in the development.

Amounts received under a resident service stipend (not to exceed \$200 per month) are excluded from annual income. If a resident service stipend exceeds \$200 per month, the entire amount must be included in annual income.

State or Local Employment Training Programs

Exclude incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs and training of a family member as resident management staff.

- A qualified training program is one that is part of a State or local employment-training program and has clearly defined goals and objectives. This would include programs that have the goal of assisting participants in obtaining employment skills, and are authorized or funded by Federal, State, or local law or operated by a public agency.
- Only exclude the compensation related to the training; other sources of household income are still included.
- Exclude the income only for the period during which the family member is actually participating in a qualifying training program.

Earned Income Disallowance for Persons With Disabilities

This disallowance applies to participants in the HCVP.

A “qualified family” is a disabled family receiving rental assistance whose annual income increases due to one of the following reasons:

1. Employment of a family member who is a person with disabilities, AND was previously unemployed for one or more years prior to employment. (HUD’s definition of “previously unemployed” includes a person who has earned, in the 12 months prior to employment, not more than would have been earned at the established minimum wage working 10 hours per week for 50 weeks.)
2. Increased earning by a family member who is a person with disabilities, AND is a participant in any economic self-sufficiency or job-training program.
3. New employment or increased earning by a family member who is a person with disabilities, and within the past six months, has received assistance, benefits or services under any State program for temporary assistance (TANF, Welfare-to-Work).
 - Not limited to cash assistance.
 - Includes one-time payments, wage subsidies, transportation assistance.

- Total amount over a six-month period must be at least \$500.
- Initial 12-month full exclusion begins the date the family member (with disabilities) is employed, or first experiences an increase in income due to employment. The full amount of increase is excluded, and the exclusion extends for a total of 12 cumulative months.
- Second 12-month exclusion and phase-in begins when the family member has received 12 cumulative months of full exclusion. Fifty percent (50%) of any increase is excluded. The exclusion extends for a total of 12 cumulative months.
- Lifetime maximum four year disallowance. The initial full exclusion is applied for a maximum of 12 cumulative months. The phase-in 50% exclusion is applied for a maximum of 12 cumulative months.

The family member may start and stop employment and the exclusion may start and stop during a 48-month period beginning on the date of the initial exclusion.

No exclusion may be given after the 48-month period, regardless of whether the family member has received the full exclusion for a total of 12 months or the phase-in exclusion for a total of 12 months.

No exclusion will be given to families who fail to report changes in their family circumstances within 15 days.

Reduction in Welfare Benefits

If the family's welfare benefits are reduced or lost due to the expiration of a lifetime benefit limit, the family's rent burden will be reduced according to the calculation methods stated in this Plan.

If a family experiences a benefit reduction due to fraud or a sanction for noncompliance with requirements to participate in an economic self-sufficiency program, as verified by the welfare agency, the family's welfare assistance is treated as follows during the term of the reduction:

- The amount of assistance the family is actually receiving is counted.
- The amount by which the family's assistance has been reduced is also counted. This is called imputed welfare income.

The CoPHD will conduct an investigation to determine any possible program violation(s). However, the CoPHD is not responsible for determining whether a reduction of welfare benefits was correctly determined by the Department of Public Social Services (DPSS).

If the family's income increases for any reason after the sanction is imposed, the amount of imputed welfare income is offset by the amount of additional income. (Whether the new income is earned or unearned, it takes the place of the imputed welfare income during the sanction period.)

The CoPHD may not include imputed income in an annual income if the family was not assisted at the time of the sanction.

Income of Confined Family Members

If a family member is confined to a nursing home or hospital on a permanent basis, the CoPHD may decide that a family member who is permanently confined to a hospital or nursing facility is no longer a member of the assisted household, in which case it would remove the individual's name from the lease and not count his or her income. It is the family's responsibility to notify the CoPHD, in writing, when a family member will be away from the unit for 30 days or more.

Alimony and Child Support

The CoPHD must count alimony or child support amounts awarded as part of a divorce or separation agreement, unless the CoPHD verifies that the payments are not being made.

If the amount of child support or alimony received is less than the amount awarded by the court, the CoPHD must use the amount awarded by the court, unless the family can verify that they are not receiving the full amount.

Lump Sum Payments

When there is a delay in the start of periodic income, payment of the portion that has been delayed may be made in the form of a lump sum or perspective monthly amounts.

The lump sum or perspective amount must be included in annual income. (This rule does not apply to SSI or SS benefits.)

Lump sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and workers' compensation), capital gains and settlement for personal or property losses are excluded as income.

However, payment in lieu of earnings, such as unemployment, workers' compensation and severance pay are included. Any lump sum receipts that do not represent the delayed start of periodic payments, including lottery winnings that are received in a single lump sum, are excluded from annual income. They may, however, be counted as an asset, depending on when they are received and whether or not they are retained.

Lump sum payments caused by delays in processing periodic payments for unemployment or welfare assistance are included as income. However, any portion of the lump sum that is payment for a period prior to the family's participation in the HCVP would be counted as an asset instead of annual income. A lump sum payment resulting from delayed benefit or other income may be treated in either of two ways:

1. The CoPHD will calculate prospectively if the family reported the payment within 15 days.
2. The entire lump sum payment will be added to the annual income at the time of the interim re-examination.

Payments in Lieu of Earnings

This income category includes payments to individuals who are not working because they have lost their jobs or have been injured on the job. This category includes unemployment benefits, workers' compensation and severance pay.

Payments in lieu of earnings are included in annual income when they are received either in the form of periodic payments or as a lump sum that represents the delayed start of a periodic payment.

Payments in lieu of earnings are excluded from income if they are received as a one-time settlement payment (e.g., for a claim dispute or a permanent work-related injury).

Prospective Calculation Methodology

If the payment is reported on a timely basis, the calculation will be done prospectively and will result in an interim re-examination and adjustment calculated as follows:

The entire lump sum payment will be added to the annual income at the time of the interim re-examination.

The CoPHD will determine the percentage of the year remaining until the next annual re-examination as of the date of the interim re-examination (three months would be 25% of the year).

1. At the next annual re-examination, the CoPHD will apply the percentage balance (75% in this example) to the lump sum and add it to the rest of the annual income.
2. The lump sum will be added in the same way for any interim re-examination which occurred prior to the next annual re-examination.

If amortizing the payment over one year will cause the family to pay more than 25% of the family's adjusted income (before the lump sum was added) for TTP, the CoPHD and family may enter into a Repayment Agreement, with the approval of the Housing Assistance Officer or designee, for the balance of the amount over the 25% percent calculation. The beginning date for this Repayment Agreement will start as soon as the one year is over.

Retroactive Calculation Methodology

1. The CoPHD will go back to the date the lump sum payment was considered, as long as that date is not prior to program participation.
2. The CoPHD will determine the amount of income for each examination period, including the lump sum, and recalculate the tenant rent for each examination period to determine the amount due the CoPHD.

At the CoPHD's option, the CoPHD may enter into a Repayment Agreement with the family or require that the entire amount be paid in full at this time.

The amount owed by the family is a collectible debt, even if the family becomes unassisted.

Attorney Fees

The family's attorney fees may be deducted from lump-sum payments when computing annual income when the attorney's efforts have recovered a lump-sum compensation for the wrongful reduction or denial of a periodic payment, and the recovery does not include an additional amount in full satisfaction of the attorney fees.

In these situations, the family does not actually recover the entire amount of the past due periodic payment because the family must pay the attorney fees.

This situation does not include those in which an amount is withheld from funds otherwise due the family to satisfy legitimate financial obligations unrelated to obtaining the income, such as:

- Withholding from wages to pay child support, alimony or a judgment creditor.
- Garnishment for failure to pay child support, alimony or a judgment creditor.
- The situation does not include those where the family incurs attorney fees unrelated to asserting a right to a source of income or where no income results from the attorney's actions. These are the financial responsibility of the family and are not deducted in determining annual income.

Determining Income from Net Family Assets

The CoPHD is required to include in the calculation of annual income any interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as a deduction in determining net income. Any withdrawal of cash or assets from an investment will be included in income, except to the extent that the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5000, annual income shall include the greater of the actual income derived from net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.

Assets include:

- Amounts in savings and checking accounts.
- Stocks, bonds, savings certificates, money market funds and other investment accounts.
- Equity in real property or other capital investments.
- The cash value of trusts that are available to the family.
- IRA, Keogh, and similar retirement savings accounts, deducting any penalties for withdrawal.
- Contributions to company retirement/pension funds.
- Assets, which although owned by more than one person, allow unrestricted access by the family.
- Lump-sum receipts such as inheritances, capital gains, lottery winnings, cash from sale of assets, insurance settlements, Social Security and SSI lump-sum payments and other claims.
- Personal property held as an investment such as gems, jewelry, coin collections, antique cars, etc.
- Cash value of life insurance policies.
- Assets disposed of for less than fair market value during the two years preceding examination or re-examination.

Assets Disposed of for Less than Fair Market Value

Assets disposed of as a result of a divorce, separation, foreclosure, or bankruptcy is not considered assets disposed of for less than fair market value. Some of the types of assets that must be considered include cash, real property, stocks, bonds, and certificates of deposit. They must be counted if the household gave them away or sold them for less than the market value.

The CoPHD's minimum threshold for counting assets disposed of for less than fair market value is \$100. If the total value of assets disposed of within a one-year period is less than \$250 they will not be considered an asset.

Contributions to Retirement Funds

While an individual is employed, count as an asset only amounts the family could withdraw from a company retirement or pension fund without retiring or terminating employment.

After retirement or termination of employment, count as an asset any amount the employee elects to receive as a lump sum from the company retirement/pension fund. Any balance that remains in the account and may be withdrawn by the family member at any time is counted as an asset.

Equity in Real Property

Real property includes land or real estate owned by the family. Equity is the portion of the market value of the asset which is owned by the family (the amount which would be available to the household if the property were to be sold). It is equal to the market value less any mortgage or loans secured against the property (which must be paid off upon sale of the property).

Adjusted Income

A family's adjusted income is the family's annual income minus any deductions mandated by HUD regulations for which the family qualifies. These deductions are called allowances.

Dependent Allowance

The family receives an allowance of \$480 for each family member who is under 18 years of age, a person with disabilities, or a full-time student.

A household head, spouse, foster child, or live-in aide may *never* be counted as a dependent.

A full-time student is one carrying a full-time subject load (as defined by the institution) at an institution with a degree or certificate program.

A single pregnant woman will not be entitled to the benefit of the \$480.00 dependent allowance until after the birth of the child.

Elderly or Disabled Family Allowance

An elderly or disabled family is any family in which the head or spouse (or the sole member) is at least 62 years of age *or* a person with disabilities.

Each elderly or disabled family receives a \$400 household allowance. Because this is a "household allowance," each household receives only one allowance even if both the head and the spouse are elderly.

Child Care Allowance

Reasonable child care expenses for the care of children, including foster children, age 12 and younger may be deducted from annual income if all of the following are true:

1. The care is necessary to enable a family member to be gainfully employed, actively seek work, or further his/her education (academic or vocational);
2. The expense is not reimbursed by an agency or individual outside the household; and
3. The expenses incurred to enable a family member to work do not exceed the amount earned.

The allowable deductions for child care expenses are based on the following guidelines:

1. Child Care to Work: The maximum child care expense allowed must be less than the amount earned by the person enabled to work. The "person enabled to work" will be the adult member of the household who earns the least amount of income from working.
2. Child Care for School: The number of hours claimed for child care may not exceed the number of hours the family member is attending school (including one hour travel time to and from school).
3. Amount of Expense: The CoPHD will survey the local care providers in the community as a guideline. If the hourly rate materially exceeds the guideline, the CoPHD may calculate the allowance using the guideline survey from the community.

In the case of a child attending private school, only after-hours care can be counted as child care expenses.

Disability Assistance Expense Allowance

Reasonable expenses that are anticipated, during the period for which annual income is computed, for attendant care and auxiliary apparatus for a disabled family member, and that are necessary to enable a family member (including the disabled member) to be employed, provided that the expenses are neither paid to a member of the family nor reimbursed by an outside source.

This allowance is equal to the amount by which the cost of the care attendant or auxiliary apparatus exceeds three percent of gross annual family income. However, the allowance may not exceed the earned income received by the family member who is 18 years of age or older who is able to work because of such attendant care or auxiliary apparatus.

Auxiliary apparatus are items such as wheelchairs, ramps, adaptations to vehicles, or special equipment to enable a blind person to read or type, but only if these items are directly related to permitting the disabled person or other family member to work.

Medical Expense Allowance

Medical expenses which exceed three percent of a family's annual income, including medical insurance premiums that are anticipated during the period for which annual income is computed and that are not covered by insurance.

The medical expense deduction is only permitted for households in which the head or spouse, or sole member is at least 62 or disabled (elderly or disabled households).

If the household is eligible for a medical expense deduction, the medical expenses of all family members may be counted (e.g., the orthodontist expenses for a child's braces may be deducted if the household is an elderly or disabled household).

Medical expenses may include:

- Services of doctors and health care professionals.
- Services of health care facilities.
- Medical insurance premiums.
- Prescription/non-prescription medicines (prescribed by a physician).

- Transportation to treatment (cab fare, bus fare, mileage).
- Dental expenses, eyeglasses, hearing aids, batteries.
- Live-in or periodic medical assistance.

Allowance for monthly payments on accumulated medical bills (regular monthly payments on a bill that was previously incurred), may only include the amount expected to be paid in the coming 12 months.

(See Publication IRS 502 for covered expenses.)

Minimum Rent and Minimum Family Contribution

Minimum family contribution in the HCVP is \$50.

Exemptions to Minimum Rents:

The CoPHD must grant an exemption from payment of minimum rent if the family is unable to pay minimum rent because of financial hardship. Financial hardship includes:

1. The family has lost eligibility for or is awaiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits, but for Title IV of Personal Responsibility and Work Opportunity Act of 1996.
2. The family would be evicted because it is unable to pay the minimum rent.
3. The income of the family has decreased due to changed circumstances, including:
 - Loss of employment.
 - Death in the family.
 - Other circumstances determined by the CoPHD or by HUD.

The financial hardship exemption only applies to the payment of minimum rent and not to other elements used to calculate the TTP.

When a family requests a minimum rent hardship exemption, application of the minimum rent will be suspended beginning the month following the family's hardship request.

During the minimum rent suspension period, the housing assistance payment will be increased accordingly.

The CoPHD must promptly determine whether a qualifying hardship exists, and if so, whether such hardship is temporary or long term.

1. No qualifying financial hardship:

If the CoPHD determines there is no hardship covered by the statute, a minimum rent is imposed retroactively to the time of suspension.

The family must pay any back rent on terms and conditions established by the responsible entity.

2. Temporary qualifying financial hardship:

If the CoPHD determines a qualifying financial hardship is temporary, a minimum rent may not exceed a period of 90 days beginning the month following the date of the family's request for a hardship exemption.

The family must be offered a reasonable repayment agreement for any amount of back rent owed by the family.

3. Long term qualifying financial hardship:

If the CoPHD determines a qualifying financial hardship is long term, the CoPHD must exempt the family from the minimum rent requirements so long as such hardship continues.

Such exception shall apply from the beginning of the month following the family's request for a hardship exemption until the end of the qualifying financial hardship.

B. AVERAGING INCOME

When annual income cannot be anticipated for a full 12 months, the CoPHD may:

1. Average known sources of income that vary to compute an annual income; or
2. Annualize current income and conduct an interim re-examination if income changes.

If there are bonuses, commission, tips and/or overtime that the employer cannot anticipate for the next 12 months, income from the previous year may be analyzed and used to determine the amount to anticipate when third party or check-stub verification is not available. If by averaging an estimate can be made for those families whose

income fluctuates from month to month, this estimate will be used so that the housing payment will not change from month to month. The method used depends on the regularity, source and type of income.

C. ZERO INCOME

The CoPHD will conduct a review every 90 days for families who report zero income. Family will be required to complete the Personal Declaration for Rental Assistance Benefits and Family Expenses forms. Additionally, a notarized Affidavit or a self certification declaring income status will be required. See Chapter 7 of this Plan, "Verification Procedures".

All families are encouraged to apply for benefits and will be referred to supportive service providers. The CoPHD will send out third-party verifications to support the family claim.

D. PRORATION OF ASSISTANCE FOR "MIXED" FAMILIES [24 CFR 5.520]

Applicability

Proration of assistance must be offered to any "mixed" applicant or participant family. A "mixed" family is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible members.

"Mixed" families that were participants on June 19, 1995, and that do not qualify for continued assistance must be offered prorated assistance. See Chapter 12 of this Plan, "Re-examinations". "Mixed" applicant families are entitled to prorated assistance. Families that become "mixed" after June 19, 1995, by addition of an ineligible member are entitled to prorated assistance.

Prorated Assistance Calculation

For families that include both members who are citizens or have eligible immigration status and members who do not have eligible immigration status (or elect not to state that they have eligible status), the amount of assistance is prorated based on the percentage of household members who are citizens or documented eligible immigrants. To calculate prorated assistance, the CoPHD must follow these steps:

1. Determine gross rent (rent to owner plus utilities) for the unit.
2. Determine the housing assistance payment amount, taking into consideration the income of all household members.

3. Determine the proration factor by dividing the number of eligible family members (citizens and those with eligible immigration status) by the total number of members in the household.
4. Multiply the housing assistance payment amount calculated in Step 2 by the proration factor calculated in Step 3 to determine the family's eligible subsidy portion or prorated housing assistance payment.
5. Subtract the prorated housing assistance payment (Step 4) from the gross rent (Step 1).

E. TENANT RENT

If the gross rent for the unit is at or below the payment standard, the family pays the highest of:

- 30% of monthly adjusted income
- 10% of monthly gross income
- minimum rent

If the gross rent for the unit is above the payment standard, the family pays the highest of:

- 30% of monthly adjusted income
- 10% of monthly gross income
- plus any amount over the payment standard
- minimum rent

F. RENT BURDEN [24 CFR 982.508]

When a family is approved for initial occupancy of a dwelling unit, the rent burden for that family cannot exceed 40% of the family's monthly adjusted income. This restriction also applies to families who move with continued assistance. See Chapter 12 of this Plan, "Annual Re-examination".

G. UTILITY ALLOWANCE AND UTILITY REIMBURSEMENT PAYMENTS [24 CFR 982.153, 982.514, 982.517]

The utility allowance is intended to help defray the cost of utilities not included in the rent and is subtracted from TTP to establish the family's rent to the owner. The allowances are based on actual rates and average consumption studies, not on a family's actual consumption. The CoPHD will review the utility allowance schedule on an annual basis and revise it if needed.

The approved utility allowance schedule is given to families at admission and moves. The utility allowance is based on the actual unit size selected.

Where the utility allowance exceeds the family's TTP, the CoPHD will provide a Utility Reimbursement Payment for the family each month.

H. DEFINITION OF TEMPORARILY/PERMANENTLY ABSENT [24 CFR 982.551]

The CoPHD must compute all applicable income of every family member who is on the lease, including those who are temporarily absent. In addition, the CoPHD must count the income of the spouse or the head of household if that person is temporarily absent.

Income of persons permanently absent will not be counted. If the spouse is in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other exceptions to military pay HUD may define) is counted as income.

It is the responsibility of the head of household to report changes in family composition, in writing, within 15 days of the change by completing an Update of Family Circumstances form and submit supporting information regarding the change. The CoPHD will evaluate absences from the unit using this policy.

Absence of Entire Family

These policy guidelines address situations when the family is absent from the unit, but has not moved out of the unit. In cases where the family has moved out of the unit, the CoPHD will terminate assistance in accordance with appropriate termination procedures. See Chapter 15 of this Plan.

Families are required to both notify the CoPHD before they move out of a unit and to give the CoPHD information about any family absence from the unit. Families must notify the CoPHD if they are going to be absent from the unit for more than 30 consecutive days.

If the entire family is absent from the assisted unit for more than 90 consecutive days, the unit will be considered to be vacated and the assistance will be terminated.

In order to determine if the family is absent from the unit, the CoPHD may:

1. Write letters to the family at the unit.
2. Telephone the family at the unit.
3. Interview neighbors and owners.

4. Verify if utilities are in service.

A person with a disability may request an extension of time as an accommodation, provided that the extension does not go beyond the HUD allowed limit of 180 consecutive calendar days. The rental assistance will terminate if the absence exceeds 180 consecutive calendar days.

If the absence which resulted in termination of assistance was due to a person's disability, and the CoPHD can verify that the person was unable to notify the CoPHD in accordance with the family's responsibilities, and if funding is available, the CoPHD may reinstate the family as an accommodation if requested by the family.

Absence of Any Member

Any member of the household will be considered permanently absent if the family member is away from the unit for three (3) consecutive months or 180 days in a 12-month period, except as otherwise defined in this Chapter.

Absence Due to Medical Reasons

If any family member leaves the household to enter a facility such as hospital, nursing home, or rehabilitation center, the CoPHD will seek advice from a reliable, qualified source as to the likelihood and timing of their return. If the verification indicates that the family member will be permanently confined to a nursing home, the family member will be considered permanently absent. If the verification indicates that the family member will return in less than 180 consecutive days, the family member will not be considered permanently absent.

Absence Due to Incarceration

Any member of the household will be considered permanently absent if the family member is incarcerated for 30 consecutive days or 90 days in a 12 month period. If the CoPHD determines the reason for incarceration is for drug-related or violent criminal activity, termination of assistance may ensue.

Foster Care and Absences of Children

If the family includes a child or children temporarily absent from the home due to placement in foster care, the CoPHD will determine from the appropriate agency when the child/children will be returned to the home.

If the time period is to be greater than 90 days from the date of removal of the child/children, the HCV size will be reduced and the family will be issued a new HCV.

Absence of Adult

If neither parent remains in the household and the appropriate agency has yet to determine that another adult is to be brought into the assisted unit to care for the children for an indefinite period, the CoPHD will treat that adult as a visitor for the first 30 days.

If by the end of that period, court-awarded custody or legal guardianship has been awarded to the caretaker, the certificate or voucher will be transferred to the caretaker.

If the appropriate agency cannot confirm the guardianship status of the caretaker, the CoPHD will review the status at 90-day intervals.

If the court has not awarded custody or legal guardianship, but the action is in process, the CoPHD will secure verification from the appropriate social service agency or the attorney as to the status.

The caretaker will be allowed to remain in the unit, as a visitor, until a determination of custody is made.

The CoPHD will transfer the HCV to the caretaker, in the absence of a court order, if the caretaker has been in the unit for more than 180 consecutive days and it is reasonable to expect that custody will be granted.

When the CoPHD approves a person to reside in the unit as caretaker for the children, their income should be counted pending a final disposition. The CoPHD will work with the appropriate service agencies and the owner to provide a smooth transition in these cases.

If a member of the household is subject to a court order/incarceration that restricts him/her from the home for more than 90 days, the person will be considered permanently absent.

If an adult family member leaves the household for any reason, the family must report the change in family composition to the CoPHD, in writing, within 15 days.

The family will be required to notify the CoPHD, in writing, within 15 days when an adult family member moves out. The notice must contain a certification by the family as to whether the adult is temporarily or permanently absent. The family member will be determined permanently absent if verification is provided. Refer to Chapter 7 of this Plan for required verifications.

Time extensions will be granted as an accommodation upon request by persons with a disability.

If an adult family member goes into the military and leaves the household, they will be considered permanently absent.

Students who attend school away from the home are considered permanently absent.

Visitors

Any person not included on the HUD 50058 who has been in the unit more than 15 consecutive days, or a total of 60 days in a 12-month period, will be considered to be living in the unit as an unauthorized household member.

Absence of evidence of another address as the visitor's principal place of residence will be considered verification that the visitor is a family member. Statements from neighbors and/or the owner will be considered in making the determination.

Use of the unit address as the visitor's or non-visitor's current residence address for any purpose is prohibited. The family must not allow anyone who is not part of the approved family composition to use the assisted unit address for mailing purposes.

The burden of proof that the individual is a visitor rests on the family. In the absence of such proof, the individual will be considered an unauthorized member of the family, and the CoPHD may terminate assistance since prior approval was not requested for the addition.

Minors and college students who were part of the family, but who now live away from home during the school year are not considered members of the household, but they may visit for up to 90 days per year without being considered a member of the household. However, the family must notify the CoPHD, in writing, the name of the visitor and length of the stay prior to the visit.

In a joint custody arrangement, if the minor is in the household less than 180 days per year, the minor will be considered to be an eligible visitor and not a family member.

The family must obtain prior written approval from the owner and CoPHD to add any additional family members.

If the family does not obtain prior written approval from the CoPHD, any person the family has permitted to move in will be considered an unauthorized household member.

An interim re-examination will be conducted for any additions to the household.

Reporting Absences to the CoPHD

Reporting changes in household composition is both a HUD and a CoPHD requirement.

If a family member leaves the household, the family must report this change to the CoPHD, in writing, within 15 days of the change and certify as to whether the member is temporarily absent or permanently absent. The CoPHD will conduct an interim re-examination for changes which affect the TTP, housing assistance payment and HCV bedroom size in accordance with the interim policy.

CHAPTER 7

VERIFICATION PROCEDURES [24 CFR Part 5, Subparts B, D, E and F; 982.207]

INTRODUCTION

HUD regulations require that the factors of eligibility and Total Tenant Payment be verified by the CoPHD. Applicants and program participants must furnish proof of their statements whenever required by the CoPHD, and the information they provide must be true and complete. The CoPHD's verification requirements are designed to maintain program integrity. This Chapter explains the CoPHD's procedures and standards for verification of preferences, income, assets, allowable deductions, family status, and when there are changes in family members. The CoPHD will ensure that proper authorization from the family is always obtained before making verification inquiries.

A. METHODS OF VERIFICATION AND TIME ALLOWED (Notices PIH-2010-19 (HA), 2011-25 (HA), & 2012-26 (HA))

HUD identifies the following levels in its hierarchy of verification as listed below from the highest to lowest rank:

Level 6: Up-Front Income Verification (UIV). Using HUD's Enterprise Income Verification (EIV) System (see Chapter 24 for EIV Security Policy and Procedures).

Level 5: Upfront Income Verification (using non-HUD system).

Level 4: Written third party verification. Mandatory to supplement EIV reported income sources and when EIV has no data; non-EIV reported income sources; when tenant disputes EIV reported employment and income information and is unable to provide acceptable documentation to support dispute.

Level 3: Written Third Party Verification Form. Mandatory if written third party verification documents are not available or rejected by the PHA; and when the applicant or tenant is unable to provide acceptable documentation.

Level 2: Oral Third Party Verification: Mandatory if written third party verification is not available.

Level 1: Tenant Declaration. Use as last resort when unable to obtain any type of third party verification.

Up-Front Income Verification (UIV)/(EIV)

Upfront income verification is the verification of income, before or during reexaminations, through an independent source that systematically and uniformly maintains income information in computerized form for a large number of individuals.

Current UIV resources include:

- HUD's UIV System, which provides a single source for obtaining verification of wages, unemployment compensation, and social security benefits;
- Social Security (SS) and Supplemental Security Income (SSI) information accessed via a secure Internet facility (EIV);
- State Wage Information Collection Agencies (SWICAs);
- State TANF/Cal-Works Systems;
- Credit Bureau Association (CBA) credit reports;
- Internal Revenue Service (IRS) Tax Transcript (request with Form 4506-T); and
- Private sector databases (e.g., The Work Number).

As part of the EIV requirements, prior to admission, the CoPHD should query each adult household member's Social Security Number to determine if a PHA has reported a debt or adverse termination to determine the family's eligibility for participation in the HCVP.

The CoPHD is required to review the Income Report for new admissions within 90 days of the admission date, to confirm/validate family reported income.

The CoPHD will review and print the EIV report for all program participants during the time of their annual re-examination. The report will be reviewed to determine whether a discrepancy exists between the tenant reported information and EIV. The report will be maintained in a sealed envelope in each participant case file.

The CoPHD will review the EIV report when processing an interim re-examination. However, the report would only be printed if it reveals a discrepancy between tenant provided and the EIV report. The CoPHD is only required to maintain a copy of the Income Control Number (ICN) page generated after the EIV report is viewed and determined the report matches the tenant reported information.

Written Third-Party Verification

Written third party verification is an original or authentic document generated by a third party source dated either within the 60-day period preceding the reexamination or PHA request date. Such document may be in possession of the tenant or applicant. This verification type is commonly referred to as tenant-provided documents. The CoPHD may reject any tenant-provided documents and follow-up directly with the source to obtain necessary verification of information.

Examples of acceptable tenant-provided documentation (generated by a third party source) include, but are not limited to: pay stubs, payroll summary report, employer notice/letter of hire/termination, SSA benefit verification, bank statements, child support payments stubs/printouts, welfare benefit letters and/or printouts, and unemployment monetary benefit notices.

Documents older than 60 days (from the CoPHD's interview/determination or request date) are acceptable for confirming effective dates of income.

Written Third Party Verification Form

Written third party verification form, also known as traditional third party verification, is a standardized form to collect information from a third party source. Third-party written verification forms will be sent and returned via mail, fax, or e-mail. The family will be required to sign an authorization for the information source to release the specified information.

Verifications received electronically directly from the source are considered third-party written verifications.

The CoPHD will allow 10 days for the return of third-party verifications; after that time period, the CoPHD will utilize other acceptable methods of verification.

For applicants, verifications may not be more than 60 days old at the time of issuance of a HCV. For participants, they are valid for 120 days from date of receipt.

The CoPHD will not delay the process of determining eligibility for a program applicant/participant due to a third-party verification that has not been returned. The eligibility will be determined following the levels of verification hierarchy.

If third-party verification form is received after tenant-provided documents have been accepted as verification, and there is a discrepancy, the third-party verification will prevail.

Oral Third-Party Verification

Oral third-party verification is an independent verification of information by contacting the individual income/expense source(s), as identified through the UIV technique or identified by the family, via telephone or in-person visit. This verification technique will be used in the event that the independent source does not respond to the CoPHD's request for information within 10 days of request.

When oral third-party verification is used, the CoPHD staff will be required to document in the tenant file, the date and time of the telephone call (or visit to the third party), the name of the person contacted and telephone number, along with the confirmed information.

Tenant Declaration

The family submits a notarized Affidavit/statement of reported income and/or expenses to the CoPHD. This verification method should be used as a last resort when the CoPHD has not been successful in obtaining information via all other verification techniques. However, the family will be required to submit receipts/statement(s) from the person(s) whom payments are made to determine allowable program deductions.

The CoPHD may make an exception for families who claim they cannot afford to pay the fee of a Public Notary due to their income status and accept a non-notarized Tenant Declaration in lieu.

Non-acceptable Tenant Provided Documents

The following are the only HUD-approved reasons where the CoPHD may reject documentation provided by the tenant:

1. The document is not an original; or
2. The original document has been altered, mutilated, or is not legible; or
3. The document appears to be a forged document (i.e., does not appear to be authentic).

If the CoPHD rejects documents provided by the tenant for any of the above stated reasons, the CoPHD should:

1. Explain to the tenant the reason(s) the submitted document(s) is/are not acceptable and request the tenant to provide additional documentation.
2. The CoPHD will request the traditional written third party verification form from the third party source for completion and submission to the CoPHD.
3. The CoPHD will document the tenant file of its attempt to obtain third party verification and that no response to the third party verification request was received.

Exceptions to Third Party Verification Requirements

The CoPHD staff will document the family's case file stating the reason(s) why third party verification was not available of the following reported factors: family annual income; the value of assets; expenses related to deductions from annual income and other factors that affect the determination of adjusted income.

B. RELEASE OF INFORMATION

Each family member, 18 years of age or older or emancipated minor, must sign Authorization for Release of Information/Privacy Act Notice (form HUD-9886) and CoPHD's Authorization for Release of Information.

Family's refusal to cooperate with HUD and CoPHD's prescribed verification system will result in denial of admission or termination of assistance based on the family's failure to meet its obligation to supply any information requested by the CoPHD or HUD.

CLIENT SCREENING-CRIMINAL HISTORY BACKGROUND

Pursuant to HUD Federal Regulations, 24 CFR 982.202-982.553 requires that the CoPHD conduct appropriate criminal history background inquiries on applicants and participants for subsidized housing. State Law (California Penal Code Section 11105.03, et seq.) has provided that PHAs may conduct appropriate criminal history investigations to ascertain suitability for subsidized housing. To satisfy these mandates, arrests that resulted in conviction will be released to the CoPHD. This information will be used to screen housing applicants and participants, allowing only eligible persons to qualify for subsidized housing. A background report with noted incidences of criminal activity may result in rescinding the issued HCV and/or application, proposed termination of rental assistance, and/or denial of request for addition to the family composition.

The CoPHD will work in conjunction with the Pasadena Police Department in obtaining said report for all applicants. The CoPHD will carefully review the report to determine if drug-related, criminal activity or violent criminal activity occurred within five years prior to the date when eligibility is being determined. HUD prohibits admission to the program if any member of the household is subject to a lifetime registration requirement under a State sex offender registration program. Upon receipt of the report, the CoPHD will review the report and make the appropriate determination on the family's eligibility for rental assistance. Dissemination of the information contained in the report is considered a felony and the staff person(s) found to be in violation will be prosecuted.

The CoPHD will conduct criminal background inquiries on program participants when reports of alleged criminal activity are received. The CoPHD will work in conjunction with the City of Pasadena's Prosecutor's office in obtaining said reports.

C. COMPUTER MATCHING

The 1988 McKinney Act legislation authorized State wage record keepers to release to both HUD and local housing agencies, information pertaining to wages and unemployment compensation accessible through the EIV system.

D. ITEMS TO BE VERIFIED

1. Income.
2. Assets.
3. Allowable deductions from income.
4. Non-financial factors.
5. "Preference" status based upon CoPHD local preferences.
6. Familial/marital status when needed for head or spouse definition.

E. VERIFICATION OF INCOME

This section defines the methods the CoPHD will use to verify various types of income.

Employment Income

Verification forms request the employer to specify the:

1. Dates of employment.
2. Termination of employment.
3. Current position.
4. Work location address.
5. Date of the last pay increase.
6. Current pay rate and frequency of pay.
7. Likelihood of change of employment status and effective date of any known salary increase during the next 12 months.

8. Earnings year to date.
9. Estimated income from overtime, tips, or bonus pay expected during the next 12 months.
10. Type of employment, whether it is regular, temporary or seasonal.
11. Number of weeks of the year worked and months of the year worked.

Acceptable forms of verification include:

- UIV/EIV provided by a centralized computer matching system and pay stubs for the past three consecutive months.
- Employment verification form completed by the employers, only if: tenant is unable to provide documents requested by the CoPHD; tenant provided documents are not acceptable by the CoPHD; or tenant disputes the EIV reported information.
- Pay stubs for three consecutive months or earning statements which indicate the employee's gross earnings, frequency of pay or year to date earnings.
- Computer print-outs from the employer.
- W-2 forms plus income tax return forms.
- Letter from employer(s) which include detailed employment information, provided that the information is confirmed by telephone.
- Income tax returns provided by the family may be used for verifying self-employment income, or income from tips and other gratuities. Tenant Declaration form may be used if no other readily available source for verification exists.
- Annual Earned Income Statement furnished by the Social Security Administration.

The CoPHD will accept faxed/e-mailed documents from agencies and employers regarding participants and applicants.

The CoPHD will anticipate earnings for families working for the school district or any other similar jobs based on the number of actual months worked during the school year. However, the family will be instructed to report by completing an Update of Family Circumstances form, if employment is to continue during the summer months.

The CoPHD shall use earnings for the past twelve months to anticipate annual earnings for families whose earnings vary but hourly rate and/or salary has not changed.

For families whose working hours vary and hourly and/or salary rate has changed, the CoPHD shall anticipate annual earnings by averaging the working hours during the past 3 to 6 consecutive months by the new rate.

The CoPHD may anticipate annual earnings based on the family's earnings during the past 12 months, for families working through temporary agencies. This is after the CoPHD establishes the family's history of employment through temporary jobs.

Earnings from seasonal jobs will be anticipated based on earned income during the previous year.

Applicants and program participants may be requested to sign Form 8821 Tax Information Authorization from the IRS for further verification of income.

In cases where there are questions about the validity of information provided by the family, the CoPHD will require the most recent Federal income tax statements.

Social Security, Pensions, Supplemental Security Income, Disability Income

Acceptable forms of verification include:

1. UIV/EIV.
2. Benefit verification form completed by agency providing the benefits.
3. Award or benefit notification letters prepared and signed by the providing agency.
4. Computer report electronically obtained or in hard copy.
5. Payment stubs for the 3 most recent months.

Families reporting a reduction in their benefit will be required to submit information pertaining to the reason(s) for the reduction.

Third party verification form will not be requested if the benefit will remain the same for lifetime.

Unemployment Compensation

Acceptable forms of verification include:

1. UIV/EIV and stubs of payment for the past 3 consecutive months.
2. Computer print-outs from unemployment office stating payment dates and amounts.
3. Unemployment Insurance Claim Award letter from the unemployment office.

The CoPHD shall include income from unemployment compensation benefits for families who have a pattern of working seasonal jobs and receiving unemployment payments when they are not working.

Public Assistance Payments

Acceptable forms of verification include:

1. Verification form completed by the Department of Public Social Services (DPSS).
2. Written statement from DPSS indicating the amount of grant/payment, start date of payments, and anticipated changes in payment in the next 12 months.
3. Computer-generated Notice of Action.
4. Oral Third party Verification.

In cases where the verification reveals a reduced monthly cash aid, the CoPHD will contact the DPSS to verify the reason(s) for the reduced amount, to determine the anticipated countable annual income.

For families who are working and receiving cash aid, the CoPHD will anticipate annual income by using the average cash grant received by the family during the past 6 consecutive months.

Alimony or Child Support Payments

Acceptable forms of verification include:

1. Third-party verification form completed by the agency enforcing the child support order and/or person paying the child support.
2. Computer-generated payment history report from the agency enforcing the payment.
3. Copy of a separation or settlement agreement or a divorce decree stating amounts and types of support and payment schedules.

4. Copy of last three months of payment stubs from Court Trustee.
5. Tenant Declaration of amount received, the likelihood of support payments being received in the future, or that support payments are not being received.
6. If payments are irregular, the family must provide either:
 - a. Computer-generated payment history report from the agency enforcing the payment.
 - b. A copy of the separation or settlement agreement or a divorce decree stating the amount and type of support and payment schedule.
 - c. A statement from the agency responsible for enforcing payments to show that the family has filed for enforcement.
 - d. Tenant Declaration indicating the amount(s) received.
 - e. A copy of the Monthly Report for the past six months showing amounts received for child support.
 - f. A written statement from an attorney certifying that a collection or enforcement action has been filed.
 - g. Current Quarterly Reports from District Attorney's Office.

Net Income from a Business

In order to verify the net income from a business, the CoPHD may request IRS and financial documents from prior years and use this information, if available, to anticipate the net income for the next 12 months. If applicable, the family must provide a copy of any business license.

Acceptable forms of verification include:

1. IRS Form 1040, including:
 - a. Schedule C (Small Business)
 - b. Schedule E (Rental Property Income)
 - c. Schedule F (Farm Income)
2. If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense computed using straight-

line depreciation rules.

3. Audited or un-audited financial statement(s) of the business.
4. Credit report or loan application.
5. Documents such as manifests, appointment books, casebooks, bank statements, and receipts will be used as a guide for the prior six months (or lesser period if not in business for six months) to project income for the next 12 months. The family will be advised to maintain these documents in the future if they are not available.
6. Family's notarized Self-Employment Affidavit as to net income realized from the business during the previous year and the anticipated income for the following year.
7. Family must provide copy of State Board of Equalization documents and Business License, if applicable.

Child Care Business

If an applicant/participant is operating a licensed day care business, income will be verified as with any other business.

If the applicant/participant is operating a "cash and carry" operation (which may or may not be licensed), the CoPHD may require that the applicant/participant complete a form for each customer which indicates: name of person(s) whose child (children) is/are being cared for, telephone number, number of hours child is being cared for, method of payment (check/cash), amount paid, and signature of person. The applicant/participant must provide a copy of their child care license, if licensed.

If the family has filed a tax return, the family will be required to provide a copy to the CoPHD annually.

If child care services were terminated, third-party verification form will be sent to the parent whose child was cared for.

The CoPHD will mail a third party Vendor Verification form if the family reports a form 1099 is being generated.

Regular Gifts and Contributions

Regular gifts and contributions (monetary or not) from persons or organizations outside the family must count as income and must be reported to the CoPHD within 15 days. Any contribution or gift received for two months or more frequently will be considered a

regular contribution or gift. This may include rent and utility payments paid on behalf of the family and other cash or non-cash contributions provided on a regular basis. Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling, qualify and must be reported. If the family's expenses exceed its known income, the CoPHD will inquire of the family regarding contributions and gifts. The family must furnish a Tenant Declaration which contains the following information:

1. The name, address, and telephone number of the person(s) who provides the gifts/contributions.
2. The value of the gifts/contributions.
3. The regularity (dates) of the gifts/contributions.
4. The purpose of the gifts/contributions.

The CoPHD will mail the third party verification form directly to the source providing the contribution.

Zero Income Status

Families claiming to have zero income may be required to complete a notarized Affidavit stating they have no income sources and complete the Family Expenses form.

The CoPHD will request third-party verifications from the following agencies for families claiming zero income status: EDD, In-Home Supportive Services and DPSS. The CoPHD will also review the EIV report. The CoPHD will inform all zero income families to apply for benefits they may be entitled to receive.

The CoPHD may request information from the IRS.

The CoPHD will conduct a review every 90 days for families claiming zero income and review the Family Expenses form to determine whether an interim re-examination is necessary.

Other Income Sources

Other income sources not mentioned above will be verified using the hierarchy of verification levels.

F. VERIFICATION OF ASSETS

The CoPHD will include the full cash value of any asset and any income it produces for assets owned jointly by more than one person.

The CoPHD's established passbook savings rate is 0.1%. This rate will be applied in calculating imputed assets from income.

Acceptable forms of verification include:

Financial Institution Accounts

1. Account statements, certificates of deposit, or CoPHD verification forms completed by the financial institution.
2. Broker's statements showing value of stocks or bonds and the earnings credited the family and any fees deducted for managing the account (i.e., broker fees). Earnings can be obtained from current newspaper quotations, internet and/or oral broker's verification.
3. IRS Form 1099 from the financial institution provided that the CoPHD must adjust the information to project earnings expected for the next 12 months.

Interest Income from Mortgages or Similar Arrangements

1. A letter from an accountant, attorney, real estate broker, the buyer, or a financial institution stating interest due for the next 12 months. (A copy of the check paid by the buyer to the family is not sufficient unless a breakdown of interest and principal is shown.)
2. Amortization schedule showing interest for the 12 months following the effective date of the certification or re-examination.

Net Rental Income from Property Owned by Family

1. IRS Form 1040 with Schedule E (Rental Income).
2. Copies of rent receipts for the past three months, leases, or other documentation of rent amounts.
3. Documentation of allowable operating expenses of the property: tax statements, insurance invoices, bills for reasonable maintenance and utilities, and bank statements or amortization schedules showing monthly interest expense.
4. Lessee's written statement verifying rent payments to the family and family's notarized Affidavit as to net income realized.
5. Copy of Grant Deed and current property Tax Bill.

Family Assets

The CoPHD will require the necessary information to determine the current cash value (the net amount the family would receive if the asset were converted to cash):

1. Verification forms, letters, or documents from a financial institution or broker.
2. Most recent checking and savings account statements, certificates of deposit, bonds, or financial statements completed by a financial institution or broker.
3. Quotes from a stock broker or realty agent as to net amount family would receive if they liquidated securities or real estate.
4. Real estate tax statements if the approximate current market value can be deduced from assessment.
5. Financial statements for business assets.
6. Copies of closing documents showing the selling price and the distribution of the sale proceeds.
7. Appraisals of personal property held as an investment.
8. Family's Tenant Declaration describing assets or cash held at the family's home or in safe deposit boxes.

Life Insurance

The CoPHD will not request written third party verification form for life insurance policies that do not have a cash surrender value. However, the family will be required to submit a copy of the policy(ies).

Assets Disposed of for Less than Fair Market Value (FMV)

Assets disposed of for less than FMV during two years preceding effective date of admission or re-examination. Third-party verification will be obtained wherever possible:

1. For all admissions and re-examinations, the CoPHD will obtain the family's notarized Affidavit as to whether any member has disposed of assets for less than FMV during the two years preceding the effective date of the admission or re-examination.
2. If the family certifies that they have disposed of assets for less than FMV, verification is required that shows:

- (a) all assets disposed of for less than FMV;
- (b) the date they were disposed of;
- (c) the amount the family received;
- (d) the market value of the assets at the time of disposition;
- (e) the Bill of Sale; and
- (f) Escrow Settlement Statement.

G. VERIFICATION OF ALLOWABLE DEDUCTIONS FROM INCOME

Dependent Deduction

By regulatory definition (24 CFR 5.603(b)), a dependent is a family member other than the head, spouse, or co-head (except foster children and foster adults) who is any of the following:

1. Under 18 years of age.
2. A person with a disability 18 years of age or older.
3. A full-time student who is 18 years of age or older.

Minor status may be verified with a Birth Certificate, hospital certificate, and Numident from the Social Security Administration (SSA) showing:

1. Name.
2. Sex.
3. Social Security number.
4. Date of birth.
5. Relationship to head of household.

Verification of full-time student status for family members 18 years of age or older includes:

1. Third-party verification form completed by the school registrar and financial aid office or other school official.

2. School records indicating that the enrolled family member is a full-time student as defined by the school or institution.
3. Current class schedule provided by the family as long as the CoPHD verifies via telephone what the institution considers to be full-time.

Elderly or Disabled Family Deduction

Elderly deduction is verified by providing one or more of the following:

1. Birth Certificate.
2. Certificate of Naturalization.
3. Passport.
4. Numident from the SSA.
5. U. S. Military Discharge Form (DD Form 214).

The deduction for a disabled family receiving disability benefits from the SSA may be verified:

1. CoPHD Certification of Disability form completed by a qualified, reliable, and knowledgeable professional.
2. Through EIV system.
3. By viewing an original SSA notice provided by the disabled family member that specifically identifies the person as disabled, if third-party written verification is not available.

Child Care Expense Deduction

1. Written verification from the person who receives the payments is required. If the child care provider is an individual, they must provide a statement of the amount they are charging the family for their services.
2. Written verifications must specify the child care provider's name, address, telephone number, license number, the names of the children cared for, the number of hours the child care occurs, the rate of pay, method of payment, and the typical yearly amount paid, including school and vacation periods.
3. Families must provide canceled checks or receipts of payment for three consecutive months or more to verify child care expenses.

4. Families may be required to submit most recent income tax returns to verify child care expenses claimed. Child care expenses will be disallowed if the amount is not reflected on income tax returns and none of the other methods of verification are available.

The CoPHD will determine reasonable child care expense deduction by taking into account the age of the child, hours the child attends school, working hours of the working family member and/or number of hours the family member attends school.

Medical Expense Deduction

Total medical expenses, exceeding the annual income threshold, claimed by the family which will not be reimbursed by an outside source and are anticipated to be incurred during the 12 months following certification or re-examination, will be verified by one or more of the methods listed below:

Written verification by a doctor, hospital or clinic personnel, dentist, pharmacist of (a) the anticipated medical costs to be incurred by the family and regular payments on medical bills; and (b) extent to which those expenses will be reimbursed by insurance or a government agency. If the mailer is not returned, the CoPHD will rely on tenant-provided documentation to anticipate medical expenses claimed and document why third-party verification was not available.

