Mayor Bill Bogaard  
City of Pasadena

February 18, 2013

Dear Bill:

I have served as the Pasadena's representative to the Santa Monica Mountains Conservancy Advisory Committee for some years, and I have found the experience exciting and educational. I have learned a great deal about the history, mission and activities of the Conservancy and its partners during those years. I have particularly enjoyed meeting and working with the representatives from the our neighboring communities, who are dedicated to the preservation and improvement of open space and recreational facilities here and to making the Eastern Rim of the Valley corridor a reality.

I have appreciated the opportunity to see my colleagues and the Conservancy in action. But it is time for someone else to have the experience, so with this letter I ask that you accept my resignation from the Advisory Committee. I will be happy to continue as Pasadena's representative until you have appointed someone to replace me. The next Santa Monica Mountains Conservancy meeting is February 25th, at the Los Angeles River Center. I will plan on attending that meeting unless I hear from you. If you already have someone in mind to take my place, I would be pleased to take her/him to the meeting.

Thank you very much for the opportunity to represent Pasadena and to be a part of this important work.

Sincerely,

*Anita*
