

Agenda Report

September 29, 2014

TO: City Council

FROM: City Manager

SUBJECT: WORKSHOP SESSION PROVIDING AN UPDATE ON CITY WATER ISSUES

RECOMMENDATION:

This report is for information only. No City Council action is required.

EXECUTIVE SUMMARY:

This workshop will cover topics related to long- and short-term water supply issues, including the current drought conditions, water supply and delivery infrastructure projects, water conservation measures, and related state initiatives including the 2014 Proposition 1 water bond ballot initiative and the efforts to restore and secure the Sacramento Bay Delta.

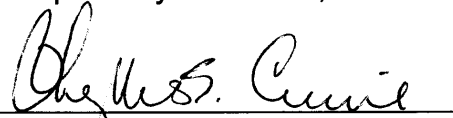

Presentation Outline

- Comments on state and local water resource issues from Cynthia Kurtz, Pasadena's Metropolitan Water District ("MWD") board member
- Update on the drought situation
 - Regional impacts
 - Local impacts
 - Water emergency declaration and short-term mitigation measures
 - Water use trends
- Long-term water resource strategies
 - Key projects from the water integrated resource plan ("Water IRP")
 - Water system infrastructure
 - Water conservation programs
- State initiatives to address water resources
 - Proposition 1 – 2014 Water Bond
 - Bay Delta Conservation Plan ("BDCP")

FISCAL IMPACT:

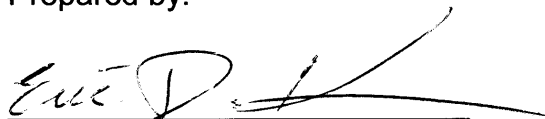

There is no fiscal impact associated with this workshop.
