RE: Agenda Item #2: AUTHORIZATION TO .... CONTRACT... FOR PUBLIC HEALTH  
CAPACITY BUILDING AND TRAINING SERVICES

Dear Mayor Tornek and City Council Members,

I urge you to **approve** this agenda item (#2) relating to Public Health Capacity Building  
and Training Services.

As an individual who works in the field of Public Health, I routinely see the benefits to local communities that result from robust public health programs. I believe the training that will be provided through this contract will help to make Pasadena's excellent Public Health Department even better.

I urge you to support the Staff Report recommendation and approve this contract the funding of which is made possible through a generous grant from the Kresge Foundation.

Thank you in advance for your time, attention, and consideration.

Sincerely,

David Whitehead  
Pasadena resident