1. Written confirmation by the insurance company or employer of health insurance premiums to be paid by the family.
2. EIV report which reveals the monthly amount automatically deducted from the SS check for Medicare premiums.
3. Correspondence from SSA confirming the amount of Medicare premiums to be paid by the family monthly.
4. Computer-generated report supporting the pattern of on-going medical expenses.
5. For attendant care:
 - a. A reliable, knowledgeable professional's certification that the assistance of an attendant is necessary as a medical expense and a projection of the number of hours the care is needed for calculation purposes.
 - b. Attendant must complete the CoPHD's Live-in Aide Certification form for hours of care provided and amount and frequency of payments received from the family or agency.

- c. Copies of canceled checks the family used to make payments or pay stubs from the agency providing the services.
6. Receipts, canceled checks, or pay stubs that verify medical costs and insurance expenses likely to be incurred in the next 12 months.
7. Copies of payment agreement(s) or most recent invoice(s) that verify payments made on outstanding medical bills that will continue over all or part of the next 12 months.
8. Receipts or other record of medical expenses incurred during the past 12 months that can be used to anticipate future medical expenses. The CoPHD may use this approach for "general medical expenses" such as non-prescription drugs and regular visits to doctors or dentists, but not for one-time, non-recurring expenses from the previous year.

The CoPHD will use mileage at the IRS rate, or cab, bus fare, or other public transportation cost for verification of the cost of transportation directly related to medical treatment. For additional allowable medical expenses, the CoPHD will refer to IRS Publication No. 502 for further assistance.

Assistance to Persons with Disabilities

Deduction is applicable only to HCVP families that include a person with disabilities. Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with a disability, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed. This deduction may not exceed the earned income received by family members who are 18 years of age or older and who are able to work because of such attendant care or auxiliary apparatus.

1. In All Cases:
 - a. The CoPHD Certification of Disability and Housing Needs form must be completed by a reliable, knowledgeable professional stating that the person with disabilities requires the services of an attendant and/or the use of auxiliary apparatus to permit them to be employed or to function sufficiently independent to enable another family member to be employed.
 - b. Family's certification as to whether they receive reimbursement for any of the expenses of disability assistance and the amount of any reimbursement received.

2. Attendant Care:

- a. Doctor's certification supporting the need of attendant care. Attendant's written certification of amount received from the family, frequency of receipt and hours of care provided.
- b. Certification of family and attendant and/or copies of canceled checks that the family used to make payments.
- c. Third-party verification from In-Home Supportive Services.

3. Auxiliary Apparatus:

- a. Receipts for purchases or proof of monthly payments and maintenance expenses for auxiliary apparatus.
- b. In the case where the person with disabilities is employed, a statement from the employer that the auxiliary apparatus is necessary for employment.
- c. Doctor certification supporting the need of auxiliary apparatus.

H. VERIFYING NON-FINANCIAL FACTORS

Verification of Legal Identity

In order to prevent program abuse, the CoPHD will require applicants to furnish verification of legal identity for all family members.

The documents listed below will be considered acceptable verification of legal identity for all adults. In the event of conflict, more than one of these documents will be required.

1. Certificate of Birth.
2. Certificate of Naturalization.
3. Church issued Baptismal Certificate.
4. Valid Driver License or Identification Card from the Department of Motor Vehicles.
5. U.S. Military Discharge Form (DD Form 214).
6. U.S. Passport.

7. Numident from SSA.
8. Company/Agency Identification Card.
9. Hospital records.
10. U.S. Census Bureau records.
11. Court documents showing a change in name.

In addition to the documents listed above, the following will be considered acceptable verification of legal identity for a minor:

1. Adoption documents.
2. Custody agreement.

Verification of Marital Status

Verification of marital status would be used to determine spouse for income, deduction and non-citizen purposes.

1. Verification of divorce status will be a certified copy of the Divorce Decree signed by a Court Officer.
2. Verification of a separation may be a copy of court-ordered maintenance or other records.
3. Marriage Certificate.

Familial Relationships

Certification will normally be considered sufficient verification of family relationships. In cases where reasonable doubt exists, the family may be asked to provide additional verification. The following verifications will always be required if applicable:

1. Verification of relationship:
 - a. Official identification showing names.
 - b. Birth Certificate.
 - c. Baptismal Certificate.
2. Verification of legal guardianship/custody:

- a. Court-ordered assignment (adoption or foster parents).
- b. Verification from social service agencies for foster parents.

Verification of Permanent Absence of Adult Member

If an adult member who was formerly a member of the household is reported permanently absent by the family, the CoPHD will consider any of the following as verification:

1. Husband or wife institutes divorce action.
2. Husband or wife institutes legal separation.
3. Order of protection/restraining order obtained by one family member against another.
4. Proof of another home address, such as utility bills, canceled checks for rent, rent receipts, driver license, lease or rental agreement, if available.
5. Statements from other agencies such as social services or a written or verbal statement from the landlord or manager that the adult family member is no longer living at that location.
6. If no other proof can be provided, the CoPHD will accept a notarized Affidavit from the head of household certifying the date of the move and their whereabouts. Additionally, the CoPHD may conduct a special inspection to verify the reported person(s) is/are no longer occupying the assisted unit.
7. Notarized statement from individual(s) who can verify residency or whereabouts of absent adult member.
8. If the adult family member is incarcerated, a document from the Court or prison should be obtained stating the date of incarceration, charges, and expected release date. The CoPHD may use other available methods to verify the incarceration i.e., Los Angeles County Sheriff's Department Inmate Information website.
9. If the adult family member is hospitalized, a letter from the doctor should be obtained stating the date of hospitalization and expected release date.

Absence of the Entire Family

The family is responsible for reporting absences from the assisted unit within 15 days of the date of the absence and to submit information supporting the reason(s) for the absence. This is in accordance with the CoPHD's Family Obligations.

In cases where the sole family member has been hospitalized, the family will be requested to submit verification from their doctor regarding the date of their admission, expected release date, and whether they are able to live independently.

The CoPHD will mail a third party verification form to the doctor identified by the tenant to complete regarding the tenant absence, as a reasonable accommodation, in cases where the family is not able to submit verification from their doctor.

In cases where the sole family member has been incarcerated, the family will be required to submit supporting information regarding the date of arrest, charges, and expected release date.

Refer to Chapter 6 of this Plan, "Absence of Entire Family", regarding HUD-allowed limit on absences and Chapter 15 of this Plan, "Denial or Termination of Assistance" regarding termination of rental assistance due to absences beyond the allowed limit.

Verification of Change in Family Composition

The CoPHD may verify changes in family composition (either reported or unreported) through tenant declaration, letters, telephone calls, utility records, inspections, landlords, neighbors, credit data, school, Department of Motor Vehicle records, and other sources.

The CoPHD will re-determine the family's Housing Choice Voucher bedroom size when changes in family composition occur, in accordance with Chapter 5 of this Plan.

Verification of Disability

The following methods in conjunction with HUD prescribed guidelines will be used to verify disability status:

Receipt of Social Security Disability or SSI verifications will be used as verification of disability as long as the appropriate disability codes are reflected. If such benefits are not received, the following can provide a basis for verification:

1. Letters from Social Security Administration regarding qualification for SSI payments.

2. Letters from a knowledgeable professional, such as a health or service professional.
3. Certification of Disability form completed by a reliable, knowledgeable professional, identified by the family on the HCVP application, Personal Declaration for Rental Assistance Benefits form or Request for Reasonable Accommodation form.

Verification of Reasonable Accommodation

The Certification of Disability and Housing Needs form will be mailed by the CoPHD to the reliable, knowledgeable professional identified by the family on the reasonable accommodation request form.

Please refer to Chapter 1 of this Plan, "Reasonable Accommodation" regarding reasonable accommodation procedures.

Verification of Citizenship/Eligible Immigration Status

To be eligible for assistance, individuals must be U.S. citizens or eligible immigrants. Individuals who are neither may elect not to contend their status. Eligible immigrants must fall into one of the categories specified by the regulations and must have their status verified by the Immigration and Naturalization Service (INS). Each family member must declare their status. Assistance cannot be delayed, denied, or terminated while verification of status is pending, except that assistance to families may be delayed while the CoPHD hearing is pending. The primary verification for immigration status of the person is conducted by the responsible entity through the INS automated system (Systematic Alien Verification for Entitlements (SAVE)). These are the following status:

1. Citizens or Nationals of the United States are required to sign a declaration under penalty of perjury. The CoPHD will require citizens to provide documentation of citizenship.
2. Eligible Immigrants who were participants and 62 years old or older on September 30, 1996, are required to sign a declaration of eligible immigration status and provide proof of age.
3. Non-citizens with eligible immigration status must sign a declaration of status and verification consent form, and provide their original immigration documents which are copied front and back and returned to the family. The CoPHD verifies the status through the INS SAVE system. If this primary verification fails to verify status, the CoPHD must request, within ten days, that the INS conduct a manual search.
4. Ineligible family members who do not claim to be citizens or eligible

immigrants must be listed on a statement of ineligible family members signed by the head of household or spouse.

5. Non-citizen students on student visas are ineligible members even though they are in the country lawfully. They must provide their student visa, but their status will not be verified and they do not sign a declaration, but are listed on the statement of ineligible members.

Eligible non-citizen program participants with expired Permanent Resident card are required to provide the CoPHD with a copy of their renewed Permanent Resident Card at the time of their annual re-examination. The CoPHD will verify their status through the SAVE System.

Failure to Provide: If an applicant or participant family member fails to sign required declarations and consent forms or provide documents as required, they must be listed as an ineligible member. If the entire family fails to provide documents and sign as required, the family may be denied or terminated for failure to provide required information.

Time of Verification: For applicants, verification of U.S. citizenship/eligible immigrant status occurs at the same time as verification of other factors for final eligibility determination. In the case of incoming portable families, the CoPHD must conduct the determination if the initial PHA does not supply the documents.

Extensions of Time to Provide Documents: The CoPHD will grant an extension of 30 days for families to submit evidence of eligible immigrant status.

Acceptable Documents of U.S. Citizens/Nationals:

1. U.S. Passport.
2. Birth Certificate.
3. U.S. Certificate of Naturalization.
4. Numident from SSA.

Acceptable Documents of Eligible Immigration: The regulations stipulate that only the following documents are acceptable unless changes are published in the Federal Register.

1. Permanent Alien Resident Card (I-551).
2. Alien Registration Receipt Card (I-151).

3. Arrival-Departure Record (I-94).
4. Temporary Resident Card (I-688).
5. Employment Authorization Card (I-688B)
6. Receipt issued by the INS for issuance of replacement of any of the above documents that shows individual's entitlement has been verified.

A Birth Certificate is not acceptable verification of eligible immigration status. All documents in connection with U.S. citizenship/eligible immigration status must be maintained in the file.

Verification of Social Security Numbers

Social Security numbers (SSN) must be provided as a condition of eligibility for all family members. Verification of SSN will be done through a Social Security card issued by the SSA. If a family member cannot produce a Social Security card, only the documents listed below showing their Social Security number may be used temporarily for verification. The family must apply for another Social Security card. The family is also required to certify in writing that the documents submitted in lieu of the Social Security card are complete and accurate:

1. Receipt of application for SSN.

Addition of new household members under the age of 6 who have not been assigned a SSN will be provided 90 days to provide documentation of the SSN. The CoPHD may extend time frame for an additional 90 days if unforeseen circumstances outside the control of Head of Household prevent timely disclosure of required documentation.

Addition of a new household members at least 6 years of age or under the age of 6 and has an assigned SSN must disclose the SSN and provide documentation of the SSN to the CoPHD at the time of request to add new household member or during interim re-examination.

New household members cannot be added to the family composition until the family has complied with SSN disclosure and verification requirements.

The CoPHD requires families to submit SSN assigned to a newborn within 4 weeks.

Families are required to disclose a newly assigned SSN at time of receipt of new SSN.

Individuals exempt from disclosure of SSN are: individuals who do not contend to have eligible immigration status; tenants age 62+ as of 1/31/10; tenant who previously disclosed a SSN.

The CoPHD will reject tenant provided documentation if: document is not an original; original document has been altered, mutilated, or not legible; or document appears to be a forged document. When there is a discrepancy with the SSN, the family will be required to provide documentation from the SSA to validate the Social Security number.

Refer to Chapter 15 of this Plan, "Denial or Termination of Rental Assistance", for procedure when the family fails to disclose and/or provide a SSN.

Verification of Emancipated Youth

A copy of the court ordered emancipation will be required.

Verification of College Students

The student must be of legal age or an emancipated minor under State law. The CoPHD must obtain proof of age such as a valid driver license, identification card issued by a Federal, State, or local agency, identification issued by a medical insurance company, birth certificate, or other form of identification as determined by the CoPHD. The student must be income eligible for admission to the HCVP. The student must provide a written certification that the student does or does not anticipate receiving financial support from the student's parent(s) or guardian(s) and the amount of support. The CoPHD must verify all amounts anticipated to be received. The student must have established a household separate from their parents or legal guardians for at least one year prior to applying for the HCVP. The CoPHD will verify evidence of separate households by verifying the address information that predated the student's application by a minimum of one year. The student must not be claimed as a dependent by parent(s) or legal guardian(s) on their IRS tax return. The CoPHD may request a copy of the student's 1040 tax returns for the prior year. The CoPHD may also review the student's parents or guardians tax return. The student must supply any information that the CoPHD determines is necessary in verifying the college student's eligibility.

The CoPHD may accept any of the following documents:

- Lease/rental agreement.
- Utility bills.
- Mail that predates the student's application by a minimum of one year.
- Marriage Certificate.
- U.S. Military Discharge Form (DD Form 214).

Verification of Domestic Violence

The CoPHD will comply with Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA), which protects family members who are victims of domestic violence, dating violence, or stalking, from being evicted or terminated from housing assistance based on acts of such violence against them. The family may be

required to complete, sign and submit Form HUD-50066, or other acceptable certification/documentation, in order to verify the family's claim of domestic violence, within 14 business days of the request. The certification must include the name of the perpetrator.

I. WAITING LIST PREFERENCES [24 CFR 5.430, 982.207]

Local Preferences

1. Families who claim Involuntary Displacement due to:

a. Disaster or Government Action:

Written verification by the displacing unit or agency of government, or by a service agency such as the Red Cross.

b. Actions taken by the family's current property owner/agent:

Written notification by owner to family of the action/written verification by the owner or agent, or documents such as sales agreements, foreclosure notices or building permits.

c. Domestic Violence:

Written verification from police, social service agency, court, clergy person, physician, and/or public or private facility giving shelter and/or counseling to victims.

Verification must be obtained (from an owner or other source) that the abuser still resides at the unit.

The family must certify that the abuser will not return to the household without the advance written approval of the CoPHD.

Before giving approval, the CoPHD will require verification of the following:

1. Written statement from social worker, psychologist, or other professional familiar with the abuser that he/she has received counseling/treatment and is unlikely to continue the abuse.
2. Written statement from local law enforcement agency that no complaints have been filed since the date of the preference approval.
3. Certification that the abuser has completed a rehabilitation

program.

d. Witness Protection Program:

Certification of participation by a law enforcement agency of participation in the Witness Protection Program.

Written recommendation from law enforcement agency or HUD.

e. Hate Crimes:

Written statement from law enforcement agency, HUD, Fair Housing or other agency responsible for non-discrimination advocacy. Statement should contain approximate number of occurrences and date of last occurrence.

f. Inaccessibility of Unit:

Statement from the owner of the critical elements that are inaccessible, and that the owner is not going to make the needed modifications, or permit the family to make the modifications.

Inspection by CoPHD to verify inaccessibility of critical elements. Statement from the owner of the building that the accommodations required will not be made.

If the owner permits the tenant to make the modifications, verification that the family cannot afford the expense.

g. HUD Disposition of a Project:

Written verification from HUD.

2. Living in Substandard Housing:

a. Families who claim to be living in a substandard housing unit must provide written verification from a reliable, knowledgeable professional.

b. Homeless Families: Written verification by a public or private facility providing shelter, the police, or a social services agency certifying that the family lacks a fixed, regular, and adequate nighttime residence.

3. Residency Preference: For families who live or work in the jurisdiction of the CoPHD.

In order to verify that a family is a resident, the CoPHD will require a minimum of three of the following documents: rent receipts, leases, utility bills, employer or agency records, school records, driver licenses, voter registration records, credit reports, and written statement from household with whom the family is residing. Along with the written statement from the household, the family must provide at least five pieces of mail.

The head of household and/or spouse who have been hired to work or are working in the jurisdiction of the CoPHD, a statement from the employer will be required.

4. Veteran's Preference: Families who are claiming a veteran's preference must submit documentation supporting their U.S. Military Armed Forces veteran status (i.e., DD214).

CHAPTER 8

ISSUANCE AND BRIEFINGS

INTRODUCTION

The CoPHD's objectives are to assure that families selected to participate in the Housing Choice Voucher Program (HCVP) are successful in obtaining an acceptable housing unit, and that they have sufficient knowledge to derive maximum benefit from the program and to comply with program requirements. When applicant families have been determined eligible, the CoPHD will conduct a mandatory briefing to ensure that applicant families know how the HCVP works. The briefing will provide a broad description of owner and applicant family responsibilities, CoPHD procedures, and how and where to lease a unit. The applicant family will also receive a briefing packet which provides more detailed information about the program. This Chapter describes how briefings will be conducted, the information that will be provided to applicant families, and the policies for how changes in the family composition will be handled.

In addition, the CoPHD's objective is to ensure that participant families are also successful in leasing another unit after a move.

A. ISSUANCE OF HOUSING CHOICE VOUCHER (HCV) [24 CFR 982.302]

When funding is available, the CoPHD will issue HCVs to applicant families whose eligibility has been determined. The issuance of HCVs must be within the dollar limitations set by the Consolidated Annual Contribution Contract (ACC) Budget Authority.

The number of HCVs issued must ensure that the CoPHD stays as close as possible to 100% lease-up. The CoPHD performs a monthly calculation both electronically and manually to determine whether applications can be processed, the number of HCVs that can be issued, and to what extent the CoPHD can over-issue (issue more HCVs than the budget allows).

The CoPHD may over-issue HCVs only to the extent necessary to meet leasing goals. HCVs which are over-issued may be cancelled due to lack of funding. If the CoPHD finds it is over-leased, it must adjust future issuance of HCVs or the cancellation of HCVs in order not to exceed the ACC budget limitations over the fiscal year.

B. BRIEFING TYPES AND REQUIRED ATTENDANCE [24 CFR 982.301]

Initial Applicant Briefing

A HUD-required briefing will be conducted for applicant families who are determined eligible for assistance. The briefings will be conducted in either individual or group meetings. All adult family members must attend the briefing. Families who attend group briefings may require individual assistance by a CoPHD staff member.

Briefings will be conducted in English. However, Non-English speaking families are encouraged to bring an interpreter for assistance.

The CoPHD will not issue a HCV to an applicant family unless they have attended a briefing and signed the HCV. Applicant families who provide prior notice of their inability to attend a briefing will automatically be scheduled for the next briefing. However, if the applicant family was unable to attend the briefing due to circumstances beyond their control, a final briefing will be scheduled. An applicant family who fails to attend the scheduled briefing without prior notification of their inability to attend will result in the disqualification of the application for rental assistance. Upon request, the CoPHD may conduct individual briefing for applicant families with disabilities at their home, if required for reasonable accommodation.

Participant Briefing

A pre-move interview will be held with participant families who wish to move. The pre-move interview will be held prior to the participant family giving notice to the owner and CoPHD's issuance of a HCV to the participant family. Similarly, a pre-portability interview will be held for outgoing portable participant families. The pre-move/portability interviews are conducted to inform participant families of the move/portability process and to minimize charges against security deposits. All participant families who plan to move are required to notify the CoPHD, in writing, 90 days in advance of the planned move date. The CoPHD will schedule a pre-move/portability interview within 30 days of receipt of the written request. Participant families failing to attend a scheduled pre-move/portability interview will be denied issuance of a new HCV based on failure to provide required information. See Chapter 13 of this Plan, "Moves with Continued Assistance/Portability" for additional information.

Applicant Briefing Packet

Applicant families will be provided with a briefing packet. The documents and information provided in the briefing packets for the HCVP will comply with all HUD requirements. The CoPHD also includes other information and/or materials which are not required by HUD.

The applicant family is provided with the following information and materials:

1. The CoPHD Statement of Policies, which provides guidance and information on the following matters:
 - Rental Assistance Programs (RAP)
 - RAP Regulations
 - RAP Administrative Plan
 - Obligations of the Family
 - Term of Voucher/Extension/Suspension
 - Request for Tenancy Approval
 - Housing Quality Standards
 - Rent Reasonableness
 - Repayment/Recovery of Outstanding Debt
 - Moves with Continued Assistance
 - Portability
 - Denial and Termination of Assistance
 - Informal Review and Informal Hearing
 - Termination of Housing Assistance Payments Contract
2. The term of the HCV, and the CoPHD's policy for requesting extensions to the term of the HCV or suspensions of the HCV.
3. A description of the method used to calculate the assistance payment, information on Fair Market Rents, Payment Standards and Utility Allowances.
4. How the maximum allowable rent is determined, including the rent reasonableness standard.
5. Guidance and materials to assist the family in selecting a unit, such as proximity to employment, public transportation, schools, shopping, and the accessibility of services. Guidance will also be provided to assist the family to evaluate the prospective unit, such as the condition, whether the rent is reasonable, average utility expense, energy efficiency, and security.
6. The boundaries of the geographical area in which the family may lease a unit, including an explanation of portability.
7. The CoPHD Proposed Lease and HUD Tenancy Addendum.
8. The Request for Tenancy Approval (RFTA) packet and a description of the procedure for requesting approval for a unit. The packet will include the following forms:

- a. Request for Tenancy Approval
 - b. Renting to Relatives Disclosure Notice
 - c. Inspection Checklist
 - d. Proposed Lease Agreement
 - e. Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards
 - f. Statement of Property Ownership
 - g. W-9 Request for Taxpayer Identification Number and Certification
9. The HUD brochure on how to select a unit and/or the HUD brochure "A Good Place to Live" on how to select a unit that complies with HQS.
 10. The Environmental Protection Agency booklet "Protect Your Family From Lead In Your Home" and information about where blood level testing is available.
 11. Information on Federal, State and local equal opportunity laws including the pamphlet "Fair Housing: It's Your Right," other information about fair housing laws and guidelines, and the telephone numbers of the local fair housing agency and the HUD enforcement office.
 12. The availability of CoPHD listing of owners or other parties willing to lease to assisted families and/or known units available for the HCV size issued. At the owner's request, the CoPHD will only provide their information when a unit is available for lease.
 13. If the family includes a person with disabilities, the CoPHD will try to provide resources for locating accessible units and a list of available accessible units known to the CoPHD.
 14. The Obligations of the Rental Assistance Program Participant Family.
 15. The Things You Should Know.
 16. The Federal Privacy Act.
 17. The Notification - Watch Out For Lead-Based Paint Poisoning.
 18. What You Should Know About EIV.
 19. Debts Owed to the Public Housing Agencies and Terminations.
 20. The grounds for denial and termination of assistance because of family action or failure to act.

21. Procedures for when and how to request an informal review and informal hearing.
22. Procedures for notifying the CoPHD and/or HUD of program abuse such as side payments, extra charges, violations of tenant rights, and owner's failure to repair deficiencies in the assisted unit.
23. The family's rights as a tenant and a program participant.
24. Requirements for reporting changes between re-examinations.
25. Violence Against Women Act of 2005 Flyer.

Other Information to be Provided at the Briefing

The CoPHD will describe how the program works, and the relationship between the family and the owner, the family and the CoPHD, and the CoPHD and the owner.

The briefing presentation emphasizes:

1. Applicant family and owner responsibilities.
2. Where an applicant family may lease a unit inside and outside CoPHD's jurisdiction.
3. How portability works for applicant families eligible to exercise portability.
4. Advantages to moving to areas with low concentration of poor families if family is living in a high poverty census tract in the CoPHD 's jurisdiction.
5. Exercising choice in residency through careful and thorough consideration of available units.

If the applicant family includes a person with disabilities, the CoPHD will ensure compliance with CFR 8.6 to ensure effective communication.

Participant Briefing Packet

Participant families will be provided with a briefing packet. The documents and information provided in the briefing packets for the HCVP will comply with all HUD requirements. The CoPHD also includes other information and/or materials which are not required by HUD.

The participant family is provided with the following information and materials:

1. The term of the HCV, and the CoPHD's policy for requesting extensions to the term of the HCV or suspensions of the HCV.
2. Description of the method used to calculate the assistance payment, information on Fair Market Rents, Payment Standards and Utility Allowances.
3. How the maximum allowable rent is determined, including the rent reasonableness standard.
4. Guidance and materials to assist the family in selecting a unit, such as proximity to employment, public transportation, schools, shopping, and the accessibility of services. Guidance will also be provided to assist the family to evaluate the prospective unit, such as the condition, whether the rent is reasonable, average utility expense, energy efficiency, and security.
5. The boundaries of the geographical area in which the family may lease a unit, including an explanation of portability.
6. The Request for Tenancy Approval (RFTA) packet and a description of the procedure for requesting approval for a unit. The packet will include the following forms:
 - a. Request for Tenancy Approval
 - b. Renting to Relatives Disclosure Notice
 - c. Inspection Checklist
 - d. Proposed Lease Agreement
 - e. Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards
 - f. Statement of Property Ownership
 - g. W-9 Request for Taxpayer Identification Number and Certification
7. The availability of CoPHD listing of owners or other parties willing to lease to assisted families and/or known units available for the HCV size issued. At the owner's request, the CoPHD will only provide their information when a unit is available for lease.
8. If the family includes a person with disabilities, the CoPHD will try to provide resources for locating accessible units and a list of available accessible units known to the CoPHD.

Owner Briefings

Owner briefings are held for participating owners and prospective owners who may wish to participate in the program. All attendees will receive an invitation. The purpose of the briefing is to ensure successful owner participation in the program by furnishing the owner with current program information.

C. ENCOURAGING PARTICIPATION IN AREAS WITH LOW CONCENTRATION OF POVERTY

At the briefing, applicant and participant families are encouraged to search for housing in non-impacted areas.

The CoPHD will follow the steps listed below in an attempt to establish a list of units in non-impacted areas:

1. Direct contact with owners.
2. Counseling with the family.
3. Providing information about services in various non-impacted areas.
4. Formal or informal discussions with owner groups.
5. Formal or informal discussions with social service agencies.
6. Meeting with rental referral companies or agencies.
7. Meeting with fair housing groups or agencies.

D. ASSISTANCE TO FAMILIES WHO CLAIM DISCRIMINATION

Fair Housing Laws

The CoPHD will provide the applicant and participant families with information on housing discrimination. The telephone number and location of the local Housing Rights Center will also be provided. To report suspected discrimination to HUD, additional information will be provided to the applicant and participant families upon request. If HUD's Fair Housing makes a finding of discrimination against an owner, the CoPHD will restrict the owner from future participation.

E. SECURITY DEPOSIT REQUIREMENTS [24 CFR 982.313]

Security deposits charged by owners may not exceed those charged to unassisted tenants or the maximum prescribed by State or local law.

For lease-in-place families, responsibility for first and last months rent is not considered a security deposit issue. In these cases, the owner should settle the issue with the family prior to the beginning of assistance.

F. TERM OF HCV [24 CFR 982.303]

During the briefing, each family will be issued a HCV which authorizes the family to search for housing and specifies the family's obligations under the program. It does not constitute admission to the program, which occurs when the lease and contract have been executed.

Initial Term

An applicant and/or participant family will be issued a HCV. The initial term of the HCV must be at least 60 calendar days.

Expirations

The HCV is valid for a period of 60 calendar days from the date of issuance. The applicant and/or participant family must submit a RFTA and proposed lease within the 60-day period unless an extension has been granted by the CoPHD.

Only one RFTA will be accepted at a time for an applicant and/or participant family and processed by the CoPHD.

If the HCV has expired for an applicant family and has not been extended by the CoPHD or expired after an extension, the applicant family's name will be removed from the waiting list. The family will not be entitled to an informal review. The applicant family will need to re-apply during the next open enrollment.

If the HCV has expired for a participant family, and has not been extended by the CoPHD or expired after an extension, the participant family's participation under the HCV terminates/ends. The CoPHD will process an End of Participation. The participant family will not be entitled to an informal hearing. If the family is currently assisted, they may remain as a participant in their unit if there is an assisted lease/contract in effect and the owner wishes to continue the family tenancy.

Suspensions

The CoPHD may suspend the time on the HCV when a RFTA is received. The CoPHD will only grant a suspension for the last 14 days or less remaining on the HCV based on the following circumstances:

1. The property owner has canceled the RFTA.
2. The CoPHD canceled the RFTA.

Suspension will be denied for the following reasons:

1. Family cancels the RFTA.
2. The applicant /participant family and the property owner are related and failed to disclose this information.
3. The property owner and HCV holder reside in the same unit.
4. The unit is occupied.

The HCV will be canceled if the applicant family and property owner failed to disclose that they are related.

Extensions

An applicant and participant family may request an extension of the HCV time period. The applicant and participant family must submit a log reflecting their attempt to locate a unit during the HCV term. All requests for extensions must be received prior to the expiration date of the HCV.

Extensions are permissible at the discretion of the CoPHD, up to 180 days from the date of issuance, primarily for these reasons:

1. The CoPHD is satisfied that the applicant or participant family has made a reasonable effort to locate a unit throughout the initial and/or extensions of term.
2. Extenuating circumstances such as disability, hospitalization or a family emergency for an extended period of time which has affected the family's ability to find a unit within the initial and/or extension term. Family must submit documentation supporting the family circumstance, which will then be verified by the CoPHD.

3. The family was prevented from finding a unit due to disability, accessibility requirements or for a larger size unit requirement of four or more bedrooms. The Search Record is part of the required verification.

NOTE: Reasonable effort is defined as “for every 3 days, the family must have contacted an owner, management company, agent, and/or viewed a rental property.” For example, if the family had 60 days, then the family needs to have 20 properties listed on the request for an extension.

The CoPHD may grant an additional 60 days over the 180 days as a reasonable accommodation for persons with a disability provided that the family has made a reasonable effort to locate a unit throughout the initial and extension terms. This extension would be considered a final extension. See Charter 1 of this Plan, “Statement of Policies and Objectives” for additional information on reasonable accommodation.

Assistance to HCV Holders

Applicant or Participant families who require additional assistance during their search may contact the CoPHD to request a marketing list and will be referred to the Pasadena Housing Search website. HCV holders will be notified at their briefing that the CoPHD periodically updates the listing of available units and how the updated list may be obtained.

The CoPHD will provide limited assistance to families in their negotiations with owners and provide other resources related to families search for housing. Family will be required to present their HCV and proper identification before a marketing list will be provided.

Transfer of HCV

Applicant Family

Once a HCV has been issued to an applicant family, the HCV is non-transferable. However, in the event that the head of household has passed away or is permanently residing in a convalescent home, the HCV may be transferred to the approved spouse listed on the Personal Declaration for Rental Assistance Benefits form and Application. In all other cases, the CoPHD will send notification that the HCV has been cancelled and removed their name/application from the waiting list.

Participant Family

Once a HCV has been issued to a participant family, the HCV may be re-assigned based on the conditions stated in Chapters 6 & 12 of this Plan.

For the remaining member of the assisted family, please refer to Chapter 12 of this Plan, "Re-Examinations" for additional information.

In the event that the original family members are minors, please refer to Chapter 6 of this Plan, "Factors Related to Total Tenant Payment Determinations".

G. DISCLOSURE OF FAMILY INFORMATION TO OWNER [24 CFR 982.307]

The CoPHD must give the owner the following information upon their request:

1. The family's current and prior address (as shown in the CoPHD records); and
2. The name and address (if known to the CoPHD) of the landlord at the family's current and prior addresses.

The CoPHD will inform the families of the CoPHD policy on providing information to owners. The statement will be included in the information packet that is given to a family when the family has been selected to participate in the HCVP or at the time the family is issued a HCV to move with continued assistance. The CoPHD will give the same information to families and owners.

CHAPTER 9

REQUEST FOR TENANCY APPROVAL AND CONTRACT EXECUTION

INTRODUCTION [24 CFR 982.305 (a)]

After families are issued a Housing Choice Voucher (HCV), they may search for a unit anywhere within the jurisdiction of the CoPHD or outside of the CoPHD's jurisdiction if they qualify for portability. The family must find an eligible unit under the program rules, and with an owner who is willing to enter into a Housing Assistance Payments (HAP) Contract with the CoPHD. This Chapter defines the types of eligible housing, the CoPHD's policies which pertain to initial inspections, lease requirements, owner disapproval and the processing of a Request For Tenancy Approval (RFTA).

A. REQUEST FOR TENANCY APPROVAL [24 CFR 982.305 (b), 982.313]

The RFTA, Inspection Checklist, a copy of the proposed lease, including the HUD prescribed Tenancy Addendum, Lead-Based Paint Disclosure Information form and the Renting to Relatives Disclosure Notice must be submitted by the family during the term of the HCV.

The CoPHD will not permit the family to submit more than one RFTA at a time.

The CoPHD will review the documents to determine whether or not they are acceptable.

The RFTA will be accepted if:

1. The unit is an eligible type of housing.
2. The unit meets HUD's Housing Quality Standards (HQS), local housing codes and any additional criteria identified in this Administrative Plan.
3. The rent to owner is reasonable.
4. The family initially receives tenant-based assistance for occupancy of a dwelling unit, and the gross rent of the unit exceeds the applicable payment standard for the family, the family share does not exceed 40% of the family's monthly adjusted income.
5. The security deposit amount is not in excess of private market practice or in excess of amounts charged by the owner to unassisted tenants.
6. The proposed lease complies with HUD and CoPHD requirements and State and local law.

7. The owner is approvable and there are no conflicts of interest.
8. The owner has provided all requested ownership documents.

Disapproval of RFTA

If the CoPHD determines that the RFTA cannot be approved for any reason, the owner and the family will be notified in writing.

If an RFTA is not approved, the CoPHD will furnish another RFTA packet to the family providing there is remaining time on the Housing Choice Voucher.

The RFTA and the Housing Choice Voucher will be canceled, if the owner and tenant fail to disclose that they are related.

B. ELIGIBLE TYPES OF HOUSING [24 CFR 982.352]

The CoPHD will approve any of the following types of housing in the HCV Programs:

1. Structure Types:
 - a. Single Family Detached;
 - b. Row House or Townhouse;
 - c. Duplex or Two-Family Dwelling; and
 - d. Multi-Family (low rise 2-4, high rise 5 or more).
2. Independent Group Residences.
3. Congregate Facilities (only the shelter rent is assisted).
4. Single Room Occupancy.
5. CoPHD Owned Units (HUD-prescribed requirements).

The CoPHD may not permit a HCV holder to lease a unit that is receiving project-based assistance or any duplicative rental subsidies.

The PCDC will not approve:

1. A unit occupied by the owner or by any person with an interest in the unit.
2. Nursing homes or other institutions that provide care.
3. School dormitories and institutional housing.
4. Any other types of housing prohibited by HUD.

C. LEASE REVIEW [24 CFR 982.308]

The CoPHD will review the lease, particularly noting the approvability of optional charges and compliance with regulations and State/local law. The family must also have legal capacity to enter a lease under State and local law. Responsibility for utilities, appliances and optional services must correspond to those provided on the RFTA.

The form of lease used must be consistent with the form used in the locality by the owner for other unassisted tenants. The lease must include the HUD Tenancy Addendum. The CoPHD may review the lease for compliance with State or local law.

The term of the lease shall not exceed one year. The CoPHD may approve lease terms shorter than one year, if:

- (1) The shorter lease term is the prevailing local practice; and
- (2) The CoPHD's approval of a shorter lease term will improve housing opportunities for families.

The CoPHD will encourage owners to use the program model lease provided by the CoPHD, which includes the HUD-mandated language. House rules of the owner may be attached to the lease as an addendum, provided they are approved by the CoPHD to ensure they do not violate any HUD fair housing provisions.

Separate Agreements

Separate agreements are not necessarily illegal side agreements. Families and owners will be advised of the prohibition of illegal side payments for additional rent, or for items normally included in the rent of unassisted families, or for items not shown on the approved lease.

Owners and families may execute separate agreements for services, appliances (other than range and refrigerator), and other items that are not included in the lease, if the agreement is in writing and approved by the CoPHD.

Any appliances, services or other items which are routinely provided to unassisted families as part of the lease (such as air conditioning, dishwasher or garage) or are permanently installed in the unit, cannot be put under separate agreement and must be included in the lease. For there to be a separate agreement, the family must have the option of not utilizing the service, appliance or other item.

The CoPHD is not liable for unpaid charges for items covered by separate agreements and nonpayment of these agreements cannot be cause for eviction.

If the family and owner have come to a written agreement on the amount of allowable charges for a specific item, so long as those charges are reasonable and not a substitute for higher rent, they will be allowed.

All agreements for special items or services must be attached to the lease approved by the CoPHD. If agreements are entered into at a later date, they must be approved by the CoPHD and attached to the lease.

If the owner makes modifications to the unit, the costs should be recovered through the rent collected, not by having the family pay for the modifications. Exception will be considered if the modifications are such that they most likely would be removed if the family moved out or if the modifications are specifically to accommodate a family's disability.

D. INITIAL INSPECTIONS [24 CFR 982.305 (a) & (b), 982. 401]

See Chapter 10 of this Plan, "Housing Quality Standards and Inspections."

E. RENT LIMITATIONS [24 CFR 982.503]

The CoPHD has been authorized by HUD to approve rents which are higher than the published Fair Market Rents (FMR). These rents are termed "area exception rents." Approval of any area exception rent is based on the census tract the unit is located in and remains subject to rent reasonableness. Additionally, at the time a family initially receives rental assistance or any time a participant family moves to a new unit with continued assistance, the rent burden of the family may not exceed 40% of the family's monthly adjusted income.

Area exception rents will be utilized to:

1. Expand housing opportunities for families to move from poverty-impacted areas.
2. Make accessible units available to persons with disabilities.
3. Increase the housing choices available to low-income families.

For the HCVP, the CoPHD will make a determination as to the reasonableness of the proposed rent in relation to comparable units available for lease in the private unassisted market and the rent charged by the owner for a comparable assisted or unassisted unit in the building or premises. See Chapter 11 of this Plan, "Owner Rents, Rent Reasonableness, and Payment Standards."

F. INFORMATION TO OWNERS [24 CFR 982.307 (b), 982.54 (d)(7)]

The CoPHD will provide prospective owners with the address of the family, and the names, addresses and telephone numbers of the family's current and previous landlord, if known, provided that such request is received in writing.

The CoPHD will make an exception to this requirement if the family's whereabouts must be protected due to domestic abuse or witness protection.

The CoPHD will inform owners that it is the responsibility of the owner to determine the suitability of prospective tenants. Owners will be encouraged to screen families for rent payment history, eviction history, damage to units and other factors related to the family's suitability as a tenant.

The CoPHD will not provide documented information regarding tenancy history to the prospective landlords.

The CoPHD's policy on the Disclosure of Information to Owners is included in the briefing packet and will apply uniformly to all families and owners.

G. CoPHD DISAPPROVAL OF OWNER [24 CFR 982.306]

For purposes of this section, "owner" includes a principal or other interested party.

The CoPHD may disapprove the owner for the following reasons:

1. HUD or other agencies directly related informed the CoPHD that the owner has been disbarred, suspended or subject to a limited denial of participation under 24 CFR part 24.
2. HUD has informed the CoPHD that the Federal government has instituted an administrative or judicial action against the owner for violation of the Fair Housing Act or other Federal equal opportunity requirements and such action is pending.
3. HUD has informed the CoPHD that a court or administrative agency has determined that the owner violated the Fair Housing Act or other Federal equal opportunity requirements.
4. The owner has violated obligations under a HAP Contract under Section 8 of the 1937 Act (42 U.S.C. 1437f).
5. The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any Federal housing program.
6. The owner has engaged in drug-related criminal activity or any violent

criminal activity.

7. The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs or with applicable housing standards for units leased with project-based rental assistance or leased under any other Federal housing program.
8. The owner has a history or practice of renting units that fail to meet State or local housing codes.
9. The owner has not paid State or local real estate taxes, fines or assessments.
10. The owner has not submitted the required property ownership information to the CoPHD.
11. The owner has a history of refusing to evict families who disturb the peaceful enjoyment of the property, engage in drug-related criminal activity, or threaten the health or safety of other residents, managers, CoPHD employees or the owner.
12. The CoPHD will not approve a unit if the owner is the parent, child, grandparent, grandchild, sister, or brother of any member of the family, or related by marriage, unless the CoPHD determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities.
13. The owner has engaged in or threatened abusive or violent behavior towards CoPHD personnel.
14. The CoPHD will not approve if the property is in foreclosure.

H. CHANGE IN TOTAL TENANT PAYMENT (TTP) PRIOR TO HAP CONTRACT EFFECTIVE DATE

When the family reports changes in factors that will affect the Total Tenant Payment (TTP) prior to the effective date of the HAP Contract, the information will be verified and the TTP will be recalculated. If verifications are more than 60 days old prior to the effective date of the HAP Contract, new verifications must be obtained by the CoPHD.

If the TTP equals or exceeds the gross rent, or if the family income is now found to exceed the income limits of the program, the CoPHD will not enter into a HAP Contract and the RFTA will be rescinded.

I. HAP CONTRACT EXECUTION PROCESS [24 CFR 982.305(c)]

The CoPHD prepares the HAP Contract for execution. The family and the owner will execute the lease agreement, and the owner and the CoPHD will execute the HAP Contract. Copies of the documents will be furnished to the parties who signed the respective documents.

The CoPHD schedules group briefings for new owners and any other owners who wish to attend.

The HAP Contract may not be executed more than 60 days after commencement of the lease term and no payments will be made until the contract is executed. However, CoPHD will not penalize the owner and the family due to administrative errors.

The following CoPHD representative(s), upon approval of the Chief Executive Officer, are authorized to execute a contract on behalf of the CoPHD:

1. Housing Assistance Officer
2. Housing Specialist
3. Housing Director
4. Senior Project Manager

Owners must provide the current address of their residence (not a Post Office Box). If families lease properties owned by relatives, the owner's current address will be compared to the assisted unit's address.

Owners must provide a Taxpayer Identification number or Social Security number. Owners must also submit proof of ownership of the property by providing copies of a recorded property Grant Deed and current Property Tax Bill, as well as a copy of the Property Management Agreement if a management agent manages the property. The owner must provide a business or home telephone number as well.

The following property ownership information will be requested of each owner prior to the approval of the RFTA and execution of the HAP Contract:

- Request for Tenancy Approval (RFTA)
- Renting to Relatives Disclosure Notice
- CoPHD Joint Inspection Checklist
- Proposed Lease Agreement
- Disclosure of Information on Lead-Base Paint
- Statement of Property Ownership:
 - Part A - Declaration of Property Ownership
 - Part B - Housing Assistance Payment Information
 - Part C - Notarized Agent Authorization
 - Part D - Section 8 Landlord Certification
- Request for Taxpayer Identification Number and Certification (W-9) Form

Recorded Property Grant Deed
Current Property Tax Bill
Certificate of Occupancy
Property Management Agreement, if applicable
Partnership Agreement & Resolution for Signatory, if applicable
Corporate Bylaws & Resolution for Signatory, if applicable
Operating Agreement for Limited Liability Company (L.L.C.), if applicable
Executed Lease (Model Lease or Property Owner's Lease with executed HUD Lease Addendum Basic Version Rental Voucher)

The CoPHD will also verify property ownership by utilizing property detail reports from RealQuest.com. Reports can only be used to confirm property ownership if system has been updated with current property transfers. Updates to RealQuest.com occur approximately once a month.

In order for owners/payees to receive Housing Assistance Payment, they must enroll on line at the Paymode web site address www.bankofamerica.com/paymode/cityofpasadenaca for electronic payment disbursement.

J. CHANGE IN PROPERTY OWNERSHIP

A change in property ownership requires execution of an Assumption of Obligations and Benefits Contract. The CoPHD will provide the owner with copies of the existing HAP Contract, lease agreement, and current notice of Annual Recertification/Rent Changes.

The CoPHD will process a change of property ownership upon receipt of the requested documents listed below:

Recorded Property Grant Deed
Closing Escrow Documents
Statement of Property Ownership (Parts A-D)
Request for Taxpayer Identification Number and Certification (W-9) Form
Property Management Agreement, if applicable
Partnership Agreement & Resolution for Signatory, if applicable
Operating Agreement for Limited Liability Company (L.L.C.), if applicable
Corporate Bylaws & Resolution for Signatory, if applicable

CHAPTER 10

HOUSING QUALITY STANDARDS AND INSPECTIONS [CFR 982.401, 982.404, 982.405]

INTRODUCTION

Housing Quality Standards (HQS) are HUD's minimum quality standards for all rental assistance programs. HQS compliance is required both at initial occupancy and during the term of the lease. HQS applies to the building and premises, as well as the unit.

Minimum HQS may be enhanced by the CoPHD, provided that by doing so the CoPHD does not overly restrict the number of units available for lease under rental assistance programs. The use of the term "HQS" in this Plan refers to the combination of both HUD and CoPHD requirements. This Chapter describes the CoPHD's procedures for performing HQS and other types of inspections and standards for the timeliness of repairs. It also explains the responsibilities of the owner and family, and the consequences of non-compliance with HQS requirements for both families and owners.

A. GUIDELINES/TYPES OF INSPECTIONS [24 CFR 982.401, 982.405]

All units must meet:

Basic Housing Quality Standards (HQS)

UNIT MUST BE DECENT, SAFE AND SANITARY. THIS MEANS THE FOLLOWING:

1. Adequate space and security are required. The dwelling unit must have at least one bedroom or living/sleeping room for each two persons. Exterior doors and windows must have working locks. Interior doors and windows cannot require a key to exit the unit and/or have double keyed dead bolt locks. Each sleeping room must include a closet (portable closets may be substituted) with closet door(s) or curtains and the room must be at least 90 square feet to qualify as a bedroom.
2. Sanitary requirements specify a private indoor toilet, hot and cold running water for the bathtub or shower and the fixed basin. Either a window that opens or other adequate exhaust ventilation is required for the bathroom.
3. Kitchens must have a sink with hot and cold running water, adequate space for food storage, preparation and serving, and disposal facilities for garbage. The stove and refrigerator must be fully operational and may be provided by owner or family.

4. The dwelling unit must not contain un-vented room heaters that burn gas, oil or kerosene. The CoPHD does not allow the use of electric heaters.
5. The living room and each bedroom must have at least two electrical outlets in proper operating condition. Permanent overhead or wall-mounted light fixtures may count as one of the required electrical outlets. There must be at least one window in the living room and each sleeping room.
6. The kitchen area and the bathroom must have a permanent ceiling or wall light fixture in proper operating condition. The kitchen area must also have at least one electrical outlet in proper operating condition.
7. The unit must be structurally sound with no severe defects. The entrance to the unit must not present a danger of tripping, and elevators must be in safe operating condition.
8. The interior must be free of all dangerous pollutants, such as carbon monoxide, sewer gas, fuel gas and dust.
9. There must be an approved safe water supply.
10. The owner must inform the family if the building was constructed prior to 1978. This will alert the family to the possibility of exposure to the hazards of lead-based paint poisoning.
11. Access to the unit must not be through any other private properties. In addition, the building must provide an alternate means of exit in case of fire. This includes provision of security bars with release mechanisms when installed in bedrooms without an exterior door.
12. The site and neighborhood must not be subject to serious adverse environmental conditions (i.e., flood, fire, disturbing noise, vermin or rodent infestation, sewage hazards and excess accumulation of trash).
13. The unit must be free of vermin and rodent infestation. Screens for windows must be provided to prevent entry of insects.
14. An operable working smoke detector must be installed in each bedroom/sleeping room/basement.
15. The hot water heater must have a pressure relief valve with a drainpipe pointing downward and ending about six inches above the floor. Hot water heater must be securely strapped. It must also be located, equipped and installed in a safe manner.

16. Carbon monoxide detectors must be installed in all units within 10-15 feet outside of each separate sleeping area effective January 1, 2013.

