Hi Laura,
I have some unfortunate news: I've had to step down from the EAC. Sadly, I was downsized from my job due to budget cuts (after just 8 months, if you can believe it!). I've been looking for something to keep me in Southern California and close to family, but I got an opportunity to work in sustainability at Cargill in Minneapolis. It's all happened rather suddenly and I apologize for the abrupt goodbye. But I wanted to say that I really enjoyed working with you and being part of the EAC. Good luck with everything and hope we can keep in touch!
-Chris
