RE: DESIGN COMMISSION COMPOSITION
(CITY COUNCIL AGENDA ITEM #21)

Honorable Mayor and City Council Members:

I have reviewed the Agenda Report prepared for your consideration this evening. The Design Commission supports the report and urges you to adopt the staff recommendations as they are consistent with those of the Commission.

We have worked collaboratively with staff over the last several months to develop these proposed changes and implement the streamlining efforts articulated in your report and we look forward to continued process improvements in the months to come.

Please contact me if you require any clarification or would like to discuss further.

Very truly yours,