17. All three prong electrical outlets must be grounded.

Efforts will be made to encourage owners to provide housing above HQS minimum standards.

All utilities must be on in the rental unit at the initial inspection and remain in service during the term of the lease.

The dwelling unit must have an oven, a stove or range, and a refrigerator of appropriate size for the family. All of the equipment must be in proper operating condition. Either the owner or the family may supply the equipment. A microwave oven may be substituted for a family-supplied oven and stove or range. A microwave oven may be substituted for an owner-supplied oven and stove or range if the family agrees, and if microwave ovens are furnished instead of an oven and stove or range to both subsidized and unsubsidized families in the building or premises.

There are five types of inspections the CoPHD will perform:

1. Initial/Move-In: Conducted upon receipt of an approved RFTA.
 - a. Ownership documents submitted and approved.
 - b. Contract rent pre-negotiated.
2. Annual: Conducted within 365 days of the last annual inspection date.
3. Special/Emergency: May be conducted upon request from the owner, family, an agency or third party, or CoPHD. CoPHD may periodically require special inspections to ensure family's compliance with the HCVP Family Obligations. Emergency inspections that may endanger the health and safety of the family will take precedence over all other inspections.
4. Move-Out/Vacate: May be conducted upon owner or family's request no more than 5 days after the family has vacated the property.
5. Quality Control: Conducted for at least five percent of all units which have been inspected during the CoPHD's previous fiscal year.

B. ACCEPTABILITY CRITERIA AND EXCEPTIONS TO HQS [24 CFR 982.401]

The CoPHD adheres to the acceptability criteria in the program regulations and HUD Inspection Booklet and local codes.

C. INSPECTIONS

Each unit must be inspected annually during the assisted tenancy to determine if the unit meets HQS. The inspection must be conducted within 365 days of the last annual inspection.

HQS deficiencies which cause a unit to fail must be corrected by the owner, unless it is a deficiency for which the family is responsible. The family is only responsible for breaches of HQS that are caused by:

1. Non-payment of utilities paid by the family.
2. Not providing or failing to maintain appliances not provided by the owner.
3. Damages to the unit or premises caused by the family or guest beyond normal wear and tear.

The family must allow the CoPHD to inspect the unit at reasonable times and after reasonable notice [24 CFR 982.551 (d)].

Generally all inspections will be conducted in the following manner:

The CoPHD will conduct inspections Monday through Friday, between the hours of 7:30 a.m. to 5:00 p.m.

The CoPHD will notify the family in writing at least 5 days prior to the inspection. However, Special Inspections/Code Compliance Inspections conducted by CoPHD do not require any type of notification. It is up to the family to allow the special inspection; prior notification will not be given, due to the nature of the inspection.

The family will be mailed a notice of the scheduled date of the inspection with a copy to the owner. If the family fails to honor the scheduled inspection appointment, a final inspection appointment notice will be mailed to the family and the owner. If the family fails to honor the final inspection appointment, a termination of HAP letter will be mailed to the owner and a copy to the tenant. Failure to keep scheduled appointments is a violation of the Obligations of the Family and grounds for termination of rental assistance. See Chapter 15 of this Plan, "Denial or Termination of Assistance".

The family will be required to contact the CoPHD prior to the inspection, if they are unable to keep the scheduled inspection appointment due to medical emergencies and unforeseen circumstances (i.e., death in the family, etc.).

If the head of household cannot be present for the scheduled inspection, family must make arrangements to have an adult (18 years of age or older) present to allow the inspection to be conducted.

Time Standards for Repairs

1. Emergency items which endanger the family's health or safety must be corrected within 24 hours of notification.
2. For non-emergency items, repairs must be made within 30 days.
3. For major repairs, the Housing Specialist may approve an extension beyond 30 days.

D. EMERGENCY REPAIR ITEMS [24 CFR 982.401 (a)]

The following items are considered of an emergency nature and must be corrected by the owner or family (whoever is responsible) within 24 hours of notice by the CoPHD:

1. Lack of security for the unit.
2. Waterlogged ceiling in imminent danger of falling.
3. Major plumbing leaks or flooding.
4. Natural gas leak or fumes.
5. Electrical problem which could result in shock or fire.
6. The dwelling unit must have and be capable of maintaining a thermal environment healthy for the human body.
7. Utilities not in service.
8. No running hot water.
9. Broken glass where someone could be injured.
10. Obstacles which prevent or block the entrance or exit of the unit.
11. Lack of functioning toilet.
12. Sewer backups.

The CoPHD may give a short extension, not more than 48 hours, whenever the responsible party cannot be notified or it is impossible to affect the repair within the initial 24-hour period.

In cases where there is leaking gas or potential of fire or other threat to public safety, and the responsible party cannot be notified or it is impossible to affect the repair, the proper authorities will be notified by the CoPHD.

If the emergency repair items are not corrected in the time period required by the CoPHD and the owner is responsible, the housing assistance payment will be abated and the HAP Contract will be terminated.

If the emergency repair items are not corrected in the time period required by the CoPHD and are a HQS breach which is a family obligation, the CoPHD will stop housing assistance payments to the owner and propose termination of the rental assistance to the family.

E. CONSEQUENCES IF OWNER IS RESPONSIBLE (NON-EMERGENCY ITEMS)

When it has been determined that a unit on the program fails to meet HQS, and the owner is responsible for completing the necessary repairs in the time period specified by the CoPHD, the housing assistance payment to the owner will be abated. However, if the repairs are not made within the time period specified the housing assistance payment to the owner will be terminated.

Abatement

A Notice of Abatement will be sent to the owner and family. The abatement will be effective the day after a failed re-inspection. The length of the abatement is 30 days.

The CoPHD will inspect abated units within 24 hours, or the next working day, after the owner's or family's notification that the repairs have been completed. The re-inspection must take place within the 30-day abatement period.

If the owner makes repairs during the abatement period, housing assistance payments will resume on the day the unit passes inspection.

When the CoPHD has been informed that the repairs have been completed, the CoPHD will notify the family or the owner of the re-inspection date.

No retroactive payments will be made to the owner for the period of time the housing assistance payment was abated and the unit did not comply with HQS.

Extensions In Lieu of Abatement

The CoPHD will grant an extension in lieu of abatement in the following cases:

1. The failed items are minor in nature.

2. There is an unavoidable delay in completing repairs due to difficulties in obtaining parts or contracting for services.
3. The owner makes a good faith effort to make the repairs.
4. The repairs are extensive (such as exterior painting or roof repair) and the owner needs time to obtain the funds.
5. The repairs must be delayed due to climate conditions.

The CoPHD may extend the time period up to an additional 30 days. However, if the repairs are not completed or substantially completed at the end of that time period, the housing assistance payment will be placed in abatement and/or terminated.

Termination of HAP Contract

If the owner is responsible for repairs and fails to correct all the deficiencies cited prior to the end of the abatement period, the HAP Contract will terminate 30 days from the abatement date. If repairs are completed before the effective termination date, the termination may be rescinded by the CoPHD if the family remains in the unit.

If the repairs are completed within 15 days after the termination date, the CoPHD will conduct one final HQS inspection. Housing assistance payments to the owner will resume effective the date the unit passed inspection. However, if the repairs are not completed within the 15-day period, the owner and family will be required to enter into a new lease and HAP Contract.

F. DETERMINATION OF RESPONSIBILITY [24 CFR 982.404]

Certain deficiencies are considered the responsibility of the family:

1. Family-paid utilities not in service.
2. Failure to provide or maintain family-supplied appliances.
3. Damages to the unit or premises caused by the family member or guest beyond normal wear and tear which resulted in a breach of HQS.
4. Poor housekeeping and/or excessive clutter.

The owner is responsible for all other HQS violations.

Extermination services shall be provided by the owner as conditions may require. However, if such infestation is serious and repeated due to the family's living habits, it

may be considered a lease violation and the owner may evict for serious or repeated violations of the lease. The CoPHD may terminate the family's assistance on that basis.

The owner is responsible for informing the CoPHD, in writing, of any family-related deficiencies, and the CoPHD will hold the family responsible for the correction of these deficiencies. The owner must notify CoPHD and the family in writing which party is obligated to correct the deficiencies prior to the re-inspection date. If written notification is not given, all deficiencies are the owner's responsibility.

G. CONSEQUENCES IF FAMILY IS RESPONSIBLE

If non-emergency violations of HQS are determined to be the responsibility of the family, the CoPHD will require the family make any repairs or corrections. If the repairs or corrections are not made by the re-inspection date, the CoPHD will terminate the HAP Contract and propose termination of assistance to the family. Extensions in these cases must be approved by the Housing Specialist. The owner's housing assistance payments will not be abated for items that are the family's responsibility.

H. INITIAL HQS INSPECTION

The initial HQS inspection will be conducted to:

1. Determine if the unit and property meet HQS defined by HUD and this Plan.
2. Document the current condition of the unit as a basis to evaluate whether the future condition of the unit exceeds normal wear and tear.
3. Document the information to be used for determination of rent reasonableness.

The CoPHD shall inspect the unit within ten working days of receiving the complete RFTA package. Please see Chapter 9 of this Plan, "Request for Tenancy Approval" and "HAP Contract Execution Process" for delays, disapprovals or cancellations of RFTA.

If the unit fails the initial HQS inspection, the owner will be mailed a re-inspection appointment letter. The owner and family are advised to contact the CoPHD if repairs are done prior to the scheduled re-inspection date.

On an initial inspection, the owner will be given up to 10 days to correct the items noted as deficiencies. At the inspector's discretion, the time period may be extended based on the cost and complexity of work to be done, however, not to exceed thirty days from the initial inspection date.

The owner will be allowed two re-inspections for repairs to be completed. However, if the time period given by the inspector to correct the repairs has elapsed, or the maximum number of re-inspections failed, the RFTA will be rescinded.

I. ANNUAL HQS INSPECTION [24 CFR 982.405(a)]

Each unit must be inspected annually during the assisted tenancy to determine if the unit meets HQS. The inspection must be conducted within 365 days of the last annual inspection.

The family will be mailed a notice of the scheduled date of the inspection with a copy to the owner. If the family fails to honor the scheduled inspection appointment, a final inspection appointment notice will be mailed to the family and the owner. If the family fails to honor the final inspection appointment, a proposed termination of HAP letter will be mailed to the owner and a copy to the tenant. Failure to keep scheduled appointments is a violation of the Obligations of the Family and grounds for termination of rental assistance. See Chapter 15 of this Plan, "Denial or Termination of Assistance".

The family will be required to contact the CoPHD prior to the inspection, if they are unable to keep the scheduled inspection appointment due to medical emergencies and unforeseen circumstances (i.e., death in the family, etc.).

If the head of household cannot be present for the scheduled inspection, family must make arrangements to have an adult (18 years of age or older) present to allow the inspection to be conducted.

HQS deficiencies which cause the unit to fail must be corrected by the owner, unless it is a deficiency for which the family is responsible. If the family is responsible for breach of HQS, the CoPHD will inform the family in writing of their responsibility to correct the deficiencies.

Rent Increases

The housing assistance payment to the owner is subject to change after the initial term of the lease, upon a 60-calendar day written notice to the family and the CoPHD before commencement of any change in rent. The Annual Review and Renewal of HAP Contract rent notice shall state both the new rental amount and the date from which the revised rent is payable. Only one rental increase is allowed annually during the family's extended term at the time of annual inspection and re-examination. The rent increase will be approved if it meets rent reasonableness.

Contract rent increases to owner will not be approved if the unit is in a failed condition.

The CoPHD will not approve contract rent increases to the owner if the CoPHD has insufficient program funding. Owners will be informed at the beginning of the families

annual process that contract rent increases have been suspended for the next annual lease term until further notice.

J. SPECIAL INSPECTIONS

If the owner/family would like to request a special inspection, the owner/family must notify the property owner/family prior to CoPHD of the deficiencies and allow reasonable time for correction of the deficiencies. If the deficiencies are not correct, the CoPHD will conduct a special inspection and notify the owner/family in writing of the deficiencies. If the deficiencies are not corrected by the follow up inspection, the family's rental assistance and/or HAP contract may be submitted for termination.

The CoPHD may also conduct a special inspection based on information from third parties such as neighbors or public officials, etc.

The CoPHD will inspect only the items which were reported, however if the inspector notices additional deficiencies that would cause the unit to fail HQS, the responsible party will be notified of their obligation to correct the deficiencies.

K. QUALITY CONTROL INSPECTIONS

Quality control inspections will be performed by the Housing Assistance Officer and/or Housing Specialist on five percent of the units inspected within the last 90 days for each fiscal year. The purpose of quality control inspections is to ascertain that each inspector is conducting accurate and complete inspections, and to ensure that there is consistency among inspectors in the application of HQS.

CHAPTER 11

OWNER RENTS, RENT REASONABLENESS, AND PAYMENT STANDARDS [24 CFR 982.503, 982.504, 982.505, 982.507, 908.508]

INTRODUCTION

The CoPHD is responsible to ensure rents charged by owners are reasonable based upon objective comparables in the rental market. When the CoPHD has determined the unit meets minimum Housing Quality Standards (HQS), the lease is approvable, the rent is reasonable, and the Housing Assistance Payment (HAP) Contract has been executed, the CoPHD will begin payments to the owner. This Chapter explains the CoPHD's procedures for determination of rent reasonableness, payments to owners, adjustments to the payment standards and rent adjustments.

A. PAYMENT STANDARDS FOR THE HOUSING CHOICE VOUCHER PROGRAM (HCVP) [24 CFR 982.503]

The payment standard is initially set by the CoPHD based on the Fair Market Rent (FMR) in effect at the time the consolidated Annual Contributions Contract (ACC) for the first increment of voucher funding is approved by HUD. The payment standard is used to determine the maximum subsidy which can be paid by the CoPHD on behalf of the family.

The CoPHD voucher payment standard schedule shall establish a payment standard amount for each unit size. For each unit size, the CoPHD may establish a payment standard amount for the whole FMR area, or may establish a separate payment standard amount for each designated parts of its jurisdiction.

If the unit rented by a family is located in an exception rent area, the CoPHD will use the appropriate payment standard for the exception rent area.

B. ADJUSTMENTS TO PAYMENT STANDARDS [24 CFR 982.503]

Payment standards may be adjusted to increase housing assistance payments in order to keep family rents affordable. The CoPHD will not raise the payment standards so high that the number of families that can be assisted under available funding is substantially reduced. The CoPHD will not raise payment standards if the need is solely to make "high end" units available to voucher holders.

The CoPHD will review the payment standard annually to determine whether an adjustment should be made for some or all unit sizes. The payment standard will be reviewed according to HUD requirements. The CoPHD may set the payment standard between 90% and 110% of FMR. Additionally, upon the CoPHD's request, HUD may approve a payment standard lower than 90% or higher than 110%.

The CoPHD may use some or all of the following measures listed below in making its determination whether an adjustment should be made to the payment standards:

1. Assisted Families' Rent Burden

The CoPHD will review reports showing the percent of income used for rent by HCVP families to determine the extent to which the rent burden is more than 40% of income.

2. Reasonable Accommodation

If the family includes a person with disabilities and requires a higher payment standard for the family, as a reasonable accommodation for such person, the CoPHD may establish a higher payment standard for the family within the CoPHD established range. See Chapter 1 of this Plan, "Statement of Policies and Procedures".

3. Quality of Units Selected

The CoPHD will review the quality of units selected by families before determining any change to the payment standard to ensure that payment standard increases are only made when needed to reach the mid-range of the market.

4. Rent to Owner Increases

The CoPHD will allow one rent increase annually during the family's extended term at the time of the annual re-examination. The rent increase will be approved if it is affordable and passes rent reasonableness.

5. Rent Reasonableness Database/Average Contract Rents

The CoPHD will compare the payment standards to average rents in its rent reasonableness database and to average contract rents by unit size.

6. Lowering of the Payment Standard

If statistical analysis reveals that the payment standard should be lowered, the CoPHD will lower the payment standards no less than 90% of the current FMR.

However, the CoPHD must obtain HUD approval if the CoPHD wishes to lower the payment standards less than 90% of the current FMR.

The CoPHD may submit a waiver request to HUD for its review and approval to lower the payment standards below 90% of the current FMR if less than 40 percent of participants in the CoPHD's voucher program are paying less than 30 percent of adjusted monthly income for rent.

If the payment standards are lowered, the CoPHD will apply the reduced payment standard at the second annual re-examination following the reduced payments standards.

7. Financial Feasibility

Before increasing the payment standard, the CoPHD may review the budget and project reserves to determine the impact projected subsidy increases would have on funding available for the program and number of families served.

For this purpose, the CoPHD will compare the number of families who could be served under a higher payment standard with the number assisted under current payment standards.

File Documentation

A file will be retained by the CoPHD for at least three years to document the analysis and findings to justify whether or not the payment standard was changed.

C. CALCULATION OF HOUSING ASSISTANCE PAYMENTS [24 CFR 982.505, 982.508]

The maximum subsidy for each family is determined by the payment standard for the voucher size issued to the family, less 30% of the family's monthly adjusted income.

(a) Use of payment standard. A payment standard is used to calculate the monthly housing assistance payment for a family. The payment standard is the maximum monthly subsidy payment.

(b) Amount of monthly housing assistance payment. The CoPHD shall pay a monthly housing assistance payment on behalf of the family that is equal to the lower of:

- (1) The payment standard for the family minus the total tenant payment; or
- (2) The gross rent minus the total tenant payment.

(c) Payment standard for family.

- (1) The payment standard for the family is lower of:
 - (i) The payment standard amount for the family unit size; or
 - (ii) The payment standard amount for the size of the dwelling unit rented by the family.
- (2) If the CoPHD has established a separate payment standard amount for a designated part of an FMR area in accordance with 24 CFR 982.503 (including an exception payment standard amount) and the dwelling unit is located in such designated part, the CoPHD must use the appropriate

payment standard amount for such designated part to calculate the payment standard for the family.

- (3) Decrease in payment standard amount during the HAP Contract term. If the amount on the payment standard schedule is decreased during the term of the HAP Contract, the lower payment standard amount generally must be used to calculate the monthly housing assistance payment for the family, beginning at the effective date of the family's second regular reexamination following the effective date of the decrease in the payment standard amount.
- (4) Change in the family unit size during the HAP Contract term. Irrespective of any increase or decrease in the payment standard amount, if the family unit size increases or decreases during the HAP Contract term, the new family unit size must be used to determine the payment standard amount for the family, beginning at the family's first regular reexamination following the change in the family unit size.

Maximum Family Share at Initial Occupancy

At the time the family initially receives tenant-based assistance for occupancy of a dwelling unit, whether it is a new admission or a move to a different unit, the family share may not exceed 40% of the family's monthly adjusted income. During the initial 12-month term of the lease, the owner may not raise the rent.

D. PAYMENTS TO OWNERS [24 CFR 982.451]

Once the HAP Contract is executed, the CoPHD begins processing payments to the owner. A HAP Register will be used as a basis for monitoring the accuracy and timeliness of payments. HAP are generally disbursed directly from the City of Pasadena's Finance Department to the owner the 1st and middle of each month. In cases of demonstrated hardship, an exception may be made with the approval of the Housing Director and/or the Housing Assistance Officer.

The Finance Department will be contacted regarding payments that have not been received by the owner/payee. After the Finance Department has verified that payment was not received, a replacement payment will be processed to the owner/payee.

When subsidies are paid late, owners may assess late fees against the CoPHD where local practice provides for late fees. The CoPHD is not obligated to pay any late payment penalty if HUD determines that late payment by the CoPHD is due to factors beyond the CoPHD's control.

E. RENT REASONABLENESS DETERMINATIONS [24 CFR 982.507]

Rent reasonableness determinations are made when:

1. Units are placed under a HAP Contract for the first time;
2. Owners request special contract rent adjustments; or
3. Owners request annual or interim rent increases.

The CoPHD will determine and document on a case-by-case basis the approved rent:

1. Does not exceed rents currently charged on new leases by the same owner for an equivalent assisted or unassisted unit in the same building or complex.
2. Is reasonable in relation to rents currently charged by other owners for comparable units in the unassisted market.

At least two comparable units will be used for each rent determination, one of which must be from the first category above if possible. All comparables must be based on the rent that the unit would command if leased in the current market. Leased in the current market means that the unit has been leased within the last 30 days.

The data for other unassisted units will be gathered from newspapers, realtors, professional associations, and inquiries of owners, market surveys and other available sources.

Rent reasonableness determinations for the CoPHD market areas will be compared to similar unassisted units within the same area.

If the owner is reducing and/or allowing some form of rental reduction to the unassisted tenants, the CoPHD will use the rent paid by the tenant plus the reduction, to determine the actual rent the owner is charging for the unassisted units.

Upon request, the owner must provide the CoPHD their current rent schedule for rents charged for unassisted units on the premises and other locations within the City.

The following factors will be used for rent reasonableness documentation:

1. Location
2. Number of Bedrooms
3. Housing Condition/Quality
4. Amenities
5. Date Built
6. Unit Type
7. Housing Services

The CoPHD will maintain a database on unassisted units for use by staff in making rent reasonableness determinations. The database is updated on an ongoing basis.

CHAPTER 12

RE-EXAMINATIONS

INTRODUCTION

HUD requires the CoPHD to re-examine the income and composition of all families at least annually. In addition, the CoPHD is required to inspect the assisted unit, process requests for rent adjustments and review the utility allowance schedule. These activities must be coordinated to ensure that they are completed in accordance with the regulations. It is a HUD requirement that families report all changes in family composition, but the CoPHD decides what other changes must be reported and the procedures for reporting them. This Chapter defines the CoPHD's policy for conducting annual re-examinations and coordinating annual activities. It also explains the interim reporting requirements for families and the standards for timely reporting.

A. ANNUAL ACTIVITIES [24 CFR 982.401, 982.516, 982.517, 982.519]

The CoPHD generates a monthly computerized list of units under contract 120 days before the re-examinations are to take effect. This procedure allows the CoPHD ample time to obtain all required verifications, review contract rent adjustments, conduct annual HQS inspections, and provide reasonable advance notice to both the family and the owner of any changes in the tenant rent and housing assistance payment.

Annual activities for contracts that did not commence on the first of the month must be conducted no later than the first of the month in which the lease was effective.

The CoPHD conducts annual re-examinations of family income and composition.

Utility Allowance Schedule: See Chapter 6 of this Plan, "Factors Related to Total Tenant Payment Determination."

Annual Inspections: See Chapter 10 of this Plan, "Housing Quality Standards and Inspections."

Rent Adjustments: See Chapter 11 of this Plan, "Owner Rents, Rent Reasonableness and Payment Standards."

An EIV report will be reviewed and printed as part of the annual re-examination process.

B. ANNUAL RE-EXAMINATION [24 CFR 5.609, 982.516]

The CoPHD must conduct a re-examination of family income and family composition at least annually. The annual re-examination determines the continued eligibility of the family and establishes the housing assistance payment to be made on behalf of the family. Families are required to report all household income and family composition timely and accurately as set forth in the CoPHD's Family Obligations. Families will report this information by completing a Personal Declaration for Rental Assistance Benefits form and providing supporting documents to verify income, assets, allowances, and family composition.

The CoPHD must obtain and document in the family's case file third-party verifications of the following factors:

- (i) Reported family annual income;
- (ii) Value of assets;
- (iii) Expenses related to deductions from annual income; and
- (iv) Other factors that affect the determination of adjusted income.

If third-party verifications are not contained in the family's case file, the CoPHD must document why it was not available.

Annual re-examinations should be implemented as of the scheduled effective date even if other annual activities are not complete.

Families who intend to move may be issued a HCV, if eligible for continued rental assistance. See Chapter 13 of this Plan, "Moves with Continued Assistance/Portability" for the eligibility criteria to move.

When families move to another dwelling unit, an annual re-examination will be conducted and the anniversary date may change.

Income limits are not used as a test for continued eligibility at re-examination.

The CoPHD will verify with the City of Pasadena's Finance Department whether families under a Repayment Agreement are current with their monthly payment. If the family is delinquent with the Repayment Agreement, the family may be proposed for termination of rental assistance.

Re-examination Notice to the Family

The CoPHD will notify the family by mail of the upcoming annual re-examination approximately 120 days in advance of the anniversary date. The notification will include date and time of the appointment, location of the appointment, family members required to attend and the information to submit prior to the scheduled appointment. Families who are not selected for an office appointment will be notified of the information they need to submit and the deadline for submittal. The notice to the family also instructs the family to call the CoPHD to request another appointment, within 48 hours prior to the appointment, if there is a scheduling conflict. The CoPHD will also mail the notice to a third party if requested as reasonable accommodation for a person with disabilities; however, a written request must be submitted to the CoPHD by the head of household. The request must include the name, address and telephone number of the person appointed to receive the notification. This accommodation will be granted upon verification that they meet the need presented by the disability.

Persons with disabilities who are unable to attend their office appointment will be granted an accommodation of conducting the interview either at the person's home or by telephone.

The CoPHD will schedule an office appointment with family members who recently turned 18 years of age to explain their responsibility under the program, obtain signatures on the Family Obligations, Authorization for the Release of Information/Privacy Act Notice (Form HUD-9886), Debts Owed to Public Housing Agencies and Terminations (Form HUD-52675), Enterprise Income Verification System, Things You Should Know and CoPHD Authorization for Release of Information forms, inquire about income circumstances, and obtain copies of their California Identification or Driver License.

Collection of Information

The CoPHD will mail a Personal Declaration for Rental Assistance Benefits form, Authorization for the Release of Information/Privacy Act Notice (Form HUD-9886), CoPHD Authorization for Release of Information, and Family Obligations with the annual re-examination notice to the family. The head of household will be required to complete and sign a Personal Declaration for Rental Assistance Benefits form, and have all family members 18 years and older sign Form HUD-9886, the CoPHD's Authorization for Release of Information, and Family Obligations. The completed forms and the information supporting the family's circumstances must be submitted to the CoPHD by a given deadline as a condition for continued assistance.

Household members claiming zero income, who have recently turned 18 years of age and are attending high school at the time of the annual re-examination, will be required to complete a Tenant Declaration. However, at the next re-examination, a notarized Affidavit will be required if they are still claiming zero income.

Requirements to Attend

All adult household members will be required to attend the re-examination interview. If any adult household member is unable to attend the interview, the family must notify the CoPHD 48 hours in advance of appointment and request to have appointment re-scheduled to allow all adult household members to be present. If any adult household member is absent at time of appointment, the family will not be seen and the appointment will be considered a missed appointment.

The CoPHD will schedule an appointment for families whose EIV Report reveals a discrepancy.

Failure to Respond to Notification for Re-examination

The annual re-examination notification informs the family that failure to keep the appointment or to call to re-schedule is a violation of the Family Obligations and grounds for proposed termination of rental assistance.

If the family fails to keep the appointment, and does not reschedule or make prior arrangements, the CoPHD will propose the termination of rental assistance to the family. The family will be given proper notice of the proposed termination via "certified and regular mail," and informed of their right to request an informal hearing and the deadline to submit the written request. The CoPHD will also notify the owner, in writing, of the proposed termination of the HAP Contract.

Exceptions to these policies may be made by the CoPHD if the family is able to document an emergency situation that prevented them from canceling, re-scheduling, or attending the appointment.

Documents Required from the Family

In the annual re-examination notification letter to the family, the CoPHD will include instructions for the family to submit the following information by a given deadline:

1. Current documentation of income sources for all family members.
2. Current documentation of disposed assets, the cash value of assets, and income derived from assets.
3. Current documentation of any deductions/allowances.
4. Completed Personal Declaration for Rental Assistance Benefits form.
5. Completed, signed, and dated Form HUD-9886, and CoPHD Authorization for Release of Information.
6. Notarized Affidavit from adult family members reporting zero income.
7. Completed Tenant Declaration form from adult family members no longer receiving Temporary Aid for Needy Families (TANF) due to the expiration of a lifetime or other time limit on welfare benefits and who are reporting zero income.
8. Signed Family Obligations by all adult family members.
9. Birth Certificate and Social Security card for new additions to the family due to birth and approved family members by the CoPHD.
10. Copy of California Identification or Drivers License for family members who turned 18 years old.
11. Completed, signed, and dated 214 Certification form for new additions to the family.
12. Copy of Permanent Resident card for family members whose legal status has been adjusted.
13. Copy of renewed Permanent Resident card.
14. Documentation supporting continued disability status for families whose disability payments have been terminated by the Social Security Administration.
15. Completed Live-in Aide Certification form, if applicable.

16. Copy of Marriage Certificate or Divorce Decree, if marital status has changed.
17. Other documentation as may be determined necessary by the CoPHD.

Verification of Information

The CoPHD will follow the verification procedures and guidelines described in Chapter 7 of this Plan, "Verification Procedures". Verifications obtained at re-examination must be dated within 120 days from the date received.

The CoPHD may obtain third-party verifications of the family's income, assets, allowances and any other factors that affect the determination of adjusted income, tenant rent, and housing assistance payment. The CoPHD will follow the six levels of hierarchy of verification methods established by HUD. See Chapter 7, of this Plan, "Methods of Verification and Time Allowed". CoPHD staff will properly document the family's case file where third-party verifications are unavailable.

Moves with Continued Assistance

Families who express interest in moving with continued assistance, within or outside of the CoPHD's jurisdiction, will be required to comply with the procedure established in Chapter 13 of this Plan, "Moves with Continued Assistance/Portability".

Tenant Rent Increases

If the tenant rent increases, a 30-day notice will be mailed to the family prior to the anniversary date. Once the family has received the notification of the tenant rent increase, this amount may change as a result of additional information that may not have been available at the time of notification (i.e., third-party verification forms). If less than 30 days are remaining before the anniversary date, the tenant rent increase will be effective on the first of the month following the 30-day notice. If there has been a misrepresentation or a material omission by the family, or if the family causes a delay in the re-examination process, there may be a retroactive increase in rent to the anniversary date. The following are examples where the family waives the right to a proper 30-day notice of tenant rent increase:

- Delay in returning the completed annual re-examination program forms and documentation supporting family circumstances by established deadlines.
- Violation of Family Obligations due to unreported and/or untimely reporting of changes in family circumstances.

- The CoPHD verifies that the family failed to disclose true, complete, and accurate information of family circumstances.
- Failure to keep the one scheduled annual re-examination appointment.

The family will be required to reimburse the CoPHD any rental assistance which was overpaid to the owner due to the delay caused by the family. The overpaid rental assistance may be paid in full or by entering into a Repayment Agreement with the CoPHD. See Chapter 17 of this Plan, "Property Owner or Family Debts to the CoPHD".

Families may be required to move if the re-examination reveals that the tenant rent is higher than their monthly reported income. The CoPHD will follow the procedures established in Chapter 13 of this Plan, "Moves with Continued Assistance."

Contract Rent Increase

If the owner requests an increase in the contract rent after the annual re-examination has been approved, the CoPHD may use the supporting information from the latest approved action, so long as the effective date of the increase is within 60 days.

Tenant Rent Decreases

If the annual re-examination reveals that a decrease in family's income occurred prior to the CoPHD's notification of the family's annual re-examination, the decrease in tenant rent may become effective at the family's anniversary date. The following are examples where the family waives their right to an interim re-examination prior to their annual re-examination:

1. If in the process of reviewing the case the CoPHD determines that a serious violation of the program rules and regulations occurred. The CoPHD may propose the termination of rental assistance for the family in accordance with Chapter 15 of this Plan.
2. If a preliminary review of the family's case reveals that the change in tenant rent will result in a decrease of \$25.00 or less.

Families Ineligible for Current HCV Size

Families whose HCV bedroom size has been downsized due to a change in family composition will be informed of the estimated tenant rent based on the new HCV bedroom size. The family will also be informed of the option to remain in the assisted unit paying a

higher tenant rent or move with continued assistance. However, if the tenant rent exceeds their monthly income then they may be required to move.

Families Ineligible for Continued Rental Assistance (24 CFR 982.455)

Families found ineligible for continued rental assistance due to a re-examination resulting in zero housing assistance payments will be informed, in writing that their rental assistance will automatically terminate 180 calendar days after the last housing assistance payment to the owner. The family will be informed of their responsibility to report changes in family circumstances by completing an Update of Family Circumstances form and submit supporting information regarding the change, within 15 days of the change, during the 180-day period. The HAP Contract may be reinstated if the family reports income changes or contract rent increases within this time frame.

Re-determination of Housing Choice Voucher (HCV) Bedroom Sizes

HOUSING SUBSIDY STANDARDS GUIDELINES FOR UNIT SIZE SELECTED		
Number of Bedrooms	Persons in Household (Minimum #)	Persons in Household (Maximum #)
0 Bedroom	1	1-2 (domestic partners)
1 Bedroom	2	4
2 Bedrooms	4	6
3 Bedrooms	6	8
4 Bedrooms	8	10
5 Bedrooms	10	12

Effective with January 2013 annual re-examinations, eligible one-person household program participants will be downsized from a 1-bedroom to a 0-Bedroom HCV. The CoPHD's HCV bedroom size determination is in accordance with CFR Part 982.402.

CoPHD may also re-determine reasonable accommodations that are currently in place. Families affected by the change in HCV bedroom size will be informed of their new tenant rent based on their new HCV bedroom size. The family will be informed of the option to remain in the assisted unit paying a higher rent or move with continued assistance. If the tenant rent exceeds the monthly income, they family will be required to move.

Additionally, the family will be required to sign an updated HCV.

Changes in the Lease and Rent

The CoPHD must approve a new lease and execute a new HAP contract in the following cases:

- There are changes in tenant or owner supplied utilities or appliances.
- There are changes governing the term of the lease.
- The family moves to a new unit (even if the unit is in the same building or complex).

The term of the HAP contract begins on the first day of the lease term and ends on the last day of the lease term. In cases where there has been a change to the owner supplied utilities or appliances or changes to the term of the lease, the owner and tenant will be required to sign a new lease and the owner will also be required to execute a new HAP Contract with the CoPHD. If the owner fails to return signed new Lease and HAP Contract by given due date, the Housing Assistance Payment will be placed on hold status for no more than 60 days. If new Lease and HAP Contract are not returned within the 60 days of new effective date or mailed date, HAP contract will be terminated, at no fault of the tenant.

C. REPORTING INTERIM CHANGES [24 CFR 982.516, 982.553]

HUD requires families to report all changes in household composition to the CoPHD between annual re-examinations. This includes additions due to birth, adoption and court-awarded custody of a non-criminal nature. The family must obtain CoPHD approval prior to all other additions to the household.

HUD requires PHAs to process interim re-examinations when a family reports a reduction in income, and prohibits processing an interim re-examination when the family reports a loss of welfare benefits due to fraud or failure to participate in self-sufficiency or work activity.

The CoPHD requires families to report changes in family composition, income, assets and allowances within 15 days of the change and submit supporting information on the changes that are being reported. To comply with this obligation, the family must report the change in family circumstances by completing an Update of Family Circumstances form. The Update form is available at the CoPHD office and on the CoPHD website.

When a family wishes to add additional members to the household, the CoPHD will follow the procedure outlined below, for members who are 18 years or older, to determine

whether or not to approve the new member as part of the family:

1. Conduct an interview with the proposed new family member.
2. Explain Form HUD-9886, Form HUD-52675, "What You Should Know About EIV," CoPHD Authorization for Release of Information, "Things You Should Know," "Family Obligations," and obtain date and signature on all documents.
3. Collect vital statistics information.
4. Collect income and asset information.
5. Collect allowance information, if applicable.
6. Complete the Client Screening - Criminal History Background form.
7. Complete the 214 Certification form.
8. Complete Proposed Addition to household Update of Family form.

The U.S. citizenship/eligible immigration status of additional family members must be declared and verified.

The family will be notified, in writing, of the CoPHD's decision of their request to add the additional family members to the household upon receipt of all supporting information. If the additional family members are approved by the CoPHD, the family will be informed that written approval from the owner is necessary prior to allowing the additional members to move into the assisted unit.

The CoPHD will follow the procedures established in Chapter 7 of this Plan, "Verification Procedures" in cases where the family requires a live-in aide as a reasonable accommodation.

Individuals subject to a lifetime registration requirement under a State sex offender registration program, or individuals convicted due to the manufacture or production of methamphetamine on the premises of Federally assisted housing, will be denied admission to the program and will not be approved as a live in aide.

The family will be informed that the assisted unit address cannot be used as a "mailing" address by persons who are not part of the household.

Increases in Income

The CoPHD may conduct interim re-examinations when families have an increase in income. Families will be required to report all increases in income/assets of all household members to the CoPHD, by completing an Update of Family Circumstances form and submit supporting information regarding the change, within 15 days of the increase.

Families who report increases in household income of more than \$200 per month will be scheduled for an interim re-examination, no later than 90 days from the date the increase is reported to the CoPHD. The family's case file will be documented in cases where no interim re-examination is necessary because the increase in monthly income is less than \$200. However, this rule does not apply to families who previously reported zero income.

The CoPHD will not process an interim re-examination for families reporting an increase in annual income from Social Security and Supplemental Security Income payments if the increase is due to the Cost of Living Adjustment (COLA). However, the CoPHD will document the family's case.

Decreases in Income

The CoPHD may process an interim re-examination for families reporting a decrease in income and any other changes such as an increase in allowances which would reduce the amount of the tenant rent. The CoPHD will process an interim re-examination for the families if preliminary review of the case reveals that the decrease in income would result in a decrease in tenant rent.

The CoPHD will only verify the change in family circumstances reported by the family, in accordance with Chapter 7 of this Plan, "Verification Procedures" when processing an interim re-examination.

Tenant Rent Decreases

If the annual re-examination reveals that a decrease in the family's income occurred prior to the CoPHD's notification of the family's annual re-examination, the decrease in tenant rent may become effective at the family's anniversary date. If the family does not waive their right to an interim re-examination prior to their annual re-examination by definition, the effective date of an interim re-examination will be the first of the following month after the family reports a decrease. However, if the family causes a delay by not submitting requested or required information, the effective date of the decrease will be on the first day of the month after the family submits the information.

Tenant Rent Increases

The family will be given proper notice of the increase in the tenant rent upon receipt of all supporting information.

Administrative Corrections

If the CoPHD makes a calculation error at admission to the program or at an annual re-examination, an interim re-examination will be conducted to correct the error. If there is an increase in the tenant's rent, the family will not be charged retroactively. However, if the family has overpaid, an adjustment will be made retroactive to the date when the error occurred.

Other Interim Reporting Issues

An interim re-examination does not affect the date of the annual re-examination. An interim re-examination will be scheduled for families with zero or unstable income every 90 days. In addition, the CoPHD will automatically review an EIV report and mail third-party verifications to the Department of Public Social Services, Employment Development Department, and In-Home Supportive Services for families who report zero income as a means of verifying the income status reported by the family.

If there is a change from public assistance income to employment income, the CoPHD will defer the family's rent increase for three months in order to encourage families to move to self-sufficiency.

1. This incentive will only be provided once to any family.
2. This incentive is not provided to persons who work seasonally.

In the following circumstances, the CoPHD may conduct the interim re-examination by mail:

1. Changes that will not result in a change in tenant rent or HCV size.
2. Changes in income that is normal for the family, such as seasonal employment.
3. As a reasonable accommodation when requested (see Chapter 1 of this Plan, "Statement of Policies and Objectives").

Any changes reported by the family, other than those listed in this section, will be denoted in the file by staff, but will not be processed between regularly scheduled annual re-examinations.

D. NOTIFICATION OF RESULTS OF RE-EXAMINATIONS

The CoPHD will notify the family and the owner of the results of the annual re-examination by mailing the Notice of Annual Re-certification/Rent Change. This notice informs the family and the owner of the contract rent, tenant rent, housing assistance payment, effective date of the change, and the family's next annual re-examination. The notice also informs the family of their right to request an informal hearing if they disagree with the rent adjustment (see Chapter 18 of this Plan, "Complaints and Appeals").

A new lease and HAP Contract will be executed when an owner and/or family requests a new lease, or if there are any changes in the lease requirements governing tenant or owner responsibilities for utilities or appliances.

E. TIMELY REPORTING OF CHANGES IN INCOME AND ASSETS

Standard for Timely Reporting of Changes

The CoPHD requires that families report interim changes by completing an Update of Family Circumstances within 15 days of when the change occurs. The family will be required to submit supporting documentation for the change within 30 days of the change.

An exception for the submission of the documents supporting the change will be made for TANF recipients who obtain employment. In such cases, families will have to submit the Notice of Action from the Department of Public Social Services, within 15 days of receipt, that shows the full adjustment for employment income.

If the change is not reported within the required time period or if the family fails to provide documentation or signatures, it will be considered untimely reporting and may be subject to proposed termination of rental assistance.

Procedures when Change is Reported by Tenant in a Timely Manner

The CoPHD will notify the family and owner of any change in the housing assistance payment to be effective according to the following guidelines:

1. Increase in the Tenant Rent is effective on the first of the month following at least a 30-day notice.

2. Decrease in the Tenant Rent is effective the first of the following month in which the change was reported in writing. However, no rent reductions will be processed until all the facts have been verified, even if it results in a retroactive adjustment.

An interim re-examination may be processed based on documentation provided by the family when the change in family circumstances results in a decrease in tenant rent, and after an attempt was made to obtain third-party written verification. However, the case may be re-evaluated upon return of the third-party written verifications to make sure the tenant rent and housing assistance payment were accurately determined. The CoPHD will revise the interim re-examination if the review reveals that the tenant rent and housing assistance payment were over/under estimated.

Procedures when Change is not Reported by Tenant in a Timely Manner

If the family does not report the change as described under Timely Reporting, the family will have caused an unreasonable delay in the interim re-examination process and the following guidelines will apply:

1. Increase in Tenant Rent may be effective retroactive to the date it would have been effective had it been reported on a timely basis. The family will be notified, in writing, of their forfeiture to an advance notice of rent increase due to their untimely reporting of changes in family circumstances. The family will also be informed of their right to request an informal hearing, in writing, if they disagree with the CoPHD's decision. The family will be liable for any overpaid housing assistance payments and may be given an opportunity to enter into a Repayment Agreement, depending on the family's history under the HCVP, or make a lump-sum payment.
2. Decrease in Tenant Rent will be effective on the first of the month following completion of the process by the CoPHD and not retroactively.

Procedures when Change is not Processed by CoPHD in a Timely Manner

"Processed in a timely manner" means that the change in family circumstances was reported, by completing an Update of Family Circumstances form within 15 days of the change. In this case, an increase in the tenant rent will be effective after the required 30-day notice prior to the first of the month after completion of the process by the CoPHD.

If the change resulted in a decrease in the tenant rent, the overpayment by the family will be calculated retroactively to the date it should have been effective.

F. REPORTING OF CHANGES IN FAMILY COMPOSITION
[24 CFR 982.505, 982.516, 982.315]

All changes in family composition must be reported, by completing an Update of Family Circumstances form, within 15 days of the occurrence. Irrespective of any increase or decrease in the payment standard amount, if the family unit size increases or decreases during the HAP Contract term, the family unit size must be used to determine the payment standard amount for the family beginning at the family's first regular re-examination following the change in the family unit size.

Increase in Family Size

Increases other than by birth, adoption or court-awarded custody of a non-criminal nature must have the prior approval of the owner and the CoPHD.

If a change due to birth, adoption, court-awarded custody of a non-criminal nature, or need for a live-in aide requires a larger size unit due to overcrowding, the change in the HCV shall be made effective immediately. The CoPHD may determine whether to issue a larger HCV in this instance based on funding availability.

Decrease in Family Size

The family must follow the steps listed below to remove a family member from the household:

1. Complete and submit the Update of Family Circumstances form to the CoPHD within 15 days of the date of the change.
2. A copy of the lease where the family member will be residing will need to be submitted. If not available, other documentation must be submitted as proof of the new residence (i.e., utility bills, updated California Identification/Drivers License, business correspondence, etc.). If new lease or other acceptable documentation is not available, household must submit a notarized Affidavit informing that family member will no longer be part of the assisted household and reason why proof of new address is not available. The statement must include the effective move date, forwarding address, and telephone number. In addition, the Housing Department may conduct a special inspection to verify that the reported adult household member(s) has moved out of assisted unit. See Chapter 7 of this Plan, "Verification of Permanent Absence of Adult Family Member" for verification procedures.

An interim re-examination will not be processed if the family fails to submit the supporting information that proves that the family member has moved out of the assisted unit. The CoPHD will determine the effective date of the interim re-examination upon submittal of the supporting information.

Family Break-Up

The CoPHD has discretion to determine which members of an assisted family continue to receive assistance from the program if the family breaks up (i.e., divorce, legal separation or the division of the family). The CoPHD will consider the following factors when deciding who remains on the program if the family breaks up:

1. Which family members remain in the original assisted unit.
2. The interest of minor children, elderly or disabled family members.
3. Whether family members are forced to leave the unit as a result of actual or threatened physical violence against family members by a spouse or other members of the household. These families are protected under the Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA 2005). See Chapter 7 of this Plan, "Verification of Domestic Violence" for verification procedures.
4. Which family member was the head of household when the HCV was initially issued (refer to the HCV Application).
5. Recommendations of social service professionals.

Note: If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement or judicial decree, the CoPHD is bound by the court's determination of which family members will continue to receive assistance on the program.

The family will be responsible for submitting documentation verifying the above factors. The CoPHD may terminate assistance if the family fails to submit the required documentation to determine the family's continued eligibility.

The family will be informed of their option to move to another unit or continue residing in the assisted unit where the breakup of the family results in a change of the bedroom size of the voucher.

Remaining Family Member

A remaining family member could be a spouse, head of household, co-head, adult family member, or a dependent as long as the assistance is continuous. Continuously assisted refers to families that are currently receiving assistance. It is the responsibility of the assisted family to select the new "head of household" from the approved remaining members.

The family will be required to inform the owner of the assisted unit about the change in head of household/family composition. The owner will decide if the change in head of household is acceptable. The head of household must notify the CoPHD if the owner shall offer a new lease.

G. CONTINUANCE OF ASSISTANCE FOR "MIXED" FAMILIES **[24 CFR 5.504, 5.518]**

Under the Restrictions on Assistance to Non-Citizens rule, "mixed" families are families whose members include those with citizenship or eligible immigration status and those without citizenship or eligible immigration status. Mixed families may receive continued housing assistance. Mixed families who qualify for continued assistance after November 29, 1996, shall receive prorated assistance. See Chapter 6 of this Plan, "Factors Related to Total Tenant Payment Determination".

CHAPTER 13

MOVES WITH CONTINUED ASSISTANCE/PORTABILITY

INTRODUCTION

HUD regulations permit families to move with continued assistance to another unit within the CoPHD's jurisdiction, or to a unit outside of the CoPHD's jurisdiction under portability procedures. The regulations also allow the CoPHD the discretion to develop policies which define any limitations or restrictions on moves. This Chapter defines the procedures for moves both within and outside of the CoPHD's jurisdiction, and the policies for restrictions and limitations on moves.

A. ALLOWABLE MOVES [24 CFR 982.314, 982.552]

A family may move to a new unit if:

1. The assisted lease for the old unit has terminated because the CoPHD has terminated the HAP contract for owner breach, or the lease was terminated by mutual agreement of the owner and the family.
2. The owner has given the family a notice to vacate, commenced an action to evict the family, obtained a court judgment, or other process allowing the owner to evict the family (unless rental assistance to the family is proposed for termination).
3. The family has given at least a 60 Day Notice of lease termination to the owner (if the family has a right to terminate the lease on notice to owner, for owner breach or otherwise).
4. A member of the family is being relocated because they are a witness in connection with efforts to combat crime in public and/or assisted housing, if requested by law enforcement.
5. A member of the family is protected by the Violence Against Women and Justice Department Reauthorization Act 2005 (VAWA), because he/she has been a victim of domestic violence, dating violence, sexual assault, or stalking. The family will be required to complete, sign and submit Form HUD-50066. See Chapter 7 of this Plan, Verification Procedures".

