Subject: Resignation

Dear Councilman Tornek:

Thank you for the opportunity to represent our district for the past year as a Commissioner on the Status of Women. It has been a fulfilling experience. Unfortunately, due to my husband's health situation I need to resign from the commission in order to create more time to manage my home responsibilities. Thank you for your understanding and for this tremendous opportunity. Please accept my best wishes for the future.

Kindest regards,

Andrea Abrams
