Chair Higginbotham –

I have enjoyed my short time with you and the other commissioners on the Transportation Advisory Committee. I have been asked to join the planning commission, and, as a result, need to resign from TAC. Best of luck to you in your continuing deliberations to make our transportation system world class.

Thanks!

Sincerely,

A handwritten signature in black ink, reading "Timothy P. Wendler". The signature is written in a cursive style with a long, sweeping underline that extends to the left.