B. RESTRICTIONS ON MOVES

Families will not be permitted to move within the CoPHD's jurisdiction during the initial lease term of assisted occupancy.

Families will not be permitted to move outside the CoPHD's jurisdiction under portability procedures during the first year of admission, unless they have met all requirements.

Moves with continued rental assistance will be processed under the following circumstances:

1. Causes beyond the family's control (i.e., foreclosure or loss of property; new owner unwilling to assume HAP contract, substandard unit).
2. Family is unable to afford the increased tenant rent due to changes in family circumstances.
3. VAWA victims.
4. Under-housed family.
5. Reasonable accommodation.

Families will not be permitted to move more than once in a 12-month period.

Families requesting a move will be required to submit a 90-Day advance written request to move. However, the family must not serve a notice of intent to vacate to the owner prior to receiving CoPHD approval.

The CoPHD will deny permission to move if:

1. There is insufficient funding for continued assistance.
2. The family owes the CoPHD or any other Housing Agency money. This would include cases pending determination of overpaid rental assistance.
3. The family currently has a Repayment Agreement unless the outstanding balance of the Repayment Agreement is paid in full within 90 days of the move request and if no other program violations exist.
4. The family has been evicted for damages to the assisted unit beyond normal wear and tear, failure to provide or maintain tenant-supplied utilities and/or appliances, non-payment of tenant rent, violent or drug-related criminal

activity, serious or repeated violation of the lease, and/or other Family Obligation.

5. The family is participating in Project-based Program and a voucher or other comparable tenant-based rental assistance is not immediately available.
6. The family's total tenant payment exceeds the applicable payment standard.
7. The family has moved or been issued a voucher within the last 12 months.

The CoPHD may deny permission to move if:

1. The family has violated a Family Obligation.
2. The family's rental assistance has been placed on a "Conditional" status.

Please refer to Chapter 19 of this Plan, "Project-Based Voucher Program", to determine eligibility to move with continued rental assistance for families participating in project-based programs.

C. PROCEDURE FOR MOVES

The following procedures will be followed for move requests:

1. The family submits a written request to move 90 days in advance of planned move.
2. CoPHD provides the family with a move briefing packet, including a Personal Declaration for Rental Assistance Benefits form and schedules pre-move interview appointment with the family within 30 days of the written request.
3. CoPHD reviews the family's case to determine if a special inspection is required and may request the special inspection be performed. Pre-move out special inspections will only be performed upon request from the owner, tenant, or CoPHD.
4. CoPHD conducts a pre-move interview with the family to review the requirements for a move with continued rental assistance and the Personal Declaration for Rental Assistance Benefits form. As with an annual interview, the family will be required to provide all current information regarding family circumstances and sign the applicable forms and certifications. Additionally, the family will be required to submit rent receipts for the current and past 5 months or a written statement from the owner to verify their tenant rent is current.

5. Based on the pre-move interview, pre-move special inspection (if required), review of Enterprise Income Verification System (EIV) report, and receipt of the appropriate third party verifications, if requested, the CoPHD will determine if the requested move with continued assistance will be granted. If the move is approved, the CoPHD will:
 1. Instruct the family to provide the owner with a written notice of lease termination in accordance with the family's lease, keep a copy for their records and provide a copy of the served notice to the CoPHD.
 2. CoPHD schedules an appointment with the family for issuance of the Housing Choice Voucher.
 3. CoPHD collects the copy of the lease termination notice served on the owner by the family during the scheduled appointment, calculates the Total Tenant Payment and 40% affordability for the family, and conducts a Briefing Session with the family which consist of the following:
 - A description of the CoPHD's jurisdiction.
 - An explanation of the CoPHD's policies and procedures.
 - A review of the briefing packet materials.
 - Issuance of the Housing Choice Voucher, Certificate or Coupon, and Request for Tenancy Approval packet.
 - Provides the family the available CoPHD Marketing List and Pasadena Housing Search website address.
 4. CoPHD notifies the owner of the termination of the Housing Assistance Payments contract in accordance with the family's written notice of lease termination.

The family is advised of their responsibility to remain in occupancy of the assisted unit and continue paying their tenant rent to the owner through the end of their lease termination, leave the unit clean and without tenant related damages, and return the keys to the owner upon vacating the assisted unit, as required by the Family Obligations to remain eligible for the program.

The family will be in violation of the Family Obligations if they vacate the assisted unit prior to the lease termination unless the family submits an agreement between the tenant and owner for an earlier termination of the lease. In the event that an agreement is not submitted, the family's voucher will be suspended pending the collection of the overpaid rental assistance.

If the family does not locate a new unit, they may remain in the current unit so long as the owner permits. Additionally, the family and owner must submit a written statement prior to the lease termination, signed by both parties agreeing to rescind the termination of the lease or agreeing to extend the termination of the lease.

Families who fail to continue paying their tenant rent through the end of their lease termination will have their issued voucher canceled and will be proposed for termination due to non-compliance of the Family Obligations, unless they submit a written statement from the owner verifying the outstanding rent has been paid.

If the move request is not approved, the CoPHD notifies the family within 15 days of the determination and advises the family of their right to an informal hearing.

Please refer to Chapter 12 of this Plan, "Reexaminations", for the procedure to follow when the family requests a move during their annual re-examination.

Time of HAP Contract Change

In a move, assistance stops at the old unit in accordance with the proper written notice to vacate.

The CoPHD will enter into a HAP contract on the new unit after the termination of assistance at the old unit unless the family submits an agreement between the tenant and owner for an earlier termination of the lease.

The CoPHD may approve up to 5 days of overlap assistance for the month in which the family moves.

Families moving in the same building/complex owned by the same owner will be processed like any other move, except that there will be no overlapping of assistance.

D. PORTABILITY [24 CFR 982.353]

Portability applies to families moving out of or into the CoPHD's jurisdiction within the United States and its territories. Under portability, families are eligible to receive assistance to lease a unit outside of the CoPHD's jurisdiction. The unit may be located in the same State as the CoPHD or in the jurisdiction of a Public Housing Agency (PHA) anywhere within the United States that administers a tenant-based program. However, the CoPHD may opt to deny portability moves, and moves within the CoPHD jurisdiction, if the CoPHD does not have sufficient funds under its calendar year budget to subsidize families. This would be a denial to move for insufficient funding under CFR 982.314(e) (1). The CoPHD will contact the receiving PHA and confirm that the receiving PHA will absorb before denial of portability. See Exhibit G of this Plan for

outgoing/incoming deadlines.

E. OUTGOING PORTABILITY [24 CFR 982.353, 982.355]

Families who are interested in moving outside of the CoPHD's jurisdiction, must meet the criteria established for moves with continued rental assistance.

If the family is moving to a unit located in the same State as the CoPHD, in the same Metropolitan Service Area (MSA), or in an adjacent MSA in a different State, and there is no PHA in the area where the unit is located, the CoPHD will be responsible for the administration of the family's assistance.

The CoPHD will choose a management company, another PHA, or a private contractor to administer the assistance. If there is more than one PHA in the area in which the family has selected a unit, the CoPHD will choose the receiving PHA.

Restrictions on Portability

Families will not be permitted to exercise portability for any of the following reasons:

1. Families will not be permitted to exercise portability during the initial 12 month period after admission to the program or lease-up in the CoPHD's jurisdiction.
2. If the family is in violation of a Family Obligation.
3. If the family owes money to the CoPHD.
4. If there is less than 30 days left on their voucher.

The VAWA 2005 Act provides that the family may receive a voucher and move in violation of the lease under the portability procedures if the family has complied with all other obligations of the voucher program and has moved out of the assisted unit in order to protect the health or safety of an individual who is or has been the victim of domestic violence , dating, violence, or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the assisted unit. Therefore, the CoPHD may allow a family to move under portability procedures if the only basis for the denial is that the family is violating the lease agreement.

Outgoing Portability Procedures

Families who express an interest in portability must complete and submit the Request for Portability form to move outside of the CoPHD's jurisdiction at least 30 days prior to

the expiration of the issued HCV, which specifies the area to which the family wants to move.

The CoPHD will provide the family with the name and location of the receiving Public Housing Agency (PHA), the contact person and telephone number.

The CoPHD will contact the receiving PHA in the jurisdiction where the family wants to move and advise the receiving PHA that the family will be moving into their jurisdiction. The CoPHD will also seek to determine if the receiving PHA will absorb or administer the family's rental assistance.

The family will be responsible for contacting the receiving PHA and schedule an appointment with the contact person who will process them as an in-coming portable family.

The CoPHD will prepare, mail, and/or fax the portability packet to the receiving PHA. The following documents will be included in the portability packet:

1. Family Portability Information form (form HUD-52665).
2. A copy of the family's HCV with issued and expiration dates.
3. The most recent form HUD-50058 (Family Report) and copies of the income supporting the form.
4. Copy of the Enterprise Income Verification System report in a sealed envelope.
5. Most recent Personal Declaration for Rental Assistance Benefits form.

The receiving PHA must promptly notify the CoPHD:

1. Whether the receiving PHA will bill the initial PHA for assistance on behalf of the portable family, or will absorb the family into its own program.
2. If the family has leased an eligible unit under the program or if the family fails to submit a Request for Tenancy Approval for an eligible unit within the term of the HCV.

The receiving PHA must determine whether to extend the HCV. However, if the time is beyond the expiration date of the initial PHA's HCV, the receiving PHA must inform the initial PHA of the extension and bear in mind the billing deadline. Additionally, the CoPHD will be responsible for submitting a revised form HUD-52665 to the receiving

PHA.

If the CoPHD does not receive notification from the receiving PHA regarding the status of the ported family, within 60 days following the expiration of the initial HCV, the CoPHD will cancel the HCV and will notify the receiving PHA.

Families porting out of the CoPHD's jurisdiction may be subject to criminal background conducted by the receiving PHA.

Families who decide not to lease in the jurisdiction of the receiving PHA and wish to port out to another jurisdiction must submit their decision in writing to the receiving PHA. The receiving PHA must return the portability packet to the CoPHD before processing the family's request to port out to another jurisdiction.

If the receiving PHA denies assistance to the family, the receiving PHA will be required to notify the CoPHD within 15 days, and offer the family an informal review or informal hearing.

Payment to the Receiving PHA

Payments for families in other jurisdictions will be made to other PHA's in accordance with HUD approved procedures for payment.

When billed, the CoPHD will reimburse the receiving PHA for 100% of the housing assistance payment, and 80% of the Administrative Fee (at the CoPHD's rate), and any other HUD-approved fees. However, the CoPHD will only honor billings received within 10 working days from the date the HAP contract is executed by the receiving PHA.

F. INCOMING PORTABILITY [24 CFR 982.355]

Required Documents

As receiving PHA, the CoPHD will require the following documents from the Initial PHA:

1. A copy of the family's HCV with issue and expiration dates.
2. The most recent form HUD-50058 (Family Report) and copies of the income supporting the form.
3. Copy of the Enterprise Income Verification System report.
4. Family Portability Information form (form HUD-52665).

Incoming Portability Procedures

The CoPHD will review the in-coming portability packets to determine if all required information is included. Portability packets will be returned to the initial PHA for the following reasons:

- Invalid effective date of HCV.
- Unsigned HCV by the family.
- Expired HCV.
- Less than 30 days are left on the HCV.
- Missing EIV report.
- Missing information supporting the latest form HUD-50058.
- Missing form HUD-52665.

The CoPHD will make an attempt to request from the initial PHA the missing information before returning the portability packet.

The CoPHD will schedule an appointment with the incoming portability family within two weeks of receipt of a complete portability packet. The family will be instructed to bring the following information to the scheduled appointment:

- Completed Personal Declaration for Rental Assistance Benefits form.
- Authorizations for Release of Information (CoPHD and form HUD-9886) signed by all adult family members.
- What You Should Know About EIV & Debts Owed to Public Housing Agencies and Terminations program forms signed by all adult family members.
- Copies of vital statistics documents.
- Current verifications supporting the family's circumstances.

The CoPHD will conduct a criminal background for all adult family members. Each adult family member will be required to complete a Criminal History Background form, sign and date this form, during the time of the interview.

The CoPHD determines the HCV bedroom size for the family, applying the CoPHD's Subsidy Standards, and uses the same dates on the HCV issued by the initial PHA. Additionally, the family's Total Tenant Payment and 40% affordability is determined and a briefing session is conducted with the family which consists of the following:

- A description of the CoPHD's jurisdiction.
- An explanation of the CoPHD's policies and procedures.
- Request for Tenancy Approval packet.
- Provides the family with the available CoPHD Marketing List and Pasadena Housing Search website address.

The CoPHD will collect updated information supporting the family's circumstances and conduct Criminal Background checks for all adult family members. However, the CoPHD will not delay the family's housing search for issuing a voucher for families already receiving voucher assistance.

The CoPHD may delay issuing a voucher for an applicant family if there has been a change in the family's annual income. For admission to the HCVP, the family must be within the CoPHD's very-low income limits.

Absorption or Administration

The CoPHD will accept a family with a valid HCV from another jurisdiction and administer or absorb the HCV. The CoPHD will determine whether to extend the HCV term.

When the CoPHD, as the receiving PHA, does not absorb the incoming HCV, it will administer the initial PHA's HCV and the CoPHD's policies will prevail.

The CoPHD will issue a HCV according to its own subsidy standards. If the family has a change in family composition due to birth, adoption, or marital status which would change the HCV size, the CoPHD will change the HCV to the proper size based on its own subsidy standards. However, the initial PHA will be responsible for approval of any other additions to the family composition.

The CoPHD's policy on voucher suspensions will apply. However, if an incoming family ultimately decides not to lease in the jurisdiction of the CoPHD, but instead wishes to return to the initial PHA or wishes to search in another jurisdiction, the CoPHD will refer the family back to the initial PHA. In such cases, the voucher of record for the family is once again the voucher originally issued by the initial PHA.

Income and TTP of Incoming Portables

As receiving PHA, the CoPHD will conduct a re-examination interview to verify the information provided, if any documents are missing, or are over 120 days old, whichever

is applicable, or there has been a change in the family's circumstances.

If the family's income exceeds the income limit of the CoPHD, the family will not be denied assistance, unless the family is an applicant and the total annual income for the family exceeds the very-low income limit for the number of persons in the family.

If the family's income is such that a \$0 subsidy amount is determined prior to lease-up in the CoPHD's jurisdiction, the CoPHD will refuse to enter into a contract on behalf of the family at \$0 assistance. The family will be returned to the initial PHA.

Request for Tenancy Approval

When the family submits a Request for Tenancy Approval (RFTA), it will be processed using the CoPHD's policies. If the family does not submit a RFTA and does not execute a lease, the CoPHD will inform the initial PHA, within 10 working days, when the HCV has expired.

If the family leases up successfully, the CoPHD will notify the initial PHA, within 10 working days from the date a HAP contract is executed, of the effective date of the absorption or commencement of billing process.

If the CoPHD denies assistance to the family, the CoPHD will notify the initial PHA, within 15 days, and the family will be offered an informal review or informal hearing.

The CoPHD will return the portability packet to the initial PHA, along with completed form HUD-52665, in cases where the family decides not to lease in the CoPHD's jurisdiction.

Billing Procedures

As receiving PHA, the CoPHD will bill the Initial PHA every 30 days for housing assistance payments. The billing cycle for other amounts, including administrative fees, will also be monthly unless otherwise requested by the initial PHA.

The CoPHD will bill 100% of the housing assistance payment, and any other HUD-approved fees, for each portable HCV leased as of the first day of the month.

The CoPHD will notify the initial PHA of changes in subsidy amounts, and will expect the initial PHA to notify the CoPHD of changes in the administrative fee amount to be billed.

Terminations

The CoPHD will notify the initial PHA in writing of any termination of assistance. If an informal hearing is required and requested by the family, the hearing will be conducted by the CoPHD using regular hearing procedures outlined in Chapter 18 of this Plan, "Complaints & Appeals".

Mobility

The CoPHD may enter into an inter-jurisdictional agreement with other PHA's to assist portable families who relocate in other jurisdictions. The CoPHD or the initial PHA determines eligibility and maintains the family's file. The receiving PHA will only conduct the HQS inspections in a timely manner, and bill the CoPHD or the initial PHA for this service only. A copy of the inspection reports will be submitted with the invoice for payments. The fee for inspections will be negotiated by the two PHAs.

At the request of the participating PHA, the mobility agreement may allow for CoPHD families to lease in their jurisdiction while all inspections, eligibility determination, and file maintenance responsibilities remain with the CoPHD.

CHAPTER 14

CONTRACT TERMINATIONS

INTRODUCTION

The Housing Assistance Payments (HAP) contract is between the owner and the CoPHD, and defines the responsibilities of both parties. This Chapter describes the circumstances under which the contract can be terminated by the CoPHD and the owner, and the policies and procedures for such terminations.

The term of the HAP contract is the same as the term of the lease. No future subsidy payments on behalf of the family will be made by the CoPHD to the owner after the month in which the HAP Contract is terminated. The owner must reimburse the CoPHD for any subsidies paid by the CoPHD for any period after the HAP contract termination date.

If the family continues to occupy the unit after the HAP contract is terminated, the family is responsible for the total amount of rent due to the owner. The owner will have no right to claim compensation from the CoPHD.

The term of the lease and contract may be extended, if mutually agreed upon, where the owner and tenant initiated the termination of the lease. A written agreement must be submitted to the CoPHD prior to the original termination date as long as no program violations exist. However, the CoPHD will not extend the HAP contract if the CoPHD determines, in accordance with HUD requirements, that funding under the consolidated ACC is insufficient to support continued assistance for families in the program.

After a HAP contract termination, if the family meets the criteria for a move with continued assistance, the family may lease-up in another unit. The HAP contract for the new unit may begin during the month in which the family moved from the old unit.

The CoPHD will comply with Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA), which protects family members who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from housing assistance based on acts of such violence against them. The family may be required to complete, sign and submit Form HUD-50066 or other acceptable documentation in order to verify the family's claim that the request to move is prompted by incidences of abuse in the unit, within 14 business days of the request.

A. TERMINATION BY THE FAMILY: MOVES [24 CFR 982.314 (c)(2)]

The lease stipulates that the family cannot move from the unit until after the first year of the lease. The notice period to the owner is determined by the lease. The written notice must be at least a 60-day written notice to the owner. See Chapter 13 of this Plan, "Moves With Continued Assistance/Portability". Under special conditions the owner and tenant can mutually agree to a lesser notice. The notice or mutual agreement must be submitted to the CoPHD prior to the family vacating the assisted unit.

B. TERMINATION BY THE OWNER: EVICTIONS [24 CFR 982.310]

If the owner wishes to evict the family and terminate the lease, the owner is required to use the procedures in HUD regulations and State or local law. The owner must provide the CoPHD with a copy of the eviction notice. The owner must provide the family with a written notice and should specify the grounds for termination of tenancy, at or before the commencement of the eviction action.

The owner eviction notice means a notice to vacate, or a complaint, or other initial pleading used under State or local law to commence an eviction action.

During the term of the lease, the owner may not terminate the tenancy except on the following grounds:

1. Serious violation (including, but not limited to failure to pay rent or other amounts due under the lease) or repeated violation of the terms and conditions of the lease.
2. Violations of Federal, State or local law related to occupancy of the unit.
3. Other good cause, including:
 - a. Criminal activity by the family, any member of the household, a guest or another person under the family's control that threatens the health, safety or right to peaceful enjoyment of the premises by the other residents or persons residing in the immediate vicinity of the premises;
 - b. Any drug-related criminal activity on or near the premises; or
 - c. Family history of disturbance of neighbors, destruction of property, or behavior resulting in damage to the premises.
4. Other good cause, after the first year of the lease, also includes:
 - a. Failure by the family to accept the offer of a new lease or revision;

- b. The owner's desire to use the unit for personal or family use, or for a purpose other than as a residential rental unit; or
- c. Business or economic reason for termination of the tenancy (such as sale of the property, renovation of the unit, the owner's desire to rent the unit for a higher rent).

For families where an incident or incidents of actual threatened domestic violence, dating violence, or stalking occurred, this will not be construed as serious or repeated violations of the lease by the family or other "good cause" for termination of the assistance, tenancy, or occupancy rights of such a victim.

The eviction notice should specify the cause for the eviction. The CoPHD requires that the owner specify the section of the lease that has been violated and cite the ways in which the family has violated that section, as documentation for the CoPHD's termination of rental assistance.

Housing assistance payments terminate when the lease is terminated by the owner in accordance with the lease. However, if the owner has commenced the process to evict the tenant, and if the family continues to reside in the unit, the CoPHD must continue to make housing assistance payments to the owner in accordance with the CoPHD contract until the owner has obtained a court judgment or other process allowing the owner to evict the tenant. The owner will be required to submit copies of the filed court documents within 15 days to the CoPHD. The CoPHD may continue such payments until the family moves from or is evicted from the unit. The owner must submit a copy of the final court judgment within 5 days.

If the owner opts out for business or economic reasons or non-renewal of the lease, the family must be given a 90-day written notice, with a copy to the CoPHD. Such reasons include desire to sell the property, renovation of the unit, or desire to obtain a higher rent than the CoPHD will approve. However, written notice is subject to current State and local law.

The CoPHD must continue making housing assistance payments to the owner in accordance with the HAP contract as long as the family continues to occupy the unit and the HAP contract is not violated. By accepting the monthly payment from the CoPHD, the owner certifies that the family is still in the unit and they are in compliance with the HAP contract.

If the eviction is not due to a serious or repeated violation of the lease, and if the CoPHD has no other grounds for termination of assistance, the CoPHD may issue a HCV so that the family can move with continued assistance.

C. TERMINATION OF THE CONTRACT BY CoPHD OR DUE TO BREACH OF CONTRACT [24 CFR 982.404 (a), 982.453, 982.454, 982.455, 982.306]

The term of the HAP contract terminates when the lease terminates, CoPHD terminates program assistance for the family, and/or the owner has breached the HAP contract.

If the CoPHD terminates the HAP contract due to breach of contract, the CoPHD will provide the owner and family with a written notice of termination of the HAP contract.

1. Any of the following actions by the owner (including a principal or other interested party) is a breach of the HAP contract by the owner:
 - a. If the owner has violated any obligation under the HAP contract for the dwelling unit, including the owner's obligation to maintain the unit in accordance with HQS.
 - b. If the owner has violated any obligation under any other HAP contract under Section 8 of the 1937 act (42 U.S.C. 1437f).
 - c. If the owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program.
 - d. For projects with mortgages insured by HUD or loans made by HUD, if the owner has failed to comply with the regulations for the applicable mortgage insurance or loan program, with mortgages or mortgage note, or with the regulatory agreement; or if the owner has committed fraud, bribery or any other corrupt or criminal act in connection with the mortgage or loan.
 - e. If the owner has engaged in drug-related criminal activity; or
 - f. If the owner has committed any violent criminal activity.
2. The PHA rights and remedies against the owner under the HAP contract include recovery of overpayments, abatement or other reduction of housing assistance payments, termination of housing assistance payments, and termination of the HAP contract.
3. The CoPHD will terminate the HAP contract on the last day of the month in which the following circumstances occur:
 - a. Deceased single member household
 - b. Family vacates without notice.

The CoPHD may terminate the HAP contract if:

1. The CoPHD terminates assistance to the family for any grounds authorized by HUD regulations.
2. The family is required to move from a unit which is under-occupied or overcrowded.
3. Funding is no longer available under the Consolidated ACC.
4. Failure to disclose the familial relationship between owner and tenant.
5. A family is no longer eligible for the reasonable accommodation.
6. Failure to disclose pertinent information to CoPHD.
7. Administrative error.

The CoPHD will terminate HAP contracts, in accordance with HUD requirements, if the CoPHD determines that funding under the Consolidated ACC is insufficient to support continued assistance for families in the program. CoPHD HAP contracts may be terminated in, but not limited to, the following manner upon CoPHD's review and finding that any member of a family household:

1. Failed to reimburse any PHA for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.
2. Breached an agreement with a PHA to pay amounts owed to a PHA, or amounts paid to an owner by a PHA.
3. Owes rent or other amounts to the CoPHD or to another PHA in connection with Section 8 HCVP or public housing assistance under the 1937 Act; and
4. Violated any Family Obligation under the program as listed in 24 CFR 982.551.

The existence of the above-referenced actions by any household member, regardless of the head of household's lack of knowledge of the behavior, shall be grounds for termination of assistance.

The HAP contract terminates automatically 180 days after the last housing assistance payment to the owner.

The HAP contract termination will be extended through the informal hearing process.

The CoPHD will provide the owner and family with a written notice of termination of the HAP contract. The CoPHD will terminate the HAP contract on the last day of the month in which the following circumstances occur:

D. TERMINATION DUE TO INELIGIBLE IMMIGRATION STATUS
[24 CFR 5.514 & 5.500 - 5.528]

The CoPHD will give notice of HAP Contract termination if there is no eligible remaining household member with eligible immigration status.

E. TERMINATION DUE TO FORECLOSURE

Foreclosed properties in which Section 8 voucher recipients reside must comply with Sections 702 and 703 of the Protecting Tenant at Foreclosure Act (PTFA) of 2009. If the immediate successor-in-interest will use the unit as a primary residence, the lease can be terminated effective on the date of the sale. In such case tenant is still entitled to a minimum of 90 days notice to vacate.

During the term of the lease, the owner shall not terminate the tenancy except for serious or repeated violation of the terms and conditions of the lease, for violation of applicable Federal, State, or local law, or for other good cause, and in the case of an owner who is an immediate successor in interest pursuant to foreclosure during the term of the lease vacating the property prior to sale shall not constitute other good cause, except that the owner may terminate the tenancy effective on the date of transfer of the unit to the owner if the owner:

1. Will occupy the unit as a primary residence; and
2. Has provided the tenant a notice to vacate at least 90 days before the effective date of such notice.

**F. TERMINATION OF HAP CONTRACT AND HOUSING CHOICE VOUCHERS:
INSUFFICIENT FUNDING [24 CFR 982.454]**

The CoPHD may terminate the HAP contract if the CoPHD determines, in accordance with HUD requirements, that funding under the consolidated ACC is insufficient to support continued rental assistance for families in all programs.

Prior to the termination of existing HAP contracts for reason of insufficient funding, a formal "Declaration of Insufficient Funding" is required. This declaration shall be made in writing and signed by the Chief Executive Director, Housing Director, and the City's Finance Director will sign concurrence.

The authority to approve the termination of HAP contracts due to insufficient funding is vested in the City Council acting in its capacity as the CoPHD. The approval to terminate HAP contracts shall be granted only through formal resolution of the City Council, after it has duly considered a formal request to terminate HAP contracts due to insufficient funding.

If the CoPHD must terminate HAP contracts due to insufficient funding, the CoPHD will terminate HAP contracts and/or cancel Housing Choice Vouchers (HCV) in the following order:

1. Cancel all outstanding HCV for applicants who have been issued a voucher from the waiting list including applicants who have submitted a Request for Tenancy Approval (RFTA).
2. Participants who voluntarily withdraw their participation from the program.
3. Participants (including out-going portables) who currently hold an active HCV and are no longer in a contracted unit.
4. Participants that are not in a contracted unit and do not hold an active HCV will not be issued a HCV to move with continued rental assistance.
5. Participants that have seriously and/or repeatedly violated the family obligations (first in, first out).
6. Participants that currently have a Repayment Agreement and/or have an overpayment (largest to smallest outstanding balance amount).
7. Participants with household members with disregarded income. Example: a household consists of parents with income and one or two college students who also have income, which is not included in computing the tenant rent. The total income of these households may be enough to afford the rent without rental assistance.
8. Participants currently holding an active HCV and whose contract is due to terminate will have their HCV cancelled and HAP contract will not be reinstated or extended.
9. Participants who are renting property owned by a relative (first in, first out).
10. Participants that are over-housed (largest to smallest).

11. Participants that are single, non-elderly and non-disabled households (first in, first out).

In the event the above selection criteria fails to yield a sufficient number of contract terminations necessary to meet funding levels, additional contracts will be selected through a lottery conducted by the CoPHD. A number will be assigned to all remaining existing contracts. These numbers will be selected at random until a sufficient number of contracts have been identified to achieve the required cost reductions.

Participants whose HCV was cancelled or HAP contract terminated due to insufficient funding will be placed on the CoPHD reissued waiting list and assigned a priority number based on the order of their cancellation. This number identifies the order they may be reissued a HCV once funding is available and eligibility is redetermined. However, participants that have committed fraud and/or repeatedly violated the family obligations will be proposed for termination of rental assistance in accordance with Chapter 18 of this Plan, "Complaints and Appeals."

Applicants whose vouchers were cancelled due to insufficient funding will be returned to the CoPHD waiting list. These applicants will be issued a HCV upon redetermination of eligibility when funding is available.

Notice of Termination Due to Insufficient Funding

The CoPHD shall provide the owner and participant with a minimum of 30 days written "Notice of HAP Contract Termination for Reason of Insufficient Funding." The notice of HAP contract termination shall be signed by the Chief Executive Director and sent to the owner and to the participant via first class mail.

This written notice to the owner shall describe the:

1. Reason for contract termination.
2. Regulatory and administrative plan reference authorizing the termination.
3. Effective date of the contract termination.
4. Responsibilities of the owner to offer the family a new lease.
5. CoPHD contact person.

This written notice to the participant shall describe the:

1. Reason for contract termination.

2. Regulatory and administrative plan reference authorizing the termination.
3. Effective date of the contract termination.
4. Responsibilities of the participant to enter into a new lease with the owner if they decide to remain in occupancy of the unit after the HAP contract is terminated.
5. CoPHD contact person.
6. Notice of availability of funding and redetermination of eligibility.

Families are required to report to the CoPHD in writing within 15 days when their address (home and/or mailing) has changed by completing and submitting an Update of Family Circumstances form. The CoPHD will follow the procedures outlined in Chapter 3 of this Plan, "Applying for Admission" related to misdirected mail. However, participants will be proposed for termination as outlined in Chapter 15 of this Plan "Denial or Termination of Assistance", and applicants will be disqualified as outlined in Chapter 3 of this Plan "Applying for Admission."

Notice of Termination to Initial PHA (Outgoing Billable Portables Vouchers)

In the event the assistance on behalf of an outgoing portable billable participant is selected for termination, the CoPHD shall notify the receiving PHA of its intent to terminate assistance for reason insufficient funding. The receiving PHA has the option of absorbing the family. The receiving PHA shall be notified at least 30 days in advance of the effective date of the termination of assistance. The receiving PHA is responsible for all notifications to the owner and participant.

Placement on the CoPHD Reissue Section HCVP Waiting List

Placement on the CoPHD Reissue Section 8 HCVP Waiting List will be based on category and assigned number.

The CoPHD will reissue HCVs in the following category once funding is available:

1. Participants.
2. Applicants.

CHAPTER 15

DENIAL OR TERMINATION OF ASSISTANCE

INTRODUCTION

The CoPHD may deny or terminate assistance for a family because of the family's action or failure to act. The CoPHD will provide families with a written description of the Family Obligations under the program, the grounds under which the CoPHD can deny or terminate assistance, and the CoPHD's informal hearing and review procedures. This Chapter describes when the CoPHD is required to deny or terminate assistance, and the CoPHD's policies for the denial of a new commitment of assistance and the grounds for termination of assistance under an outstanding HAP Contract.

A. FORMS OF DENIAL/TERMINATION [24 CFR 982.552]

Denial of assistance for an applicant may include any or all of the following:

1. Denying listing on the CoPHD waiting list.
2. Denying or withdrawing a HCV.
3. Refusing to enter into a HAP Contract or approve a lease.
4. Refusing to process or provide assistance under portability procedures.

Termination of assistance for a participant may include any or all of the following:

5. Refusing to enter into a HAP Contract or approve a lease.
6. Terminating housing assistance payments under an outstanding HAP Contract.
7. Refusing to process or provide assistance under portability procedures.
8. Failure to disclose and/or provide documentation of the Social Security Number for family members.

Requirement to Deny Admission or Terminate Assistance
[24 CFR 982.552(b),(2), (3),(4)]

The CoPHD must deny assistance to applicants or terminate assistance for participant families for any of the following grounds:

1. For a family evicted from a housing assisted unit under the program for serious violation of the lease.
2. If any member of the family fails to sign and submit required HUD or CoPHD consent forms for obtaining information.
3. If no member of the family is a U.S. citizen or eligible immigrant.
4. If any family member fails to meet the eligibility requirements concerning individuals enrolled at an institution of higher education as specified in 24 CFR 5.612.
5. If the family is under contract and 180 days have elapsed since the CoPHD 's last housing assistance payment was made.

Grounds for Denial or Termination of Assistance [24 CFR 982.552(c)(1)]

The CoPHD may at any time deny program assistance for an applicant or terminate program assistance for a participant for any of the following grounds:

1. The family violates any family obligation under the program as listed in 24 CFR 982.551.
2. Any member of the family has been evicted from Federally assisted housing in the last five years.
3. If the CoPHD has ever terminated assistance under the program for any member of the family for a minimum of 5 years and maximum lifetime ban for intentional program violators.
4. If any member of the family has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program (see 24 CFR 982.553(a) (1)).

5. The family currently owes rent or other amounts to the CoPHD, or to another PHA, in connection with Section 8 or public housing assistance under the 1937 Act.
6. The family has not reimbursed any PHA for amounts paid to an owner under a HAP Contract for rent, damages to the unit, or other amounts owed by the family under the lease.
7. The family breaches an agreement with CoPHD or another PHA to pay amounts owed to a PHA or amounts paid to an owner by a PHA. (The PHA, at its discretion, may offer a family the opportunity to enter an agreement to pay amounts owed to a PHA or amounts paid to an owner by PHA. The PHA may prescribe the terms of the agreement.)
8. The family has engaged in or threatened abusive or violent behavior toward CoPHD personnel.

"Abusive or violent behavior towards CoPHD personnel" includes verbal as well as physical abuse or violence. Use of expletives that are generally considered insulting, racial epithets, or other language, written or oral, that is customarily used to insult or intimidate, may be cause for termination or denial.

"Threatening" refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

Actual physical abuse or violence will always be cause for termination.

9. If the family has been engaged in criminal activity or alcohol abuse as described in 24 CFR 982.553.

CoPHD Consideration of Circumstances in Determining Denial or Termination of Assistance for Family [24 CFR 982.552]

In determining whether to deny or terminate assistance because of action or failure to act by members of the family:

1. The CoPHD may consider all relevant circumstances such as the seriousness of the case, the extent of participation or culpability of individual family members, mitigating circumstances related to the disability of a family member, and the effects of denial or termination of

assistance on other family members who were not involved in the action or failure.

2. The CoPHD may impose, as a condition of continued assistance for other family members, a requirement that other family members who participated in or were culpable for the action or failure will not reside in the unit. The CoPHD may permit the other members of a participant family to continue receiving assistance.
3. In determining whether to deny admission or terminate assistance for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the CoPHD consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully (42 U.S.C. 13661). For this purpose, the CoPHD may require the applicant or tenant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.
4. If the family includes a person with disabilities, the CoPHD's decision concerning such action is subject to consideration of reasonable accommodation in accordance with Part 8 of Title 24.
5. Nondiscrimination limitation and protection for victims of domestic violence. The CoPHD 's admission and termination actions must be consistent with fair housing and equal opportunity provisions of Sec. 5.105 of this title, and with the requirements of 24 CFR Part 5, Subpart L, protection for victims of domestic violence, dating violence, and stalking.

B. OBLIGATIONS OF THE RENTAL ASSISTANCE PROGRAM PARTICIPANT FAMILY [24 CFR 982.551]

1. The family must supply any information that the PHA or HUD determines is necessary in the administration of the program, including submission of required evidence of citizenship or eligible immigration status (as provided by 24 CFR part 5). "Information" includes any requested certification, release or other documentation.

2. The family must supply any information requested by the PHA or HUD for use in a regularly scheduled re-examination or interim re-examination of family income and composition in accordance with HUD requirements.
3. The family must disclose and verify Social Security numbers (as provided by part 5, subpart B, of 24 CFR), and must sign and submit consent forms for obtaining information in accordance with 24 CFR, Part 5, Subpart B.
4. Any information supplied by the family must be true and complete.
5. The family is responsible for an HQS breach caused by the family as described in 24 CFR 982.404(b).
6. The family must allow the PHA to inspect the unit at reasonable times and after reasonable notice.
7. The family may not commit any serious or repeated violation of the lease. Under 24 CFR 5.2005(c)(1), an incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated lease violation by the victim or threatened victim of domestic violence, dating violence, or stalking, or as good cause to terminate the tenancy, occupancy rights, or assistance of the victim.
8. The family must notify the PHA and the owner before the family moves out of the unit, or terminates the lease on notice to the owner. See 24 CFR 982.314(d).
9. The family must promptly give the PHA a copy of any owner eviction notice.
10. The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
11. The composition of the assisted family residing in the unit must be approved by the PHA. The family must promptly inform the PHA of the birth, adoption or court-awarded custody of a child. The family must request PHA approval to add any other family member as an occupant of the unit. No other person [i.e., nobody but members of the assisted family] may reside in the unit.

12. The family must promptly notify the PHA if any family member no longer resides in the unit.
13. If the PHA has given approval, a foster child or a live-in aide may reside in the unit. The PHA has the discretion to adopt reasonable policies concerning residence by a foster child or a live-in-aide, and defining when PHA consent may be given or denied.
14. Members of the household may engage in legal profit-making activities in the unit, but only if such activities are incidental to primary use of the unit as a residence by members of the family.
15. The family must not sublease or let the unit.
16. The family must not assign the lease or transfer the unit.
17. The family must supply any information or certification requested by the PHA to verify that the family is living in the unit, or relating to family absence from the unit, including any PHA requested information or certification on the purposes of family absences. The family must cooperate with the PHA for this purpose. The family must promptly notify the PHA of absence from the unit.
18. The family must not own or have any interest in the assisted unit.
19. The members of the family must not commit fraud, bribery or any other corrupt or criminal act in connection with the programs.
20. The members of the family may not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises (see 24 CFR 982.553). Under 24 CFR 5.2005(c)(2), criminal activity directly related to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of tenancy, occupancy rights, or assistance of the victim, if the tenant or immediate family member of the tenant is the victim.
21. The members of the household must not abuse alcohol in a way that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.

22. An assisted family, or members of the family, may not receive Section 8 tenant-based assistance while receiving another housing subsidy for the same unit, or for a different unit, under any duplicative (as determined by HUD or in accordance with HUD requirements) Federal, State or local housing assistance program.

CoPHD Adopted Obligations of the Rental Assistance Program Participant Family

The family must:

1. Keep scheduled appointments, submit/provide requested information /documents by the given deadlines.
2. Allow the CoPHD to inspect the unit at least once a year or as needed.
3. Cooperate in moving to another unit when the family has become too large or too small for the current Rental Assistance Program assisted unit.
4. Pay their monthly tenant rent timely, as determined by the CoPHD.
5. Pay the utility bills and supply appliance(s) the owner is not required to supply under the lease agreement. Utilities services must be in service at all times during the families tenancy of the assisted unit.
6. Repay money owed to the CoPHD. If a family owes an outstanding debt, the CoPHD may arrange a repayment agreement depending on the reason and the amount. The family must abide by the terms of the Repayment Agreement to remain eligible for rental assistance. The family cannot move from one unit to another unit until the debt is paid in full.
7. Report in writing all changes in household composition, income, and assets within 15 days of the change by completing an Update of Family Circumstances form. Additionally, the family must submit supporting information regarding the change within 30 days of change.
8. Not pay or give the owner any unauthorized side payments or pay more rent than the CoPHD has authorized. If an owner asks the family to pay extra rent, the family must send a written notice to their CoPHD representative at once. This is an illegal activity and considered fraud under the HCVP.

9. Not damage the unit or surrounding property or allow any guest or visitor to damage the rental property.
10. Not violate the HCVP and CoPHD Family Obligations.
11. Not engage in any acts of violent behavior or threats of violent behavior against CoPHD personnel.
12. Provide the CoPHD with a 90-day written advance request for approval to move. Once the CoPHD has approved the family's request to move, the family must serve the owner a 60-day written notice of lease termination with a copy to the CoPHD. If the family fails to notify the owner and CoPHD at least 60 days before the family moves, the family is not eligible for a new certificate, coupon or voucher.
13. Not allow persons unauthorized by the CoPHD to use the assisted unit address for mailing purposes.
14. Obtain CoPHD approval and owner approval prior to allowing an individual to move into the assisted unit.
15. Provide the CoPHD promptly with any type of notice served to them by the owner.
16. Not commit any serious or repeated violation of the lease (such as non-payment of rent or violent criminal or drug activity, etc.)

HQS Breach

The CoPHD and/or the owner will determine if an HQS breach, as identified in 24 CFR 982.404(b), is the responsibility of the family. Families may be given extensions to HQS breaches by Housing Specialist or Housing Assistance Officer. See Chapter 10 of this Plan, "Housing Quality Standards and Inspections".

Lease Violations

The following criteria will be used to decide if a serious or repeated violation of the lease will cause a termination of assistance:

If the owner notifies the family of termination of lease for serious or repeated lease violations, family moves from the unit prior to the completion of court

action, and the CoPHD determines that the cause is a serious or repeated violation of the lease based on available evidence.

Notification of Eviction

If the family requests assistance to move and they did not notify the CoPHD of an eviction within five days of receiving the court judgment and lock out notice, their move with continued rental assistance may be denied.

Additions to Family Composition

Proposed additions to the household may be denied for the following:

1. Persons who have been evicted from public housing within the last 5 years.
2. Persons who have previously violated a family obligation listed in 24 CFR 982.551 of the HUD regulations within the last 5 years.
3. Persons who for program violations have been part of a family whose assistance has been terminated under the Rental Certificate or HCVP within the last five years.
4. Persons who have engaged in drug-related criminal activity or violent criminal activity within the last five years.
5. Persons who have engaged in fraud, bribery or any other corrupt or criminal act in connection with any Federal housing program.
6. Persons who owe rent or other amounts to the CoPHD or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act. This includes persons who caused an overpayment of rental assistance due to being an unauthorized household member.
7. Persons who have not reimbursed the CoPHD or any other PHA for amounts paid to an owner under a HAP Contract for rent, damages to the unit, or other amounts owed by the family under the lease.
8. Persons who breached an agreement with the CoPHD or any other PHA to pay amounts owed to an owner by a PHA.
9. Persons who have engaged in or threatened abusive or violent behavior toward CoPHD personnel.

10. Persons who have been required to register as lifetime sex offenders.
11. Persons cannot be related to the property owner.
12. Failure to submit proper legal documents to support guardianship/custody of minor.
13. Owner disapproval.
14. The addition would result in the household being underhoused.

Family Member Moves Out

Families are required to notify the CoPHD within 15 days if any family member leaves the assisted household by completing an Update of Family Circumstances form and submit supporting information regarding the change. The family must also provide the following information:

1. The date the family member moved out.
2. The new address, if known, of the family member.
3. A statement as to whether the family member is temporarily or permanently absent.
4. Documentation verifying new residence of the family member.

See Chapter 7 of this Plan, "Verification Procedures" and Chapter 12 "Reexaminations and Verifications", for verification procedures for permanent absent household member and processing of interim re-examination.

Limitation on Profit-Making Activity in Unit

If the family engages in legal profit making activities in and around the assisted unit, the family must first obtain written approval from the owner. The family must submit a copy of the written request and approval from the owner to the CoPHD.

If the business activity area results in the inability of the family to use any of the critical living areas, such as a bedroom utilized for a business which is not available for sleeping, it will be considered a violation and may be grounds for termination.

The family must report to the CoPHD any income generated from the legal profit making activities in the unit within 15 days by completing an Update of Family Circumstances form and submit supporting information regarding the change.

Interest in Unit [24 CFR 982.306]

The owner may not reside in the assisted unit regardless of whether they are a member of the assisted family, unless the family owns the mobile home and rents the space under the HCV Program.

The U.S. Department of Housing and Urban Development established a policy that applies to all new admissions, and active participants who are moving to a new unit after June 16, 1998. Effective June 17, 1998, the CoPHD may not approve a unit for lease if the legal owner (including a principal or other interested party) of the property is the parent, child, grandparent, grandchild, sister or brother of any member of the family, or related by marriage unless the PHA has determined (and has notified the owner and the family of such determination) that approving the leasing of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities.

If the relationship was not initially disclosed to the CoPHD, the total amount of the HAP paid from the effective date of the HAP contract must be reimbursed to the CoPHD. The family and owner will be held responsible for the full overpayment to the CoPHD. Additionally, the family will be subject to proposed termination of their rental assistance. Reasonable accommodation cannot be requested after the initial contract has been executed.

Fraud

For CoPHD purposes, fraud is defined as a deception deliberately practiced in order to secure unfair or unlawful gain.

Immigration Status [24 CFR 982.552(b)(4)]

The family must submit required evidence of citizenship or eligible immigration status. See 24 CFR 5 subparts B and F for a statement of circumstances in which the CoPHD must deny admission or terminate program assistance because a family member does not establish citizenship or eligible immigration status and the applicable informal hearing procedures.

Drug Related and Violent Criminal Activity

Drug-related criminal activity is the illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute or use a controlled substance. Drug-related criminal activity on or off the premises, not just on or near the premises is a violation and grounds for termination.

Violent criminal activity includes any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against a person or property and any family member is engaging in the activity.

Criminals and Alcohol Abusers [24 CFR 982.553]

The CoPHD may prohibit admission to the program or termination of rental assistance of a household if the CoPHD determines that any household member is currently engaged in, or has engaged in during a reasonable time before admission:

1. Drug-related criminal activity;
2. Violent criminal activity;
3. Other criminal activity which may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity; or
4. Other criminal activity which may threaten the health safety of the owner, property management staff, or persons performing a contract administration function or responsibility on behalf of the CoPHD (including a CoPHD employee or a CoPHD contractor, subcontractor or agent).

The CoPHD may prohibit admission to the program or termination of rental assistance if the CoPHD determines that it has reasonable cause to believe that a household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

The CoPHD must prohibit admission to the program of an applicant for five years from the date of eviction if a household member has been evicted from Federally assisted housing for drug-related criminal activity. However, the CoPHD may admit the household if the CoPHD determines:

1. the evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program; or
2. the circumstances leading to the eviction no longer exist (for example, the criminal household member has died or is imprisoned).

Applicants will be denied assistance if they have been evicted from a unit due to violent criminal activity or convicted of a drug related crime within the last five years prior to the date of the certification interview.

Participants may be terminated who have been evicted from a unit, arrested and or convicted due to drug-related or violent criminal activity, and whose activities interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

The CoPHD must immediately terminate assistance for a family under the program if the CoPHD determines that any member of the household has ever been convicted of drug-related criminal activity for manufacture or production methamphetamine on the premises of federally assisted housing.

If the family violates the lease for drug-related or violent criminal activity, the CoPHD will terminate assistance.

The CoPHD will deny or terminate assistance if any member of the household or unauthorized member is subject to a lifetime registration requirement under a State sex offender registration program. The rental assistance will terminate effective the date the unauthorized member moved into the assisted unit. The owner will be given proper notification of termination of the HAP Contract and the family notified of the proposed termination of rental assistance in accordance with the procedures in this Chapter.

In appropriate cases, the CoPHD may permit the family to continue receiving assistance provided that family members determined to have engaged in the illegal activities will not reside in the unit. If the violating member is a minor, the CoPHD may consider individual circumstances.

Confidentiality of Criminal Records

The CoPHD will ensure that criminal records received are maintained confidentially, not misused or improperly disseminated.

Evidence of Criminal Activity

The CoPHD may terminate assistance for criminal activity by a household member as authorized in 24 CFR 982.553 if the CoPHD determines, based on a preponderance of the evidence, that the household member has engaged in the activity, regardless of whether the household member has been arrested or convicted for such activity.

