PRESENTATION BY JULIE BANK, PRESIDENT OF THE PASADENA HUMANE SOCIETY & SPCA

Julie Bank, President of the Pasadena Humane Society (PHS), presented a PowerPoint presentation on PHS's various programs and activities to assist the community with pets and wildlife services, and responded to questions.

In response to Councilmember Hampton's inquiry regarding wildlife control, Ms. Banks stated she would update the PHS's website with detailed information and samples of backyards that may help to deter coyotes (and other wildlife).

Councilmember McAustin spoke on her constituent's complaints regarding the lack of a timely response from PHS to calls for assistance. Councilmember Wilson spoke on constituent concerns related to coyotes.

Councilmember Hampton asked Ms. Banks to provide information to the City Council on the number of arrests made by the PHS.

Following discussion, on order of the Mayor, and by consensus of the City Council, the information was received and filed.

PUBLIC COMMENT ON MATTERS NOT ON THE AGENDA

Brigitte Bergman, and Jessica Susnar, California Department of Transportation (Caltrans) tenants, and Christopher Sutton, representing Caltrans Tenants of the 710 Corridor and United Caltrans Tenants, spoke on current Caltrans eviction proceedings, the need for the City to provide some assistance, and inquired why Pasadena's Code Enforcement has not cited Caltrans properties for issues related to blight and/or public nuisances.

In response to Vice Mayor Kennedy's request for an update regarding staff's efforts to contact Caltrans, the City's ability to intervene with the evictions, and his request to agendize the item at a future City Council meeting, Steve Mermell, City Manager, stated that staff has attempted to contact Caltrans regarding the issues but has not made progress in substantive discussions. Staff has instead reached out to the Offices of State Senator Anthony Portantino and Assemblymember Chris Holden. A meeting is scheduled on May 17, 2017 for residents and tenants. In addition, Mr. Mermell stated that the City of Pasadena does have jurisdiction over Caltrans; and he will provide additional information on the City's inspection program in the City Manager's Newsletter.

The Mayor spoke on Caltrans' lack of responsiveness to the City's inquiries, stated that he will continue to seek opportunities for the City to receive some response, and will agendize the item at a future City Council meeting when there is additional information to provide.

Ralph Frammilino, and Josua Finn, Pasadena residents, spoke on the need for additional and tougher restrictions on illegal marijuana shops in the City.

The City Manager stated that staff is currently researching further options to address this issue, with an agendized discussion on the topic planned for the May 15, 2017 City Council, including potential options related to shutting off access to water and power services provided by the City to any illegally operating marijuana businesses in the City.

Michele Beal Bagneris, City Attorney/City Prosecutor, responded that staff has filed numerous civil actions regarding illegal marijuana businesses operating in the City, which are proceeding through the court system, as well as responded to lawsuits from illegal marijuana shop owners.

Councilmembers McAustin and Gordo spoke in agreement that any business owners who operate an illegal marijuana location be disqualified when applying for legal business licenses for marijuana sales in the future, and those property owners allowing illegal operations on their property should also be held accountable.

Mercedes Blackehart, Pasadena resident, provided an update on recent Caltrans evictions along the 710 corridor, and asked the City to intervene on behalf of the tenants.

Hazel Clayton Harrison, a member of the Pasadena Rose Poets, recited poetry.

David Whitehead, Pasadena resident, requested that the City Council provide adequate time for public comment on the discussion of the YWCA/Kimpton Hotel project that he believes will be agendized on May 22, 2017 City Council agenda.

Emanuel Najera, Pasadena resident, stated his preference that the Public Safety Committee should have four Councilmembers.
