Dear Richard,

It is with much gratitude, consideration and deep forethought that has led me to the decision of resigning as a Board Member within the PCOC Board of Directors; effective immediately.

I have appreciated my time while serving on the Board and enjoyed meeting such great and accomplished people who I will miss seeing on a regular basis. Fortunately and unfortunately, my Business, Town and Country Event Rentals is expanding at such a rate that it requires much of my attention and consumes the majority of my time; rendering me unable to contribute to the Board as much as I would like to. I feel that this position deserves an individual who can devote the time and energy that it demands.

I am very thankful to have been given the opportunity and experience to work as a Board Member for such a well-respected facility in a city that I truly love. If I can be of any assistance to the PCOC in the future or during the time it takes to fill my position, I would be happy to do so.

Best Regards,

Richard F. LoGuercio