Use of Criminal Record [24 CFR 982.553(d),(1),(2)]

If the CoPHD proposes to deny admission for criminal activity as shown by a criminal record, the CoPHD must provide the subject of the record and the applicant with a copy of the criminal record. The CoPHD must give the family an opportunity to dispute the accuracy and relevance of that record in the informal review process in accordance with 24 CFR 982.554.

If the CoPHD proposes to terminate assistance for criminal activity as shown by a criminal record, the CoPHD must notify the family of the proposed action to be based on the information and must provide the subject of the record and the family with a copy of the criminal record. The CoPHD must give the family an opportunity to dispute the accuracy and relevance of that record in accordance with 24 CFR 982.555.

Required Evidence [24 CFR 982.553(c)]

1. Preponderance of evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. The intent is not to prove criminal liability, but to establish that the act(s) occurred.
2. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.
3. Credible evidence may be obtained from police and/or court records. Testimony from neighbors, when combined with other factual evidence, can be considered credible evidence. Other credible evidence includes documentation of drug raids or arrest warrants.
4. The CoPHD will pursue fact-finding efforts as needed to obtain credible evidence.

Notice of Proposed Termination of Assistance [24 CFR 982.555(c),(2),(i),(ii),(iii)]

In any cases where the CoPHD decides to propose termination of assistance to the family, the CoPHD will give the family a written notice which contains:

1. A brief statement of reasons for the decision.
2. The effective date of the proposed termination; and
3. Informs the family that if they disagree with the CoPHD's decision, an informal hearing may be requested by the family by the given deadline. See Chapter 18 of this Plan, "Complaints and Appeals" for informal hearing procedures.

The CoPHD will simultaneously provide written notice of the HAP contract termination to the owner so that it will coincide with the termination of rental assistance. The notice to the owner will not include any details regarding the reason for termination of assistance.

C. PROCEDURES FOR NON-CITIZENS [24 CFR 5.514(b),(1),(i),(ii),(iii),(iv) and 5.516, 5.518]

Delay, Denial, Reduction or Termination of Assistance

Assistance to an applicant or participant family shall not be delayed, denied, reduced, or terminated on the basis of ineligible immigration status of a family member if:

1. The primary and secondary verification of any immigration documents that were timely submitted has not been completed.
2. The family member for whom required evidence has not been submitted has moved from the assisted dwelling unit.
3. The family member who is determined not to be in an eligible immigration status following INS verification has moved from the assisted dwelling unit.
4. The INS appeals process under 24 CFR 5.514(e) has not been concluded.
5. Assistance is prorated in accordance with 24 CFR 5.520.

6. Assistance for a mixed family is continued in accordance with 24 CFR 5.516 and 5.518; or
7. Deferral of termination of assistance is granted in accordance with 24 CFR 5.516 and 5.518.

Participant families in which all members are neither U.S. citizens nor eligible immigrant must have their assistance terminated. They must be given an opportunity for an informal review.

Methods of Verification and Time Allowed

Original, acceptable documents as specified by HUD must be submitted and photocopied by the CoPHD at the following times:

- For applicants, at eligibility determination;
- Whenever a family applies for admission to a HUD program, unless the family already has submitted evidence to the CoPHD.
- If the family is continuously assisted, documentation needs to be submitted only one time in the same program.

Extensions, in writing, for a specific period of time shall be granted if a family member:

- Submits required declaration certifying that any person for whom evidence has not been submitted is a noncitizen with eligible immigration status.
- Certifies that evidence needed is temporarily unavailable and additional time is needed; and
- Certifies that prompt and diligent efforts will be made to obtain evidence

If evidence is not provided within time specified, the CoPHD shall proceed to:

- Deny, prorate or terminate assistance.

Assistance for Mixed Families

A mixed family may continue to receive full program assistance if:

- The family was receiving assistance under a Section 214 covered program on June 19, 1995.
- The family's head of household or spouse has eligible immigration status as described in Sec 24 CFR 5.506 ; and
- The family does not include any person (who does not have eligible immigration status) other than the head of the household, any spouse of the head of the household, any parents of the head of the household, any parents of the spouse, or any children of the head of household or spouse.

False or Incomplete Information

An investigation will be conducted when the CoPHD has clear, concrete, or substantial documentation (such as a permanent resident card or information from another agency) that contradicts the declaration of citizenship made by an applicant or participant family. The family will be given an opportunity to present relevant information.

The CoPHD will deny or terminate assistance based on the submission of false information or misrepresentations.

Procedure for Denial or Termination [24 CFR 5.514,(2),(d),(1),(2),(3),(4),(5),(6)]

If the family (or any member) claimed eligible immigrant status and the INS primary and secondary verifications failed to document the status, the family may make an appeal to the INS and request a hearing with the CoPHD, either after the INS appeal or in lieu of the INS appeal.

After the CoPHD has made a determination of ineligibility, the family will be notified of the determination, the reasons, and informed of the option for prorated assistance, if applicable.

The notice of denial or termination of assistance shall advise the family.

1. That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance.
2. That the family may be eligible for proration of assistance as provided under 24 CFR 5.520.

3. In the case of a family, the criteria and procedures for obtaining relief under the provisions for preservation of families can be found in 24 CFR 5.514 and 5.518.
4. That the family has a right to request an appeal to the INS of the results of secondary verification of immigration status, and to submit additional documentation or a written explanation in support of the appeal in accordance with the procedures in 24 CFR 5.514(e).
5. That the family has a right to request an informal hearing with the responsible entity either upon completion of the INS appeal or in lieu of the INS appeal as provided in 24 CFR 5.514(f).
6. For applicants, the notice shall advise that assistance may not be delayed until the conclusion of the INS appeal process, but assistance may be delayed during the pendency of the informal hearing process.

D. AUTOMATIC TERMINATION OF RENTAL ASSISTANCE CONTRACTS
[24 CFR 982.455]

The HAP Contract terminates automatically 180 calendar days after the last housing assistance payment to the owner.

The HAP Contract termination will be rescinded if during the 180 calendar days the housing assistance payment is resumed due to reported family changes in family circumstances or contract rent increase.

The family's participation in the HCVP will end at the end of 180 calendar days if the housing assistance payment remains at \$0 and the family opts to remain in occupancy of the unit. However, the family may move with continued rental assistance if determined eligible and if a housing assistance payment would be generated.

The family's request for a move with continued rental assistance must be submitted, in writing, to the CoPHD within 60 days of the HAP Contract termination date.

E. OPTION NOT TO TERMINATE FOR MISREPRESENTATION
[24 CFR 982.551, 982.552(c),(vii)]

If the family has misrepresented any facts that caused the CoPHD to overpay rental assistance, the CoPHD, at its discretion, may offer a family the opportunity to enter into

a repayment agreement or require the family to pay the debt in full. See Chapter 17 of this Plan, "Property Owner or Family Debts to the CoPHD."

F. MISREPRESENTATION IN COLLUSION WITH OWNER
[24 CFR 982.551, 982.552(c)]

If the family willingly and knowingly commits fraud or is involved in any other illegal scheme with the owner, the CoPHD will deny or terminate assistance. In making this determination, the CoPHD will carefully consider the possibility of overt or implied intimidation of the family by the owner and the family's understanding of the events.

G. MISSED APPOINTMENTS AND DEADLINES [24 CFR 982.551, 982.552(a)]

It is a family obligation to supply information, documentation, and certification as needed for the CoPHD to fulfill its responsibilities. The CoPHD schedules appointments and sets deadlines in order to obtain the required information. The Family Obligations also require that the family allow the CoPHD to conduct an inspection of the unit and appointments are made for this purpose.

An applicant or participant family who fails to keep the final appointment or to supply information required by a deadline may be sent a notice of denial and/or proposed termination of assistance for failure to provide required information, keep scheduled appointments, and/or failure to allow the CoPHD to inspect the unit.

Appointments will be scheduled and time requirements will be imposed for the following events and circumstances:

1. Eligibility for Admissions.
2. Verification Procedures.
3. Housing Choice Voucher Issuance and Briefings.
4. Housing Quality Standards Inspections.
5. Annual and Interim Re-examinations.
6. Informal Reviews and Hearings.

Acceptable reasons for missing appointments or failing to provide information by deadlines are:

1. Medical Emergency.
2. Family Emergency.

Procedure when Appointments are Missed or Information not Provided

The family will be given one opportunity before being issued a notice of proposed termination for breach of a family obligation or denial of rental assistance.

The CoPHD may rescind the proposed termination of rental assistance after the notice has been issued if the family provides verifiable proof that the violation has been corrected within the time allowed to request an informal hearing, as long as a history of non-compliance does not exist.

However, the CoPHD will send a warning letter to the family reminding them that failure to abide by the family obligations will be considered a repeat violation and grounds for termination of rental assistance.

CHAPTER 16

OWNER DISAPPROVAL AND RESTRICTION

INTRODUCTION

It is the policy of the CoPHD to encourage and recruit owners to participate in the HCVP. The CoPHD provides owners with professional service in order to maintain an adequate supply of available housing throughout the jurisdiction of the CoPHD. The regulations define when the CoPHD must disallow an owner's participation in the program, as well as provide the CoPHD discretion to disapprove or otherwise restrict the participation of owners in certain categories. This Chapter describes the criteria for owner disapproval and the various penalties for owner violations.

A. DISAPPROVAL OF OWNER [24 CFR 982.306, 982.54 (d)(8)]

Nothing in this rule is intended to give any owner any right to participate in the program. For purposes of this section, "owner" includes a principal or other interested party.

The CoPHD will disapprove an owner for the following reasons:

1. HUD or other agency directly related has informed the CoPHD that the owner has been debarred, suspended, or subject to a limited denial of participation under 24 CFR part 24.
2. HUD has informed the CoPHD that the Federal government has instituted an administrative or judicial action against the owner for violation of the Fair Housing Act or other Federal equal opportunity requirements and such action is pending.
3. HUD has informed the CoPHD that a court or administrative agency has determined that the owner has violated the Fair Housing Act or other Federal equal opportunity requirements.
4. The owner has violated obligations under a Housing Assistance Payments (HAP) Contract under Section 8 of the 1937 Act (42 U.S.C. 1437f).
5. The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any Federal housing program.
6. The owner has engaged in any drug-related criminal activity or any violent criminal activity.

7. The owner has a history or practice of non-compliance with HQS for units leased under the tenant-based programs, or with applicable housing standards for units leased with Project-Based Section 8 Assistance or leased under any other Federal housing program.
8. The owner has not paid State or local real estate taxes, fines or assessments.
9. Property is in foreclosure.
10. The owner has a history or practice of failing to terminate tenancy of tenants of units assisted under Section 8 or any other Federally assisted housing program for activity engaged in by the tenant, any member of the household, a guest or another person under the control of any member of the household that:
 - (i) Threatens the right to peaceful enjoyment of the premises by other residents;
 - (ii) Threatens the health or safety of other residents, of employees of the CoPHD, or of owner employees or other persons engaged in management of the housing;
 - (iii) Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises.
11. The CoPHD must not approve a unit if the owner is the parent, child, grandparent, grandchild, sister, or brother of any member of the family, or related by marriage, unless the family requests reasonable accommodation at the initial occupancy and the CoPHD determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities.

If the relationship was not initially disclosed to the CoPHD, the total amount of HAP paid from the effective date of the HAP contract must be reimbursed to the CoPHD. The family and owner will be held responsible for the full overpayment to the CoPHD. Additionally, the family will be subject to proposed termination of rental assistance. See Chapters 15 "Denial Or Termination Of Assistance" and Chapter 17 "Property Owner Or Family Debts To The CoPHD" of this Plan.

B. OWNER RESTRICTIONS AND PENALTIES [24 CFR 982.453]

If an owner commits fraud or abuse, or is guilty of frequent or serious contract violations, the CoPHD will restrict the owner from future participation in the program for a period of time commensurate with the seriousness of the offense. The CoPHD may

also terminate some or all HAP Contracts with the owner.

Before imposing any penalty against an owner, the CoPHD will review all relevant factors pertaining to the case, and will consider such factors as the owner's record of compliance and the number of violations.

The CoPHD guidelines for restrictions are contained in the table below. The items below are described in HUD regulations. HUD debarments and fair housing violations require terminations, but the other categories of contract breach are discretionary with regard to possible CoPHD remedies. The CoPHD may utilize items such as written warnings, abatements, reductions and/or terminations. In some cases the CoPHD may terminate only the contract(s) which has been violated.

DISAPPROVAL OF OWNERS/PARTICIPATION RESTRICTIONS

BREACH	PENALTY
HUD notification of owner debarment/suspension.	Termination
HUD notification of violation of fair housing/Federal equal opportunity.	Termination
Violation of HAP Contract obligations.	Termination
Owner fraud, bribery or other corrupt act in Federal housing program.	Termination
Owner engaged in drug trafficking.	Termination
History of noncompliance with HQS.	Abatement
History of renting units below code requirements.	Abatement
State/local real estate taxes, fines or assessments.	Abatement
Failure to disclose relationship to the tenant	Termination
Property has been foreclosed	Termination
Owner residing in the subsidized unit	Termination/ Debarment

C. OTHER REMEDIES FOR OWNER VIOLATIONS

Overpayments

If the owner has been overpaid as a result of fraud, misrepresentation or violation of the HAP Contract, the CoPHD may terminate the HAP Contract and arrange for restitution to the CoPHD and/or family as appropriate.

The CoPHD will make every effort to recover any overpayments made as a result of owner fraud or abuse. Payments otherwise due to the owner may be debited in order to repay the CoPHD or the family as applicable.

CHAPTER 17

PROPERTY OWNER OR FAMILY DEBTS TO THE CoPHD

INTRODUCTION

This Chapter describes the CoPHD's policies for the recovery of monies which have been overpaid for families and owners. It describes the methods that will be utilized for collection of monies and the guidelines for different types of debts. It is the CoPHD's policy to meet the informational needs of owners and families, and to communicate the program rules in order to avoid owner and family debts. Before a debt is assessed against a family or owner, the file must contain documentation to support the CoPHD's claim that the debt is owed. The file must further contain written documentation of the method of calculation in a clear format for review by the owner, the family or other interested parties.

When families or owners owe money to the CoPHD, the CoPHD will make every effort to collect all debt owed from the date the overpayment occurred. The CoPHD will use a variety of collection tools to recover debts, including, but not limited to:

1. Abatement
2. Requests for Lump Sum Payment
3. Repayment Agreement
4. Reduction of Housing Assistance Payments
5. Civil Suit
6. Collection Agency
7. Credit Bureau
8. Income Tax Set-Off Program

A. REVIEW OF OVERPAYMENT OF RENTAL ASSISTANCE BENEFITS

Once the CoPHD has determined that an overpayment of rental assistance occurred, the CoPHD will notify the family of any amount due and their obligation to reimburse the CoPHD. The family will be provided an opportunity to review the information used by the CoPHD in determining the overpayment. If the family disputes the information used by the CoPHD, the family will have 15 days to submit evidence to support their dispute.

The CoPHD will review the information submitted by the family. The CoPHD will re-evaluate the overpayment calculation and determine whether or not the overpayment amount should be adjusted.

If the family fails to submit their supporting documentation by the established deadline, the original amount of the overpayment will remain the same.

If the family agrees with the original amount, the CoPHD will follow the procedures listed in this Chapter.

B. REPAYMENT AGREEMENT FOR FAMILIES [24 CFR 982.552 (c) v, vi, vii]

A Repayment Agreement is a document entered into between the CoPHD and a family who owes a debt to the CoPHD. It contains details regarding the nature of the debt, the terms of repayment, any special provisions of the agreement, and the remedies available to the CoPHD upon default of the agreement.

The City of Pasadena Finance Department will be responsible for collecting amounts owed by the family, for claims paid and for monitoring the repayment.

The minimum amount for which the CoPHD will enter into a Repayment Agreement with a family is \$500. Amounts less than \$500 must be paid in full within 30 days of notification. The maximum amount the CoPHD will enter into a Repayment Agreement is \$5,000. Any amount exceeding \$5,000 must be paid in full within 90 days of notification.

The minimum initial payment for any Repayment Agreement is 20% of the beginning balance of the repayment amount.

Families will be provided no more than 30 days from the date of the CoPHD repayment notice to enter into the Repayment Agreement and provide the required initial payment. If the family fails to provide the required initial down payment or refuses to enter into a Repayment Agreement, the family will be proposed for termination of rental assistance.

Late Payments

A payment will be considered to be in arrears if the City of Pasadena Finance Department has not received the payment by the close of the business day on which the payment is due. If the due date is on a weekend or holiday, the due date will be at the close of the next business day.

If a family's Repayment Agreement is in arrears for two months, the Repayment Agreement is in default and the City of Pasadena Finance Department will forward the Repayment Agreement and a monthly written report on all delinquent accounts to the CoPHD.

If the family defaults on the Repayment Agreement, the CoPHD will notify the family in writing of the total amount due. The family will be given a deadline to pay the balance in full. If the total payment is not received, housing assistance on behalf of the family will be proposed for termination.

Repayment Schedule for Monies Owed to the CoPHD

<u>Initial Payment Due</u>	<u>Amount Owed</u>	<u>Maximum Term</u>
20% of Total Amount	\$500 - \$2,500	12 months
20% of Total Amount	\$2,501 - \$3,500	24 months
20% of Total Amount	\$3,501 - \$5,000	36 months

The actual terms of the Repayment Agreement (i.e., initial payment, monthly payment and length of repayment term, etc.) will be determined based on CoPHD's repayment policies and procedures.

The CoPHD will not enter into a Repayment Agreement if:

1. The family already has a Repayment Agreement in place.
2. The CoPHD determines that the family committed program fraud other than untimely reporting of increases in income.
3. The family has already paid off a previous repayment agreement.

The family will be required to pay the total overpayment amount in full within 90 days. Failure to pay in full will result in the proposed termination of rental assistance. When the termination of rental assistance becomes final, the case will be referred to the City of Pasadena Finance Department for collection of the total overpayment owed to the CoPHD and the amount will be posted in HUD's EIV system.

Guidelines for Repayment Agreements

The Repayment Agreement will be executed between the CoPHD, head of household and all other adult family members.

Monthly payments may be decreased in cases of an extreme hardship. If the family is

not in default of the Repayment Agreement, the family may request a decrease in monthly payments with supporting documentation of extreme hardship. If the request is approved, the CoPHD may amend the terms of the Repayment Agreement. If the hardship no longer exists, the original terms of the Repayment Agreement will be reinstated. At the end of the term of the Repayment Agreement the remaining balance of the overpayment must be paid in full.

At any time the family may pay a greater monthly amount than what is stated on the Repayment Agreement. The family may also pay off the entire debt owed at any time during the term of the Repayment Agreement.

Additional Monies Owed

If the family has a Repayment Agreement in place and incurs an additional debt to the CoPHD, the CoPHD will not enter into an additional or amended Repayment Agreement. The current Repayment Agreement will be considered in default and the family will be required to pay all debts in full within 90 days of the date of notification to the family. The family will also be subject to termination of their housing assistance for repeated violation of the Obligations of the Family.

C. DEBTS DUE TO FRAUD/NON-REPORTING OF INFORMATION

The CoPHD will not offer a Repayment Agreement to a family who is in violation of a Family Obligation if it is determined the family committed fraud.

HUD's definition of program fraud and abuse is a single act or pattern of actions that constitutes false statement(s), omission, or concealment of fact(s), made with the intent to deceive or mislead, in order to obtain rental assistance thru fraudulent means.

Family Error/Late Reporting

Families who owe money to the CoPHD due to the family's failure to report increases in income will be required to pay the overpaid rental assistance in accordance with the guidelines in the repayment section of this Chapter.

Program Fraud

Families that owe money to the CoPHD due to program fraud will be required to pay the total balance due in full within 90 days of notification from the CoPHD. Housing assistance will be proposed for termination for a family who owes money to the CoPHD due to program fraud. The CoPHD will attempt to collect the overpaid rental assistance from the family. If the family fails to pay, the matter will be referred to the City of

Pasadena Finance Department and the family will be required to repay the amount in accordance with the appropriate civil collection procedures. If a family owes an amount which equals or exceeds \$5,000 as a result of program fraud, the case may be referred to the Office of the Inspector General for investigation and possible criminal prosecution.

D. OWNER DEBTS TO THE CoPHD

If the CoPHD determines that an owner has retained housing assistance payments the owner is not entitled to, the CoPHD may reclaim the amounts from future housing assistance payments owed the owner for any units under a HAP Contract. If future housing assistance payments are insufficient to reclaim the amounts owed, the CoPHD will:

1. Require the owner to pay the amount in full within 30 days.
2. Pursue collections through the City of Pasadena Finance Department.
3. Restrict the owner from future participation.
4. Attach a lien on property through the City of Pasadena Attorney Office.
5. Refer case to the Office of Inspector General for investigation in case of fraud.

E. WRITING OFF DEBTS

Debts will be written off if:

1. The debtor was the sole participant and is deceased.

CHAPTER 18

COMPLAINTS AND APPEALS

INTRODUCTION

The informal review and informal hearing requirements defined in HUD regulations are applicable to applicants and participating families who disagree with an action, decision, or inaction of the CoPHD. Families can exercise their right to an informal hearing, informal review, and/or local preference denial meetings when the family disputes a CoPHD decision. This Chapter describes the policies, procedures and standards to be used when families disagree with a CoPHD decision. It is the policy of the CoPHD to ensure that all families have the benefit of all protections due to them under the law, HUD regulations and CoPHD policies.

The CoPHD informal review and informal hearing procedures will be provided to families in their briefing packet. Additional copies of these procedures are available to the families upon request.

A. COMPLAINTS TO THE CoPHD

The CoPHD will respond to complaints from families, owners, City of Pasadena employees, and members of the general public. All complaints will be documented and referred to the appropriate CoPHD staff. The CoPHD will require that complaints, other than HQS violations, be put in writing. HQS complaints may be reported by telephone.

The CoPHD may refer cases to the HUD Office of Inspector General for further investigation, enforcement of collection of overpaid rental assistance and/or prosecution.

Categories of Complaints

1. Complaints from families: If a family disagrees with an action or inaction of the CoPHD or owner.
2. Complaints from owners: If an owner disagrees with an action or inaction of the CoPHD or family. All matters between the CoPHD and property owner are stipulated in Housing Assistance Payments (HAP) Contract.
3. Complaints from City of Pasadena staff: If a staff person reports an owner or family either violating or not complying with program rules.

4. Complaints from the general public: Complaints or referrals from persons in the community in regards to the CoPHD, a family or an owner.

The CoPHD will respond to reports of unauthorized persons, violations of the Family Obligations, or any other violations of program rules, and conduct an investigation of the alleged violations. The steps taken will depend upon the nature of the allegations and may include the items listed below.

The following are samples of complaints received by the CoPHD.

Unauthorized Persons

1. Discuss the nature of the complaint with the housing inspector for feedback.
2. Request a special inspection. Housing inspector will take pictures and verify household composition, interview any persons at the assisted unit at the time the inspection is conducted, and request names of all persons present in the assisted unit.
3. Housing inspector will observe and report findings which may indicate program abuse or fraud, such as unauthorized persons residing in the assisted unit.
4. Communicate with the owner, manager and neighbors to gather information about the alleged violation. See Chapter 23 of this Plan, "Steps the CoPHD Will Take to Detect Program Abuse and Fraud".
5. Schedule an appointment with the family and unauthorized persons to discuss findings of the special inspection.
6. Evaluate all information and documents submitted.
7. Make a decision and prepare letter to the family regarding the results of the investigation or action to be taken, if any.

Unreported Income

1. Discuss the nature of the complaint with the housing inspector for feedback.
2. Schedule a special inspection. Housing inspector is to report evidence of self-employment, changes in lifestyle and take pictures. Housing

3. Inspector to submit evidence supporting the alleged program violation.
4. Pull the EIV report to verify possible discrepancies and request third-party verifications if necessary.
5. Communicate with the owner, manager and neighbors to gather information about the alleged violation. See Chapter 23 of this Plan, "Steps the CoPHD Will Take to Detect Program Abuse and Fraud".
6. Contact the City of Pasadena Municipal Services, Business License Division to see if a business license exists.
7. Evaluate the evidence collected and schedule an office appointment with the family to discuss the results of the special inspection.
8. Make a decision and prepare letter to the family regarding the results of the investigation or action to be taken, if any.

Complaints of Drug and Criminal Activity

1. Contact the City of Pasadena Prosecutor's Office and Police Department for possible criminal/drug activity taking place in the assisted unit.
 - Request a Criminal Background Screening for household members involved in investigation from the Pasadena Police Department.
 - Access the Los Angeles County Sheriff's Department (LACSD) and the California Department of Corrections and Rehabilitation (CDCR) websites for possible arrests.
2. Evaluate information collected, and schedule an appointment with the family to discuss results of the investigation.
3. Prepare a letter to the family regarding the results of the investigation or action to be taken, if any.

Delinquency of Tenant Rent to Owner

1. Request a written statement from the owner verifying status of the rent.
2. Schedule an appointment to review Family Obligations with the family.
3. If rent is delinquent, the family will be advised of possible termination of rental assistance if evicted for non-payment of rent.

Special Inspection Due to Alleged Violations of HQS

Contact the CoPHD's Inspection Unit to request a special inspection, see Chapter 10 of this Plan, "Special Inspections".

In addition, investigation of participating families will be initiated under specific circumstances, see Chapter 23 of this Plan, "Criteria for Investigation of Suspected Abuse and Fraud".

B. INFORMAL REVIEW PROCEDURES [24 CFR 982.54(d)(12), 24 CFR 982.554]

Informal reviews are provided for applicants who are denied admission to the program. When the CoPHD determines that an applicant is ineligible for the program, the family must be notified of their ineligibility in writing. The notice must contain:

1. A brief statement of reasons for the CoPHD decision;
2. The procedure for requesting an informal review if the applicant does not agree with the CoPHD decision; and
3. The deadline to request an informal review.

The CoPHD must give applicants an opportunity for an informal review of the CoPHD decision denying assistance to the applicant.

The CoPHD is not required to provide the applicant an opportunity for an informal review for any of the following matters:

1. Discretionary administrative determinations by the CoPHD.
2. General policy issues or class grievances.
3. A determination of the family unit size under the CoPHD subsidy standards.
4. A CoPHD determination not to approve an extension or suspension of a voucher, certificate, or HOME coupon term.
5. A CoPHD determination not to grant approval of the tenancy.
6. A CoPHD determination that a unit selected by the applicant is not in compliance with HQS.

7. A CoPHD determination that the unit is not in accordance with HQS because of the family size or composition.

Decisions related to restrictions on assistance to non-citizens always requires an informal hearing, regardless of whether the family is an applicant or a participant. The informal hearing provisions for the denial of assistance on the basis of ineligible immigration status are contained in 24 CFR Part 5.

When a request for an informal review is not received by the deadline, the CoPHD will not provide an applicant an informal review.

C. CoPHD INFORMAL REVIEW PROCEDURES

A request for an informal review must be received by the CoPHD, in writing, no later than 15 days from the date of the CoPHD's notification of denial of assistance. The informal review will be scheduled within 30 days from the date the request is received.

The informal review may be conducted by any person or persons designated by the CoPHD, other than a person who made or approved the decision under review or subordinate of this person.

The applicant will be given the opportunity to present oral or written objections to the CoPHD's decision.

The CoPHD may verify the evidence submitted at the informal review by the applicant before a decision of the informal review is made.

The CoPHD will inform the applicant, in writing, of the final decision within 30 days after the informal review, including a brief statement of the reasons for the final decision.

D. CoPHD LOCAL PREFERENCE DENIALS

When the CoPHD denies a local preference, the applicant family will be notified in writing of the specific reason for the denial, and offered the opportunity for an informal review with CoPHD staff to discuss the reason(s) for the denial and to dispute the CoPHD's decision.

The person who conducts the informal review must be an employee of the CoPHD.

The CoPHD will inform the applicant family, in writing, of the final decision within 30 days after the informal review, including a brief statement of the reasons for the final decision.

E. INFORMAL HEARING PROCEDURES [24 CFR 982.555, 982.54(d)(13)]

The CoPHD must give a participant family an opportunity for an informal hearing to consider whether the following CoPHD decisions relating to the individual circumstances of a participant family are in accordance with the law, HUD regulations and CoPHD policies:

1. A determination of the family's annual or adjusted income and the use of such income to compute the housing assistance payment.
2. A determination of the appropriate utility allowance (if any) used for tenant-paid utilities from the CoPHD utility allowance schedule.
3. A determination of the family unit size under CoPHD subsidy standards.
4. A determination that a certificate family is residing in a unit with a larger number of bedrooms than appropriate for the family unit size under the CoPHD subsidy standards, or the CoPHD determination to deny the family's request for an exception from the standards.
5. A determination to terminate assistance for a participant family because of the family's action or failure to act (see 24 CFR 982.552).
6. A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under CoPHD policy and HUD rules.

For cases described above, with the exception of numbers two and three, the CoPHD must give the opportunity for an informal hearing before the CoPHD terminates housing assistance payments for the family under an outstanding HAP Contract.

When the CoPHD makes a decision regarding eligibility and/or the amount of assistance, the participant family must be notified in writing. The CoPHD will give the participant family prompt notice of such determinations, which may include:

1. The proposed action or decision of the CoPHD;
2. The date the proposed action or decision will take place;
3. The family's right to an explanation of the basis for the CoPHD's decision;
4. The procedures for requesting an informal hearing if the family disputes
5. the action or decision;

6. The deadline for the family to request an informal hearing;
7. The name of the person to whom the informal hearing request should be addressed to; and
8. A copy of the CoPHD hearing procedures.

The CoPHD is not required to provide a participant family an opportunity for an informal hearing for any of the following:

1. Discretionary administrative determinations by the CoPHD.
2. General policy issues or class grievances.
3. Establishment of the CoPHD schedule of utility allowances for families on the program.
4. A CoPHD determination not to approve an extension or suspension of a voucher, certificate, or HOME coupon term.
5. A CoPHD determination not to approve a unit or tenancy.
6. A CoPHD determination that an assisted unit is not in compliance with HQS. However, the CoPHD must provide the opportunity for an informal hearing for a decision to terminate assistance for a breach of HQS caused by the family as described in 24 CFR 982.551(C).
7. A CoPHD determination that the unit is not in accordance with HQS because of the family size.
8. A determination by the CoPHD to exercise or not exercise any right or remedy against the owner under a HAP Contract.

Property owners are not entitled to an informal hearing. All matters between the CoPHD and the property owner are stipulated in the Housing Assistance Payments Contract (CoPHD), see Housing Assistance Payments Contract Part B, Body of Contract.

Notification of Hearing

Upon receipt of the request for an informal hearing, the CoPHD will notify the participant family, in writing, of the scheduled informal hearing. The notice will include:

1. The date and time of the informal hearing.

2. The location where the informal hearing will be held.
3. The family's right to present evidence, witnesses, legal or other representation at the family's expense. The family must notify the CoPHD within five days from the date of the notification of their decision to have legal representation.
4. The family's right to examine before the CoPHD hearing any CoPHD documents that are directly relevant to the hearing. The family is allowed to copy any such document at the family's expense. If the CoPHD does not make the document available for examination on the request of the family, the CoPHD may not rely on the document at the hearing. Such documents or evidence must be available to or received by the family no later than 10 days before the informal hearing date.
5. The right by the CoPHD to examine at the CoPHD's office, before the informal hearing, any family documents that are directly relevant to the hearing. The CoPHD must be allowed to copy any such document at the CoPHD's expense. If the family does not make the document available for examination on request of the CoPHD, the family may not rely on the document at the informal hearing. Such documents or evidence must be received by the CoPHD no later than 10 days before the informal hearing date.
6. Limited English proficient (LEP) families may have an interpreter present. If the family requires the CoPHD's assistance in obtaining an interpreter, the family must submit this request to the CoPHD, five days prior to the informal hearing date.

CoPHD Informal Hearing Procedures

A request for an informal hearing must be received by the CoPHD, in writing, no later than 15 days from the date of the CoPHD's notification of termination of assistance. The informal hearing will be scheduled within 15 days from the date the request is received.

When the request for an informal hearing is not received by the deadline, the CoPHD will not provide a participant family an informal hearing.

After an informal hearing date is agreed to, the family may request to reschedule only upon "good cause," which is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family.

The informal hearing will be canceled by the CoPHD if the family is not present 15 minutes after the informal hearing scheduled time. The CoPHD may schedule

a final hearing only if the family can provide "good cause." If a participant family does not appear at a scheduled informal hearing and has not rescheduled the hearing in advance, the family must contact the CoPHD within 48 hours, excluding weekends and holidays. The CoPHD will reschedule the informal hearing only if the family can provide "good cause" for the failure to appear. No other hearing will be scheduled and the CoPHD's decision to terminate will stand.

Families have the right to:

1. Present written or oral objections to the CoPHD's determination.
2. Examine the documents in the file which are directly relevant to the basis for the CoPHD's action, and all documents submitted to the hearing officer.
3. Copy any relevant documents at their expense.
4. Present any information or witnesses pertinent to the issue of the informal hearing.
5. Request that CoPHD staff be available or present at the informal hearing to answer questions pertinent to the case; and
6. Be represented by legal counsel, advocate, or other designated representative at their own expense.

If the family requests copies of documents relevant to the hearing, the CoPHD will make the copies for the family and assess a charge of \$.15 per copy, or the City's current copy rate. In no case will the family or their representative be allowed to remove the file from the CoPHD office.

In addition to other rights contained in this Chapter, the CoPHD has a right to:

1. Present evidence and any information pertinent to the issue of the informal hearing.
2. Be notified if the family intends to be represented by legal counsel, advocate, or another party.
3. Examine and copy any documents to be used by the family prior to the hearing.
4. Have its attorney present; and
5. Have staff persons and other witnesses familiar with the case present.

6. The CoPHD has the right to record Informal Review Hearings.

The informal hearing may be conducted by any person or persons designated by the CoPHD, other than a person who made or approved the decision under review or a subordinate of this person. The CoPHD appoints hearing officers who are knowledgeable of the Rental Assistance Programs and experienced in dispute resolution, mediation and arbitration.

The informal hearing shall concern only the issues for which the family has received the opportunity for a hearing. Evidence presented at the hearing may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

No documents may be presented which have not been provided to the other party before the hearing, if requested by the other party. "Documents" includes records and regulations.

The hearing officer may ask the family for additional information and/or adjourn the hearing in order to reconvene at a later date before reaching a decision. The submission of additional information may not exceed 15 days from the date of the informal hearing.

If the family misses an appointment or deadline established by the hearing officer, the decision of the CoPHD shall become final and another informal hearing will not be granted.

The hearing officer will determine whether the action, inaction, or decision of the CoPHD is in accordance with HUD regulations and this Plan based upon the evidence and testimony provided at the hearing. Factual determinations relating to the individual circumstances of the family will be based on a preponderance of the evidence presented at the informal hearing.

A notice of the decision made by the hearing officer will be provided, in writing, to the CoPHD within 30 days of the informal hearing and shall include:

1. A clear summary of the decision and reason(s) for the decision; and
2. If the decision involves money owed.

The CoPHD is not bound by the hearing officer's decision which:

1. Concern matters in which the CoPHD is not required to provide an opportunity for an informal hearing, or that otherwise exceeds the authority of the person conducting the hearing under the CoPHD hearing procedures.

2. Conflict with or contradict HUD regulations or requirements, or otherwise contradict Federal, State, or local law.

The CoPHD will notify the family, in writing, within 15 working days of receipt of the hearing officer's decision. If the CoPHD determines that it is not bound by the hearing officer's decision, the CoPHD will notify the family of the determination and of the reasons for the determination.

F. HEARING AND APPEAL PROVISIONS FOR "RESTRICTIONS ON ASSISTANCE TO NON-CITIZENS" [24 CFR, Part 5, Subpart E]

Assistance to the family may not be delayed, denied or terminated on the basis of immigration status at any time prior to the receipt of the decision on the Immigration Naturalization Services (INS) appeal.

Assistance to a family may not be terminated or denied while the CoPHD informal hearing is pending, but assistance to an applicant may be delayed pending the CoPHD review.

INS Determination of Ineligibility

If a family member claims to be an eligible immigrant, and the INS Systematic Alien Verification for Entitlements (SAVE) system and manual search do not verify the claim, the CoPHD notifies the applicant or participant, within 10 days in writing, of their right to appeal to the INS within 30 days or to request an informal hearing with the CoPHD, either in lieu of or subsequent to the INS appeal.

If the family appeals to the INS, they must give the CoPHD a copy of the appeal and proof of mailing or the CoPHD may proceed to deny or terminate. The time period to request an appeal may be extended by the CoPHD for "good cause."

The request for a CoPHD informal hearing must be made within 15 days of receipt of the notice offering the informal hearing or, if an appeal was made to the INS, within 15 days of receipt of that notice.

After receipt of a request for an informal hearing, the informal hearing is conducted as described in Section E of this Chapter, "Informal Hearing Procedures" for both applicants and participants. If the hearing officer decides that the individual is not eligible, and there are no other eligible family members, the CoPHD will:

1. Deny the applicant family.
2. Defer termination if the family is a participant and qualifies for deferral.
3. Terminate the participant if the family does not qualify for deferral.

If there are eligible members in the family, the CoPHD will offer to prorate assistance or give the family the option to remove the ineligible members.

All other complaints related to eligible citizenship/immigration status:

1. If any family member fails to provide documentation or certification as required by the regulations, that member is treated as ineligible. If all family members fail to provide documentation or certification, the family will be denied or terminated for failure to provide documentation or certification.
2. Participants whose termination is carried out after temporary deferral may not request an informal hearing since they had an opportunity for a hearing prior to the termination.
3. Participants whose assistance is pro-rated (either based on their statement that some members are ineligible, or due to failure to verify eligible immigration status for some members after exercising their appeal and hearing rights described above) are entitled to an informal hearing based on the right to a hearing regarding determinations of tenant rent and total tenant payment.
4. Families denied or terminated for fraud in connection with the non-citizens rule are entitled to an informal review or informal hearing in the same way as terminations for any other type of fraud.

G. MITIGATING CIRCUMSTANCES FOR APPLICANTS/PARTICIPANTS WITH DISABILITIES

When applicants are denied placement on the waiting list or the CoPHD is terminating assistance for a participant family, the CoPHD may consider all relevant circumstances, such as the seriousness of the case, the extent of participation or culpability of individual family members, mitigating circumstances related to the disability of a family member, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

CHAPTER 19

PROJECT-BASED VOUCHER PROGRAM

INTRODUCTION

The CoPHD elected to provide rental assistance under the Project Based Voucher (PBV) Program to encourage property owners of existing housing, newly constructed housing or rehabilitated housing to make these properties available to low-income families at rents within the HCVP Payments Standards as of November 1, 2003. This will ensure that the City maintains an affordable rental housing stock that is at risk of becoming unaffordable for low-income families. The PBVP provided by the CoPHD may be used only for units within the City of Pasadena.

The provision of assistance that is attached to units as project-based assistance is different in its application than that of tenant-based assistance typically provided by the HCVP. Under project-based assistance, the CoPHD enters into a HAP Contract with the owner to make housing assistance payments during the contract term for a specific unit(s) that is leased and occupied by an eligible family.

The CoPHD PBV program is funded with a portion of appropriated funding (budget authority) available under the CoPHD's voucher annual contributions contract (ACC). The CoPHD may provide up to 20% of the amount of the budget authority allocated for the PBV program. However, only 25% of the units in a building maybe project based with the exception of single-family buildings and "excepted units" in a multifamily building.

"Excepted Units" means units in a multifamily building that are specifically made available for qualifying families who are elderly, disabled, or a family receiving supportive services. There is no special or additional funding for project based vouchers and HUD does not reserve additional units for project based vouchers. The CoPHD has the discretion whether to operate a project-based voucher program.

A. HUD SUBMISSION

The CoPHD may attach voucher assistance to PBV units in accordance with 24 CFR 983 if:

1. The number of units to be project-based does not exceed the applicable percent limit.

2. The number of units to become project-based is not under a tenant-based or project-based HAP Contract or otherwise committed (e.g., vouchers issued to families searching for housing or units under an Agreement).

Before implementing PBVP, the CoPHD must submit the following information to the HUD field office for review:

1. The total number of units for which the CoPHD is requesting approval to attach assistance.
2. The number of budgeted voucher units.
3. The number of voucher units available to be project-based; e.g., the number of budgeted voucher units that are not under a tenant-based or project-based HAP Contract or otherwise committed (e.g., vouchers issued to families searching for housing or units under an Agreement).

The CoPHD must ensure that the amount of assistance that is attached to units is within the amounts available under the ACC.

B. OWNER APPLICATION SUBMISSION [24 CFR 983.51]

1. The CoPHD has adopted a written policy establishing competitive procedures for owners' submission of applications. This written policy identifies and specifies the weight to be given to the factors that will be used to rank and select applications. These factors are as follows:

Experience/Administrative Capacity:	20 Points
Need:	20 Points
Mixed Income:	20 Points
Financial/Marketability:	20 Points
Community Impact:	15 Points
Equal Opportunity Employment Practices:	5 Points

2. The CoPHD will select units to which assistance is to be attached. These units must be selected in accordance with the CoPHD's selection policy and 24 CFR 983.51.
3. The CoPHD will advertise in a newspaper of general circulation that the CoPHD will accept applications for assistance under the PBVP for specific projects. The advertisement must be approved by the HUD field office and may not be published until after HUD's authorization to implement a PBVP or ACC execution.

The advertisement must: be published once a week for two to three consecutive weeks; specify an application deadline of at least 30 days after the date the advertisement is last published; specify the number of units the CoPHD estimates it will be able to assist under the funding the CoPHD is making available for this purpose; and state that only applications submitted in response to the advertisement will be considered.

4. The owner's application submittal must contain the following:
 - a. A description of the housing to be constructed or rehabilitated, including the number of units by size (square footage), bedroom count, bathroom count, sketches of the proposed new construction or rehabilitation, unit plans, listing of amenities and services, and estimated date of completion. For rehabilitation, the description must describe the property as is and must also describe the proposed rehabilitation.
 - b. Evidence of site control, and for new construction identification and description of the proposed site, site plan and neighborhood.
 - c. Evidence that the proposed new construction or rehabilitation is permitted by current zoning ordinances or regulations, if applicable.
 - d. Evidence to indicate that the needed re-zoning is likely and will not delay the project, if applicable.
 - e. The proposed contract rent per unit, including an indication of which utilities, services, and equipment are included in the rent. For those utilities that are not included in the rent, an estimate of the average monthly cost for each unit type for the first year of occupancy.
 - f. A statement identifying:
 1. The number of persons (families, individuals, businesses and nonprofit organizations) occupying the property on the date of submission of the application.
 2. The number of persons to be displaced, temporarily relocated or moved permanently within the building or complex.
 3. The estimated cost of relocation payments and services, and the sources of funding.
 4. The organization(s) that will carry out the relocation activities.

5. The identity of the owner, project principals, names of officers, principal members, shareholders, investors and other parties having substantial interest. Certification showing that the above-mentioned parties are not on the U.S. General Services Administration list of parties excluded from Federal procurement and nonprocurement programs; a disclosure of any possible conflict of interest by any of these parties that would be a violation of the Agreement or the HAP Contract; and information on the qualifications and experience of the principal participants. Information concerning any participant who is not known at the time of the owner's submission must be provided to the CoPHD as soon as the participant is known.
6. The owner's plan for managing and maintaining the units.
7. Evidence of financing or lender interest and the proposed terms of financing.
8. The proposed term of the HAP Contract; and
9. Any other information the CoPHD believes necessary.

The CoPHD has five PBV HAP Contracts with the following locations:

1. Woodbury Senior Apartments -1 unit.
2. Villa Los Robles - 2 units.
3. Centennial Place Apartments - 142 units.
4. Orange Grove Gardens Apartments - 9 units.
5. Hudson Oaks Apartments - 44 units.

C. ELIGIBLE AND INELIGIBLE PROPERTIES [24 CFR 983.9 & 983.53]

Newly constructed and existing structures of various types may be appropriate for attaching assistance to the units under 24 CFR 983, including single-family housing and multi-family housing. Eligible housing under 24 CFR 982.352 does not apply.

The CoPHD may not attach or pay PBVP assistance in the following types of housing:

1. Housing for which the construction is started before Agreement execution.
2. Housing for which the rehabilitation is started before Agreement execution.
3. Shared housing, nursing homes, and facilities providing continual psychiatric, medical, nursing services, board and care or intermediate care.

4. Units within the grounds of penal, reformatory, medical, mental, or similar public or private institutions.
5. Housing located in an area that has been identified by the Federal Emergency Management Agency (FEMA) as having special flood hazards.
6. College or other school dormitories.
7. Units owned or controlled by an educational institution or its affiliate and are designated for occupancy by students of the institution.
8. Manufactured homes.
9. Cooperative housing.
10. Transitional housing.
11. Units occupied by the owner.

The CoPHD may not attach or pay PBVP assistance to any of the following types of subsidized housing:

1. Public housing dwelling unit;
2. A unit subsidized by any other form of Section 8 assistance (tenant-based or project based);
3. A unit subsidized with any governmental rent subsidy (a subsidy that pays all or any part of the rent);
4. A unit subsidized with any government subsidy that covers all or any part of the operating costs of the housing;
5. A section 236 project (insured or noninsured) or a unit subsidized with Section 236 rental assistance payments;
6. A unit subsidized with rental assistance payments under Section 521 of the Housing Act of 1949 (a Rural Housing Services Program);
7. A Section 202 project for non-elderly persons with disabilities (assistance under Section 162 of the Housing and Community Development Act of 1987);
8. Section 202 supportive housing for the elderly;
9. Section 811 supportive housing for persons with disabilities;

10. A Section 101 rent supplement project;
11. A unit subsidized with tenant-based assistance (as defined at 24 CFR 982.1(b)(2)) (e.g. Home Program); or
12. Any unit with any other duplicative Federal, State, or local housing subsidy as determined by HUD. For this purpose, "housing subsidy" does not include the housing component of a welfare payment, a Social Security payment received by the family, or a rent reduction because of a tax credit.

D. SPECIAL HOUSING TYPES [24 CFR 983.9]

In the PBVP, the CoPHD will not provide assistance for shared housing, cooperative housing, manufactured homes space rental, or the homeownership option.

A group home may include one or more group home units. A separate lease is executed for each elderly person or person with disabilities who resides in a group home.

E. DECONCENTRATION OF POVERTY AND EXPANSION OF HOUSING AND ECONOMIC OPPORTUNITIES

In accordance with HUD requirements, all PBVP HAP Contracts or assistance agreements must be for units located in census tracts with poverty rates of less than 20%, unless HUD specifically approves an exception.

Activities under the PBVP are subject to HUD environmental regulations in 24 CFR 50 and 58.

F. AGREEMENT & SECTION 8 PROJECT BASED VOUCHER HOUSING ASSISTANCE PAYMENTS CONTRACT [24 CFR 983.202, 983.203, 983.204, & 983.205]

The Housing Department must enter into an Agreement with the owner. The owner agrees to develop the contract units to comply with the HQS, and the CoPHD agrees that upon timely completion of such development in accordance with the terms of the Agreement, the CoPHD will enter into a HAP Contract with the owner for the approved number of units.

The Agreement will be canceled if the HAP Contract is not executed within 120 days of notification of completion.

The CoPHD must enter into a HAP Contract with the owner stating the terms and conditions of the PBVP project. The initial HAP Contract term for existing housing may not be less than one year nor more than ten years. The initial HAP Contract term for new construction or rehabilitated housing may not be less than one year nor more than 15 years. The CoPHD has sole discretion to determine the initial term of the HAP Contract with these limits.

Within one year before expiration of the HAP Contract, the CoPHD may agree to extend the term of the HAP Contract for existing housing for an additional term of five years or up to 15 years for new construction or rehabilitated housing if the CoPHD determines an extension is appropriate to continue to provide affordable housing for low-income families. HAP Contracts maybe renewed for terms for an aggregate total of 30 years, subject to the availability of appropriated funds.

