Re: Support for Application for Landmark Designation
760 S Arroyo Blvd, Pasadena

I am writing in support of the application for Landmark Designation for 760 S Arroyo Blvd. My husband and I live in the block directly north of the property being considered for designation. It is a unique French Norman home has been beautifully preserved. It adds much to the quality of the neighborhood. I hope the City Council will find in favor of the application allowing this wonderful property to receive the designation.

Sincerely,

Cynthia Kurtz
