BRIEF DESCRIPTION OF PROPERTY

Briefly describe the property proposed for designation, indicating whether the entire site or a portion of the site is the subject of the nomination (e.g., how many buildings or objects on the site are included in the nomination) or if the nomination is for an object, sign or tree. A map may be used for the description. Please also submit recent and, if available, historical photographs. Use additional sheets if necessary.

The existing residence at 397 North Catalina Avenue has been evaluated as an historic resource and received a status code 5S2, individual property that is eligible for local listing or designation. The architectural style is a vernacular hipped cottage with some colonial revival features. The current owners value the historic significance and had carefully considered historic principles in improvements done to the building, see attached portfolio. The owners' intent is to develop a condominium project to the rear of the historic residence and believe that the best way to ensure that future owners apply the same care for the residence as they have shown is to have the building receive official designation.

SUPPLEMENTAL INFORMATION ON SIGNIFICANCE OF PROPERTY

With this application, please attach information that will assist staff with the preparation of a designation report. Books, photographs, articles, and other archival information will all be useful to document the significance of the nominated resource.

Refer to bibliography, historical photographs, chronology, and other supporting information.

LEGAL DESCRIPTION

Attach a copy of the most recently recorded legal description for the property (usually in the deed for the property or other documents when the property was purchased—also available from a title company).
