Re:Amending the Pasadena Municipal Code to allow alcohol service at La Casita del Arroyo.

Dear Honorable Mayor Tornek and Members of Pasadena's City Council:

On behalf of the La Casita Foundation's Board of Directors, we urge Council's approval of amending the Pasadena Municipal Code to allow alcohol service at La Casita del Arroyo. This has been an oversight in the code as the service of alcohol has been a tradition at La Casita since its beginning in 1933 and is an integral part of the revenue producing Human Services rental package.

Thank you for your consideration.

Sincerely,

*Tom Seifert*