At the sole option of the CoPHD, the CoPHD may renew expiring HAP Contracts for such period or periods as the HUD field office determines appropriate to achieve long term affordability of assisted housing. The CoPHD must identify the funding source for renewals; different funding sources may be used for the initial term and review terms of the HAP Contract.

The HAP Contract must provide that the term of the CoPHD contractual commitment is subject to the availability of sufficient appropriated funding (budget authority) as determined by HUD or by the CoPHD in accordance with HUD instructions. If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP contract, the CoPHD has the right to terminate the HAP contract by notice to the owner for all or any of the contract units.

Once the Housing Department has received owner notification that the construction or rehabilitation has been completed, the owner must submit at minimum the following evidence of completion to the Housing Department:

1. Owner certification that the work has been completed in accordance with the HQS and all requirements of the Agreement; and
2. Owner certification that the owner has complied with labor standards and equal opportunity requirements in the development of the housing.

At the Housing Department discretion, the Agreement may specify additional documentation that must be submitted by the owner as evidence of housing completion.

1. Certificate of Occupancy; and
2. An architect's certification that the housing complies with HQS, State, local and/or other building codes

After the Housing Department has receive owner notice, the CoPHD must inspect the building to determine if the housing has been completed in accordance with the Agreement, including compliance with the HQS and any additional requirements imposed by the CoPHD under the Agreement. If the work has not been completed in accordance with the Agreement, the CoPHD must not enter into the HAP Contract.

The CoPHD must execute the HAP Contract if the CoPHD accepts the unit(s). The effective date of the HAP Contract may not be earlier than the date of the CoPHD inspection and acceptance of the unit(s).

After commencement of the HAP Contract term, the CoPHD must make monthly housing assistance payments for each unit occupied under lease by an eligible family.

At the discretion of the CoPHD and subject to all PBV requirements, the HAP contract may be amended to substitute a different unit with the same number of bedrooms in the same building for previously covered contract unit. Prior to such substitution, the CoPHD must inspect the proposed substitute unit and must determine the reasonable rent.

The Quality Housing and Work Responsibility Act of 1998 (QHWRA) requires owners to provide not less than one-year written notice to tenants and HUD of expiration or termination of the Contract.

G. REDUCTION OF UNITS

Owners must lease all assisted units under a HAP Contract to eligible families. Leasing of vacant, assisted units to ineligible tenants is a violation of the HAP Contract and grounds for all available legal remedies, including suspension or debarment from the HUD program and reduction of the number of units under the HAP Contract. Once the CoPHD determines that a violation exists, the CoPHD must notify the HUD field office of its determination and the suggested remedies. At the direction of the HUD field office, the CoPHD must take the appropriate action.

If at any time beginning 180 calendar days after the effective date of the HAP Contract, the owner fails to have the assisted units leased to families receiving housing assistance or to families who were eligible when they initially leased the unit, but are no longer receiving housing assistance, the CoPHD may, on at least a 30 calendar days notice, reduce the number of units covered by the HAP Contract. The CoPHD may reduce the number of units actually leased or available for leasing by eligible families, plus 10 percent (round up).

If the owner has only one unit under a HAP Contract, and if one year has elapsed since the date of the last housing assistance payment, the HAP Contract may be terminated with the consent of the owner.

The CoPHD will agree to an amendment of the HAP Contract to provide for subsequent restoration of any reduction made pursuant to the above mentioned paragraph of this section, if:

1. The CoPHD determines that the restoration is justified by demand.
2. The owner otherwise has a record of compliance with obligations under the HAP Contract; and
3. Contract authority is available.

H. RESPONSIBILITIES OF THE CoPHD [24 CFR 983.201]

The CoPHD must:

1. Inspect the project before, during, and upon completion of new construction or rehabilitation; and
2. Ensure that the amount of assistance that is attached to units is within the amounts available under the ACC.

I. RESPONSIBILITIES OF THE OWNER [24 CFR 983.208 & 24 CFR 982.452]

The owner is responsible for performing all of the owner responsibilities under the Agreement and the HAP Contract, providing the CoPHD with a copy of any termination of tenancy notification, and offering vacant, accessible units to a family with one or more members with a disability requiring accessibility features of the vacant unit and occupying an assisted unit not having such features.

J. FAMILY PARTICIPATION [24 CFR 983.251]

The CoPHD may select families who are participants in the CoPHD's tenant-based voucher program. The CoPHD will use the tenant-based assistance waiting list for its PBVP, pursuant to 24 CFR 982.201, 982.202 except paragraph (b)(c), 982.203, 982.204 except paragraph (a)(b), 982.205 except paragraph (a), 982.206 and 982.207. When the owner notifies the CoPHD of vacancies in the PBVP units, the CoPHD will refer one or more families of the appropriate size from its waiting list. A family that refuses an offer of a PBVP unit will keep its place on the tenant-based waiting list. The owner must rent all vacant PBVP units to eligible families referred by the CoPHD. The CoPHD will determine eligibility of any family referred for a PBVP unit.

Before the CoPHD selects a specific unit to which assistance is to be attached, the CoPHD must determine whether the unit is occupied, and if so, whether the occupants are eligible for assistance. If the unit is occupied by an eligible family (including a single person) and the CoPHD selects the unit, the family must be given the opportunity to

lease that unit or another appropriately sized, project-based unit in the project without requiring that the family be placed on the waiting list. The CoPHD may not enter into an agreement to provide project-based assistance to a unit whose occupants are not eligible to participate in the program.

If the CoPHD does not refer a sufficient number of interested families on the CoPHD's waiting list to the owner within 30 days of the owner's notification to the CoPHD of a vacancy, the owner may advertise for or solicit applications from eligible, very low-income families. The owner must refer these families to the CoPHD to determine eligibility. The CoPHD and/or owner may also partner with other agencies for referrals for project based units.

The owner is responsible for screening and selection of tenants. The owner must adopt written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income households and with a family's ability to perform the lease obligations. The owner must promptly notify any rejected family in writing of the grounds for that rejection.

In order for a family to be eligible for participation under the PBVP, the family must meet the eligibility criteria outlined in Chapter 2 of this Plan, "Eligibility for Admission" and the family's annual income may not exceed the applicable income limit as set by HUD.

A family becomes a participant when the family and owner execute a lease for a unit with project-based assistance.

If the HAP Contract for the unit expires or if the CoPHD terminates the HAP Contract for the unit:

1. The CoPHD must issue the assisted family in occupancy of a unit a HCV for assistance under the CoPHD's voucher program; unless the CoPHD has determined that it does not have sufficient funds for continued assistance for the family, or unless the CoPHD denies issuance of a HCV in accordance with 24 CFR 982.552.
2. If the unit is not occupied by an assisted family, then the available funds under the ACC that were previously committed for support of this project-based assistance for the unit must be used for the CoPHD's tenant-based voucher program.

K. BRIEFING SESSIONS FOR PBVP PARTICIPANTS [24 CFR 983.252]

Briefing sessions will be held for families who have been selected to occupy a project-based unit. The briefing session will provide the family with the following:

1. Information regarding the tenant rent and any applicable utility allowance.

2. A copy of the Lead-Based Paint information pamphlet.
3. Family and owner responsibilities under the lease and HAP Contract.
4. Information on Federal, State, and local equal opportunity laws.
5. The fact that the subsidy is tied to the unit, that the family must occupy a unit under the program, that a family that moves from the unit does not have any right to continued assistance.
6. The likelihood of the family receiving a HCV after the HAP Contract expires.
7. The family's options under the program if the family is required to move because of a change in family size or composition; and
8. Information on the CoPHD's procedures for conducting informal hearings for participants, including a description of the circumstances in which the CoPHD is required to provide the opportunity for an informal hearing, in accordance with 24 CFR 982.555, and the procedures for requesting a hearing (see Chapter 18 of this Plan).

L. PHYSICAL CONDITION STANDARDS & PHYSICAL INSPECTION REQUIREMENTS

Housing used in the PBVP must be maintained and inspected in accordance with the requirements in 24 CFR 5, subpart G prior to the HAP Contract execution. In addition to the standards in 24 CFR 5, subpart G, the dwelling unit must have a living room, a kitchen area, and a bathroom. The dwelling unit must have at least one bedroom or living/sleeping room for each two persons.

The Lead-Based Paint Poisoning Prevention Act and implementing regulations at 24 CFR 35, subparts A, B, H, and R of this title apply to units assisted under this part.

The dwelling unit must be inspected and must pass HQS prior to the execution of the Lease.

M. MAINTENANCE, OPERATION AND INSPECTION [24 CFR 983.207]

The following sections do not apply to the PBVP:

1. 24 CFR 982.404 Maintenance: Owner and family responsibility; PHA remedies.
2. 24 CFR 982.405: PHA periodic unit inspections and enforcement of HQS.

The owner must provide all the services, maintenance and utilities as agreed under the HAP Contract, subject to abatement of housing assistance payments or other applicable remedies if the owner fails to meet these obligations.

In addition to the inspections required prior to execution of the HAP Contract, the CoPHD must inspect or cause to be inspected each dwelling unit under a HAP Contract at least annually, and at such other times as may be necessary to ensure that the owner is meeting the obligations to maintain the unit in decent, safe, and sanitary conditions and to provide the agreed upon utilities and other services. The CoPHD must take into account complaints and any other information coming to its attention in scheduling inspections.

If the CoPHD notifies the owner that the units under HAP Contracts are not being maintained in decent, safe, and sanitary conditions and the owner fails to take corrective action within the time prescribed in the notice, the CoPHD may exercise any of its rights or remedies under the HAP Contract, including abatement of housing assistance payments, even if the family continues in occupancy, or the termination of the HAP Contract and termination of assistance to the family, in accordance with 24 CFR 982.552.

N. OVERCROWDED, UNDEROCCUPIED, AND ACCESSIBLE UNITS
[24 CFR 983.259]

If the CoPHD determines that a family is occupying the wrong sized unit or the unit with accessibility features that the family does not require, and the unit is needed by a family that requires the accessibility features, the CoPHD must promptly notify the family and the owner of this determination, and of the CoPHD offer of continued assistance in another unit. If the CoPHD's subsidy standards changed after the family moved into the unit and the family has had not a change in family composition, the family will not be considered in the wrong sized unit.

The owner must offer the family a suitable alternative unit if one is available and the family shall be required to move. If the owner does not have a suitable unit available within the family's ability to pay the rent, the CoPHD (if it has sufficient funding) may offer tenant-based assistance to the family or otherwise assist the family in locating other standard housing in the CoPHD's jurisdiction within the family's ability to pay, and require the family to move to such a unit.

If the CoPHD offers the family the opportunity to receive tenant-based rental assistance under the voucher program, the CoPHD must terminate the housing assistance payments for a wrong-sized or accessible unit at expiration of the term of the family's voucher (including any extension granted by the PHA).

If the CoPHD offers the family the opportunity for another form of continued housing assistance in accordance with 983.259(b)(2) (not in the tenant-based voucher program), the family does not accept the offer, does not move out of the PBV unit within a reasonable time as determined by the CoPHD, or both, the CoPHD must terminate the housing assistance payments for the wrong-sized or accessible unit, at the expiration of the reasonable period that was determined by the CoPHD

O. ASSISTED TENANCY AND TERMINATION OF TENANCY [24 CFR 983.206]

The term of a lease, including a new lease or a lease amendment, executed by the owner and the family must be for at least one year, or the remaining term of the HAP Contract if the remaining term of the HAP Contract is less than one year. The family must notify the CoPHD and the owner before the family moves out of the unit. Term of assisted tenancy, 24 CFR 982.309, and owner termination of tenancy, 24 CFR 982.310(d)(1)(iii)(iv), do not apply to the PBVP.

The family is required to terminate the lease with a 60-day advance written notice to the owner and a copy of the notice to the CoPHD. The owner may offer the family a new lease for execution by the family for a term beginning at any time after the first year of the term of the lease. The owner must give the family written notice of the offer at least 60 days before the proposed commencement date of the new lease term. The offer may specify a reasonable time for acceptance by the family. Failure by the family to accept the offer of a new lease in accordance with this paragraph shall be "other good cause" for termination of tenancy.

P. RENT AND HOUSING ASSISTANCE PAYMENT [24 CFR 983.302]

In 24 CFR 982 subpart K, rent and housing assistance payment for tenant-based program, the following are the only sections that apply to the PBVP under 24 CFR 982.503 (payment standard): 24 CFR 982.516 (regular and interim re-examination of the family income and composition) and 24 CFR 982.517 (utility allowance schedule).

Q. LIMITS ON INITIAL RENT TO OWNER [24 CFR 983.301]

The initial rent to owner for a unit may not exceed the reasonable rent as determined by the CoPHD, in accordance with 24 CFR 983.302.

The initial gross rent for a unit (rent to owner plus utility allowance) may not exceed the payment standard rent limit as determined by the CoPHD, in accordance with 24 CFR 982.503. However, at the time of initial occupancy by the eligible family, the family gross rent must not exceed 40% of the family adjusted monthly income.

The PBVP HAP Contract shall establish gross rents that do not exceed 110% of the established Fair Market Rent (FMR) or any HUD-approved "exception payment standard" for the City of Pasadena. The HAP Contract will also allow for an annual rent

adjustment. The initial and adjusted rents to the owner must also be reasonable in relation to rents charged in the private market for comparable unassisted units.

R. ANNUAL ADJUSTMENT OF RENT TO OWNER [24 CFR 983.302]

At each annual anniversary date of the HAP Contract, the CoPHD may re-determine the rent to owner in accordance with the following requirements:

1. The owner must request a rent increase (including a comparability study to determine the amount of such increase) by written notice to the CoPHD, at least 120 days before the HAP Contract anniversary. The request must be submitted in the form and manner required by the CoPHD.
2. The CoPHD may not increase the rent at the annual anniversary unless:
 - a. The owner requested the increase by the 120-day deadline; and
 - b. During the year before the HAP Contract anniversary, the owner complied with all requirements of the HAP Contract, including compliance with HQS for all contract units.
3. Rent increases will be implemented at the time of the tenant's annual re-examination.

The adjusted rent to owner equals the lesser of:

1. The re-adjustment rent to owner multiplied by the applicable Section 8 Annual Adjustment Factor published by HUD.
2. The reasonable rent as determined by the CoPHD, in accordance with 24 CFR 983.256; or
3. The rent requested by owner.

The applicable factor is the published annual adjustment factor in effect 60 days before the HAP Contract anniversary. In making the annual adjustment, the pre-adjustment rent to owner does not include any previously approved special adjustments.

The rent to owner may be adjusted up or down, in accordance with 24 CFR 983.301.

S. SPECIAL ADJUSTMENT OF THE RENT TO OWNER [24 CFR 983.301]

At HUD's sole discretion, HUD may approve a special adjustment of the rent to owner. The CoPHD may only make a special adjustment of the rent to owner if the adjustment has been approved by HUD.

A special adjustment may only be approved to reflect increases in the actual and necessary costs of owning and maintaining the contracted units because of substantial and general increases in:

1. Property taxes.
2. Special governmental assessments.
3. Utility rates; or
4. Cost of utilities not covered by the regulated rates.

A special adjustment may only be approved if and to the extent that the owner demonstrates that cost increases are not adequately compensated by application of the published annual adjustment factor at the HAP Contract anniversary. The owner must demonstrate that the rent to owner is not sufficient for proper operation of the housing.

The adjusted rent may not exceed the reasonable rent as determined by a comparability study, in accordance with 24 CFR 983.301.

The owner must submit financial information, as requested by the CoPHD, that supports the grant or continuance of a special adjustment. For HAP Contracts of more than 20 units, such financial information must be audited.

The CoPHD may withdraw or limit the term of any special adjustment. If a special adjustment is approved to cover temporary or one-time costs, the special adjustment is only a temporary or one-time increase of the rent to owner.

T. REASONABLE RENT [24 CFR 983.303]

The CoPHD may not enter an agreement to enter into a HAP Contract until the CoPHD determines that the initial rent to owner under the HAP Contract is reasonable. During the term of a HAP Contract, the rent to owner may not exceed the reasonable rent as determined by the CoPHD.

At least annually during the HAP Contract term, the CoPHD must re-determine that the current rent to owner does not exceed a reasonable rent. The CoPHD must determine whether the rent to owner is a reasonable rent in comparison to rent for other comparable unassisted units. To make this determination, the CoPHD must consider:

1. The location, quality, size, unit type, and age of the contract unit; and
2. Any amenities, housing services, maintenance and utilities to be provided by the owner in accordance with the lease.

U. VACANT UNITS [24 CFR 983.352]

Vacancy payments will not be paid for vacant units.

V. CONVERSION OF SECTION 8 PROJECT-BASED ASSISTANCE TO TENANT-BASED ASSISTANCE [PIH NOTICE 99-40, SEPTEMBER 1, 1999]

HUD currently provides additional funding to public housing agencies to assist eligible residents who are affected by “housing conversions.” Housing conversions occur when a Section 8 Project-Based Contract is near expiration, has expired, or the owner chooses to “opt-out” of the Contract (“Contract termination”). In those instances where expiring Project-Based Rental Assistance is being replaced by Tenant-Based Rental Assistance (TBRA) Vouchers, HUD shall determine the appropriate actions and provide guidance and instruction to the CoPHD.

The conversion process typically begins with HUD’s receipt of the notice from the owner stating the intent to terminate the existing Contract. This notice must be in writing and provided to both the tenants and HUD, not less than one year from the Contract termination date. It is the responsibility of HUD to enforce the notification requirements of the owner. Based on the appropriate notification and at least 120 days prior to the termination date of the Contract, HUD shall determine the number of occupants in place, the composition of each family, and extend an invitation to the CoPHD offering the CoPHD the opportunity to administer TBRA to the eligible families. Once the CoPHD has agreed to administer TBRA and issue HCVs, the existing ACC between the CoPHD and HUD will require modification.

HUD shall transmit all pertinent family composition data to the CoPHD. The CoPHD shall utilize this information to begin the review of each family’s eligibility for admission to the TBRA Program. As part of the determination of eligibility, the CoPHD may require families to complete the following:

1. Submit a completed program application and any other required program form(s).
2. Submit any records pertinent to the determination of eligibility, i.e., identification cards, Birth Certificates, Social Security cards, proof of citizenship, proof of income, proof of assets, certification forms, affidavits, etc.
3. Attend an interview with CoPHD staff; and
4. Attend mandatory briefing session conducted by CoPHD staff (rental vouchers issued to eligible families).

Due to the severe time constraints often associated with these conversion actions, the CoPHD may use the owner’s most recent family income re-examinations, if:

1. The owner's certification for the family is no more than six months old; and
2. The CoPHD determines that the owner's certifications are acceptable after reviewing a small sample for accuracy.

The CoPHD is not required to use the owner's certifications and may opt to conduct its own income determination and verification.

The CoPHD will make every effort to have the determination of eligibility completed and the rental vouchers issued to eligible families no later than 60 days before the termination date of the contract. Once these requirements are completed, the CoPHD must:

1. Ensure the units selected by the families are eligible (see Chapter 2 of this Plan).
2. Conduct HQS inspections for units selected by families, see Chapter 10 of this Plan, "Housing Quality Standards and Inspections".
3. Ensure the rent is reasonable, see Chapter 11 of this Plan, "Owner Rents, Rent Reasonableness, and Payment Standard"; and
4. Execute a HAP Contract with the owner.

HUD encourages housing agencies to begin tasks such as certifying families and approving units before receiving the ACC funding exhibit to avoid the potential adverse impact on the families. However, the CoPHD may not under any circumstances execute a HAP Contract prior to receiving the notification letter and the effective date of the funding contained on the ACC funding exhibit.

Housing conversions represent a very unique opportunity for the CoPHD to be proactive in safeguarding the welfare of families residing in affordable housing developments that are faced with rental increases or possible displacement. Although some actions may not be taken by the CoPHD without seeking prior approval from HUD, the CoPHD shall continue to be committed to providing supportive services and guidance to families that are affected by these circumstances.

W. MOVES WITH CONTINUED RENTAL ASSISTANCE

The HCV will be cancelled if the family elects to move into a project-based assisted unit. If the family decides to relocate after 12 months, the family may be eligible for other forms of rental assistance, if funding is available. Family may only move in accordance with Chapter 13 of this Plan, "Moves with Continued Assistance/Portability".

Rental assistance under the PBVP will terminate for families that vacate the assisted unit during the initial term of the lease.

X. FAMILY RIGHT TO MOVE [24 CFR 983.260]

The family may terminate the assisted lease at any time after the first year of occupancy in accordance with Chapter 13 of this Plan, "Moves with Continued Assistance/Portability". The family must give the owner advance written notice of intent to vacate (with a copy to the CoPHD) in accordance with the lease.

If the family has elected to terminate the lease in this manner, the CoPHD must offer the family the opportunity for continued TBRA, in the form of either assistance under the HCVP or other comparable TBRA.

Before providing notice to terminate, the family must contact the CoPHD, in writing, to request comparable TBRA if the family wishes to move with continued assistance. If a HCV or other comparable TBRA is not immediately available upon termination of the family's lease of a PBVP unit, the CoPHD must give the family priority to receive the next available opportunity for continued TBRA. The family will receive the next available opportunity based on the date and time when their written requested was received.

The family will not be eligible for a HCV or other comparable TBRA if the family fails to submit written request to the CoPHD prior to serving a 60 Day Notice to terminate to the owner and/or the family is not in good standing with the terms of the lease and Family Obligations. Families will not be eligible for any other form of rental assistance if the property owner has served notice to vacate. Moves with continued assistance are allowed in accordance with Chapter 13 of this Plan, "Moves with Continued Assistance/Portability".

If the family terminates the assisted lease before the end of one year, or if the family has violated program rules and regulations, the family relinquishes the opportunity for continued TBRA.

The CoPHD will ensure the family is in compliance with the rules and regulations. The CoPHD will follow the policies and procedures outlined in Chapter 13 of this Plan, "Moves with Continued Assistance" for the HCVP.

CHAPTER 20

SUPPORTIVE HOUSING SERVICES

INTRODUCTION

The City of Pasadena Housing Department (CoPHD) recognizes that providing an affordable housing unit consisting of merely four walls and a roof is often times not enough. Some individuals and families may require coordinated supportive services that will enable them to live affordably and comfortably in a stable, supportive environment. The CoPHD offers several supportive housing programs targeted to persons with special housing needs.

Several of the programs that are encompassed under the umbrella of the Supportive Housing Services provide tenant-based rental assistance. Shelter Plus Care (S+C), Housing Opportunities for People with AIDS (HOPWA), and HOME Tenant-Based Rental Assistance Program (HOME TBRA) provide rental assistance to participants at privately owned units throughout the service area. These programs and their operations, as outlined in this chapter, will follow the policies and procedures of the Housing Choice Voucher Program (HCVP) except in those areas where the Code of Federal Regulations (CFR) or this administrative plan outline a different requirement.

A. SHELTER PLUS CARE PROGRAM (24 CFR 582)

The primary objective of the S+C Program is to improve the lives of disabled homeless individuals and families headed by a person with a disability by providing long-term affordable rental housing and a broad variety of supportive services that will enable S+C Program participants to increase income, obtain housing stability, and live as independently as possible. The maximum term of rental assistance under the S+C Program will be limited by funding availability. S+C offers four components: Moderate Rehabilitation/Single Room Occupancy, Project-based, Sponsor-based, and Tenant Rental Assistance (TRA). The Housing Department administers a TRA component.

S+C is operated by the CoPHD in conjunction with one or more Sponsor Agencies. The Sponsor Agency is required to provide or coordinate appropriate supportive services to program participants. These supportive services may be provided by the Sponsor Agency, funded by the Sponsor Agency but provided by a third party, or both funded and provided by a third party. S+C provides funding for rental assistance.

Participant Outreach (24 CFR 582.325)

The CoPHD does not maintain a waiting list for applicants to the S+C Program.

Sponsor Agencies participating with the CoPHD are required to perform outreach to the homeless in accordance with 24 CFR 582.325. The CoPHD monitors the outreach activities of the Sponsor Agency to ensure compliance with regulatory requirements.

Eligibility Determination

Applicants to the S+C Program are screened for initial eligibility by the Sponsor Agency. This eligibility screening encompasses verification of homelessness, disability, income and assets, and family status. The application packet is then transmitted to the CoPHD. The CoPHD performs a criminal background check as detailed in Chapter 2 of this Plan, "Eligibility for Admission". The application packet is reviewed and third-party verification is requested to ensure that the applicant meets the eligibility criterion for S+C.

An applicant who meets the eligibility criterion and passes the criminal background screening is issued a Certificate in a briefing session conducted by CoPHD Supportive Housing Services staff. The Certificate holder, with the assistance of the Sponsor Agency, must then locate a rental unit within the City of Pasadena.

S+C applicants may be denied admission if the applicant currently owes rent or other amounts to the CoPHD or to any other Public Housing Agency (PHA) in connection with Section 8 or public housing assistance and refuses to enter into a repayment agreement for amounts owed; or the applicant breached a previous repayment agreement and refuses CoPHD's offer to enter into a new agreement to pay amounts owed to a PHA or amounts paid to an owner by a PHA.

HQS and Acceptable Housing Configurations (24 CFR 582.305)

As with the HCVP, the unit must pass HQS inspection before the unit can begin to be subsidized and the applicant become a participant in the S+C Program. Assistance will not be provided for units that fail to meet the HQS, unless the owner corrects any deficiencies within 30 days from the date of the lease agreement and the recipient verifies that all deficiencies have been corrected. The CoPHD must also inspect all units at least annually during the grant period to ensure that the units continue to meet the HQS.

S+C Program participants will be allowed to live in group home and shared housing environments. The S+C participant must have access to bathroom and kitchen facilities. These facilities may be shared. There must also be access to living room space.

Family Absence from Unit

Rental Assistance Payments may only be paid to the owner during the lease term and while the family is residing in the unit. The family may, however, be absent from the unit for brief periods.

A participant in the S+C Program may be absent from a unit for any reason for up to 30 consecutive days. Periods of absence between 31 and 180 consecutive days are termed "extended absence." The participant is required to report to the CoPHD any extended absence or anticipated extended absence of the S+C participant from the unit and the reason for the absence. If the participant is unable to report the absence themselves, the Sponsor Agency may do so on their behalf. If the Sponsor Agency reports an absence for a participant, it should be accompanied by a written statement from the participant or a written statement from the Sponsor Agency if that is not possible. Extended absence may be approved by the CoPHD for reasons of health, rehabilitation, convalescence, incarceration, or the personal needs of the family.

Any absence (including an anticipated absence) beyond 180 days, whether the absence is determined prior to or after its start, will result in termination of the Rental Assistance Payments (RAP) subsidy for the assisted unit. The CoPHD may inspect the unit to determine whether a participant is absent.

Family Obligations and Statement of Family Responsibility

The S+C participant family shall be required to sign and be responsible for the Obligations of the Rental Assistance Program Participant Family. In addition, the participant and the Sponsor Agency's representative are required to sign a "Statement of Family Responsibility", requiring the participant to take part in the supportive services required by the Sponsor Agency as a condition of continued participation in the S+C program. The Sponsor Agency's representative by his or her signature agrees to notify the CoPHD of the failure of the participant to take part in any required supportive services.

Terminating Participants (CFR 582.320)

The CoPHD works in coordination with Sponsor Agencies to examine all extenuating circumstances, and exercises judgment in determining whether lease or program violations are serious enough to warrant termination. In cases where termination of participation is proposed, the CoPHD informal hearing provisions contained in Chapter 18 of this Plan, "Informal Hearing Procedures", apply to participants the S+C program.

Hearing officers must examine all extenuating circumstances in determining whether lease or other program violations are serious enough to warrant termination from the program. The hearing officer may require the family to sign an agreement to participate

in specific supportive services as a condition of continued participation. A participant's assistance should be terminated only in the most severe cases.

Portability

The S+C Program does not offer portability. All participants in the CoPHD S+C program must reside in the City of Pasadena.

Transfers to HCVP

In cases where an S+C Program participant's name is reached on the HCVP waiting list, the S+C Program participant will be given the opportunity to select between the two programs. If the S+C Program participant selects to remain on the S+C Program and declines the HCV, their application will be withdrawn from the HCVP waiting list.

S+C participants who have twelve months continual compliance with their lease agreement, have shown the ability to live independently with minimal need for supportive services, who are in compliance with the Obligations of the Family, and who have a recommendation from the Sponsor Agency may request a transfer to the HCVP. Transfers to HCVP under these circumstances can only be initiated during the Annual Reexamination process. Transfers to HCVP will only be approved in cases where the previously noted conditions have been met and an HCV is available.

Supportive Services Match

HUD requires that the aggregate amount of supportive services provided to participants at least equal in value the aggregate amount of rental assistance paid on behalf of those participants under the grant agreement for the term of the grant agreement. The Sponsor Agency must document a match of supportive services equal to the total amount provided in rental assistance over the life of the grant. (Note: for grants renewed as part of the 2012 Continuum of Care Competition or later, this match requirement is reduced to 25%.)

The CoPHD requires that participating Contractors submit periodic reports to the CoPHD regarding the dollar value of supportive services provided to program participants. The CoPHD may require other information which may be deemed necessary to the operation of the program. Failure of the Sponsor Agency to submit reports or to provide the matching services required by program regulations will be a breach of the Sponsor's contract provisions.

Surviving or Remaining Members of a Family (24 CFR 582.5)

If the person with disabilities who qualified the family for assistance under Shelter Plus Care dies, the right to rental assistance for surviving members ends at the end of the grant period under which the deceased member was a participant.

The CoPHD applies the same requirements to remaining members of a family assisted under Shelter Plus Care, if the person with disabilities who qualified the family for assistance leaves the assisted household. In either case, neither surviving members nor remaining members of such families have a right to assistance under the Housing Choice Voucher Program.

Conflict Between HCVP and S+C Regulations

The CoPHD follows the regulations established by HUD for the tenant-based program and the policies incorporated into this Administrative Plan except as noted. Where there is a conflict between regulations for the tenant-based program and the S+C regulations, the S+C regulations prevail for S+C participants.

B. OTHER SUPPORTIVE HOUSING PROGRAMS

Family Self Sufficiency (FSS) Program (24 CFR 984.101-984.401)

Currently, the CoPHD does not receive funding to operate an FSS program. The program at this time is limited to existing participants in the FSS program. No new enrollments are being taken. If program funding is identified in the future, the FSS program will again open for applications from HCVP participants who are in good standing and do not owe money to the CoPHD.

If an FSS Program participant violates their RAP Obligations and/or does not report all income and it is discovered that this underreporting is intentional, the participant will be terminated from the FSS Program. The escrow account is forfeited and will not be credited for any portion of back rent owed.

Housing Opportunities for Persons with AIDS Program(24 CFR 574.300, 574.310, 574.320,

The Housing Opportunities for Persons with AIDS (HOPWA) Program provides tenant-based rental assistance to very low-income households of individuals and families living with HIV/AIDS. The HOPWA tenant-based rental assistance program operates much the same as the HCVP but also provides case management and supportive services to HOPWA Program participants.

The CoPHD administers the HOPWA program for the cities of Pasadena and Glendale. The initial 12 months of rental assistance will be funded under the HOPWA Program. Upon the expiration of the 12 month period for each HOPWA Program participant, the CoPHD will “absorb” or provide continued rental assistance to the program participants under its regular HCVP, but only for households residing within CoPHD’s jurisdiction and as long as the household continues to meet the eligibility requirements for ongoing rental assistance.

Before the CoPHD agrees to fund the initial 12 months of rental assistance for eligible households residing in its sub-recipient’s jurisdiction, the Public Housing Agency(PHA) overseeing the administration of the HCVP in the applicable jurisdiction must enter into a Memorandum of Understanding (MOU) with the HOPWA formula grant recipient for the Eligible Metropolitan Statistical Area (EMSA), whereby the PHA agrees to provide continued rental assistance under its HCVP to the HOPWA program participants residing in their jurisdiction or their surviving member of the household. The CoPHD has such an MOU in place with the City of Los Angeles Housing Department, which is the EMSA for HOPWA funds in this area.

Applicants to the HOPWA Program are screened for initial eligibility by the referring agency. This initial eligibility screening encompasses verification of HIV/AIDS status, income and assets, and family status. The application packet is then transmitted to the CoPHD. The CoPHD performs a criminal background check, requests third party verification, and reviews the application packet to ensure that the applicant meets the eligibility criterion for the HOPWA Program, as detailed in Chapter 2 of this Plan, “Eligibility for Admission”.

An applicant who meets the eligibility criterion and passes the criminal background screening is issued a Certificate in a briefing session conducted by CoPHD Supportive Housing Program staff. The Certificate holder, with the help of the Sponsor Agency, must then locate a rental unit within the Cities of Pasadena or Glendale. As with the HCVP, the unit must pass HQS inspection before the unit can begin to be subsidized and the applicant become a participant in the HOPWA Program.

The CoPHD will work with the Glendale Housing Authority (GHA) to conduct the lease up and absorption process for HOPWA certificate holders who locate a unit in Glendale. GHA inspection staff will conduct the Housing Quality Standards inspection and forward that information to CoPHD staff. CoPHD staff will contact the GHA at annual review time to begin converting the rental assistance from HOPWA to HCV. This conversion process will include ensuring that there is an HCV available. If GHA does not have an available HCV, the client household will be informed they will be issued an HCV from CoPHD’s allocation, and will be required to locate a unit within the jurisdiction of the CoPHD.

HOME Tenant-Based Rental Assistance Program (24 CFR 92.209)

The HOME Tenant-Based Rental Assistance (TBRA) has been discontinued due to federal funding reductions. Existing program participants who remain in good standing will be able to continue participation until their 24 months assistance period is completed. For these participants, the program will be operated as noted below.

The overall objective of HOME (TBRA) is to provide rental subsidies to very low-income individuals and families with special circumstances, who reside or are employed in the City of Pasadena. Special circumstances recognized by the CoPHD are: involuntarily displaced due to government action, involuntarily displaced as a result of a health or safety hazard cited by the City of Pasadena, victim of domestic violence, at risk for homelessness due to a crisis situation, and homelessness due to loss of job or other event beyond the persons' control. Applicants will be referred to the CoPHD by a supportive service agency or by the City of Pasadena. Under the HOME TBRA Program, assistance is **only** for 24 months with no exceptions.

Applicants to the HOME TBRA Program will be interviewed by CoPHD Supportive Housing Program Staff to ensure that the applicant meets the eligibility criterion. A criminal background check is conducted as detailed in Chapter 2 of this Plan, "Eligibility for Admission".

An applicant who meets the eligibility criterion and passes the criminal background screening is issued a Coupon in a briefing session conducted by CoPHD Supportive Housing Program staff. The Coupon holder must then locate a rental unit within the City of Pasadena. As with the HCVP, the unit must pass HQS inspection before the unit can begin to be subsidized and the applicant become a participant in the HOME TBRA Program.

In cases where a HOME TBRA Program participant's name is reached on the HCVP waiting listing, the HOME Program participant will be given the opportunity to select between the two programs. If the HOME Program participant selects to remain on the HOME Program and declines the HCVP Rental Voucher, their application will be withdrawn from the HCVP.

When HCVP vouchers are available, CoPHD reserves the option to move HOME TBRA participants to the HCVP to ensure continuity of assistance.

Emergency Rental Assistance Deposit Program (ERAD)

The Emergency Rental Assistance Deposit Program (ERAD) provides funds for security deposit to allow participants in rental assistance programs administered under this administrative plan to move in to privately-owned rental units. ERAD is funded with HOME Program entitlement funds administered by the City of Pasadena. A participant

household that has located a unit in the City of Pasadena only may apply for security deposit assistance through ERAD. If the application for assistance is approved, a check for the security deposit amount will be sent directly to the landlord. This security deposit assistance may be given as a grant or a loan.

Priority for ERAD assistance is given to homeless persons who are attempting to move into their first housing unit after a period of homelessness. Funds exist to assist approximately 10 households in Fiscal Year 2012-13. Funding may vary from year to year based on HOME Program allocation.

The selected rental unit must be located in the City of Pasadena, and the applicant must provide a signed lease agreement indicating security deposit and ongoing rent amounts. The property owner must be able to provide proof of ownership for the property, and provide a current Certificate of Inspection and Code Compliance from the City of Pasadena.

C. PROCEDURES FOR SUPPORTIVE HOUSING PROGRAMS PROVIDING TENANT RENTAL ASSISTANCE

Certification

The certification process for Supportive Housing Services is consistent with the HCVP except that initial eligibility information may be secured by the Sponsor Agency. This information is forwarded to the CoPHD for review and eligibility determination. If an applicant is determined eligible, they will be given a program briefing by the CoPHD consistent with the HCVP, and including information specific to the requirements of the program in which they will be participating.

Annual Reexamination

The annual reexamination process for TBRA participants is also consistent with the HCVP, except Supportive Housing Program participants are asked to disclose progress pertaining to their case management and if they are securing all the services they need to achieve self-sufficiency. Additionally, at the time of the annual reexamination, HOPWA Program participants are absorbed by the housing agency in the jurisdiction in which they reside. Under no circumstances may a contract be funded with HOPWA monies beyond the initial 12 month period. For those participants living outside of the CoPHD jurisdiction, eligible HOPWA Program participants will have their case files ported to their respective jurisdiction for continued rental assistance.

Rental Negotiation (24 CFR 92.209(f), 574.320, 582.305(b))

Supportive Housing Services TBRA programs (HOPWA, S+C, and HOME) use a different formula than HCVP to determine participant rent. HOPWA, S+C, and HOME

TBRA programs use the Section 8 Certificate Program standard where a program participant pays no more than 30% of their adjusted income towards rent.

For special housing types, rental negotiation will be done in accordance with 24 CFR 982.601. In the HOPWA, S+C, and HOME TBRA programs, if the gross rent proposed exceeds HUD-issued Fair Market Rent, the CoPHD may suggest that the owner reduce the contract rent or include some or all utilities in the contract rent. If the owner accepts the offer of a revised rent, the CoPHD will continue processing the Request for Tenancy Approval (RFTA). If the property owner is not willing to reduce or adjust the rent and the CoPHD is satisfied that the requested rent meets the test of rent reasonableness, the CoPHD may approve the exception rent. If the owner does not agree on the contract rent after the CoPHD has tried and failed to negotiate a revised rent, the CoPHD will inform the family and owner that the RFTA and proposed lease are disapproved.

Inspection

The inspection process for Supportive Housing Services is similar to that of HCVP. Inspections will be conducted on Group Home facilities and shared housing, as well as regular bedroom sizes. As with HCVP, in addition to meeting the required HQS, a Certificate of Inspection and Code Compliance will also be required.

Vacancy Loss/Damage Claim (24 CFR 582.105)

Vacancy loss and damage claim will be permitted under the S+C program due to issues surrounding the special nature of the target population. As determined by HUD, vacancy payments will be permitted for a maximum of 30 days from the end of the month in which the unit is vacated if the unit is vacated before the expiration of the lease agreement.

With regard to damage claims, up to one month's contract rent will be used to pay for any damage to housing unit due to the action of an S+C Program participant.

If a property owner wishes to make a vacancy loss or damage claim, that claim must be made within 15 days of the S+C program participant vacating the unit. Any such claim must be accompanied by supporting documentation, including copies of receipts for repairs made and verification of unit vacancy.

Termination

Supportive Housing Services participants must adhere to the same Obligations of the Family as HCVP participants. In addition, Supportive Housing Services participants must also follow a case plan and maintain a satisfactory relationship with the Sponsor Agency. Supportive Housing Services participants may be terminated for violation of the Obligations of the Family and failure to follow a case plan set out by the Sponsor

Agency. If a participant's assistance is to be terminated for non-compliance with the supportive services provided by the Sponsor Agency, the CoPHD will require 30-days prior written notification from the Sponsor Agency specifying the non-compliance.

Informal Review and Informal Hearing

Consistent with the HCVP, Supportive Housing Program participants are afforded an informal hearing in case of pending termination as outlined in Chapter 18 of this Plan, "Complaints and Appeals". Both the CoPHD and the Sponsor Agency can propose termination of Supportive Housing Program participants. For S+C and Continuum of Care Program participants in recovery from substance abuse or diagnosed with mental illness, it is herewith acknowledged that the possibility of relapse is significant. If a relapse should occur, the program participant shall not be terminated given they seek rehabilitation services and re-establish an acceptable recovery program within a reasonable time period, or resume participation in behavioral health programs. However, repetitive relapse or excessive abuse of this provision will be cause for termination.

D. SUPPORTIVE HOUSING MANAGEMENT PLAN

Program Overview

Generally, the SHP is administered in the same manner as the HCVP with certain exceptions. More specifically, based on the objective of these programs to assist targeted low income households with special needs, additional eligibility requirements have been introduced along with the requirement for the delivery of supportive services via a sponsor agency. The specifics of each program, its process and administration are more thoroughly outlined in the Program Action Plan and Sub-recipient Agreement with the Sponsor Agencies. These documents are maintained on file in the Housing Department Office.

Continuum of Care (24 CFR 583)

The Continuum of Care is designed to promote the development of supportive housing and supportive services to assist homeless persons to live as independently as possible while being supported by an array of comprehensive supportive services. The Continuum of Care consists of four **(4)** components. These components are as follows:

- Outreach, Referral and Assessment
- Emergency Housing
- Transitional Housing
- Permanent Supportive Housing

SHP is a funding component of the Continuum of Care and promotes the development of supportive housing and services that help homeless individuals/families transition from homelessness.

Eligible program components for SHP are transitional housing, permanent housing for disabled individuals/families, supportive services, safe havens and innovative housing.

Eligible program activities include, acquisition, rehabilitation, new construction, leasing, operating costs and supportive services. SHP may only be used to establish new facilities or services, expand existing services, and bring existing facilities up to code. Assistance for leasing, operating and supportive service costs are available for up to three years.

The Sponsor Agency must match the funds for acquisition, rehabilitation, and new construction with at least an equal amount of cash resources from one or more of the following sources: the Sponsor Agency, the Federal government, State and local government, and private resources.

Homeless Management Information System

As part of the management of the SHP, CoPHD has implemented a Homeless Management Information System (HMIS). HMIS is a networked computerized record keeping system that allows the CoPHD and providers of homeless services throughout Pasadena to collect uniform client information over time. The system enables the CoPHD and homeless service providers to collectively improve the quality of client services by performing several functions that will improve the delivery of services to the homeless. These functions include: 1) decreasing duplicative intakes and assessments; 2) streamlining referrals; 3) coordinating case management; 4) tracking client outcomes; and 5) preparing financial and programmatic reports for funders. In addition, City staff will use the collected data to inform policy makers prior to planning and funding decisions on homeless issues and to address homeless issues through community-wide forums.

Supportive Service Provider/Sponsor Agency

The CoPHD will select and enter into a Sub-recipient Agreement with a local supportive service provider (Sponsor Agency) that has shown evidence of expertise and commitment to serving Supportive Housing Program participants. The solicitation of Sponsor Agencies shall be through a competitive selection process, which may include a formal Request For Proposal (RFP). The selected agencies, as mandated by HUD, will be required to provide a documented match for HUD funds provided for Supportive Services, Operations, and Acquisition, New Construction or Rehabilitation. Effective for grants renewed as part of 2012 Continuum of Care application, the match requirement will also include Administration, but can be met by in-kind as well as cash matching.

Sponsor Agencies will be monitored annually to verify program compliance and fiscal management practices. Additionally, the required match as well as program participant services will be monitored on a monthly and annual basis. Agencies which appear to be in danger of not meeting their match requirement will have invoice reimbursement suspended until verification of match can be obtained.

Notice of Funding Availability - Request for Proposals

A Notice of Funding Availability (NOFA) or Request For Proposals (RFP) is the solicitation document that is used as part of the CoPHD's competitive selection process. The NOFA/RFP stipulates the program/project activity and/or services being solicited, along with the City's contracting requirements. Generally, the NOFA/RFP will contain the following elements:

Introduction – general information about the City and the solicitation of proposals.

Funds Available – amount of readily available public funds to finance supportive housing programs, projects, activities or services and the required funding match from the proposers.

Scope of Services/Work – detailed requirements for the project, activity or services to be performed.

Proposal Contents – requested information regarding the submitted proposal and proposer including transmittal letter, project description, project budget, legal status of proposer, financial statements, experience/administrative capacity, and compliance with CoPHD affirmation action/equal opportunity in contracting.

Evaluation Criteria – weighted measures for evaluating submitted proposals.

Selection Process – method and procedure by which eligible proposals will be evaluated, ranked and selected.

Federal Applications

If the CoPHD is seeking federal funding from the U.S. Department of Housing and Urban Development (HUD) to finance its Supportive Housing Programs, the appropriate application shall be completed in accordance with the stipulated federal requirements and submitted as a consolidated application. Applications to HUD will be submitted as indicated in the Notice of Funding Availability specific to the application.

Technical Submission

The HUD Continuum of Care SHP application process has two essential phases. First, CoPHD submits a Consolidated Application for SHP projects on behalf of eligible organizations in response to the HUD Continuum of Care Homeless Assistance Notice of Funding Availability (NOFA). If CoPHD is successful in the competition, CoPHD then completes a second phase by providing more detailed technical information not contained in the original application. The Technical Submission document contains all of the information HUD requires for the second (and final) phase prior to grant execution. All grantees, whether funded for a new SHP project, an expansion of an existing effort, or for a renewal project must complete this document. The document has exhibits, a table of contents, and project summary information.

A Technical Submission must be completed for each conditionally selected project. CoPHD will fill out the exhibits that correspond to the activities in its application to HUD. CoPHD will have Sponsor Agencies complete a Technical Submission for each project and submit it to CoPHD when the Sponsor Agency is not CoPHD. CoPHD, however, is responsible for ensuring that the Area Office receives the Technical Submission by the deadline.

Grant Agreements

HUD will enter into a grant agreement with the CoPHD once the Technical Submission is completed and approved.

If CoPHD is awarded funding for multiple projects, a separate grant agreement shall be executed for each project, thereby accommodating projects that are ready to begin operation at varying times. Sponsor Agencies, other than CoPHD, will enter into a Sub-recipient Agreement with CoPHD detailing the Sponsor Agency's responsibilities for the provisions of the supportive housing program/project.

Sub-recipient Agreement

To assure quality and timely provision of supportive housing programs and services to SHP participants, the CoPHD will enter into Sub-recipient Agreements with both Sponsor Agencies and nonprofit supportive service provider(s) to render the gamut of housing/services needed by the program participants. Sponsor Agencies will be selected through a competitive process. However, supportive services providers may be selected competitively by sole source based on their commitment to serving the target population, administrative and financial capacity, and longevity of service to the target population. The Sub-recipient Agreement shall be the standard form utilized by the CoPHD.

Reimbursement for housing or services rendered by the Sponsor Agencies or nonprofit supportive service providers will be outlined in the Sub-recipient Agreement. The dollar amount for such services will be determined by the CoPHD. The service providers participating in the S+C Program, as determined by HUD, are not entitled to funds for reimbursement, but must instead match, dollar for dollar, the amount of rental assistance with supportive services.

All Sub-recipient Agreements will, at a minimum, contain the following tenets:

- Time of Performance
- Scope of Services
- Compensation
- Program Reports
- Indemnification and Insurance

All Sub-recipient Agreements will require proof of general liability, automobile and worker compensation insurance.

Administrative Costs

The CoPHD recognizes that up to 5% of any grant awarded under SHP may be spent on administrative costs for the purpose of paying costs and administering the assistance, and up to 8% of a S+C grant may be spent on administrative costs associated with administering the housing assistance. For the S+C Program, general costs of administering the grant or the supportive services are not allowable administrative costs.

The following administrative costs are eligible under SHP Grants:

- Preparation of the Annual Progress Report (APR).
- Audit of an SHP-funded program.
- Staff time spent reviewing or verifying invoices for grant funds, drawing down money, and maintaining records on the use of those funds.
- Field office training on managing the grant.

