

## Chapter 10.08 - DEFINITIONS

### Sections

#### 10 08 026 - Director.

"Director" means the director of the department of public works and transportation or his/her authorized representative

(Ord 6529 § 2 (part), 1993)

## Chapter 10.40 - STOPPING, STANDING AND PARKING

### Sections

#### 10 40 050 - Parking—Parallel with curb

A Subject to other and more restrictive limitations, a vehicle may be stopped or parked within 18 inches of the left-hand curb facing in the direction of traffic movement upon any one-way street unless the director of public works has erected signs prohibiting such stopping or standing

B In the event a highway includes 2 or more separate roadways and traffic is restricted to 1 direction upon any such roadway, no person shall stand or park a vehicle upon the left-hand side of such one-way roadway unless the director of public works has erected signs permitting such standing or parking

#### 10 40.060 - Parking—Space markings.

A The director of public works may install and maintain parking space markings to indicate parking spaces where authorized parking is permitted

#### 10 40 070 - Parking—Adjacent to schools.

A The director of public works may place signs or markings indicating no parking upon that side of any street or portion thereof adjacent to any school property when such parking would, in his opinion, interfere with traffic or create a hazardous condition

#### 10 40 090 - Prohibited—Signs required.

D At any place where the director of public works determines that it is necessary in order to eliminate an unusual traffic hazard

#### 10.40 100 - Parking—Temporary prohibiting signs.

The chief of police or director of public works is authorized to erect or place temporary "No Stopping or No Parking" signs on streets or portions thereof when he determines that emergency traffic congestion is likely to result from the holding of public or private assemblages, gatherings or functions, from the

movement of equipment, articles or structures of unusual size, or from street repairs or construction, from the use of such street for authorized purposes other than the normal flow of traffic, or for any other valid reason

**10.40 110 - Loading zone establishment**

A The director of public works may determine and mark by signs or curb markings loading zones and passenger loading zones as follows

**10.40 120 - Placement of curb markings**

A The director of public works may, subject to the provisions and limitations of this title, place, and when required herein shall place signs or the following curb markings to indicate parking, standing or parking regulations, and the curb markings shall have the meanings as herein set forth

**10 40 130 - Bicycle parking spaces.**

A The director of public works may designate and establish bicycle parking spaces for use at such places and during such times as he may deem suitable and necessary The director of public works may also authorize the placing of bicycle parking racks in the spaces so designated

**10.40.150 - Taxi stands.**

A The director of public works may determine the location of and mark taxi stands

**10 40.160 - Bus zones.**

A The director of public works may establish bus zones for the loading and unloading of buses of common carriers of passengers and determine the location thereof subject to the directives and limitations set forth herein

**10.40 165 - Valet parking zones.**

A The director of public works may establish valet parking zones for the loading and unloading of passengers for valet parking operations permitted pursuant to Chapter 12 14 of this code and determine the location thereof

B A valet parking zone shall be indicated by official signs approved or issued by the director of public works which indicate that said area is a valet parking zone

**10 40.170 - Parking—Limitation or prohibition.**

A When, with reference to any street or portion thereof, the director of the Transportation Department determines that

4 Because of any other factor or condition, the unrestricted parking of vehicles has caused, or would necessarily cause, traffic congestion, would create a hazard, detrimentally affect the public welfare, or deprive the public of the efficient use of available curb space, the director of ~~public works~~ may install at any such place signs giving notice that no person shall stand, stop or park a vehicle, except as provided on such signs. The director of ~~public works~~ may include notice on any sign, which prohibits the stopping or parking of vehicles, that vehicles parked or left standing in violation of such regulations may be removed.

#### **10 40 180 - City property—Parking and towing**

A Whenever the director of ~~public works~~ shall determine that the safe, orderly and efficient conduct of the city's business and use of city property requires that the driving, parking or standing of vehicles thereon be regulated, prohibited, limited or restricted, or that public traffic be permitted thereon, the director of ~~public works~~ shall have the power and authority to order signs to be erected or posted indicating that such driving, parking or standing is thus prohibited, limited or restricted, or that such public traffic is permitted. Such authority shall, in the case of a parking district, be exercised pursuant to parking district commission direction.

B When signs prohibiting or restricting public parking or driving, in such form and size as determined by the director of ~~public works~~, giving notice of such restrictions or conditions of use are posted, no person shall drive, park or stand any vehicle, bicycle, motorized bicycle, skateboard or roller skates contrary to the directions or provisions of such signs.

#### **10 40 210 - Handicapped off-street parking.**

The director of ~~public works~~, as to any street or off-street parking facility owned or operated by the city or a parking place commission, and any person in possession of a privately owned or operated off-street parking facility, are authorized, respectively, to designate and reserve parking stalls and spaces for the exclusive use of vehicles displaying the distinguishing license plate or placard issued to handicapped and disabled persons and disabled veterans pursuant to the California Vehicle Code.

### **Chapter 10.42 - DAYTIME PARKING**

#### Sections

#### **10 42 060 - Parking limitations.**

C No more than 2 nighttime and 2 daytime on-street parking permits shall be issued to one residence at any time except for hardship as determined by the director of ~~public works and transportation~~ in his discretion.

#### **10.42 180 - Parking permit—Suspension and revocation**

A Grounds The following are grounds for suspension or revocation by the director of ~~public works and transportation~~.

B Procedure The determination of the director of public works and transportation on matters of suspension shall be appealable in the manner set forth in Section 10 42 170

C Suspension Procedure The director of public works and transportation, in the case of such suspension, shall serve the permittee with a written order of suspension, which shall state the reasons for the suspension The order shall be effective immediately if personally served, or 48 hours after it was deposited with the United States Postal Service

E Surrender of Permit If any permit is revoked pursuant to this chapter, the permittee shall submit evidence satisfactory to the director of public works and transportation that such permit has been destroyed

## Chapter 10.44 - PARKING AT NIGHT

### Sections

#### 10.44 060 - Parking permit—Suspension and revocation.

B Authority Any permit issued hereunder may be suspended by the director of public works and transportation for the grounds listed in subsection A of this section

C Procedure The determination of the director of public works and transportation with regard to matters of suspension shall be appealable in the time and manner set forth in Section 10 44 050

The director of public works and transportation, in the case of such suspension, shall serve the permittee with a written order of suspension, which shall state the reasons for the suspension The order shall be effective immediately if personally served, or 48 hours after the same has been deposited in the course of transmission in the United States Postal Service

Immediately upon such an order becoming effective, the permittee shall discontinue permitted parking

#### 10 44 080 - Refunds upon voluntary cancellation.

There shall be a pro rata refund based upon quarterly increments of the annual permit fee to any applicant who requests of the director of public works and transportation a cancellation of the parking permit prior to the expiration date To qualify therefor the applicant shall first submit evidence satisfactory to the director of public works and transportation that such permit has been destroyed or will no longer be used
