

RESOLUTION NO. ____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PASADENA CONFIRMING THE AWARD OF ITS ELECTRIC REVENUE/REFUNDING BONDS, 2016A SERIES

WHEREAS, at the time and place fixed for the opening of bids for the City of Pasadena, California, Electric Revenue/Refunding Bonds, 2016A Series (the "2016A Bonds"), bids were received by the Director of Finance of the City of Pasadena (the "City"); and

WHEREAS, the Director of Finance has previously accepted the bid of the highest responsible bidder, a summary of which bids are attached hereto as Exhibit A, and conditionally awarded the 2016A Bonds to the bidder named in the lowest true interest cost bid;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Pasadena:

Section 1. The pricing summary attached hereto as Exhibit B, specifying the purchase price for the 2016A Bonds and the interest rates per annum for each of the maturities of the 2016A Bonds, is based on the highest responsible bid for the 2016A Bonds producing the lowest true interest cost to the City (which true interest cost does not exceed five percent (5.0%) per annum as specified as the maximum true interest cost in the Ordinance authorizing the issuance of the 2016A Bonds). The City hereby waives any irregularity and informality in such bid and confirms the award of the 2016A Bonds to the bidder named in the winning bid in accordance with the terms of the bid.

Section 2. All bids other than the bid accepted by the Director of Finance are rejected.

Section 3. The interest rates on the 2016A Bonds are hereby fixed at the rates as set forth in the attached Exhibit B. The exact aggregate principal amount of the 2016A Bonds to be issued and sold is \$119,440,000.

Section 4. The Director of Finance, or his designee, is hereby authorized and directed to deliver the 2016A Bonds to the successful bidder upon payment therefor at the purchase price of \$141,935,281.36, and to undertake any and all acts necessary or desirable to accomplish the purposes of this Resolution.

11/07/2016
