Subject: Resignation

John as per our previous conversation I would like to formally advise you of my resignation from the Senior Commission to be effective immediately. It has been both an honor and a pleasure to have served as your representative on the commission. I hope in some small way I have served you and the commission well. For the last forty seven years I have either been an employee or a volunteer for the city of Pasadena I served as the head of two department and one agency which was composed of five departments as well as the General Manger of the Rose Bowl. I also served on three city commissions. Finally I can't say how much I appreciate all of the wonderful opportunities the City of Pasadena has provided me. So may God bless you and our wonderful city.