Ineligible administrative costs under SHP Grants are as follows:

- Preparation of Application/Technical Submission.
- Conferences, fundraising activities, and professional training.
- Salary of an organization's executive director, except to the extent that s/he is involved in carrying out eligible administrative functions as shown in eligible administrative costs.

The following are eligible administrative costs under the S+C Program:

- Processing rental payments to landlords.
- Examining participant income.
- Inspecting the units for HQS compliance.
- Receiving participants into the program.

Ineligible costs under the S+C Program are as follows:

- General costs of administering the grant or the supportive services.

Program Action Plan

An Action Plan detailing the general and daily policies and procedures of the Supportive Housing Programs will be maintained separate from this document. This Action Plan will be housed with the Supportive Housing Programs administrative files. Each Action Plan will contain a general program overview, program eligibility requirements, Sponsor Agency responsibilities, program participant responsibilities, CoPHD responsibilities, and Sponsor Agency monitoring and reporting requirements.

Annual Progress Report (APR)

The Annual Progress Report (APR) tracks program progress and accomplishments for certain CoPHD Supportive Housing Programs, specifically the homeless assistance programs.

The CoPHD must submit an APR to HUD within 90 days after the end of each operating year. Failure to submit an APR will delay receiving grant funds and may result in a determination of lack of capacity for future funding. An APR must be submitted for each operating year in which HUD funding is provided. The report must be submitted electronically via e-snaps utilizing program client-level data pulled from the Homeless Management Information System.

If the CoPHD receives SHP funding for new construction, acquisition, or rehabilitation the facilities are required to operate for 20 years. CoPHD must submit an APR 90 days after the end of the first operating year and any year in which they use SHP funding for leasing, supportive services, or operations. For years in which they do not receive SHP funding, CoPHD must submit an Annual Certification of Continued Project Operation throughout the 20 years.

A separate report must be submitted for each HUD grant received. For S+C, a separate APR must be submitted for each S+C component.

CoPHD and the selected Sponsor Agencies shall collect and maintain information on each program participant in order to complete the APR. Worksheets shall be used to record information manually until a computerized system to store and tabulate the information is developed.

Program Participant Eligibility Requirements

To participate in the Supportive Housing Programs a person must meet the applicable eligibility criteria for the program in which the family wishes to participate. To determine eligibility, applicants must provide verification of homeless status, income, vital statistics documents, and other program-specific eligibility requirements including HIV/AIDS status, mental health status, substance abuse/sobriety status, and linkage to a supportive service provider.

Program Participant Outreach

The Sponsor Agency, as mandated by HUD, is required to outreach to the community at large and other agencies to inform them of the availability of rental assistance under the Supportive Housing Program. The outreach methodology may take the form of mass mailings, attendance at community-wide meetings, and posting flyers in public and community agencies.

Waiting List

The maintenance of a waiting list for the Supportive Housing Programs is conducted by the designated Sponsor Agency. Placement on the waiting list is determined by the above referenced eligibility requirements and chronology. The waiting list will be checked periodically by the CoPHD to determine accuracy and fairness in the ranking.

Referral

An applicant for S+C must be referred by the designated Sponsor Agency. Independent applicants will not be processed by the CoPHD, but will be referred to the Sponsor Agency.

Supportive Services

The objective of rendering supportive services will be to assist Supportive Housing Program participants to achieve the following milestones: **1)** residential stability; **2)** greater self-determination; and **3)** increased skills and income.

Supportive services provided to Supportive Housing Program participants include, but are not limited to the following:

1. Case Management
2. Substance Abuse Recovery Counseling
3. Health Care - Referrals and advocacy to meet home care and medical needs, attendant care, respite care, insurance and physician advocacy, emotional support
4. Mental Health - Individual and family counseling, support groups, psychiatric and psychological services
5. Substance Abuse - Treatment, counseling, and support networks
6. Medical Screening
7. Psycho-social and Vocational Services
8. Advocacy/Education
9. Art and Recreation Activities
10. Crisis Intervention.

Grant Closeout

In order to ensure that major program requirements have been met and that any remaining grant funds are recaptured, the CoPHD will use the following procedures to close out grants for the SHP and S+C.

The following steps must be completed:

1. CoPHD will verify that all eligible grant activities have been completed and incurred costs for such activities have been paid, except for (a) funds drawn down by the grantee and held for payment of final audit costs, where applicable, and (b) any disputed third party claims.
2. CoPHD will contact the HUD field office so that the field office may verify that CoPHD has satisfied its performance under the grant agreement and that there is no further need to keep the grant agreement open in order to secure performance.
3. CoPHD will submit all financial, performance, and other reports required by the terms and conditions of the grant within 90 calendar days after grant expiration. If requested by CoPHD, HUD may approve reasonable time

extensions for submitting these reports. At a minimum, the following reports will be submitted:

- a) Final Annual Progress Report (APR).
- b) An inventory of any real property and equipment purchased with grant funds.
- c) A copy of the appropriate "Grantee Closeout Certification" signed by the City Manager and approved by the HUD Community Planning & Development Division Director or designee. An executed copy of the certification will be returned to CoPHD by HUD as evidence that the grant has been closed out.

C. MONITORING

The CoPHD's overall strategy for achieving its SHP goals and objectives is to make the most effective use of available resources to address the identified priority needs. The monitoring of each funded project and sub-recipient, as identified below, shall be the primary vehicle for the CoPHD to ensure the effective use of these resources as well as long-term compliance with all program requirements.

General Overview

Monitoring of the sub-recipients granted HOPWA, S+C, HOME Tenant-Based Rental Assistance, and SHP funding shall be conducted on an annual basis. It is an ongoing process of planning, implementation, and follow-up. Monitoring is used as a tool to avoid problems and improve performance, but is only one part of the ongoing relationship with the sub-recipient. The CoPHD also regards ongoing technical assistance as a method of facilitating communication and building strong relations with the sub-recipients.

The following monitoring procedures will be used by the CoPHD.

I) Risk Analysis

Effective in FY 2003, the City will perform an annual risk analysis on all project sponsors. The risk analysis will serve as an assessment tool to determine the type of monitoring that will be required for the project sponsor. The risk analysis includes a review of financial requirement compliance, including verification of timely invoice submittal; review of APRs; success in meeting stated goals; and HMIS data entry.

II) Compliance Monitoring

Monitoring Reviews

Monitoring reviews are conducted by both the Housing Department and Finance Department of the City. The Housing Department conducts program reviews and the Finance Department conducts fiscal reviews. Reviews will be based on an annual risk analysis that is performed for each SHP contract.

1) Program Reviews:

These reviews consist of onsite monitoring reviews as well as desk reviews. The onsite review is conducted as follows:

The onsite monitoring process begins with a phone call from the program coordinator to the project sponsor explaining the purpose of the monitoring visit and arranging for a mutually convenient date for the visit. The contract specialist then sends a formal notification letter that confirms the date and time and specifies the scope of the monitoring. The monitoring tool used to review the program is also attached to the notification letter.

Before the monitoring review begins, the program coordinator will conduct an entrance conference with the project sponsor. This conference will ensure that the project sponsor has a clear understanding of the purpose, scope, and schedule of the monitoring from the outset. The monitoring will primarily focus on the following areas: compliance review, documentation of homelessness, progress in achieving program goals, rent calculation when applicable, and documentation of services provided.

2) Fiscal Reviews:

Prior to scheduling, a mutually convenient time is agreed upon by the City fiscal monitor and the appropriate project sponsor personnel. A letter is sent confirming the appointment and listing the documentation that should be available on that date. Four Internal Control Questionnaires to be completed by the project sponsor are included with the letter. These questionnaires include 1) General Fiscal Management, 2) Cash Disbursement, 3) Payroll, and 4) Cash Receipts.

The scope of the review is tailored to the contract. General procedures include the following:

- Interviews with agency management and fiscal personnel to obtain an understanding of the accounting controls and procedures used.
- Review of the sponsor's written accounting policies and observation of procedures followed by staff.
- Review of past audit reports noting weaknesses, if any, and ensure compliance with OMB A-133.
- Ensuring that APRs have been completed.

Monitoring Reports

1) Program Reports:

At the end of the monitoring visit, the program coordinator conducts an exit conference with the appropriate project sponsor staff to present the preliminary conclusions of the monitoring. The official monitoring report will be sent within 30 days of the last date of the onsite review. Project sponsors are required to respond to the findings within 30 days, and to submit their corrective action plan to the city for review and approval. This report will:

1. describe the scope of the monitoring,
2. identify any deficiencies,
3. cite any program regulations or applicable requirements that have been violated,
4. specify any corrective action that must be taken, and
5. include a deadline for correcting any deficiency.

2) Fiscal Reports:

Potential findings are discussed with project sponsors as soon as possible, preferably prior to completion of the review. Results of the review are documented and the final report is typically issued within 60 days. The report cites any deficiencies and may include the necessary corrective action. As with Program Reports, project sponsors are required to respond to the findings within 30 days, and to submit their corrective action plan to the city for review and approval.

a. Compliance Monitoring

In order to increase contract compliance, the City is continuing implementation of the following program and fiscal measures:

1. Training sessions for new project sponsors are given by fiscal and program personnel prior to the operating start date of the grant.
2. Meetings are being held with project sponsors at least quarterly. These meetings focus on technical assistance to the project sponsors based on specific issues or problems that the sponsors are experiencing.
3. In addition to the quarterly meetings, project sponsors are provided technical assistance upon request and with initiation of city staff if specific problems are discovered.
4. Project sponsors submit progress reports with each disbursement request.
5. Each SHP contract is monitored by fiscal staff once a year. In addition, between onsite reviews, fiscal staff performs limited desk reviews where specific documentation is required to support cost claims as submitted.

III) Tracking Corrective Actions Stipulated in Monitoring Reports

Program and Fiscal Issues

In order to ensure that the deficiencies identified in the monitoring report are corrected within the specified timeframe, the City uses the following procedures to track the project sponsor's response:

1. When a monitoring report is issued, program staff log the date into a database to track corrective action due dates and pending issues.
2. If the project sponsor responds within the time frame provided and provides documentation of corrections made, a desk review is conducted and a follow-up report is issued clearing the deficiencies. A follow up site visit is conducted within 60 days to verify compliance.

3. If the project sponsor does not respond by the due date stated in the monitoring report, the program coordinator calls the project sponsor. If the project sponsor does not respond within 5 business days of the call, a written notification of delinquency is issued.
4. If the sponsor is still unresponsive, the City pursues the remedies specified in its contract with the project sponsor. Such remedies include, but are not limited to, probation, temporary suspension, non-renewal for the program year, and termination.

Questioned and Disallowed Costs

The following procedures will be used in the event that through monitoring, disallowed costs are discovered:

1. If the project sponsor has disallowed costs and the contract is still active, the City will enter into a repayment plan with the sponsor. Until a repayment plan is executed, no new invoices from the sponsor will be paid. The City will notify the field office of any such agreement within 15 days of a repayment schedule being executed. Any refund of disallowed costs is due and owing 30 days from the date upon which the City notified the project sponsor of the disallowance.
2. If the project sponsor fails to refund any disallowed cost within the 30 day period, the City may terminate any and all contracts or agreements with the sponsor. Upon termination, the City will pursue appropriate legal action to collect the funds.

CHAPTER 21

CONSOLIDATED ANNUAL CONTRIBUTION CONTRACT

INTRODUCTION

HUD annually allocates budget authority for tenant-based rental assistance to HUD field offices based on U.S. Congressional authorization and appropriations. Section 213(d) of the HCDA of 1974 establishes the requirements for the allocation of funding to assisted public housing agencies. Budget authority subject to allocation under Section 213(d) is allocated in accordance with 24 CFR 791, Subpart D. The CoPHD receives and must comply under the aforementioned provisions for the funding of its Federal Rental Assistance Programs (RAP). This Chapter outlines the requirements, procedures, and process the CoPHD shall utilize to retain its RAP funding.

A. ANNUAL CONTRIBUTION CONTRACT [24 CFR 982.151]

The Annual Contribution Contract (ACC) is a written contract between HUD and the CoPHD. Under the ACC, HUD agrees to make payments to the CoPHD, over a specified term, for housing assistance payments to owners and for the CoPHD's administrative fees. The ACC specifies the maximum payment over the ACC term. The CoPHD agrees to administer the program in accordance with HUD regulations and requirements.

HUD's commitment to make payments for each funding increment in the CoPHD program constitutes a separate ACC. However, commitments for all the funding increments in the CoPHD program are listed in one consolidated contractual document called the Consolidated Annual Contributions Contract (Consolidated ACC). The single Consolidated ACC covers funding for the CoPHD program.

B. BUDGET AUTHORITY AND CONTRACT AUTHORITY [24 CFR 982.151(b)]

Budget authority is the maximum amount that may be paid by HUD to the CoPHD over the ACC term of a funding increment. Contract authority is the maximum annual payment for the funding increment. Budget authority for a funding increment is equal to contract authority times the number of years in the increment term.

For each funding increment, the ACC specifies the term over which HUD will make payments for the CoPHD program, and the amount of available budget authority for the funding increment. For a given CoPHD fiscal year, the amount of HUD's maximum annual payment for the CoPHD program equals the sum of the contract authority for all of the funding increments under the Consolidated ACC. However, this maximum amount does not include contract authority for an expired funding increment. If the term of a funding increment expires during the CoPHD's fiscal year, this maximum amount

only includes the pro-rata portion of contract authority for that portion of the CoPHD's fiscal year prior to expiration. However, the amount to be paid must be approved by HUD and may be less than the maximum payment.

Additional budget authority is also distributed by a competitive process. HUD solicits applications from public housing agencies by publishing one or more notices of funding availability (NOFA) in the Federal Register. The NOFA explains how to apply for assistance and specifies the criteria for awarding the assistance. The NOFA may identify any special program requirements for use of the funding. For competitive funding under a NOFA, the applications must be submitted by CoPHD in accordance with the requirements of the NOFA and/or other HUD instructions.

C. BUDGET AND EXPENDITURES [24 CFR 982.157]

Each fiscal year the CoPHD must submit its proposed budget for RAP to HUD for approval at such time and in such form as required by HUD. HUD payments under an ACC or Consolidated ACC, and any other amounts received by the CoPHD in connection with the program, must be used in accordance with the CoPHD HUD-approved budget. Such HUD payments and other receipts may only be used for:

1. Housing Assistance Payments; and
2. CoPHD Administrative Fees.

The CoPHD must maintain a system to ensure that the CoPHD will be able to make housing assistance payments for all families within the amounts contracted under the Consolidated ACC.

D. HOUSING ASSISTANCE PAYMENTS

Housing assistance payments are paid to the owner in accordance with the terms of the HAP Contract for units under lease with an eligible family. Housing assistance payments may only be paid to the owner during the lease term and while the family is residing in the unit.

The CoPHD will determine the amount of the housing assistance payment for each family participating in the program and make timely housing assistance payments to the owner in accordance with the HAP Contract.

The CoPHD will administer and enforce the HAP Contract with the owner. If the owner is in violation of the HAP Contract, the CoPHD will take appropriate action in accordance with this Plan.

E. ADMINISTRATIVE FEES [24 CFR 982.152]

HUD may approve administrative fees to the CoPHD for any of the following purposes:

1. Ongoing administrative fee: The CoPHD's ongoing administrative fee is paid for each unit month for which a dwelling unit is under HAP Contract on the first day of the month. The amount of the ongoing fee is established by HUD.

HUD may reduce or offset any administrative fee to the CoPHD, in the amount determined by HUD, if the CoPHD fails to perform CoPHD's administrative responsibilities correctly or adequately under the program.

2. Preliminary fee: The preliminary fee is paid by HUD for each new unit added to the CoPHD program. The preliminary fee is a one time fee for each new unit supported by a new funding increment. HUD establishes the maximum preliminary fee.

The preliminary fee is used to cover expenses that the CoPHD documents it has incurred to help families who inquire about or apply for the program, to lease up new units, or to pay for Family Self-Sufficiency (FSS) Program activities.

3. Cost to help families who experience difficulty finding or renting appropriate housing.
4. Cost to cover necessary additional expenses incurred by the CoPHD to provide reasonable accommodation for persons with disabilities.
5. Cost to coordinate supportive services for families participating in the FSS program.
6. Cost of audit by an independent public accountant; and
7. Other extraordinary costs determined necessary by HUD Headquarters.

F. ANNUAL CONTRIBUTION CONTRACT RESERVE ACCOUNT [24 CFR 982.154]

HUD establishes and maintains an unfunded reserve account called the ACC Reserve Account (formerly "project reserve") for the CoPHD program from available budget authority under the Consolidated ACC. The amount in the ACC Reserve Account is determined by HUD.

The amount in the ACC Reserve Account is determined by HUD. HUD may approve payments for the CoPHD, in accordance with the public housing agencies HUD-approved budget, from available amount in the ACC Reserve Account.

G. ADMINISTRATIVE FEE RESERVE [24 CFR 982.155]

The CoPHD must maintain an administrative fee reserve (formerly “operating reserve”) for the program. There are separate administrative fee reserve accounts for the CoPHD RAP. The CoPHD must credit to the administrative fee reserve the total of the amount by which program administrative fees paid by HUD for the CoPHD fiscal year exceed the CoPHD program administrative expenses for the fiscal year, plus interest earned on the administrative fee reserve.

The CoPHD must use funds in the administrative fee reserve to pay program administrative expenses in excess of administrative fees paid by HUD for a CoPHD fiscal year. If funds in the administrative fee reserve are not needed to cover CoPHD administrative expenses, the CoPHD may use these funds for other housing purposes permitted by State and local law. However, HUD may prohibit use of the funds for certain purposes.

If the CoPHD has not adequately administered any RAP, HUD may prohibit use of funds in the administrative fee reserve, and may direct the CoPHD to use funds in the reserve to improve administration of the program or to reimburse ineligible expenses.

H. PROGRAM FUNDS DEPOSITARY [24 CFR 982.156]

Unless otherwise required or permitted by HUD, all program receipts must be promptly deposited with Bank of America, the financial institution selected as depositary by the CoPHD in accordance with HUD requirements. The CoPHD has entered into the appropriate agreement with Bank of America in the form required by HUD.

The CoPHD may only withdraw deposited program receipts for use in connection with the program in accordance with HUD requirements.

If required under a written freeze notice from HUD to the depositary:

1. The depositary may not permit any withdrawal by the CoPHD of funds held under the depositary agreement unless expressly authorized by written notice from HUD to depositary; and
2. The depositary must permit withdrawals of such funds by HUD.

HUD must send the CoPHD a copy of the freeze notice from HUD to the depositary.

I. PROGRAM ACCOUNTS AND RECORDS [24 CFR 982.158]

The CoPHD must maintain complete and accurate accounts, and other records for the program in accordance with HUD requirements, in a manner that permits a speedy and effective audit. The records must be in the form required by HUD, including requirements governing computerized or electronic forms of record keeping.

The CoPHD must furnish to HUD accounts and other records, reports, documents and information, as required by HUD. The provisions for electronic transmission of required family data shall be in accordance with 24 CFR 908.

HUD and the Comptroller General of the United States shall have full and free access to all CoPHD offices and facilities, and to all accounts and other records of the CoPHD, including the right to examine or audit the records, and to make copies. The CoPHD must grant such access to computerized or other electronic records, and to any computers, equipment or facilities containing such records, and shall provide any information or assistance needed to access the records.

J. AUDIT REQUIREMENTS [24 CFR 982.159]

The CoPHD must engage and pay an independent certified public accountant to conduct audits in accordance with HUD requirements. The CoPHD is subject to the audit requirements in 24 CFR 44.

CHAPTER 22

RECORDS MANAGEMENT

INTRODUCTION

The CoPHD must maintain complete and accurate accounts and records for the Rental Assistance Programs (RAP) in accordance with HUD requirements and in a manner that permits a speedy and effective audit. The records must be in the form required by HUD, including requirements governing computerized or electronic forms of record keeping. The CoPHD must comply with the uniform financial reporting standards in 24 CFR 5, Subpart H. HUD and the Comptroller General of the United States shall have full access to all CoPHD offices and facilities, and to all accounts and other records of the CoPHD that are pertinent to administration of the programs, including the right to examine or audit the records and to make copies. The CoPHD shall grant such access to computerized or other electronic records, and to any computers, equipment or facilities containing such records, and shall provide any information or assistance needed to access the records. This Chapter explains the records that are required to be maintained and the systems that have been instituted to do so.

A. PROGRAM RECORDS [24 CFR 982.158(c)(e)(f)]

The CoPHD shall maintain program records in accordance with Federal, State and local laws, as well as HUD and CoPHD policies, regulations, and requirements. Family and applicant records will be retained for five years from the date of termination or disqualification.

During the term of each assisted lease, and for at least three years thereafter, the CoPHD must retain:

1. A copy of the executed lease.
2. The HAP Contract.
3. The application from the family.

The CoPHD must keep the following records for at least three years in the active case file:

1. Records that provide income, racial, ethnic, gender, and disability status data on program applicants and families.
2. An application from each ineligible applicant and notice that the applicant is not eligible.

3. HUD-required reports.
4. Unit inspection reports.
5. Lead-based paint records as required by 24 CFR 35 Subpart B.
6. Accounts and other records supporting the CoPHD's budget and financial statements for the RAP.
7. Records to document the basis for PHA determination that rent to owner is a reasonable rent (initially and during the term of a HAP Contract); and
8. Other records specified by HUD.

The CoPHD shall maintain and update the following information that permits the CoPHD to select applicants from its waiting list in accordance with the CoPHD admission policies. The waiting list shall contain the following information for each applicant listed:

1. Applicant's name.
2. Family unit size.
3. Date and time of application.
4. Qualification for any local preference; and
5. Racial or ethnic designation of the head of household.

The CoPHD shall also retain the following information:

1. Copies of all public notices.
2. Briefing information packets.
3. Information on Federal, State, and local equal opportunity laws, including copies of housing discrimination complaint form.
4. CoPHD notifications, letters and correspondence with applicants, participant families and owners.
5. CoPHD required information including requested certifications, releases, consent forms or other documentation.

B. EMPHASYS COMPUTER SOLUTIONS (Emphasys Elite) [24 CFR 908.104]

The CoPHD utilizes Emphasys Elite software. Emphasys Elite is an automated software package which allows the CoPHD to transmit Forms HUD 50058 and HUD 50058 Family Self Sufficiency (FSS) Addendum information to HUD's data processing center via electronic transmission. Electronic transmission of data consists of the submission of all required data fields from Forms HUD-50058 and HUD-50058 FSS Addendum in accordance with HUD instructions.

Emphasys Elite also serves as the CoPHD's comprehensive database for the processing, retention, retrieval and transmission of HUD required information for administration of the RAP. Information is stored in Emphasys Elite by applicant, participant family and owner. More specifically, Emphasys Elite is used to maintain case files, family data, owner data, certifications and re-examinations, inspections, fiscal management, and the waiting list. Emphasys Elite is an integrated software package containing numerous menus and modules which allows for the cross-referencing of files and the generation of program reports by selected data fields. In addition, the software vendor, Emphasys Elite Computer Solutions, periodically updates the Emphasys Elite program to incorporate changes or revisions in legislation, regulations, handbooks, notices, or HUD electronic transmission data format requirements. The CoPHD will test all "Service Packs" and "Hot Patches" before integrating all upgrades to the live production.

C. CASE FILES

The RAP information shall also be maintained in individual applicant and participant family case files. Each case file is labeled using the name of the head of household of the applicant or participant family. The case files are stored in alphabetical order in the master file room ("master files") located in the CoPHD office. Please see Section D in this Chapter, "File Purging".

All case files are denoted by a color-coded alpha label, which corresponds to the first letter of the last name of the head of household of the participant family. A different color has been used for each letter of the alphabet.

Each case file, with the exception of the waiting list applicant file, contains six sections wherein documents are secured and retained according to subject matter. Examples of the types of forms, documents, correspondence, etc., to be maintained in each case file are identified below and in the following order from bottom to top:

1. INSPECTIONS

- Proposed Lease Agreement
- Certificate of Inspection and Code Compliance
- Recorded Grant Deed
- Electronic Property Profile

- Current Property Tax Bill
- Statement of Property Ownership:
 - Part A - Declaration of Property Ownership
 - Part B - Housing Assistance Payments Information
 - Part C - Notarized Agent Authorization
 - Part D - Section 8 Landlord Certification
- Taxpayer Identification Number and Certification (W-9)
- Property Management Agreement, if applicable
- Partnership Agreement & Resolution for Signatory, if applicable
- Corporate Bylaws & Resolution for Signatory, if applicable
- Executed Lease Agreement
- Tenancy Addendum - Form HUD-52641-A
- Housing Assistance Payments Contract - Form HUD-52641
- Notice of Annual Re-examination/Rent Change
- Amendment to Lease

2. INSPECTIONS CORRESPONDENCE

- Request for Tenancy Approval (RFTA):
 - RFTA
 - Renting to Relatives Disclosure Notice
 - Checklist
 - Disclosure of Information on Lead-Based Paint
- Request for Missing Information, if applicable
- Rent Reasonableness Checklist and Certification:
 - Rent Increase Request
- Inspection Letters:
 - Unit Approval
 - Annual
 - Reschedule
 - Special
 - Deficiency
 - Rent Adjustment
 - Abatement
 - Denial to Owner with Attachments
- Inspection Report – Form HUD-52580-A
- Notification of HAP Termination
- Housing Assistance Payments (HAP) Contract Letters:
 - Termination of HAP Contract
 - Extension of HAP Contract Termination
 - Rescission of HAP Contract Termination

3. ADMISSIONS/ISSUANCE

- Rental Assistance Program Application:
 - Housing Choice Voucher Program

- HOME Program
- HOPWA Program
- Shelter Plus Care Program
- Agency Referral Letter:
 - HOME Program
 - Shelter Plus Care Program
 - HOPWA Program
- Individual Applicant Information Form
- Housing Choice Voucher/Certificate/Coupon
- Extension Letters:
 - New
 - Move
 - Portability
- Things You Should Know - Form HUD-1140-OIG
- Lead-Based Paint Notification
- Notice of Federal Privacy Act
- Obligation of the Family
- Family Portability Information - Form HUD-52665
- What You Should Know About EIV
- Debts Owed to Public Housing Agencies and Terminations
- Current Housing Choice Voucher/Certificate/Coupon
- Current Extension Letters - Form HUD 52675

4. VITAL STATISTICS

- Driver License/Identification Card
 - Individual copies will be maintained for each current family member
- Social Security Card
 - Individual copies will be maintained for each current family member
- Birth Certificate/Passport:
 - Translations
- Immigration Status:
 - Permanent Resident Card
 - Certificate of Naturalization Form
 - SAVE System Information
 - INS Information
- Declaration of Section 214 Status
- Marriage Certificate/Divorce Documents
- Death Certificate
- Guardianship/Child Custody:
 - Court Documents
 - Foster Care Information
- Client Screening/Criminal History Background/Police Report
- Repayment Agreement
- U.S. Military Discharge (DD-214)

- Certification of Disability Form
- Medical Letters
- Request for Reasonable Accommodation

5. OCCUPANCY CORRESPONDENCE

- Waiting List Letters:
 - Outreach
 - Preliminary Eligibility
 - Ineligibility/Disqualification
 - Interview Appointment
 - Preference Denial
 - Informal Review Decision
 - Request for Additional Information Letter
- Briefing Letters:
 - New Housing Choice Voucher/Certificate/Coupon
 - Move
- Participant Correspondence:
 - Re-examination
 - Termination of Assistance
 - Informal Review
 - Informal Hearing
 - Request for Additional Information Letter
- History Sheets
- Third-Party Verification Letters (Staff will remove verifications from this section once the third-party verifications have been received or place copies in the Occupancy section when the verifications are not returned.)

6. OCCUPANCY

- Update of Family Circumstances/Personal Declaration for Rental Assistance Benefits
- HUD Authorization for the Release of Information/Privacy Act Notice - Form HUD-9886
- CoPHD Authorization for Release of Information
- Legal Documents
- Allowable Deductions:
- Medical (doctor visits, pharmacy, etc.)
 - School/College Enrollment Forms
 - Child Care
- Assets Related to Income:
 - Stocks
 - Financial Institution Statements
 - Real Estate
- Tenant Declaration

- Affidavit
- Income Documentation:
 - Employment
 - SS/SSI
 - TANF/General Relief/CAPI
 - Self-Employment
 - Pension
 - Annuity
 - Child Support
 - Unemployment
 - Other Income
- Third-Party Verifications
- EIV Report (sealed envelope)
- Utility Schedule
- Payment Standard
- Worksheet
- Family Report (Form HUD-50058)
- Case File Review Checklist

D. FILE PURGING

HUD requires the CoPHD to conduct a re-examination of the eligibility for each family at least annually. This includes an evaluation of the current unit condition and other factors related to the families continued participation. These requirements mean that the CoPHD will collect updated information and documentation on the family's income, assets, allowances, composition and conduct a unit inspection. The information collected will be placed in the family's case file each year or as changes in family circumstances occur. The purging system assists the CoPHD staff in maintaining the most critical, current information in the active case file, while still allowing access to documents which may be outdated or have a very low future retrieval value.

Unless otherwise required, each active case file will be purged according to the parameters outlined in this Chapter. Each case file shall be purged on or about the annual re-examination date of the family. In some cases there may be a need to purge a particular case file more/less frequently considering the following factors:

1. The actual size of the case file (exceedingly large, bulky, or small).
2. The filing capacity of the Master File Room.
3. Determinations by HUD, Housing Assistance Officer or designee.

For the purposes of this Chapter, the following file sections of the case file are exempt from purging:

1. Admissions/Issuance Section (Supportive Services Section for Shelter Plus Care, HOPWA and HOME Programs).
2. Vital Statistics.

No documents are to be removed from these sections at any time, unless there are numerous copies of Birth Certificates, Social Security Cards and Declaration of Section 214 Status.

All purged information shall be placed into a file folder that has been labeled with the first and last name of the family. A purge checklist will be placed in the purged file indicating the date purged, section purged and the initials of the staff member that purged the file. A copy of the purge checklist will be placed in the active file's vital statistics section and the file folder will indicate the years included. Once prepared for storage and boxed, these files shall be stored in the Records Center for an indefinite period of time. Records Center personnel shall assign the purged records a location (Shelf, Row and Box Number) which will be given to the CoPHD for future reference. A master list of all purged files, indexed by the last name of the family and the status and location of the records, shall be maintained within the CoPHD office by the Administrative Section. Similarly, when an active file has been terminated, the purged information shall be requested from the Records Center with a status of "permanently out," combined with the terminated file, and placed into "terminated" status.

The following lists detail each file section and the documents to be retained and/or purged from the case files.

Inspections

This section contains information related to the ownership of the current property and HAP Contract documents. If the family has moved in the last three years, the current and last unit information will be retained in the file. If a change of ownership has occurred, documentation on the last two changes of ownership will be retained if it is more than three years. The following documents shall be retained in the active case file:

- Certificate of Inspection and Code Compliance for the Current Unit
- Recorded Grant Deed for the Current Unit
- Electronic Profile / RealQuest
- Property Tax Bill for the Current Unit
- Statement of Property Ownership for the Current Owner, which includes:
 - *Part A - Declaration of Property Ownership*
 - *Part B - Housing Assistance Payments Information*

- *Part C - Notarized Agent Authorization*
- *Part D - Section 8 Landlord Certification*
- Taxpayer Identification Number and Certification (W-9) for Current Owner
- Property Management Agreement, if applicable
- Partnership Agreement & Resolution for Signatory, if applicable
- Corporate Bylaws & Resolution for Signatory, if applicable
- Executed Lease Agreement
- Tenancy Addendum
- Housing Assistance Payments Contract
- Mutual Agreement to Terminate Lease Agreement
- Notice of Annual Re-examination/Rent Change
- Amendment to Lease

The above-referenced documents are to be maintained in the active case file regardless of the date of the document.

Inspection Correspondence.

This section contains documents related to property inspections conducted and correspondence to and from the current owner(s) and families. If the family has moved within the last three years, then the current and last unit information will be retained in the file. The following documents shall be retained in the active case file:

- Request for Tenancy Approval
 - RFTA
 - Renting to Relatives Disclosure Notice
 - Inspection Checklist
 - Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards
- Request for Tenancy Approval Letter
 - Property Ownership Information
 - Rescission of Request for Tenancy Approval
- Rent Reasonableness Certification
- Inspection Letter
 - Approval Letter
 - Annual Inspection
 - Special
 - Deficiency
 - Rent Adjustment
 - Abatement
 - Denial to Owner with Attachments
- Inspection Report for the Current Unit (up to a maximum of three years if available)

- Notification of HAP Termination
- Termination of HAP/Hold Form
- HAP Contract Letters
 - Termination of HAP Contract
 - Extension of HAP Contract Termination
 - Rescission of HAP Contract Termination

The above-referenced documents are to be maintained in the active case file based on the type and date of each document. Any document(s) that does not meet the above criteria should be removed and placed into the purged file.

Admissions/Issuance - Do not purge information from this section of the case file.

Vital Statistics - Do not purge information from this section of the case file unless there are numerous copies of Birth Certificates, Social Security Cards and Declaration of Section 214 Status. Former family members will also be retained in this section under a separate tab.

Occupancy Correspondence

This section contains correspondence to and from the family, as well as requests for third-party income verifications. The purging of these documents is based on the re-examination year of the family. The following documents shall be retained in the active case file:

- History Sheets (all sheets, regardless of the date)
- Participant Correspondence for the last three re-examination years:
 - Re-examination Letter(s)
 - Termination of Assistance Notice(s)
 - Informal Review Request(s)
 - Informal Hearing Request(s)
 - Third-Party Verification Request(s) (Staff will remove verifications from this section once the third-party verifications have been received or place copies in the Occupancy section when the verifications are not returned.)
 - Request for Additional Information Letter(s)

The above-referenced documents are to be maintained in the active case file based on the type and date of each document. Any document(s) that does not meet the above criteria should be removed and placed into the purged file.

Occupancy

This section contains information related to the family's eligibility income, including completed third-party verifications and income and rent calculations. Manila dividers, labeled with the re-examination year, will be placed in this section to separate each

year's annual re-examination. The purging of these documents is based on the recertification year of the family. The following documents shall be retained for the current and last two annual re-examination cycles in the active case file:

- Family Report (Form HUD 50058)
- Routing Slip
- Case File Review Checklist
- Worksheets
- Legal Documents
- Update of Family Circumstances / Personal Declaration of Rental Assistance Benefits Forms
- HUD Authorization for the Release of Information for the current and last two annual re-examinations cycles
- CoPHD Authorization for Release of Information for the current and last two annual re-examinations cycles
- Third-Party Verifications for the current and last two annual re-examinations cycles
- EIV Reports in sealed and stamped envelopes
- Allowable Deductions:
 - Receipts
 - Bank Statements
 - Bills (medical, utility, etc.)
 - School/College Enrollment Forms
- Self-Certified Statement
- CoPHD Authorization
- Affidavit
- Utility Schedule
- Payment Standard

EIV data in the confidential sealed and stamped envelopes that needs to be purged will be placed in the locked EIV cabinets until it is disposed/destroyed by the EIV Security Officer.

Purged records shall be maintained in accordance with HUD and CoPHD requirements. For all active cases, any purged information shall be documented and transferred to:

City of Pasadena, City Clerk, Records Management Section
100 N Garfield Ave., Room N030
Pasadena, CA 91109
(626) 744-4142

A divider will be placed in the Inspection section to separate information when there is a change of ownership. A divider will be placed in the Occupancy section to separate each re-examination that has been processed.

CHAPTER 23

PROGRAM INTEGRITY ADDENDUM

INTRODUCTION

The U.S. Department of Housing & Urban Development (HUD) and CoPHD are committed to prevent fraud and to assure that the proper level of benefits is paid to all eligible families, and that housing resources reach only income-eligible families so that program integrity can be maintained.

The CoPHD will take all steps necessary to prevent fraud, waste, and mismanagement so that program resources are utilized judiciously.

This Chapter outlines the CoPHD's policies for the prevention, detection and investigation of program abuse and fraud.

A. CRITERIA FOR INVESTIGATION OF SUSPECTED ABUSE AND FRAUD

Under no circumstances will the CoPHD undertake an inquiry or an audit of a family arbitrarily. The CoPHD's expectation is that families will comply with HUD requirements, provisions of the HCVP, and other program rules. The CoPHD staff will make every effort to orient and educate all families in order to avoid unintentional violations. However, the CoPHD has a responsibility to HUD, to the community, and to eligible families in need of housing assistance, to monitor families and owners for compliance, and when indicators of possible abuse come to the CoPHD's attention, to investigate such claims.

The CoPHD may initiate an investigation of a family under the following circumstances:

1. **Referrals, Complaints, or Tips.** The CoPHD will follow up on referrals from other agencies, companies or persons which are received by mail, telephone, e-mail, or in person, which allege that a family is in non-compliance with or otherwise violating the family obligations or any other program rules. Such follow-up will be made providing that the referral contains at least one item of information that is independently verifiable. A copy of the allegation will be retained in the family's file.
2. **Internal File Review.** A follow-up will be made if CoPHD staff discovers information or facts which conflict with previous reported information by the family.
3. **Verification of Documentation.** A follow-up will be made if the CoPHD receives independent verification or documentation which conflicts with representations in the

family's file (such as public record information, Credit Bureau reports, EIV reports, or information from other agencies).

4. **Unauthorized Family Members.** The CoPHD will conduct a program compliance inspection of the assisted unit when reports are received that unauthorized persons are residing in the assisted unit.

B. STEPS THE CoPHD WILL TAKE TO PREVENT PROGRAM ABUSE AND FRAUD

The CoPHD will utilize various methods and practices to prevent program abuse, non-compliance, and willful violations of program rules by applicants and participating families. This policy objective is to establish confidence and trust in the CoPHD by emphasizing education as the primary means to obtain compliance by families. The following are some of the methods and practices that will be used by the CoPHD:

1. **Things You Should Know.** This program integrity bulletin (created by HUD's Inspector General) will be furnished and explained to all families to promote understanding of program rules, and to clarify the CoPHD's expectations for cooperation and compliance.
2. **Family Obligations.** This program form informs the participant family of the responsibilities they must abide by to continue receiving rental assistance. The head of household and adult family members will be required to sign and date this form.
3. **Program Briefing Session.** Mandatory Program Briefing Sessions will be conducted by the CoPHD for all prospective program participants, either prior to or upon issuance of a HCV.
4. **Resident Counseling.** The CoPHD will routinely provide family counseling as a part of every re-examination interview in order to clarify any confusion pertaining to program rules and requirements.
5. **Review and Explanation of Forms.** The CoPHD will explain all required forms and review the contents of all re-examination documents.
6. **Use of Instructive Signs and Warnings.** Instructive signs will be conspicuously posted in common areas and interview areas to reinforce compliance with program rules and to warn about penalties for fraud and abuse.
7. **Participant Certification.** All adult family members will be required to sign a "Participant Certification" form.

8. **Personal Declaration for Rental Assistance Benefits Form.** The head of household will be required to complete, sign and date this form, and obtain the signature of all adult family members. Additionally, if anyone outside of the family's household helped the head of household to complete the form, they will be required to disclose their name, relationship to the family, telephone number and sign the Certification under Section VIII of this form.
9. **What You Should Know About EIV and Debts Owed to Public Housing Agencies & Terminations program forms.** The head of household and adult family members will be required to complete, sign, and date these forms acknowledging their understanding.
10. **CoPHD Newsletter.** This transmittal informs program participants and property owners about changes in the rules and regulations of the Rental Assistance Programs and CoPHD's Administrative Plan. Additionally, it reiterates the importance of complying with the HCVP and adopted CoPHD's Family Obligations in order to remain eligible for rental assistance.
11. **Other:** Information, forms and certifications as may be required by the CoPHD.

C. STEPS THE CoPHD WILL TAKE TO DETECT PROGRAM ABUSE AND FRAUD

The CoPHD will maintain a high level of awareness to indicators of possible abuse and fraud by families.

1. **Quality Control File Reviews.** Prior to initial admission, and at the completion of all subsequent re-examinations, each family's file may be reviewed. Such reviews shall include, but are not limited to:
 - a. Assurance that verification of all income and deductions is present.
 - b. Changes in reported Social Security numbers or dates of birth.
 - c. Authenticity of file documents.
 - d. Ratio between reported income and expenditures.
 - e. Review of signatures for consistency with previously signed file documents.

- f. All forms are correctly and completely filled out, dated and signed.
 - g. Review and print EIV report for all annual re-examinations and cases where discrepancy in tenant reported information and EIV report exists.
2. **Observation.** The CoPHD will maintain a high awareness of circumstances which may indicate program abuse or fraud, such as unauthorized persons residing in the household and unreported income. The family's case file will be documented by the staff member assigned to the case and also by the inspector who conducted the inspection of the assisted unit.
 3. **Public Record Bulletins.** The CoPHD may use this source.
 4. **National Crime Information Center (NCIC).** The CoPHD may utilize the information contained in the NCIC records database, which is maintained by the Federal Bureau of Investigations, to verify whether or not members of the family have a criminal record.
 5. **State Wage Data Record Keepers.** Inquiries to State wage and employment record keeping agencies as authorized under Public Law 100-628, the Stewart B. McKinley Homeless Assistance Amendments Act of 1988, may be made annually in order to detect unreported wages or unemployment compensation benefits.
 6. **Enterprise Income Verification System (EIV).** The CoPHD will pull reports from the EIV system to verify the accuracy of the income source(s) information reported by families for additional information regarding the EIV system, please refer to Chapter 24, "Enterprise Income Verification Security Policy and Procedures", of this Plan.
 7. **Credit Bureau Inquiries.** Credit Bureau inquiries may be made (with proper authorization by the family) in the following circumstances:
 - a. At the time of final eligibility determination.
 - b. When an allegation is received by the CoPHD wherein unreported income sources are disclosed.
 - c. When a family's expenditures exceed his/her reported income and no plausible explanation is given.

D. THE CoPHD'S HANDLING OF ALLEGATIONS OF POSSIBLE ABUSE AND FRAUD

The CoPHD will encourage all participating families to report suspected abuse to their assigned Housing Assistant. All such referrals, as well as referrals from community members and other agencies, will be thoroughly documented and placed in the family's file. All allegations, complaints and tips will be carefully evaluated in order to determine if they warrant follow-up. The CoPHD will not follow up on allegations which are vague or otherwise non-specific. The CoPHD will only review allegations which contain one or more independently verifiable facts.

1. **File Review.** An internal file review will be conducted to determine:

If the subject of the allegation is a client of the CoPHD and, if so, to determine whether or not the information reported has been previously disclosed by the family. It will then be determined if the CoPHD is the most appropriate authority to do a follow-up. Any file documentation of past behavior, as well as corroborating complaints, will be evaluated.

2. **Conclusion of Preliminary Review.** If at the conclusion of the preliminary file review, there are facts contained in the allegation which conflict with file data and the facts are independently verifiable, the Housing Assistant assigned to the family's case will initiate an investigation to determine if the allegation is true or false.

E. HOW THE CoPHD WILL INVESTIGATE ALLEGATIONS OF ABUSE AND FRAUD

If the CoPHD determines that an allegation or referral warrants follow-up, the staff person who is responsible for the file will conduct the investigation. The steps taken will depend upon the nature of the allegation and may include, but are not limited to, the items listed below. In all cases, the CoPHD will secure written authorization from the family for the release of information.

1. **Credit Bureau Inquiries.** In cases involving previously unreported income sources, a Credit Bureau inquiry may be made to determine if there is financial activity that conflicts with the reported income of the family.
2. **Verification of Credit.** In cases where the financial activity conflicts with file data, a *Verification of Credit* form may be mailed to the creditor in order to determine the unreported income source.
3. **Employers and Ex-Employers.** Employers or ex-employers may be contacted to verify wages which may have been previously undisclosed or misreported.

4. **Neighbors/Witnesses.** Owner/owner's agent, neighbors and/or other witnesses who are believed to have direct or indirect knowledge of facts pertaining to the CoPHD's review may be interviewed.
5. **Other Agencies.** Investigators, caseworkers or representatives of other benefit agencies may be contacted.
6. **Public Records.** If relevant, the CoPHD will review public records kept in any jurisdictional courthouse. Examples of public records which may be checked are: real estate, marriage, divorce, uniform commercial code financing statements, voter registration, judgments, court or police records, State wage records, utility records and postal records.
7. **Interviews with Head of Household or Family Members.** The CoPHD will discuss the allegation (or details thereof) with the head of household or family member by scheduling an appointment at the appropriate CoPHD office. A high standard of courtesy and professionalism will be maintained by the CoPHD staff person who conducts such interviews. Under no circumstances will inflammatory language, accusations, or any unprofessional conduct or language be tolerated by the CoPHD. If possible, an additional staff person will attend such interviews.
8. **Inspection of the assisted unit.** A special inspection of the assisted unit will be conducted for cases where allegations of unauthorized family members have been made.
9. **Other.** Information, inquiries and data gathering as may be required by the CoPHD.

F. PLACEMENT OF DOCUMENTS, EVIDENCE AND STATEMENTS OBTAINED BY THE CoPHD

Documents and other evidence obtained by the CoPHD during the course of an investigation will be considered "work product" and will be kept in the family's file. Such cases under investigation may not be discussed among CoPHD staff, unless they are involved in the process or have information which may assist in the investigation.

G. CONCLUSION OF THE CoPHD'S INVESTIGATIVE REVIEW

At the conclusion of the investigative review, the reviewer will report the findings to the Housing Assistance Officer or designee. It will then be determined whether a violation has occurred, a violation has not occurred, or if the facts are inconclusive.

H. EVALUATION OF THE FINDINGS

If it is determined that a program violation has occurred, the CoPHD will review the facts to determine:

1. The type of violation (procedural, non-compliance, fraud).
2. Whether the violation was intentional or unintentional.
3. What amount of money (if any) is owed by the family.
4. If the family is eligible for continued occupancy.

I. ACTION PROCEDURES FOR VIOLATIONS WHICH HAVE BEEN DOCUMENTED

Once a program violation has been documented, the CoPHD will propose the most appropriate remedy based upon the type and severity of the violation.

1. **Procedural Non-compliance.** This category applies when the family "fails to" observe a procedure or requirement of the CoPHD, but does not misrepresent a material fact, and there is no retroactive assistance payments owed by the family.

Examples of Non-Compliance Violations Are:

- Failure to appear at a pre-scheduled appointment.
 - Failure to submit requested information in time period specified by the CoPHD.
- (a) **Warning Notice to the Family.** In such cases a notice will be sent to the family which contains the following:
1. A description of the non-compliance and the procedure, policy or obligation which was violated.
 2. The date by which the violation must be corrected or the procedure complied with.

3. The action which will be taken by the CoPHD if the procedure or obligation is not complied with by the date specified by the CoPHD.
 4. The consequences of repeated (similar) violations.
2. **Procedural Non-Compliance - Overpaid Assistance.** When the family owes money to the CoPHD for failure to report changes in income or assets, the CoPHD will issue a Notification of Overpayment of Assistance. This notice will contain the following:
- A description of the violations and the dates.
 - Amounts owed to the CoPHD.
 - Appointment date and time to discuss the overpayment calculations with the head of household and other adult(s) responsible for the overpaid rental assistance.
 - The right for the family to disagree with the overpaid rental assistance amount and for the family to submit, within 30 days of the date of the scheduled appointment, information supporting their statement.
 - An option of entering into a repayment agreement if assistance is not being terminated. Also, informing the family of the terms of the agreement.
- (a) **Participant Fails to Comply with CoPHD's Notice.** If the family fails to comply with the CoPHD's notice, and a family obligation has been violated, the CoPHD will initiate termination of assistance.
- (b) **Participant Complies with CoPHD's Notice.** When a family complies with the CoPHD's notice, the staff person responsible will meet with him/her to discuss and explain the family obligation or program rule which was violated.
3. **Intentional Misrepresentations.** When a family falsifies, misstates, omits or otherwise misrepresents material facts which results in an overpayment of housing assistance by the CoPHD, the CoPHD will determine whether or not:
- The family had knowledge that his/her actions were wrong; and
 - The family willfully violated the family obligations or the law.

