Mayor Terry Tornek

City of Pasadena

100 Garfield

Pasadena, California 91101

Dear Mayor Tornek:

Thank you for the opportunity to serve on the Pasadena Commission on the Status of Women. After attending a few meetings and assisting on the potential launch of the Survival Guide, I have decided that this is not the way I want to serve in the City of Pasadena. I don't want to be negative, but to move forward.

Thank you again for the confidence, I do however submit this letter as my resignation.

Sincerely,

Rosemary Taliba Carr
