Chapter 9.88 - FAIR CAMPAIGN PRACTICES AND DISCLOSURE ORDINANCE

Sections:

9.88.010 - Short title.

This chapter shall be known as the "Pasadena fair campaign practices and disclosure ordinance."

(Ord. 6075 § 1 (part), 1985)

9.88.020 - Purposes.

The purposes of this chapter are to encourage fair campaign practices and require full and truthful disclosure of receipts and expenditures by candidates and committees in city election campaigns. This chapter is necessary to inhibit unfair campaign practices; to insure that voters in city elections may be fully informed concerning special interests and other persons who may influence the actions of candidates and elected officers; and to encourage individuals and organizations to participate effectively and knowledgeably in city election campaigns.

(Ord. 6075 § 1 (part), 1985)

9.88.030 - Applicability of Political Reform Act of 1974.

In addition to this chapter, the provisions of the Political Reform Act of 1974, as amended (California Government Code Sections 81000 et seq.), shall apply in full to all candidate and ballot measure election campaigns held in the city. This chapter is intended to supplement, and not conflict with, the Political Reform Act. The additional requirements of this chapter shall not prevent any person from complying with the Political Reform Act.

(Ord. 6075 § 1 (part), 1985)

9.88.040 - Definitions.

For purposes of this chapter, the definitions in California Government Code Sections 82000 et seq. shall apply, with the following additional definitions:

- A. "Candidate" means any individual, including an elected officer, who is listed on the ballot for election to city office; who has begun circulating nomination papers for election to city office; who receives a contribution or makes an expenditure, or gives his consent for any other person to receive a contribution or make an expenditure, with a view to bringing about his election to city office; or who has otherwise taken action to bring about his election to city office. Candidate also means any elected officer who is the subject of a recall election.
- B. "City office" means any office of the board of directors.
- C. "Elected officer" means any person who holds a city office, or who has been elected to a city office, but has not yet taken office. A person who is appointed to fill a vacant city office is an elected officer.

If a candidate who will be certified for a general or special election chooses to sign the agreement, he must submit the signed agreement to the city clerk no later than one working day after being certified as a candidate for that election.

- B. No candidate shall be required to sign the fair campaign practices agreement.
- C. Any fair campaign practices agreement filed pursuant to this section is a public record within the meaning of California Government Code Section 81008.