Knowledge that the Action or Inaction Was Wrong. This will be evaluated by determining if the family was made aware of program requirements and prohibitions. The family's signature on various CoPHD certification forms (i.e., briefing certification, Obligations of the Family and Things you Should Know) are adequate to establish knowledge of wrong-doing, etc.

The Participant Willfully Violated the Law. Any of the following circumstances will be considered adequate to demonstrate willful intent:

- (a) An admission by the family of the misrepresentation.
- (b) That the act was done repeatedly.
- (c) If a false name or Social Security number was used.
- (d) If there were admissions to others of the illegal action or omission.
- (e) That the family omitted material facts which were known to him/her (i.e., employment of self or other household members).
- (f) That the family falsified, forged or altered documents.
- (g) That the family uttered and certified to statements at any re-examination which were later independently verified to be false.

4. **Dispositions of Cases Involving Misrepresentations.** In all cases of misrepresentations involving efforts to recover monies owed, the CoPHD may pursue, depending upon its evaluation of the criteria stated above, one or more of the following actions:

(a) **Criminal Prosecution:** If the CoPHD has established criminal intent and the case meets the criteria for prosecution, the CoPHD will:

- Refer the case to the local State or District Attorney, notify HUD's Regional Office of Inspector General (ROIG), and terminate rental assistance.

(b) **Administrative Remedies:** The CoPHD will:

- Terminate assistance and demand payment of restitution in full.
- Terminate assistance and execute an administrative repayment

agreement in accordance with the CoPHD's repayment policy.

- Terminate assistance and pursue restitution through civil litigation.
- Continue assistance at the correct level upon repayment or restitution in full within 30 days.
- Permit continued assistance at the correct level and execute an administrative repayment agreement in accordance with the CoPHD's repayment policy.

5. **The Case Conference for Serious Violations and Misrepresentations.** When the CoPHD has established that material misrepresentations have occurred, a case conference will be scheduled with the family and the CoPHD staff person who is most knowledgeable about the circumstances of the case.

This conference will take place prior to any proposed action by the CoPHD. The purpose of such conference is to review the information and evidence obtained by the CoPHD with the family, and to provide the family an opportunity to explain any document findings which conflict with representations in the family's file. Any documents or mitigating circumstances presented by the family will be taken into consideration by the CoPHD. The family will be given 15 days to furnish any mitigating evidence.

A secondary purpose of the case conference is to assist the CoPHD in determining the course of action most appropriate for the case. Prior to the final determination of the proposed action, the CoPHD will consider:

- The duration of the violation and number of false statements.
- The family's willingness to cooperate and accept responsibility for his/her actions.
- The amount of money involved.
- The family's past history.
- Whether or not criminal intent has been established.

6. **Notification to Participant of Proposed Action.** The CoPHD will notify the family by certified mail and regular U.S. mail of the proposed action, in a reasonable time after the case conference.

CHAPTER 24

ENTERPRISE INCOME VERIFICATION (EIV) SECURITY POLICY AND PROCEDURES

INTRODUCTION

The EIV system is intended to provide a single source of income-related data to PHAs for use in verifying the income reported by participants in the various assisted housing programs. The Office of Public and Indian Housing (PIH) is responsible for administering and maintaining the EIV system. The procedures in this Chapter apply to all CoPHD staff that access EIV data. The purpose of this Chapter is to establish the CoPHD's policies and procedures to assure that the practices, controls and safeguards used by CoPHD are in compliance with the Federal laws regarding the protection of this information.

A. THE ENTERPRISE INCOME VERIFICATION SYSTEM

The EIV system applies to the following HUD-PIH rental assistance programs: Public Housing, Section 8 Moderate Rehabilitation, Project-Based Voucher, Project-Based Certificate, and Housing Choice Voucher (HCV) Programs.

The CoPHD is required to use the EIV system in its entirety as a third party source to verify tenant employment and income information during mandatory reexaminations of family composition and income; and reduce administrative and subsidy payment errors in accordance with 24 CFR §5.236 and §5.233 and administrative guidance issued by HUD. The CoPHD will monitor all the reports in EIV monthly. The CoPHD will continue to update their EIV policies and procedures in accordance with current Notice PIH and reference material issued by HUD.

The EIV System is a web-based application, which provides CoPHD with employment, wage, unemployment compensation and social security benefit information of tenants who participate in the Public Housing and various Section 8 programs under the jurisdiction of the PIH. This system is available to all PHAs nationwide. Information in EIV is derived from computer matching programs initiated by HUD with the Social Security Administration (SSA) and the U.S. Department of Health and Human Services (HHS), for all program participants with valid personal identifying information (name, date of birth (DOB), and social security number (SSN)) reported on the form HUD-50058.

B. TYPES OF UP FRONT VERIFICATION OF INCOME PROVIDED BY EIV

EIV provides various reports to assist PHAs with the following:

- Identifying tenants whose reported personal identifiers do not match the SSA database.
- Identifying tenants who need to disclose a SSN.
- Identifying tenants whose alternate identification number (Alt ID) needs to be replaced with a SSN.
- Identifying tenants who may not have reported complete and accurate income information.
- Identifying tenants who have started a new job.
- Identifying tenants who may be receiving duplicate rental assistance.
- Identifying tenants who are deceased and possibly continuing to receive rental assistance.
- Identifying former tenants of PIH rental assistance programs who voluntarily or involuntarily left the program and have a reportable adverse status and/or owe money to a PHA or Section 8 landlord.

The EIV system compares the participant income data obtained from various sources including:

- Participant-supplied income data captured on Form HUD-50058 and maintained in the PIC databases;
- U.S. Department of Health and Human Services, National Directory of New Hires (NDNH) data. NDNH becomes the single source for wage, unemployment insurance benefit information, and the new hire (employment) information;
- Social Security and Supplemental Security Income from the Social Security Administration (information formerly accessed through TASS); and
- User profile information from the PIC database.

C. WHAT EIV PARTICIPANT DATA IS USED FOR

EIV data is the first level in the hierarchy of income verification. The EIV data must be used in the following way:

- To verify a participant's eligibility for participation in a HUD rental assistance program and to determine the level of assistance the participant is entitled to receive; and

The CoPHD must not adversely take action against a participant until the PHA has independently verified the EIV, and the participant has been granted an opportunity to contest any adverse findings through the established grievance hearing or other legal procedures, see Chapter 7 of this Plan "Verification Procedures".

D. REQUIREMENTS FOR USING EIV DATA

Tenant Selection and New Admissions

The form HUD-9887, Notice and Consent for the Release of Information, signed by the applicant and each applicant family member 18 years of age and older does not need to be on file in order to use the Existing Tenant Search in EIV at the time of application processing and tenant screening. CoPHD will verify all new family members to ensure they are not included in existing households currently on the program.

For all new admissions, the CoPHD must:

Review the Income Report within 90 days after transmission of the move-in certification to Tenant Rental Assistance Certification System (TRACS) to confirm/validate the income reported by the household.

Resolve any income discrepancies with the household within 30 days of the Income Report date.

Print and retain the Income Report in the tenant file along with any documentation received to resolve income discrepancies.

Unreported or Underreported Income

If the CoPHD determines the family unreported or underreported his/her income, the CoPHD must go back to the time the unreported or underreporting of income started, no limitation that the family was receiving assistance described on forms HUD-9887 and HUD-9887-A, and calculate the difference between the amount of rent the family should have paid and the amount of rent the family was charged. The CoPHD must notify the family of any amount due and their obligation to reimburse the CoPHD. A record of this calculation must be provided to the family and also retained in the family's file. The CoPHD will propose termination of assistance for families that had unreported or underreported income from admission and all monies paid on the family's behalf will be considered an overpayment of rental assistance. If the amount of the overpayment is \$10,000.00 or more, the case will be reported to OIG.

E. FEDERAL PRIVACY ACT

The data provided via the EIV system will be protected to ensure that it is only used for official purposes and not disclosed in any way that would violate the privacy of the individuals represented in the system data. Privacy of data and data security for computer systems are covered by a variety of Federal laws and regulations. The Federal Privacy Act of 1974 as amended, 5 U.S.C. 552 (a), is one such regulation. The full text of the Federal Privacy Act can be accessed at <http://www.opm.gov/feddata/usc552a.txt>

Examples of Federal Privacy Act Violations

Public Housing will not rely entirely upon staff to read and understand the Federal Privacy Act. To ensure that staff has a complete understanding of the Federal Privacy Act and how seemingly harmless actions may be violations, examples of Federal Privacy Act violations will be provided during security awareness training. The following example of a security violation was explained during the HUD Satellite Broadcast introducing the EIV system:

EIV data can only be viewed by authorized PHA staff and the individual adult who the information pertains to. This means that EIV data for an adult household member in a participant family cannot be shared with another adult household member of the participant family (even the head of household) unless that family member is present or signs a waiver authorizing the other family member to view their EIV information. The Federal Privacy Act protects the privacy of each adult family member from any unauthorized person viewing their EIV data, even another family member. However, EIV data for minor children may be viewed by the head of household.

However, the PHA is not prohibited from discussing with the head of household (HOH) and showing the HOH how the household's income and rent were determined based on the total family income reported and verified.

F. SECURITY

A Public Housing EIV Security Officer(s) is responsible for ensuring that proper technical, physical, and administrative safeguards are in place and enforced. The duties of the Public Housing EIV Security Officer(s) are as follows:

- Conducts quarterly reviews of all User IDs issued to determine if the users still have a valid need to access the EIV data and modifies or revokes access rights as appropriate.
- At the request of the Director, updates the EIV Security Policy and Procedures.

- Maintains a key control log or audits the key control log to ensure that one is properly maintained (CoPHD locking file cabinets).
- Maintains a list of users who can access the restricted areas.
- Assures that a copy of Form HUD-9886 has been signed by each member of the household, age 18 years or older, and is in the household file.
- Ensures compliance with the PHA security policies and procedures outlined in this document;
- Communicates security information and requirements to appropriate personnel, including coordinating and conducting security awareness training sessions;
- Ensures that any infractions of security procedures are promptly reported to Department Director for investigation and enforcement; and
- Ensures that all EIV records and forms (i.e. signed user agreements) are kept and updated as needed.

Security Awareness Training

Security awareness training is a crucial aspect of ensuring the security of the EIV system and data. Users and potential users will be made aware of the importance of respecting the privacy of data, following established procedures to maintain privacy and security, and notifying management in the event of a security or privacy violation.

In addition to security awareness training, the Public Housing EIV Security Officer(s) will communicate security information and requirements to appropriate personnel. Security awareness training will be provided to each employee upon granting access to the EIV system. Thereafter, annual security awareness refresher training will be provided to each employee with EIV access.

The Public Housing EIV Security Officer(s) will conduct security awareness training in the following manner:

- The trainer and the employee will both sign a certification that EIV security training has been provided. The training certification and a record of the training material provided at the awareness training will be kept in the Public Housing EIV Security Binder.
- At the end of the training, each employee will also sign the EIV Rules of Behavior and User Agreement Form. One copy will be given to the employee to be placed in their desk manual and one copy will be retained in the Public Housing EIV Security Binder. The forms will be updated once a year at the refresher training.

- The Public Housing EIV Security Officer(s) will limit the security awareness training to security awareness and compliance issues only. Instructing staff on how to navigate in the EIV modules and how to run reports or to interpret data is the responsibility of the Supervisor or designated trainer; and
- Examples of potential Privacy Act and security violations will be provided during the training.

Safeguards

The purpose of these technical safeguards is as follows:

- To reduce the risk of a security violation related to the EIV system's software, network, or applications.
- To identify and authenticate all users seeking access to the EIV system.
- To deter and detect attempts to access the system without authorization.
- To monitor the user activity of the EIV system.
- Each user is required to have their own User ID and Password.
- The User ID identifies the PHA's and tenant information that the user is authorized to access.
- Passwords are encrypted and the password file is protected from unauthorized access.
- The system forces all user to change their password every 21 days and limit the reuse of previous passwords.
- After three unsuccessful attempts to log in, the User ID is locked and the user must contact the HUD System Administrator to have the password reset; and
- Online warning messages that inform the user of the civil and criminal penalties associated with unauthorized use of the EIV system will be displayed.

In addition, the CoPHD will follow the following technical security requirement:

- Public Housing will not save EIV data to a computer hard drive or any other automated information system (i.e. network drive, disk or CD).

- Public Housing staff will not leave their computer unattended with EIV data displayed on the screen.
- Public Housing staff will attend the required security awareness training; and
- Public Housing staff will not log in on another user's ID.

Administrative Safeguards

The Public Housing EIV Security Officer(s) will maintain security-related records and monitor programmatic security issues. They will also adhere to the following administrative safeguards:

- Ensure that all users who have access to EIV data have an Access Authorization Form signed by the Director of Housing on file.
- ;
- Ensure that all users who access the EIV system have a current signed Rules of Behavior and User Agreement on file.
- Conduct quarterly reviews of all User IDs to determine if the user still has a valid need to access the EIV data; and
- Ensure the access rights are modified or revoked as appropriate.

The Public Housing EIV Security Officer(s) will maintain the following EIV security records and forms:

- EIV Rules of Behavior and User Agreement Forms.
- EIV Access Authorization Forms.
- EIV Disposal Records List.
- EIV security violation information.
- Key control logs for secure areas or filing cabinets.
- EIV Security Awareness Training Records.
- Records of internal audits to ensure that Form HUD-9886 has been signed by each adult member of the household and is kept in the Confidential Resident File; and

- A record of all users who have approved access to EIV data, including the date access was granted and the date access was terminated.

Physical Safeguards

The purpose of physical safeguards is to provide barriers between unauthorized persons and documents containing private data.

Confidential Participant Files/Envelopes

All EIV data printed will be saved in the "Confidential" participant file and/or "Confidential" participant envelope. Each participant file/envelope will be clearly labeled on the front cover as "Confidential". This alerts staff that this file/envelope contains EIV data that must be protected at all times when not in use.

Locking File Cabinets for Confidential Files and Sealed Confidential Envelopes

Even though the CoPHD has a monitored office building, persons unauthorized to view EIV data, such as maintenance staff, janitorial staff, or temporary staff, have access to the office spaces. In office settings where any staff other than the staff responsible for the participant file or their supervisor has access to the office, all confidential participant files will be kept in locking file cabinet.

EIV data in the confidential sealed and stamped envelopes will be kept in the family's file. If the case is terminated or purged, the confidential envelopes will be placed in the locked EIV cabinets until it is time to dispose of the EIV information.

Hard Copy Security Violations

CoPHD will handle EIV data in such a manner that it does not become misplaced or available to unauthorized personnel. Any marked confidential participant file or marked confidential EIV envelope will contain EIV data. Therefore the file/envelope cannot be viewed by any personnel that are not expressly authorized (i.e. staff in charge of the file, the supervisor of the staff in charge of the file, the Public Housing EIV Security Officer(s), or the Public Housing Internal Auditor) and who do not have both an Access Authorization Form and a Rules of Behavior and User Agreement on file with the Public Housing EIV Security Officer(s).

Viewing the EIV information of a participant outside of a staff's caseload assignment is considered a security violation for both the staff unlawfully viewing the EIV information and for the staff that left the information unattended. Unless a supervisor has specifically authorized staff to view another staff's EIV data, this is expressly prohibited.

Disposal of EIV Information

EIV data should be destroyed as soon as it has served its purpose or as prescribed by the program administrator's policy and procedures which is 3 to 5 years. All EIV originals and any documents created in association with their use should be shredded to prevent the reconstruction of the contents. Large amounts of shredded paper should not be allowed to accumulate in the bin. It is important that a log or register be maintained of all documents shredded or destroyed.

G. REPORTING IMPROPER DISCLOSURES

Recognition, reporting and disciplinary action in response to security violations are crucial to successfully maintaining the security and privacy of the EIV system.

Security violations may include the following:

- Disclosure of private data.
- Attempts to access unauthorized data; and
- Sharing of User IDs and passwords.

Upon discovery of a possible improper disclosure of EIV information or another security violation by a Public Housing Employee or any other person, the individual making the observation or receiving the information should contact the Public Housing EIV Security Officer(s). The Public Housing EIV Security Officer(s) will document all improper disclosures in writing on a security disclosure form, providing details including who was involved, what was disclosed, how the disclosure occurred, and where it occurred.

The following contacts will be made:

- The Public Housing EIV Security Officer(s) will contact and provide the Director of Public Housing with the written documentation of the security violation.
- The Administrator or his designee will provide the HUD Field Office Public Housing Director with the written documentation; and
- The HUD Field Office Public Housing Director, upon receipt of the documentation, will make a determination regarding the referral and provision of the written documentation to the Headquarters EIV Coordinator and/or Public Housing EIV Security Officer(s) for further review and follow-up action.

Safeguards Provided by the Federal Privacy Act

The Federal Privacy Act provides safeguards for individuals against invasion of privacy by requiring Federal agencies, except as otherwise provided by law or regulation, to:

- Permit individuals to know what records pertaining to them are collected, maintained, used or disseminated.
- Allow individuals to prevent records pertaining to them (obtained for a particular purpose) from being used or made available for another purpose without their consent.
- Permit individuals to gain access to information pertaining to them, obtain a copy of all or any portions thereof, and correct or amend such records.
- Collect, maintain, use or disseminate personally identifiable information in a manner that ensures the information is current and accurate, and that adequate safeguards are provided to prevent misuses of such information.
- Permit exemption from the requirements of the Act only where an important public policy need exists as determined by specific statutory authority; and
- Be subject to a civil suit for any damages that occur as a result of action that violates any individual's rights under this Act.

I. UPDATING OF PHA POLICIES AND PROCEDURES

All PHAs are required to immediately implement all new and modified regulatory requirements of the Refinement of Income and Rent Determination Requirements in Public and Assisted Housing Programs: Implementation of the Enterprise Income Verification System-Amendments. PHAs should immediately update their policies and procedures to reflect these new regulatory provisions.

PIH provided PHAs with the attached EIV system information guide that PHAs may provide to applicants and tenants of PIH rental assistance programs. The CoPHD distributed the documents *What You Should Know About EIV* and Form HUD 52675 to applicants and tenants to educate families about EIV and Debts Owned to PHAs & Termination Notice and to also inform them of how it affects their family. The CoPHD will provide the family with a copy of each notice and maintain a signed copy in the family file.

CHAPTER 25

SPECIAL HOUSING CHOICE VOUCHER ALLOCATIONS

INTRODUCTION

The Housing Choice Voucher (HCV) program includes special voucher allocations for defined populations. These special allocations must be utilized by households meeting the specific eligibility definition for the allocation under which they will be assisted. These allocations include HCV for Non-Elderly Disabled Persons (NED) and HUD-Veteran's Affairs Supportive Housing (HUD-VASH). This chapter will outline policies and procedures for these two special allocations. Except as delineated in this chapter, these programs will be administered in adherence to the policies and procedures of the HCV program as administered by the City of Pasadena Housing Department (CoPHD) and set forth in this Administrative Plan.

A. HCV FOR NON-ELDERLY DISABLED PERSONS

HCV for NED provides rental assistance to very low-income households whose head, spouse, or sole member is a person with disabilities and is less than 62 years old. These HCV are administered in two categories. Category 1 provides rental assistance to very low-income non-elderly disabled households. Category 2 provides rental assistance to very low-income non-elderly disabled persons who are living in nursing homes and other health-care institutions to allow them to transition into the community with appropriate services.

Applicant Eligibility Process

Applicants for Category 1 NED Vouchers must be selected from the Section 8 waiting list and meet the definition of non-elderly disabled household. In the event that Category 1 HCVs are available and there are not enough households on the waiting list that qualify for these HCVs and the waiting list is closed, then the waiting list will open for applications from very low-income non-elderly disabled households. In this case, the CoPHD will limit the families that may apply to only those families that meet the eligibility requirements for the allocated Category 1 HCVs. The waiting list process for these applicants will be conducted in accordance with waiting list procedure as delineated in Chapter 4 of this Plan, "Application Pool". Eligibility determination requires that all conditions of eligibility be met at the time of initial lease-up.

In addition to meeting the income and non-elderly disabled requirements, applicants for Category 2 NED Vouchers must reside in a nursing home or other health care institution and be referred by the partnering Money Follows the Person (MFP) agency. The CoPHD has partnered with the three designated Money Follows the Person (MFP) agencies in Los Angeles County to receive referrals for Category 2 NED Vouchers: Alternative Home Care; Westside Center for Independent Living; and SCAN/Independence at Home. Other Category 2 eligible households may also qualify for these vouchers if they can demonstrate, with confirmation from an independent agency that routinely provides supportive services, that they will be provided with the appropriate services to allow them to live independently.

Outreach to Non-Elderly Persons with Disabilities

The CoPHD will reach out to agencies that provide supportive services to non-elderly disabled persons to make them aware of the availability of NED vouchers and the requirements to access Category 1 and Category 2. When it is necessary to open the waiting list to accept applications for Category 1 NED, information will be disseminated in accordance with Chapter 3 of this Plan, "Open Enrollment". Additionally, application information will be made available at agencies that serve persons with disabilities.

Affirmatively Furthering Fair Housing

As stated in Chapter 1 of this Plan, "Statement of Policies and Objectives" it is the policy of the CoPHD to comply with the Affirmatively Furthering Fair Housing Requirements of 24 CFR Part 903.7(o). Affected applicants are informed at the HCV briefing session about how to file a fair housing complaint. Form HUD-928.1, the Equal Housing Opportunity flyer which includes the toll free Housing Discrimination hotline and Federal Information Relay Service numbers, and Form HUD-903.1, "Are You a Victim of Housing Discrimination" which includes a form for filing a housing discrimination complaint, are included in each briefing packet and reviewed during the briefing session.

Reasonable Accommodation

The CoPHD's policies and procedures regarding reasonable accommodation are outlined in Chapter 1 of this Plan. These policies and procedures will be applied to:

- NED Program
- NED applicants; and
- NED participants.

Housing Search Assistance

The Pasadena Housing Resource Center, sponsored by the City of Pasadena Housing Department and available online at www.pasadenahousingsearch.com, provides detailed information about currently available, moderately priced units in Pasadena. The site includes tools to search for accessible units and units that accept rental assistance. Use of the site is free. It may also be accessed through a toll-free, bilingual call center at 1-877-428-8844. Applicants are provided information about the site at the HCV briefing session.

Recipients of Category 2 HCVs will receive assistance in locating housing from Supportive or Independent Living Service agencies, as described below.

Supportive Services for Category 2 HCVs

The State of California is participating in the Money Follows the Person (MFP) Demonstration Program. The CoPHD will partner with the California Department of Health Services (CDHS) to ensure that the needed case/care management is provided to non-elderly disabled households transitioning from long-term care facilities. The CDHS Office of Long-Term Care operates the California Community Transitions Program, which assists persons who have resided in a long-term care facility for over six months as they transition back to community living. The CDHS has identified and contracted with organizations who work directly with willing and eligible individuals, support networks, and providers to facilitate and monitor their transition from facilities to community settings.

In order to facilitate the transition of non-elderly disabled persons and provide the necessary and appropriate health and social services, the CDHS has contracted in Los Angeles County with three agencies serving disabled persons and assisting them to live independently. Alternative Home Care, Westside Center for Independent Living, and SCAN/Independence at Home all provide services to persons with disabilities to allow them to transition back into the community. The services and supports described below will be provided to clients who receive Category 2 NED HCVs.

Service Coordinators make quarterly visits to each client's home to ensure that appropriate services are in place. Services include, but are not limited to, Supported Living Services (SLS), Independent Living Services (ILS), transportation, and day activity programs.

Services are determined on a case-by-case basis. SLS and/or ILS agencies will provide the following supports to clients receiving NED HCVs:

- Locate housing that is acceptable to the HCV program, the individual tenant, and where vouchers will be accepted by landlords/owners of the property.
- Assist with completion and submission of documents required for annual HCV recertification; including completion of forms, SSA records, bank records, employment pay stubs, etc.
- Coordinate meeting dates and transportation to/from all necessary meetings, and ensure that residents are present at all meetings and inspections.
- Assist with budgeting needs, as well as other living support needs (i.e., personal attendant services, medical appointments, and other support as identified in the persons Individual Service Plan with the SLS or ILS agency) that are related to housing and community support, which assist the individual tenant(s) to maintain healthy living and their home.
- Assist residents to access all necessary medical and mental health services.
- Assist residents with all needed transition services from nursing homes, intermediate care facilities, specialized institutions and other health care institutions into the community.
- Act as ongoing liaison, as needed, between the tenant and the CoPHD.
- Act as ongoing liaison, as needed, between the tenant and the property owner/manager.
- Assist with negotiating and obtaining reasonable accommodations when needed.
- Work with the regional center to provide outreach and information to property management companies in order to establish collaborative relationships to increase understanding of the housing needs of and support opportunities for individual with developmental disabilities, and the benefits of providing subsidized housing to this population.

B. HUD-VETERANS AFFAIRS SUPPORTIVE HOUSING

The HUD-VASH program combines HCV rental assistance for homeless veterans with case management and clinical services provided by the Department of Veteran's Affairs (VA). VA provides these services for participating veterans at VA medical centers (VAMCs) and community-based outreach clinics.

Generally, the HUD-VASH HCV is administered in accordance with regular HCV program requirements (24 CFR Section 982). However, the Act allows HUD to waive or specify alternative requirements for any provision of any statute or regulation that HUD administers in connection with this program in order to effectively deliver and administer

HUD-VASH voucher assistance. The HUD-VASH Operating Requirements (including the waivers and alternative requirements from HCV program rules) were published in the Federal Register on May 6, 2008 and all other HUD publication after said date regarding the HUD-VASH program.

The CoPHD may administer HUD-VASH vouchers as incoming portables from other Public Housing Authorities (PHAs) that have been assigned allocations under this special HCV in accordance with Notice PIH 2010-12 and section II.F of the HUD-VASH Operating Requirements.

CHAPTER 26

PUBLIC HOUSING AND HOUSING CHOICE VOUCHER PROGRAMS TEMPORARY COMPLIANCE ASSISTANCE

INTRODUCTION

U.S. Department of Housing and Urban Development Office of the Public and Indian Housing issued on January 22, 2013, a temporary Notice PIH 2013-03, which establishes temporary guidelines for public housing agencies (PHAs) in fulfilling certain Public Housing (PH) and Housing Choice Voucher (HCV) program requirements during this period of decreased resources available to PHAs. The guidelines are intended to facilitate the ability of PHAs to continue, without interruption and with minimal burden, the delivery of rental assistance to eligible families in their communities. The temporary provisions established by this Notice will be available to PHAs until March 31, 2014 or longer if the notice is extended and/or become a federal regulation.

The economic downturn that commenced in 2008 and which continues has only increased the need for housing assistance. Increased demand for housing assistance without corresponding increased resources strains the operations of PHAs, and jeopardizes their ability to assist families at a time when families most need housing assistance. Increasing administrative flexibility should allow PHAs to deliver rental assistance more efficiently and expeditiously. Reduction of administrative burden is anticipated to allow PHAs to better manage their programs within current allocated budget authority. The temporary guidelines are also designed to increase efficiencies, *minimizing the use of resources for program administration*. HUD intends to pursue more permanent changes to increase flexibility and reduce administrative burden and will be informed by PHAs' use of the temporary compliance provisions of this Notice.

A. Applicability

This Notice, PIH 2013-03 (HA), applies to both the PH and HCV programs, except where noted.

B. Temporary Provisions

1. **Allow option to use participants' actual past income in verifying income.** Projecting expected income and obtaining the additional documentation necessary to project income places an unnecessary burden on PHA staff time and resources when compared to the minimal annual change in tenant incomes. Further, projecting income can lead to PHA

City of Pasadena Housing Department
Rental Assistance Program
2013 Administrative Plan

staff errors that result in improper rent determinations. This provision is intended to simplify the requirements associated with determining a participant's annual income (24 CFR 5.609(a)(2)).

In determining annual income, PHAs may choose to use either actual past income or projected future income. Currently, annual income includes income that is anticipated to be received from a source outside the family during the 12-month period following the effective date of admission or annual reexamination. This Notice provides PHAs with the option of determining annual income based on past actual income received or earned within the last 12 months. If a PHA operates both PH and HCV programs, this option is available for both of their programs. For the purpose of verifying income reported in HUD's Enterprise Income Verification (EIV) system, PHAs that choose to use actual past income must use the most recent 12 months of income information available in EIV. Because this EIV report will give actual earnings data verified by a third party, the program participant is no longer required to provide third party documentation (e.g., paystubs, payroll summary report, unemployment monetary benefit notice).

If there has been a change in circumstances for a tenant, or a tenant disputes the EIV reported income information and is unable to provide acceptable documentation to resolve the dispute, the PHA must request written third-party verification. For example, if a program participant lost his/her job, changed jobs, or reduced their hours in the months subsequent to the time period covered in EIV, the PHA must use, at the participant's request, the more recent income information verified by participant provided third-party documentation (e.g., paystubs, payroll summary report, unemployment monetary benefit notice) or through written third-party verification, which reflects the new or current work circumstance.

PHAs must continue to verify income from sources not available in EIV. However, PHAs must use the same time period for both wage and non-wage income. For example, if a PHA uses EIV information from July 2011 to June 2012 for the purpose of verifying income from wages, the PHA must use the same time period for any nonwage income.

2. Allow households to self-certify as to having assets of less than \$5,000.

Tenants with assets below \$5,000 typically generate minimal income from these assets which results in small changes to tenant rental payments. However, PHAs spend significant time verifying such assets which strains PHA budgets, and leads to increased staff errors. This provision is intended to simplify the requirements associated with determining a participant's annual income (24 CFR 5.609(b)(3), 982.516(a)(2)(ii), 960.259(c)).

Families with assets are required to report all assets annually. The amount of interest earned on those assets is included as income used to calculate the tenant's rent obligation. Currently, where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate.

This Notice allows a PHA to accept a family's declaration of the amount of assets of less than \$5,000, and the amount of income expected to be received from those assets. The PHA's application and reexamination documentation, which is signed by all adult family members, can serve as the declaration. Where the family has net family assets equal to or less than \$5000, the PHAs does not need to request supporting documentation (e.g. bank statements) from the family to confirm the assets or the amount of income expected to be received from those assets. Where the family has net family assets in excess of \$5000, the PHA must obtain supporting documentation (e.g. bank statements) from the family to confirm the assets. Any assets will continue to be reported on HUD Form 50058.

3. Allow optional streamlined annual reexaminations for elderly families and disabled families on fixed incomes.

PHAs are statutorily required to verify income and calculate rent annually, including for elderly and disabled families on fixed incomes. The requirement to undertake the complete process for income verification and rent determination for families on fixed incomes is not necessary given the infrequency of changes to their incomes. Further, this requirement requires considerable staff time and PHA resources. This provision is intended to simplify the requirements associated with determining the annual income of participants on fixed incomes (24 CFR 982.516, 960.257).

PHAs may opt to conduct a streamlined reexamination of income for elderly families and disabled families when 100 percent of the family's income consists of fixed income. In a streamlined reexamination, PHAs will recalculate family incomes by applying any published cost of living adjustments to the previously verified income amount.

For purposes of this notice, the term 'fixed income' includes income from:

1. Social Security payments to include Supplemental Security Income (SSI) and Supplemental Security Disability Insurance (SSDI);
2. Federal, State, local, and private pension plans; and
3. Other periodic payments received from annuities, insurance policies, retirement funds, disability or death benefits, and other similar types of periodic receipts that are of substantially the same amounts from year to year.

4. Allow PHAs to establish a payment standard of not more than 120 percent of the fair market rent (FMR) without HUD approval as a reasonable accommodation.

Under current regulations, PHAs must request a waiver from a HUD Field Office for exception payment standards above 110% of the FMR; this process takes considerable administrative time for the PHA and, in some cases, the processing time for the waiver prevents the family from leasing the unit. Under this provision, PHAs may approve a payment standard of not more than 120 percent of the FMR without HUD approval if required as a reasonable accommodation for a family that includes a person with disabilities. This provision applies to the HCV program only and allows a PHA to establish a payment standard within limits currently permitted but designated for approval only by a HUD Field Office (24 CFR 982.503(c)(2)(B)(ii)).

For any voucher unit assisted under the program, PHAs must perform a rent reasonableness determination in accordance with the section 8(o)(10) of the U.S. Housing Act of 1937 and the HCV program regulations. Therefore, PHAs who utilize this provision must maintain documentation that the PHA performed the required rent reasonableness analysis. In addition, the PHA must maintain documentation that that the unit has the feature(s) required to meet the needs of the person with disabilities.

5. Adoption of Temporary Provisions:

A PHA that chooses to adopt any provisions described in this Notice must notify HUD by email at PIHTemporaryCompliance@hud.gov. This email should also include either the Field Office Public Housing Director or the Program Center Coordinator as a recipient.

B. GLOSSARY OF TERMS IN SUBSIDIZED HOUSING

ABSORPTION. In portability (24 CFR 982, part H): the point at which a receiving PHA stops billing the initial PHA for assistance on behalf of a portability family. The receiving PHA uses funds available under the receiving PHA consolidated ACC.

ACCESSIBLE. The facility or portion of the facility can be approached, entered, and used by individuals with physical handicaps.

ADJUSTED ANNUAL INCOME. Annual income, less allowable HUD deductions.

ADMINISTRATIVE FEE. Fee paid by HUD to the PHA for administration of the program. 24 CFR 982.152.

ADMINISTRATIVE FEE RESERVE (formerly "operating reserve"). Account established by PHA from excess administrative fee income. The administrative fee reserve must be used for housing purposes. 24 CFR 982.155.

ADMINISTRATIVE PLAN. The plan that describes the PCDC policies for administration of the tenant-based programs.

ADMISSION. The point when the family becomes a participant in the program. The date used for this purpose is the effective date of the first HAP Contract for a family (first day of initial lease term) in a tenant-based program.

AFFORDABLE HOUSING. Housing within the community which is decent and safe, either newly constructed or rehabilitated, that is occupied by and affordable to households whose income is very low, low or moderate. Such housing may be ownership or rental, single family or multi-family, short-term or permanent.

AMENDMENT TO LEASE. A written agreement with the owner and tenant extending the terms of the existing lease.

ANNUAL CONTRIBUTIONS CONTRACT (ACC). A written contract between HUD and a PHA under which HUD agrees to provide funding for operation of the program, and the PHA agrees to comply with HUD requirements for the program.

ANNUAL INCOME. The anticipated total annual income of an eligible family from all sources for the 12-month period following the date of determination of income computed in accordance with the regulations.

APPLICANT or APPLICANT FAMILY. A family that has applied for admission to a program, but is not yet a participant in the program.

AREA EXCEPTION RENT. An amount that exceeds the published FMR. 24 CFR 982.504(b).

"AS-PAID" STATES. States where the welfare agency adjusts the shelter and utility component of the welfare grant in accordance with actual housing costs.

ASSETS. Something that has monetary value such as cash, saving account, stock in a company, a house, or a parcel of land.

ASSISTED HOUSING. Housing which receives some form of financial subsidy in order to achieve economic feasibility in the provision of affordable housing in its development or rehabilitation. Typically, the financial subsidy is from a public source, and may include loans and/or grants to the housing developer, as well as direct financial assistance to the intended occupant.

ASSISTED RENT. Any rent less than the market rent defined herein. Includes Section 236 rents that are greater than the basic rent.

ASSISTED TENANT. A tenant who pays less than the market rent as defined in the regulations. Includes tenants receiving rent supplement, Rental Assistance Payments, or Section 8 assistance and all other 236 and 221 (d)(3) BMIR tenants, except those paying the 236 market rent or 120% of the BMIR rent, respectively.

ASSISTED UNIT. The residence where the program participant resides while receiving rental subsidy.

ASSUMPTION CONTRACT. A contract that is executed with the Housing Agency and a new owner, when title to real property has been transferred. The new owner agrees to assume and perform all of the owner's duties and obligations under the contract.

AUXILIARY AIDS. Services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, programs or activities receiving Federal financial assistance.

BUDGET AUTHORITY. An amount authorized and appropriated by the Congress for payment to HAs under the program. For each funding increment in an PHA program, budget authority is the maximum amount that may be paid by HUD to the HA over the ACC term of the funding increment.

CENSUS TRACT. Equivalent to a large neighborhood area generally with a population between 1,500 and 6,000 residents.

CERTIFICATE. A document issued by the PHA under the Shelter Plus Care, HOPWA, and Section 8 Rental Assistance Program, declaring a family to be eligible for participation in this program and stating the terms and conditions for such participation. This Program was phased out by HUD beginning October 1, 1999 for Section 8 Rental Assistance Program.

CERTIFICATE HOLDER. A family holding a certificate with unexpired term.

CHILD. A member of the family other than the family head or spouse who is under 18 years of age.

CHILD CARE EXPENSES. Amounts anticipated to be paid by the family for the care of minors under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.

CITIZEN. A citizen or national of the United States.

CO-HEAD. An individual in the household who is equally responsible for the lease with the head of household. A family may have a co-head or spouse but not both. A co-head never qualifies as a dependent.

COMMON SPACE. In shared housing: Space available for use by the assisted family and other occupants of the unit.

COMPUTER MATCH. The automated comparison of data bases containing records about individuals.

CONFIRMATORY REVIEW. An on-site review performed by HUD to verify the management performance of a PHA.

CONSOLIDATED ANNUAL CONTRIBUTIONS CONTRACT. (Consolidated ACC). See 24 CFR 982.151.

CONSOLIDATED PLAN. The document that is submitted to HUD that serves as the planning document (comprehensive affordability strategy and community development plan) of the jurisdiction and an application for funding under any of the Community Planning and Development formula grant programs (CDBG,

ESG, HOME, or HOPWA), which is prepared in accordance with the process prescribed in 24 CFR part 91.

CONGREGATE HOUSING. Housing for elderly persons or persons with disabilities that meets the HQS for congregate housing. A special housing type.

CONSENT FORM. Any consent form approved by HUD to be signed by assistance applicants and participants for the purpose of obtaining income information from employers and SWICA's; return information from the Social Security Administration (including wages, net earnings from self-employment, and payments of retirement income); and return information for unearned income from the Internal Revenue Service. The consent forms expire after a certain time and may authorize the collection of other information from assistance applicants or participants to determine eligibility or level of benefits.

CONTIGUOUS MSA. In portability an MSA that shares a common boundary with the MSA in which the jurisdiction of the initial HA is located.

CONTINUOUSLY ASSISTED. An applicant is continuously assisted under the 1937 Housing Act if the family is already receiving assistance under any 1937 Housing Act program when the family is admitted to the voucher program.

CONTINUUM OF CARE. A comprehensive approach to addressing homelessness that recognizes the need for a coordinated social service system that includes outreach/intake/assessment, emergency shelter, transitional housing, permanent supportive housing, and permanent housing. Each of these components, except permanent housing, provides supportive services to persons as needed.

CONTRACT AUTHORITY. The maximum annual payment by HUD to a PHA for a funding increment.

CONTRACT RENT. The Contract Rent is the total rent paid to the owner, including the tenant payment and the HAP from the PHA.

COUPON. A document issued by the PHA declaring the holder is eligible to participate in the HOME tenant-based rental assistance program and stating the terms and conditions for such participation.

COVERED FAMILIES. Statutory term for families who are required to participate in a welfare agency economic self-sufficiency program and who may be subject to a welfare sanction for noncompliance with this obligation. Includes families who receive welfare assistance or other public assistance under a program for which Federal, State or local law required that a member of the family must participate in an economic self-sufficiency program as a condition

for the assistance.

DEPENDENT. A member of the family (except foster children and foster adults) other than the family head or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student 18 years of age or over.

DISABILITY ASSISTANCE EXPENSES. Reasonable expenses that are anticipated, during the period for which annual income is computed, for attendant care and auxiliary apparatus for a disabled family member and that are necessary to enable a family member (including the disabled member) to be employed, provided that the expenses are neither paid to a member of the family nor reimbursed by an outside source.

DISABLED FAMILY. A family whose head, spouse, or sole member is a person with disabilities; or two or more persons with disabilities living together; or one or more persons with disabilities living with one or more live-in aides.

DISABLED PERSON. A person who is any of the following:

- (1) A person who has a disability as defined in section 223 of the Social Security Act. (42 U.S.C.423).
- (2) A person who has a physical, mental, or emotional impairment that:
 - (i) Is expected to be of long-continued and indefinite duration;
 - (ii) Substantially impedes his or her ability to live independently; and
 - (iii) Is of such a nature that ability to live independently could be improved by more suitable housing conditions.
- (3) A person who has a developmental disability as defined in section 102(7) of the Developmental Disabilities Assistance and Bill of Rights Act (42 U.S.C. 6001(7)).

DISPLACED FAMILY. A family in which each member, or whose sole member, is a person displaced by governmental action, or a person whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized under federal disaster relief laws.

DOMICILE. The legal residence of the household head or spouse as determined in accordance with State and local law.

DRUG-RELATED CRIMINAL ACTIVITY. Term means:

- (1) Drug-trafficking; or
- (2) Illegal use, or possession for personal use of a controlled substance

(as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802)).

DRUG TRAFFICKING. The illegal manufacture, sale, distribution, use, or possession with intent to manufacture, sell, distribute or use, of a controlled substance (as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802)).

ELDERLY FAMILY. A family whose head, spouse, or sole member is a person who is at least 62 years of age; or two or more persons who are at least 62 years of age living together; or one or more persons who are at least 62 years of age living with one or more live-in aides.

ELDERLY PERSON. An individual who is at least 62 years of age.

ELIGIBLE FAMILY (Family). A family that is income eligible and meets the other requirement of the Act and Part 5 of 24 CFR.

EMANCIPATED MINOR. Where a minor becomes an adult in practice, usually by receiving a declaration of liberation from a court expressly for this purpose.

EMERGENCY RETNAL ASSISTANCE DEPOSIT PROGRAM (ERAD). A program that provides a no interest loan for security deposit for persons participating in the HCVP.

EMERGENCY SHELTER (LONG-TERM). Provides overnight shelter (for up to two months) and fulfills a client's basic needs (i.e., food, clothing, medical care), either on-site or through off-site services. Clients must follow basic rules for health and safety, and there may also be additional requirements for stay (i.e., sobriety, participation in programs, employment). An emergency shelter provides case management which links clients to the continuum of care including support services.

EMERGENCY SHELTER (SHORT-TERM). Includes temporary short-term facilities such as cold weather shelters (one day at a time), detoxification programs, and disaster shelters. In addition, this includes organizations that provide vouchers, certificates, or coupons that can be redeemed by low-income individuals or families for temporary residence in hotels, motels, or other similar facilities that provide temporary residence (up to seven days). Case management, may be or may not be, provided on site.

EMPLOYER IDENTIFICATION NUMBER. The nine-digit taxpayer identifying number that is assigned to an individual, trust, estate, partnership, association, company, or corporation.

ENTERPRISE INCOME VERIFICATION SYSTEM (EIV). Is a web based application, which provides PHA's with employment, wage, unemployment compensation, and social security benefits information of tenants who participate in the Public Housing and various Section 8 programs. (for additional information see Chapter 24 of this Administrative Plan)

ENTITY APPLICANT. A partnership, corporation, or any other association or entity, other than an individual owner applicant or a public entity, such as a HA, IHA, or State Housing Finance Agency that seeks to participate as a private owner in any of the following:

- The project-based assistance programs under Section 8 of the 1937 Act;
- The programs in 24 CFR Parts 215, 221, or 236; or
- The other mortgage and loan insurance programs in 24 CFR parts 201 through 267, except that the term "entity applicant "does not include a mortgagee or lender.

EVIDENCE OF CITIZENSHIP OR ELIGIBLE STATUS. The documents which must be submitted to evidence citizenship or eligible immigration status.

EXCEPTION RENT. In the certificate program an initial rent (contract rent plus any utility allowance) in excess of the published FMR. In the certificate program the exception rent is approved by HUD, or the HA under prescribed conditions, and is used in determining the initial contract rent. In the voucher program the PHA may adopt a payment standard up to the exception rent limit approved by HUD for the PHA certificate program.

EXCESS MEDICAL EXPENSES. Any medical expenses incurred by elderly families only in excess of 3% of Annual Income which are not reimbursable from any other source.

EXTREMELY LOW-INCOME FAMILY. A family whose income does not exceed 30 percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families.

FAIR HOUSING ACT. Refers to title VIII of the Civil Rights Act of 1968, as amended by the Fair Housing Amendments Act of 1988.

FAIR MARKET RENT (FMR). The rent, including the cost of utilities (except telephone) as established by HUD for units of varying sizes (by number of bedrooms), that must be paid in the housing market area to rent privately owned, existing, decent, safe and sanitary rental housing of modest (non-luxury) nature with suitable amenities. See periodic publications in the Federal Register in accordance with 24 CFR 888.

FAMILY. Includes but is not limited to the following, and can be further defined in PHA policy.

- A family with or without children (the temporary absence of a child from the home due to placement in foster care is not considered in determining family composition and family size)
- An elderly family or a near elderly family
- A displaced family
- The remaining member of a tenant family
- A single person who is an elderly or displaced person, or a person with disabilities, or the remaining member of a tenant family.

FAMILY RENT TO OWNER. The portion of rent to owner paid by the family.

FAMILY SELF-SUFFICIENCY PROGRAM (FSS Program). The program established by a PHA in accordance with 24 CFR part 984 to promote self-sufficiency of assisted families, including the coordination of supportive services.

FAMILY SHARE. The portion of rent and utilities paid by the family. For calculation of family share.

FAMILY SHARE AT INITIAL OCCUPANCY. At the time the PHA approves a tenancy for initial occupancy of a dwelling unit by a family with tenant-based assistance under the program, and where the gross rent of the unit exceeds the applicable payment standard for the family, the family share must not exceed 40 percent of the family's adjusted monthly income.

FAMILY UNIT SIZE. The appropriate number of bedrooms for a family, as determined by the PHA under the PHA subsidy standards.

FOSTER CHILD CARE PAYMENT. Payment to eligible households by state, local, or private agencies appointed by the State, to administer payments for the care of foster children.

FULL-TIME STUDENT. A person who is attending school or vocational training on a full-time basis (carrying a subject load that is considered full time for day students under the standards and practices of the educational institution attended).

FUNDING INCREMENT. Each commitment of budget authority by HUD to a PHA under the consolidated annual contributions contract for the PHA program.

GROSS RENT. The sum of the contract rent plus any utility allowance. If there is no utility allowance, contract rent equals gross rent.

GROUP HOME. A dwelling unit that is licensed by a State as a group home for the exclusive residential use of two to twelve persons who are elderly or persons with disabilities (including any live-in aide).

HAP CONTRACT. Housing Assistance Payments Contract. A written contract between the PHA and owner for the purpose of providing housing assistance payments to the owner on behalf of an eligible family.

HEAD OF HOUSEHOLD. The adult member of the family who is the head of household for purposes of determining income eligibility and rent.

HOME TBRA. Tenant-based rental assistance for households in crisis who live, work, or got to school full-time in the city.

HOMELESS FAMILY WITH CHILDREN. A family composed of the following types of homeless persons: at least one parent or guardian and one child under the age of 18; a pregnant woman; or a person in the process of securing legal custody of a person under the age of 18.

HOMELESS PERSON. An emancipated youth (17 years or younger) not accompanied by an adult (18 years or older) or an adult without children, who is homeless (not imprisoned or otherwise detained pursuant to an Act of Congress or a State law), including the following:

- (1) An individual who lacks a fixed, regular, and adequate nighttime residence; and an individual who has a primary nighttime residence that is:
 - (i) A supervised publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters, and transitional housing for the mentally ill);
