The Honorable Vice Mayor John Kennedy

City of Pasadena City Council

100 North Garfield Avenue

Pasadena, California 91101

Dear Vice Mayor Kennedy,

I am submitting my formal letter of resignation as a member of the Pasadena Senior Commission. It was my hope to be of some constructive value to this Commission because of my own advancing years and witness to the reality of life after 60 plus. There are many enthusiastic members who are working for the betterment of our City and will pursue their objective, I am sure. Having witnessed the vitality of the discussions I have concluded I must move on and try to accomplish my own goals with the time and energy I have available.

Thank you, John, for appointing me to this commission.

Respectfully,

Frank T. Sata
